

2010 Acura

MDX

FORGET PAST AUTOMOTIVE EXPERIENCES.
LOOK BEYOND CURRENT EXPECTATIONS.
CHALLENGE. DISCOVER. ASPIRE. ADVANCE.

We are not here to do what has already been done. More than a rallying cry, it is a way of thinking. One that affects how we see the world of automotive luxury today, and how we shape it tomorrow. It has led us to develop transformative technologies like Super Handling All-Wheel Drive™ (SH-AWD®) and a navigation system with both AcuraLink Real-Time Traffic and Weather.™ And to look for inspiration beyond the limited confines of current automotive design. It is what pushes us to use premier race circuits as testing grounds for our ideas, as evidenced by our move this year to the top tier of competition in the American Le Mans Series.® It is all for the purpose of keeping you in touch, in control and inspired. Letting you experience things that have never been done before.

THE RESHAPED 2010 ACURA MDX. IT IS AS POLISHED AS IT IS PURPOSEFUL. AS SPACIOUS AS IT IS ATHLETIC. WITH ABUNDANT POWER AS WELL AS FIRST-CLASS SEATING FOR SEVEN. LUXURY TRAVEL HAS BEEN GIVEN AN ELEVATED, INSPIRED PERSPECTIVE.

MDX SHOWN IN POLISHED METAL METALLIC WITH AVAILABLE ADVANCE PACKAGE.

MDX SHOWN IN GRIGIO METALLIC WITH AVAILABLE TECHNOLOGY PACKAGE.

IT SEATS SEVEN. BUT WE NEVER LOST
SIGHT OF WHO'S MOST IMPORTANT.

The ergonomics of
performance.

With the MDX, the term "sport tuned" refers to more than just its handling technology. Slip behind the wheel and you settle into an environment tailored to the act of driving. Supporting you is a driver's seat, contoured and bolstered to clarify the connection between vehicle and driver. In addition, the shape and position of the shift knob, the thick leather grip on the power tilt and telescopic steering wheel, and every other point of contact is designed for precise interaction. It is all for the purpose of making you more relaxed, more confident, more in control.

MDX SHOWN IN EBONY LEATHER WITH AVAILABLE TECHNOLOGY PACKAGE.

ARTFULLY CRAFTED. RICHLY APPOINTED.
A DESTINATION IN ITSELF.

Luxury designed to
cross all boundaries.

When creating the MDX, Acura designers placed a premium on performance. Equally important was the idea that it not come at the expense of comfort. Your first indication of the care that went into creating the vehicle's cabin is the rich leather that adorns seats, steering wheel and other areas of contact. And as much as this material wealth invites your touch, the sweeping lines of the dash, doors and console also reward your attention. What you'll also notice is the cabin's spaciousness. The vehicle's long wheelbase and wide shoulders mean more legroom, more elbow room and more breathing room. Even with every seat occupied.

THE PROVING GROUND: NÜRBURGRING.

Known simply as "The Ring" by driving enthusiasts, Germany's legendary Nürburgring track is one of the most demanding tests of a vehicle's capabilities. As such, it is a required destination for any vehicle that's serious about performance and why Acura engineers spent time there honing the MDX's edge.

You can enjoy the results of their efforts on challenging stretches of road a bit closer to home.

It is an experience that has its foundation in a chassis made strong yet light by the strategic use of high-tensile steel. The 4-wheel independent suspension then goes to work, optimizing cornering, acceleration and braking by helping to keep as much tire to pavement as possible. The 6-speed

Sequential SportShift automatic senses spirited driving and will hold lower gears longer for greater responsiveness. You can also take command of the transmission with steering wheel-mounted paddle shifters that provide quick, precise gear changes.

MORE THAN AN OBSESSION WITH POWER, IT'S A PASSION FOR INNOVATION.

Exhilarating high-end horsepower.
Exceptional low-end torque.
Efficient operation.

Experience the commanding presence of the MDX first hand and you start to get a sense of the power within. Point the vehicle toward the nearest on-ramp and you will not be disappointed. But the MDX's 300-hp, 3.7-liter, 24-valve power plant delivers more than just brute force. It's also been meticulously engineered for nearly flawless output. While conventional engine designs often pit the demands of low-end torque and high-end horsepower against each other, the MDX's VTEC engine satisfies the needs of both. It's a bit like having an on-demand racing camshaft to give you plenty of power down the road without compromising power off the line.

