

2013 Golf

Das Auto.

TDI 2-Door with Sunroof and Navigation shown in Reflex Silver Metallic

Look what we started.

The first Golf was introduced to the U.S. when large and curvy cars ruled the road. With its strong angular lines, this sporty and utilitarian hatchback was a revelation. It was unexpected, but left a lasting mark. More than twenty-nine million cars later, the essence of the Golf hasn't changed much. It hasn't had to. Sure, it's gotten more refined, more powerful, and more celebrated — *Car and Driver* and *AUTOMOBILE Magazine* are rather fond of it. But the original shape and spirit remain. Here's to getting it right the first time. **That's the Power of German Engineering.**

2013 Golf

And they're off.

When you think of German engineering, it's only natural your pulse starts racing. Especially when you're choosing between a 2.5L, 170-hp gem or a 2.0L TDI® Clean Diesel. Press the accelerator, and you'll hear the sweet sounds of the cylinders all humming some vaguely familiar German song. Listen carefully, and you'll even hear them begging you to take them out for a ride.

Of course, if that wasn't enough, the Golf is equipped with a 4-wheel independent suspension. And is assembled using laser seam welding for increased rigidity and superior handling. So even a drive to the dry cleaners is a gripping experience.

Engine	Hwy mpg	Miles/tank*
2.5L	33	478
2.0L TDI Clean Diesel	42	609

Performance

*2012 2.5L manual transmission: 23 city/33 highway mpg. Range based on 33 highway mpg EPA estimate and a 14.5-gallon tank. 2012 2.0L TDI Clean Diesel, DSG automatic: 30 city/42 highway mpg. Range based on 42 highway mpg EPA estimate and a 14.5-gallon tank. Your mileage will vary.

TDI 4-Door shown in Blue Graphite Metallic

Good, clean fun.

Pack all your things into the back because it comes loaded up front. The TDI Clean Diesel engine delivers 236 lbs/ft of torque for some serious oomph. But what's more amazing is what it doesn't give you: those sooty emissions from years past. In fact, it has 90% fewer emissions than previous diesel engines. Now it's easier to drive the Golf, just for the fun of it.

TDI Clean Diesel

Dual personality. One second you're cruising along with the available fast-shifting DSG® automatic transmission. The next second you push it into Tiptronic® mode, and you're manually shifting through gears like a person reborn.

"10Best Cars for 2012." *Car and Driver* placed the Golf on their ultimate short list. Kelley Blue Book's kbb.com named the Golf TDI one of its 2011 Top 10 Green Cars** for the second year in a row. And driving it is clearly a reward all its own.

Go the distance. TDI Clean Diesel technology isn't just good for the wallet, it's good for the long haul. As in 42 highway miles per gallon† How about a road trip?

Think Blue.®

The sky's the limit. The color blue symbolizes our commitment to building environmentally conscious cars that don't compromise performance. And setting a good example for eco-conscious behavior, everywhere, and every day. Plus, it's always been our favorite color.

*Comparisons based on manufacturers' published data. 2012 2.0L Golf TDI Clean Diesel, DSG automatic transmission: 30 city/42 highway mpg. Range based on 42 highway mpg EPA estimate and a 14.5-gallon tank. 2012 1.8L Toyota Prius, eCVT transmission: 51 city/48 highway mpg. Range based on 48 highway mpg EPA estimate and an 11.9-gallon tank. 2012 2.0L Mazda3 i Grand Touring with SKYACTIV-G, automatic transmission: 28 city/39 highway mpg. Range based on 39 highway mpg EPA estimate and a 14.5-gallon tank. 2012 1.8L Honda Civic HF, automatic transmission: 29 city/41 highway mpg. Range based on 41 highway mpg EPA estimate and a 13.2-gallon tank. 2012 2.0L Ford Focus SE with SFE Package, automatic transmission: 28 city/40 highway mpg. Range based on 40 highway mpg EPA estimate and a 12.4-gallon tank. All fuel values are EPA estimates. Your mileage will vary. **For more information about the 2011 Top 10 Green Cars from Kelley Blue Book's kbb.com, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. †2012 2.0L TDI Clean Diesel, DSG automatic: 30 city/42 highway mpg. EPA estimates. Your mileage will vary.