To keep excitement levels rising along with the tach, the MDX engine also incorporates two specialized breathing systems. A dual-stage intake manifold utilizes two separate air delivery pathways, including a precisely tuned sonic wave, to pack the maximum amount of air into the combustion chambers. The variable-flow exhaust also contributes to the unimpeded delivery of power, with valves that stay closed at lower RPMs to provide proper back pressure, and then open wide at higher speeds to release a rush of power, as well as a satisfying sound.

advancing exhilaration

VARIABLE-FLOW EXHAUST
DRIVE-BY-WIRE™ THROTTLE SYSTEM
SUPER HANDLING ALL-WHEEL DRIVE (SH-AWD)

SUPER HANDLING ALL-WHEEL DRIVE. DESIGNED TO
HELP YOU KEEP CONTROL OF EVERYTHING, EXCEPT
FEELINGS OF EXHILARATION.

Dry-weather performance.
Foul-weather stability.
Exhilarating response.

Charging into an unbanked curve is as much a test of a vehicle's all-wheel-drive system as the typical foul-weather scenario. And nothing bolsters feelings of excitement like an underlying sense of control. Unlike most systems that only react to wheel slippage, Acura's Super Handling All-Wheel Drive is also an active participant in the delivery of precise handling. Anticipating where more traction is needed in a variety of situations, such as accelerating through a curve, it distributes power to where it's needed even before any slippage occurs. When you take a corner, the system can also send up to 100% of available rear-wheel torque to the outside wheel and rotate that wheel slightly faster. The combination of these two actions substantially increases the vehicle's cornering ability. The result is an increased sense of stability – and thrills.

MDX SHOWN IN POLISHED METAL METALLIC.

VOICE RECOGNITION

Taking charge of a vehicle as thrilling as the MDX shouldn't keep you from connecting with other avenues of enjoyment in your life. With available Technology and Advance Packages that include voice recognition, simply press the steering wheel-mounted voice control button for intimate control of a number of systems. Whether you desire directions, a favorite song or an ideal temperature, your word is the MDX's command.

"DISPLAY WEATHER"

"CALL OFFICE"

"DISPLAY TRAFFIC INCIDENTS"

"FIND NEAREST ZAGAT RESTAURANT"

"CD PLAY TRACK 5"

"TEMPERATURE 72 DEGREES"

ACURALINK REAL-TIME WEATHER :::
See current information as well as forecasts for over 75 U.S. cities right on the screen of the available navigation system.²

ZAGAT SURVEY® RESTAURANT REVIEWS :::
Get trusted recommendations, complete with food, service and decor ratings with this feature of the available navigation system.

BLUETOOTH® HANDSFREELINK® :::
Link your compatible *Bluetooth*® enabled mobile phone and you can make and receive calls without taking your hands off the wheel.³

AUDIO SYSTEM CONTROLS :::
The MDX's ability to recognize a vast list of commands lets you verbally control most of the functions of the vehicle's audio system.

ACURALINK REAL-TIME TRAFFIC :::
The available navigation system quickly communicates traffic flow as well as collisions, road construction and weather-related incidents.⁴

TRI-ZONE CLIMATE CONTROL :::
Simply voice your preference and the system will adjust the temperature for the driver as well as the front- and second-row passengers.

PINPOINT A DESIRE. FOLLOW A DREAM. FREE YOURSELF FROM MADDENING TRAFFIC DELAYS.

In the know,
and in the now.

Focus on the possibilities. And the clear roads ahead with an available GPS-linked navigation system.⁵ Packed with advanced technologies like a destination database with information on over seven million points of interest and a voice recognition feature that allows for easy maneuvering via simple voice commands, MDX's navigation system has an eye on the future. Consider AcuraLink Real-Time Traffic:⁴ a service that constantly monitors traffic flow as well as reports delays due to collisions, road construction or weather. All in an effort to keep everyone moving smoothly ahead.

AUDIO

FROM SOUND STUDIO TO VEHICLE. LOSING NOTHING IN TRANSLATION.

Acura/ELS Surround Premium Audio System.

Recorded music first comes to life in a sound studio. There, every element is manipulated until it conforms to the artist's vision. How the music is experienced from that moment on is another matter. That's where GRAMMY® Award-winning engineer and producer Elliot Scheiner comes in. An expert at making all the elements of music perform as one, he worked intimately with Acura engineers, fine-tuning every part of the available Acura/ELS Surround® System to create music with all the power and nuance of the original recording.

Taking into account everything from the placement of the speakers to the volume and contours of MDX's interiors, the system is designed to create a truly exceptional audio experience. Enveloping you in true 5.1 surround sound, it can even simulate surround sound from your regular CDs. The MDX utilizes a hard disk drive (HDD) capable of storing hundreds of hours of music.

AMENITIES

REARVIEW CAMERA IN THE MDX, SHIFT INTO REVERSE AND AN IMAGE OF WHAT'S DIRECTLY BEHIND YOU IS DISPLAYED IN THE REARVIEW MIRROR OR, IF SO EQUIPPED, ON THE AVAILABLE NAVIGATION SCREEN. ON NAVIGATION-EQUIPPED MODELS, THE SYSTEM FEATURES A MULTI-VIEW CAMERA THAT ADDS A WIDE-ANGLE VIEW AND A TOP-DOWN VIEW TO AID IN ATTACHING A TRAILER.*

*TRAILER EQUIPMENT SOLD SEPARATELY.

CUBIC SMARTS THE MDX'S REMOTE-LINKED POWER TAILGATE GIVES YOU EASY ACCESS TO THE VEHICLE'S 83.5 CUBIC FEET OF REAR CARGO SPACE. THE 50/50 FLAT-FOLDING 3RD-ROW SEAT AND 60/40 FOLDING 2ND-ROW SEAT LET YOU CONFIGURE THE INTERIOR FOR ALMOST ANY SITUATION.

BLIND SPOT INFORMATION SYSTEM PART OF MDX'S AVAILABLE ADVANCE PACKAGE, THIS SYSTEM USES RADAR SENSORS TO CHECK IF A VEHICLE IS BESIDE THE MDX, BUT OUTSIDE YOUR FIELD OF VISION. IF A VEHICLE IS DETECTED, IT ILLUMINATES A WARNING LIGHT ON THE CORRESPONDING SIDE OF THE CABIN. IF YOU THEN USE YOUR TURN SIGNAL TO INDICATE AN INTENTION TO MERGE TO THAT SIDE, THE LIGHT WILL START FLASHING.

Inspiration is more likely to strike when you keep your options wide open.

A desire for agility does not require the abandonment of utility. At least not with the MDX. The MDX provides 83.5 cu ft with all the rear-cabin seats folded flat. Various pockets, bins and hidden compartments throughout the vehicle's cabin offer additional storage options.

MDX SHOWN IN PALLADIUM METALLIC.

ACURA REMINDS YOU TO PROPERLY SECURE ITEMS STORED IN THE CARGO AREA.

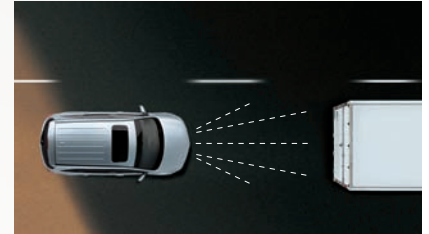

VEHICLE STABILITY ASSIST™ (VSA®)

IF UNDERSTEER OR OVERSTEER IS DETECTED, VSA CAN USE THE VEHICLE'S SH-AWD TO REDISTRIBUTE POWER AMONG THE FOUR WHEELS, AND IF NEEDED, ADJUST THE ENGINE'S TORQUE AND APPLY BRAKING TO INDIVIDUAL WHEELS TO HELP KEEP YOU ON YOUR INTENDED PATH.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™) THE MDX WITH THE AVAILABLE ADVANCE PACKAGE UTILIZES A RADAR SYSTEM TO DETECT OBJECTS IN FRONT OF THE VEHICLE. IT CAN EMPLOY A VARIETY OF PREEMPTIVE ACTIONS, INCLUDING VISUAL AND AUDIO WARNINGS, SEAT-BELT TIGHTENING, AND IN EXTREME CIRCUMSTANCES, AUTOMATIC APPLICATION OF THE BRAKES TO HELP MITIGATE OR MINIMIZE COLLISION FORCES OR INJURY.*

*DEPENDING ON THE CIRCUMSTANCES, CMBS MAY NOT PROVIDE ANY OR ALL WARNINGS BEFORE INITIATING THE FINAL STAGE OF COLLISION MITIGATION SEQUENCE.