TDI 2-Door with Sunroof and Navigation shown in Tornado Red

up
to
46
cubic feet of
cargo space

Cargo

Features

- 8-way adjustable front seats with adjustable lumbar support
- Heated front seats*
- Seating for five adults
- 60/40-split folding rear seat with pass-through
- Glovebox with adjustable cooling feature
- Rear center armrest with storage

*Feature available on select models.

Watch this space.

The inside of the Golf is good at being flexible. Which really comes in handy throughout the day. One minute you're carrying four of your buddies in total comfort and style. The next you're hauling off with your latest find from the swap meet. Fold down the rear seats and you've got 46 cubic feet of space. That's a lot of space for cubes, not to mention furniture, suitcases, skis, or floor lamps. Put it this way, if you ever run out of things to put in your Golf, you're just not trying hard enough.

Features

- Touchscreen sound system*
- Media Device Interface (MDI) with iPod® cable*
- Bluetooth® with audio streaming**
- SiriusXM Satellite Radio with 3-month subscription*
- Touchscreen navigation system*
- Multi-function steering wheel*

All play. No work.

There's user-friendly. And then there's user-super-friendly. On select Golf models, you can scroll through music without taking your hands off the wheel. Get turn-by-turn directions for that new restaurant you've been wanting to try in town or across the country. Plug in your iPod to listen to your favorite acid jazz or greatest hits of the '80s compilation. And then call each of your friends with a push of a button to tell them how much you really love technology. The system will even turn down the music for you, so your private collection remains, well, private.

*Feature available on select models. **Requires compatible device.

Interior

Electronic Stability Control (ESC). ESC helps prevent oversteer or understeer during an evasive maneuver by applying corrective forces to each of the wheels. In other words, it helps you maintain control when you need it most.

ABS and HBA. The Anti-lock Braking System (ABS) helps to keep the brakes from locking up during sudden stops and helps you retain control over the steering during emergency braking. Hydraulic Brake Assist (HBA) works with ABS to help ensure that you get the maximum braking power from the brake system.

Tire Pressure Monitoring System (TPMS). The TPMS helps monitor tire pressure and alerts you when it is too low. Properly inflated tires greatly increase safety by helping create better stability, handling, and braking in almost all situations.

Surrounded by safety. In addition to airbags*, every Golf has a specially reinforced safety cage complete with anti-intrusion side beams and thermo-formed B-pillars, designed to help protect you in the event of a collision. Surrounding that are crumple zones, which provide space and material to help cushion and absorb the impact while the safety cage insulates you.

Safety

You know that German engineering you admire under the hood? It's actually throughout the entire car. There are more than a dozen safety features specifically designed to help you prevent a collision. And even more to help protect you in the event of one. So no matter what happens, we'll do our best to help keep you safe.

Intelligent Crash Response System (ICRS). After the airbags* have deployed in a collision, the ICRS automatically unlocks all doors, disables the fuel pump, and turns on the hazard lights.** That's why we call it intelligent.

2012 IIHS Top Safety Pick. The Golf 4-Door model is one of the Insurance Institute for Highway Safety's Top Safety Picks.† Actually, it's one of nine 2012 Volkswagen models to get their top award. That means all nine cars scored the highest rating in all four qualifying tests. That's 36 instances of superior safety.

This is a dramatization and does not depict what will happen in a collision. All airbags will not inflate in real-world crashes, and if multiple airbags do deploy, they will be in various stages of inflating/deflating and will never all be inflated at the same time. *Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. **The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. ††Top Safety Pick** based on 31 mph side-impact crash test, 40 mph frontal-offset crash test, 20 mph rear-impact test, roof strength testing, and the availability of ESC. Test performed by the Insurance Institute for Highway Safety. For details, visit www.iihs.org. See vw.com for more information on safety features.

No-charge scheduled Carefree Maintenance.*

Changing your oil, rotating your tires, topping off the windshield wiper fluid—do you remember to do all that stuff? Your car does. Right there in your instrument panel. Both it and your dealer will let you know when it's time to schedule your appointment. And for three years, or 36,000 miles, we've got you covered. That's why we call it carefree. Come by for a courtesy vehicle check within the first 90 days, or 6,000 miles, and ask us any questions you have while we give your Golf a basic checkup. Then, come by every year, or 10,000 miles, for your remaining scheduled maintenance checks. It's that simple.