**TIRE PRESSURE MONITORING SYSTEM® :::**

This system actively monitors and displays the air pressure of each tire.

BRAKE ASSIST :::

This system can detect emergency braking and help the driver apply maximum brake force.

ELECTRONIC BRAKE DISTRIBUTION :::

This feature actively apportions braking force to each wheel based on dynamic loading.

BEFORE A COLLISION OCCURS, ACURA HAS ALREADY DESIGNED A RESPONSE.

It is Acura's belief that no area of engineering advancement is more important than the field of driver and passenger safety. It's why the MDX has been designed to receive 5-star crash-safety ratings from the National Highway Traffic Safety Administration (NHTSA).⁹ Specific features engineered to help us achieve this goal include the Advanced Compatibility Engineering™ (ACE™) body structure. It's designed to enhance occupant protection and crash compatibility in frontal collisions. Utilizing a network of connected structural elements, it distributes crash energy more evenly throughout the front of the vehicle.

Acura Link

Acura has always had a penchant for seeing what's beyond the next horizon. Now it's your turn. The AcuraLink® Satellite Communication System gives you a look ahead – whether it's up the road, or even days into the future. Services like the available AcuraLink Real-Time Traffic⁴ and Weather,² with its one- and three-day forecasts help you plan your next move, even while you're focused on the here and now. AcuraLink is also your connection with Acura, delivering a wealth of information like Quick Tips and updated Feature Guides to help you get the most out of your new vehicle's many sophisticated systems. When the system is paired with a *Bluetooth* compatible phone,³ you can also get information on required services as they approach, and can schedule maintenance right from your car with the Automated Appointments™ feature.

OWNER BENEFITS

Warranty All Acura vehicles and Acura genuine accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.¹⁰

Acura-Trained Service Personnel Your local Acura dealer is an excellent source for Acura genuine parts and factory-trained technicians. They have the experience, training and specialized tools needed to keep your Acura up to factory standards of performance and reliability.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.

Acura Care Additional peace of mind can be had with the Acura Care® program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

Total Luxury Care™ – Owner Benefits Acura's total commitment to your satisfaction doesn't end with delivery of a world-class vehicle. It only begins there. Every Acura comes with Total Luxury Care® (TLC®), an array of services designed to help you enjoy your automobile for years to come.

Acura Financial Services¹² Whether you're buying or leasing, Acura Financial Services can assist you with the process. See your dealer for details.

24-Hour Roadside Assistance As part of your TLC benefits, 24-hour roadside assistance is available to you everywhere in the continental U.S. and Canada, day or night, every day of the year. Just call the toll-free number and rest assured that assistance is promptly on the way.

Trip-Interruption Benefits If a problem that is covered by your warranty interrupts your trip more than 100 miles from home, Acura will provide you with reimbursement for meals, lodging or car-rental expenses. Please see your Acura dealer for all the program details.

Acura Concierge – Travel Service In an emergency or just to help you plan a trip, Acura Concierge service can help you with many logistical details. It will even relay up to three urgent messages on your behalf if you cannot do so.

My Acura Your complimentary My Acura personalized Web site provides you immediate access to the most current information about your vehicle. With advanced technology and instructional videos and online service scheduling, My Acura extends your ownership experience from the road to the Internet. Visit My Acura at owners.acura.com.

EXTERIOR

- Power moonroof with tilt feature, auto-open/close, auto-reverse and key-off operation
- Heated outside mirrors with reverse gear tilt-down
- Auto-on/off xenon high-intensity discharge (HID) headlights
- Front fog lights
- Mirror-integrated LED directional signals, taillights, brakelights and Center High Mount Stop Light

ACCESSORIES

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your MDX. See your Acura dealer for a complete list of accessories or go to acura.com.

COMFORT + CONVENIENCE

- Tri-zone, front/rear synchronized automatic climate control system with humidity control and air filtration
- Second-row ventilation controls
- Remote entry system with folding key and Acura personalized settings for driver's seat, steering column, outside mirrors, climate control, select audio settings and more
- Power windows with driver's and front passenger's auto-up/down, auto-reverse and key-off operation
- Remote- and driver's door lock-operated windows-open function
- *Bluetooth*® HandsFreeLink™ wireless telephone interface³
- Steering wheel-mounted controls (cruise control, audio, phone, Multi-Information Display and available voice recognition)
- HomeLink®
- Cruise control
- Hill start assist
- Electronic tilt and telescopic steering column
- Maintenance Minder system
- Remote-linked power-operated tailgate
- Trailer Stability Assist
- Ambient cabin lighting (front footwells and console)
- Automatic dimming rearview mirror with rearview camera display
- Rear privacy glass
- 12-volt power outlets (center console, front armrest and cargo area)

SAFETY + SECURITY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, multiple-threshold front airbags (SRS)
- Front side airbags with passenger-side Occupant Position Detection System (OPDS)
- Side curtain airbags with rollover sensor
- Active front head restraints
- 3-point height-adjustable seat belts with load limiters and automatic tensioning system (front)
- 3-point seat belts (second/third rows)
- LATCH (Lower Anchors and Tethers for Children) child-seat mounting system (second row)
- Daytime Running Lights (DRL)
- Tire Pressure Monitoring System (TPMS) with location and pressure indicators⁸
- Theft-deterrent system with electronic immobilizer
- Side-impact door beams

AUDIO

- Acura 235-watt Premium Sound System with AM/FM tuner, 6-disc in-dash CD, MP3, WMA changer and 8 speakers, including 8-inch subwoofer
- XM® Radio⁶
- MP3/auxiliary input jack
- Speed-Sensitive Volume Control (SVC)

SEATING + INTERIOR

- Sport seats with leather-trimmed interior
- Driver's 10-way power seat (8-way power seat with 2-way power lumbar support)¹
- Front passenger's 8-way power seat
- Heated front seats
- Front center console with dual-access armrest
- Reclining second-row seats
- 60/40 split folding second-row seat
- 50/50 split folding third-row seat
- Second-row fold-down armrest
- Leather-wrapped steering wheel and gearshift knob
- Simulated koa wood-grained trim

TECHNOLOGY PACKAGE (ADDS TO OR REPLACES STANDARD MDX FEATURES)

- Acura Navigation System with Voice Recognition™, Traffic Rerouting™, multi-view rear camera and Zagat Survey™ ratings and reviews⁵
- Acura/ELS Surround™ 410-watt Premium Audio System with 10 speakers, hard disk drive (HDD) media storage, in-dash CD, DVD-Audio, MP3, WMA and DTS™-featured player, Dolby™ Pro Logic™ II and AM/FM tuner
- AcuraLink Real-Time Traffic and Weather™^{4,2}
- GPS-linked, solar-sensing, tri-zone automatic climate control system
- Song By Voice™
- USB Audio Interface with iPod® integration⁷
- *Bluetooth* Audio⁴
- Radio Data System (RDS)
- XM Radio⁶ with Note function music reminder
- *Bluetooth* HandsFreeLink™ wireless telephone interface with phone-book exchange³
- Automated Appointments™
- Milano Premium Leather-trimmed interior

ADVANCE PACKAGE (INCLUDES TECHNOLOGY PACKAGE)

- Active Damper System sport suspension
- Collision Mitigation Braking System™ (CMBS™)
- Adaptive Cruise Control (ACC)
- Blind spot information system
- 3-point height-adjustable seat belts with load limiters and e-pretensioner system (front)
- Exclusive 19-inch tire and alloy wheel
- Auto-leveling xenon high-intensity discharge (HID) headlights
- Heated and ventilated front seats
- Perforated Milano Premium Leather-trimmed interior

ENTERTAINMENT PACKAGE (AVAILABLE WITH TECHNOLOGY OR ADVANCE PACKAGE)

- Acura DVD Rear Entertainment System with motorized full VGA screen
- Heated 2nd-row seats (outboard positions)
- 115-volt power outlet (front center console)