*The Volkswagen Carefree Maintenance Program covers the vehicle's scheduled maintenance for three years or 36,000 miles, whichever comes first. Coverage during the term of the new vehicle limited warranty at no additional charge. Some limitations apply. See dealer or vehicle maintenance program booklet for details.

3 Years or 36,000 Miles of No-Charge Scheduled Maintenance.
Whichever occurs first. Some restrictions. See dealer or program for details.

Trims and Specs

Golf 2.5L

Golf 2.5L

Includes: 2.5L, 170-hp engine; 5-speed manual transmission; 15" steel wheels and all-season tires; 4-wheel independent suspension; electromechanical speed-sensitive power steering; anti-theft vehicle alarm system; Daytime Running Lights (DRL); Climatic climate control; power windows; power door locks; 8-speaker sound system with MP3- and WMA-compatible in-dash CD player, AM/FM radio, and AUX-in for portable audio players; adjustable front center armrest; cloth sport seats with 8-way manually adjustable driver's seat, fully reclining with adjustable head restraints; 60/40-split folding rear seat; front and rear floor mats; 4-wheel disc brakes with Anti-lock Braking System (ABS), Anti-Slip Regulation (ASR), Electronic Brake-pressure Distribution (EBD), Electronic Stability Control (ESC), and Hydraulic Brake Assist (HBA); Tire Pressure Monitoring System (TPMS).

Golf 2.5L with Convenience

Includes Golf 2.5L features, plus: heated front seats and washer nozzles; Bluetooth® with audio streaming;* leather-wrapped steering wheel, shift knob and brake handle.

Golf 2.5L with Convenience and Sunroof

Includes Golf 2.5L with Convenience features, plus: power tilting/sliding sunroof; leather-wrapped multi-function steering wheel; Premium VIII touchscreen sound system with HD Radio,™ MP3- and WMA-compatible in-dash 6-disc CD changer, SD memory card reader, and SiriusXM Satellite Radio with 3-month trial subscription; Media Device Interface (MDI) with iPod® cable.

Options

6-speed automatic transmission with Tiptronic® and Sport mode. 4-Door model includes 2-Door features, plus: rear doors; rear power windows; rear child safety door locks; power reclining for front seats.

Golf 2.0L TDI® Clean Diesel

Golf 2.0L TDI Clean Diesel

Includes Golf 2.5L with Convenience features, plus: 2.0L, 140-hp TDI engine, 6-speed manual transmission; sport suspension; halogen reflector lens foglights; 17" alloy wheels; leather-wrapped multi-function steering wheel; Premium VIII touchscreen sound system with HD Radio, MP3- and WMA-compatible in-dash 6-disc CD changer, SD memory card reader, and SiriusXM Satellite Radio with 3-month trial subscription; Media Device Interface (MDI) with iPod cable.

Golf 2.0L TDI Clean Diesel with Sunroof and Navigation

Includes Golf 2.0L TDI Clean Diesel features, plus: power tilting/sliding sunroof; RNS 315 navigation system with 5" color touchscreen in center console.

Golf 2.0L TDI Clean Diesel with Technology Package

Includes Golf 2.0L TDI Clean Diesel with Sunroof and Navigation features, plus: Dynaudio® premium sound system; keyless access with push-button start;** Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL) and Adaptive Front-lighting System (AFS).

Options

6-speed DSG® automatic transmission with Tiptronic and Sport mode. 4-Door model includes 2-Door features, plus: rear doors; rear power windows; rear child safety door locks; power reclining for front seats.

Think Blue.®

Think Blue is the Volkswagen way to drive progress by creating and producing cars that are more efficient,* eco-conscious, and fun to drive. The Volkswagen line features a variety of BlueMotion® technologies—from TDI engines to precision fuel injection—designed to make our vehicles as blue as possible. Which is likely to make other car companies green with envy. Learn how we think beyond green at vw.com/thinkblue.
