# Eternal love does exist.

Timeless style becomes that when inspired thoughts transcend trends. You will find this in the vehicle's striking shape, sculpted design lines and iconic Singleframe® grille. Design intelligence is proven through available adaptive xenon plus headlights and standard LED taillights, while LED daytime running lights illuminate the athletic character of the Audi A5 2.0T Sport.

# Eternal love does exist.

## // Bold design lines

The directive styling of the Audi A5 2.0T Sport is created by assertive design lines that highlight the vehicle's proportions and give it its pronounced athletic stance.

design intelligence, standard LED headlights and taillights and standard LED daytime

## // Shoulder line

The aggressive Shoulder line that extends to the corner of the headlamp adds a seductive punch of acceleration to an already seductive exterior design.

Subtle details announce a stylish depth.

*2017 Audi A5 2.0T Sport Coupe shown in Daytona Gray pearl with available equipment.*

# Subtle details announce a stylish depth.

## // Singleframe® grille

The Singleframe grille surrounds the iconic Four-Ring Design® on the front fascia with a wide, inspiring shape that reflects the road-gripping capability of the Audi A5 2.0T Sport.

## // S line® competition plus bumpers

Standard S line competition plus bumpers have enlarged bumper openings, creating a wider, muscular look that enhances the sporty design.

## // Rear lip spoiler

This thoughtful design element both enhances the elongated lines of the body and hints at the vehicle's sporty capabilities.

# How we reached design enlightenment.

## // Xenon plus headlights

Helping with the early recognition of obstacles in front of the vehicle, these headlights with standard LED daytime running lights are as brilliant as they are unmistakably Audi. And available adaptive xenon plus headlights help provide lateral lighting while cornering, so you can more easily track the road ahead.

## // LED taillights

Standard LED taillights with rear fog lights add a precise look to the rear, and help following drivers to register the brake lights more quickly.

*2017 Audi A5 2.0T Sport Coupe shown in Black leather with available equipment.*

A high-angle, black and white photograph of the interior of an Audi A5 2.0T Sport. The view is from the driver's side, looking towards the front passenger seat. The leather-upholstered seats feature a sporty design with horizontal stitching. The dashboard and center console are visible, showing the Audi four-rings logo on the instrument cluster and the 'quattro' badge on the passenger side. The steering wheel has the Audi logo in the center. The overall aesthetic is one of luxury and precision.

# There's nothing wrong with finding your comfort zone.

Extraordinary efforts lead to the level of precision, fit and finish that you'll find in the Audi A5 2.0T Sport interior. It's an artistic commitment shown in standard leather seating surfaces and your choice of aluminum or available wood inlays. Every design element, stitch and material were carefully chosen and crafted, allowing you to find your comfort zone.

Indulge in self-control.

2017 Audi A5 2.0T Sport Coupe shown with Black leather and available equipment.

## // Flat-bottom sport steering wheel

This standard feature offers a truly engaging experience. Plus, you will be able to access your MMI® system while keeping both hands on the wheel.<sup>1</sup>

<sup>1</sup> Always pay careful attention to the road, and do not drive while distracted.

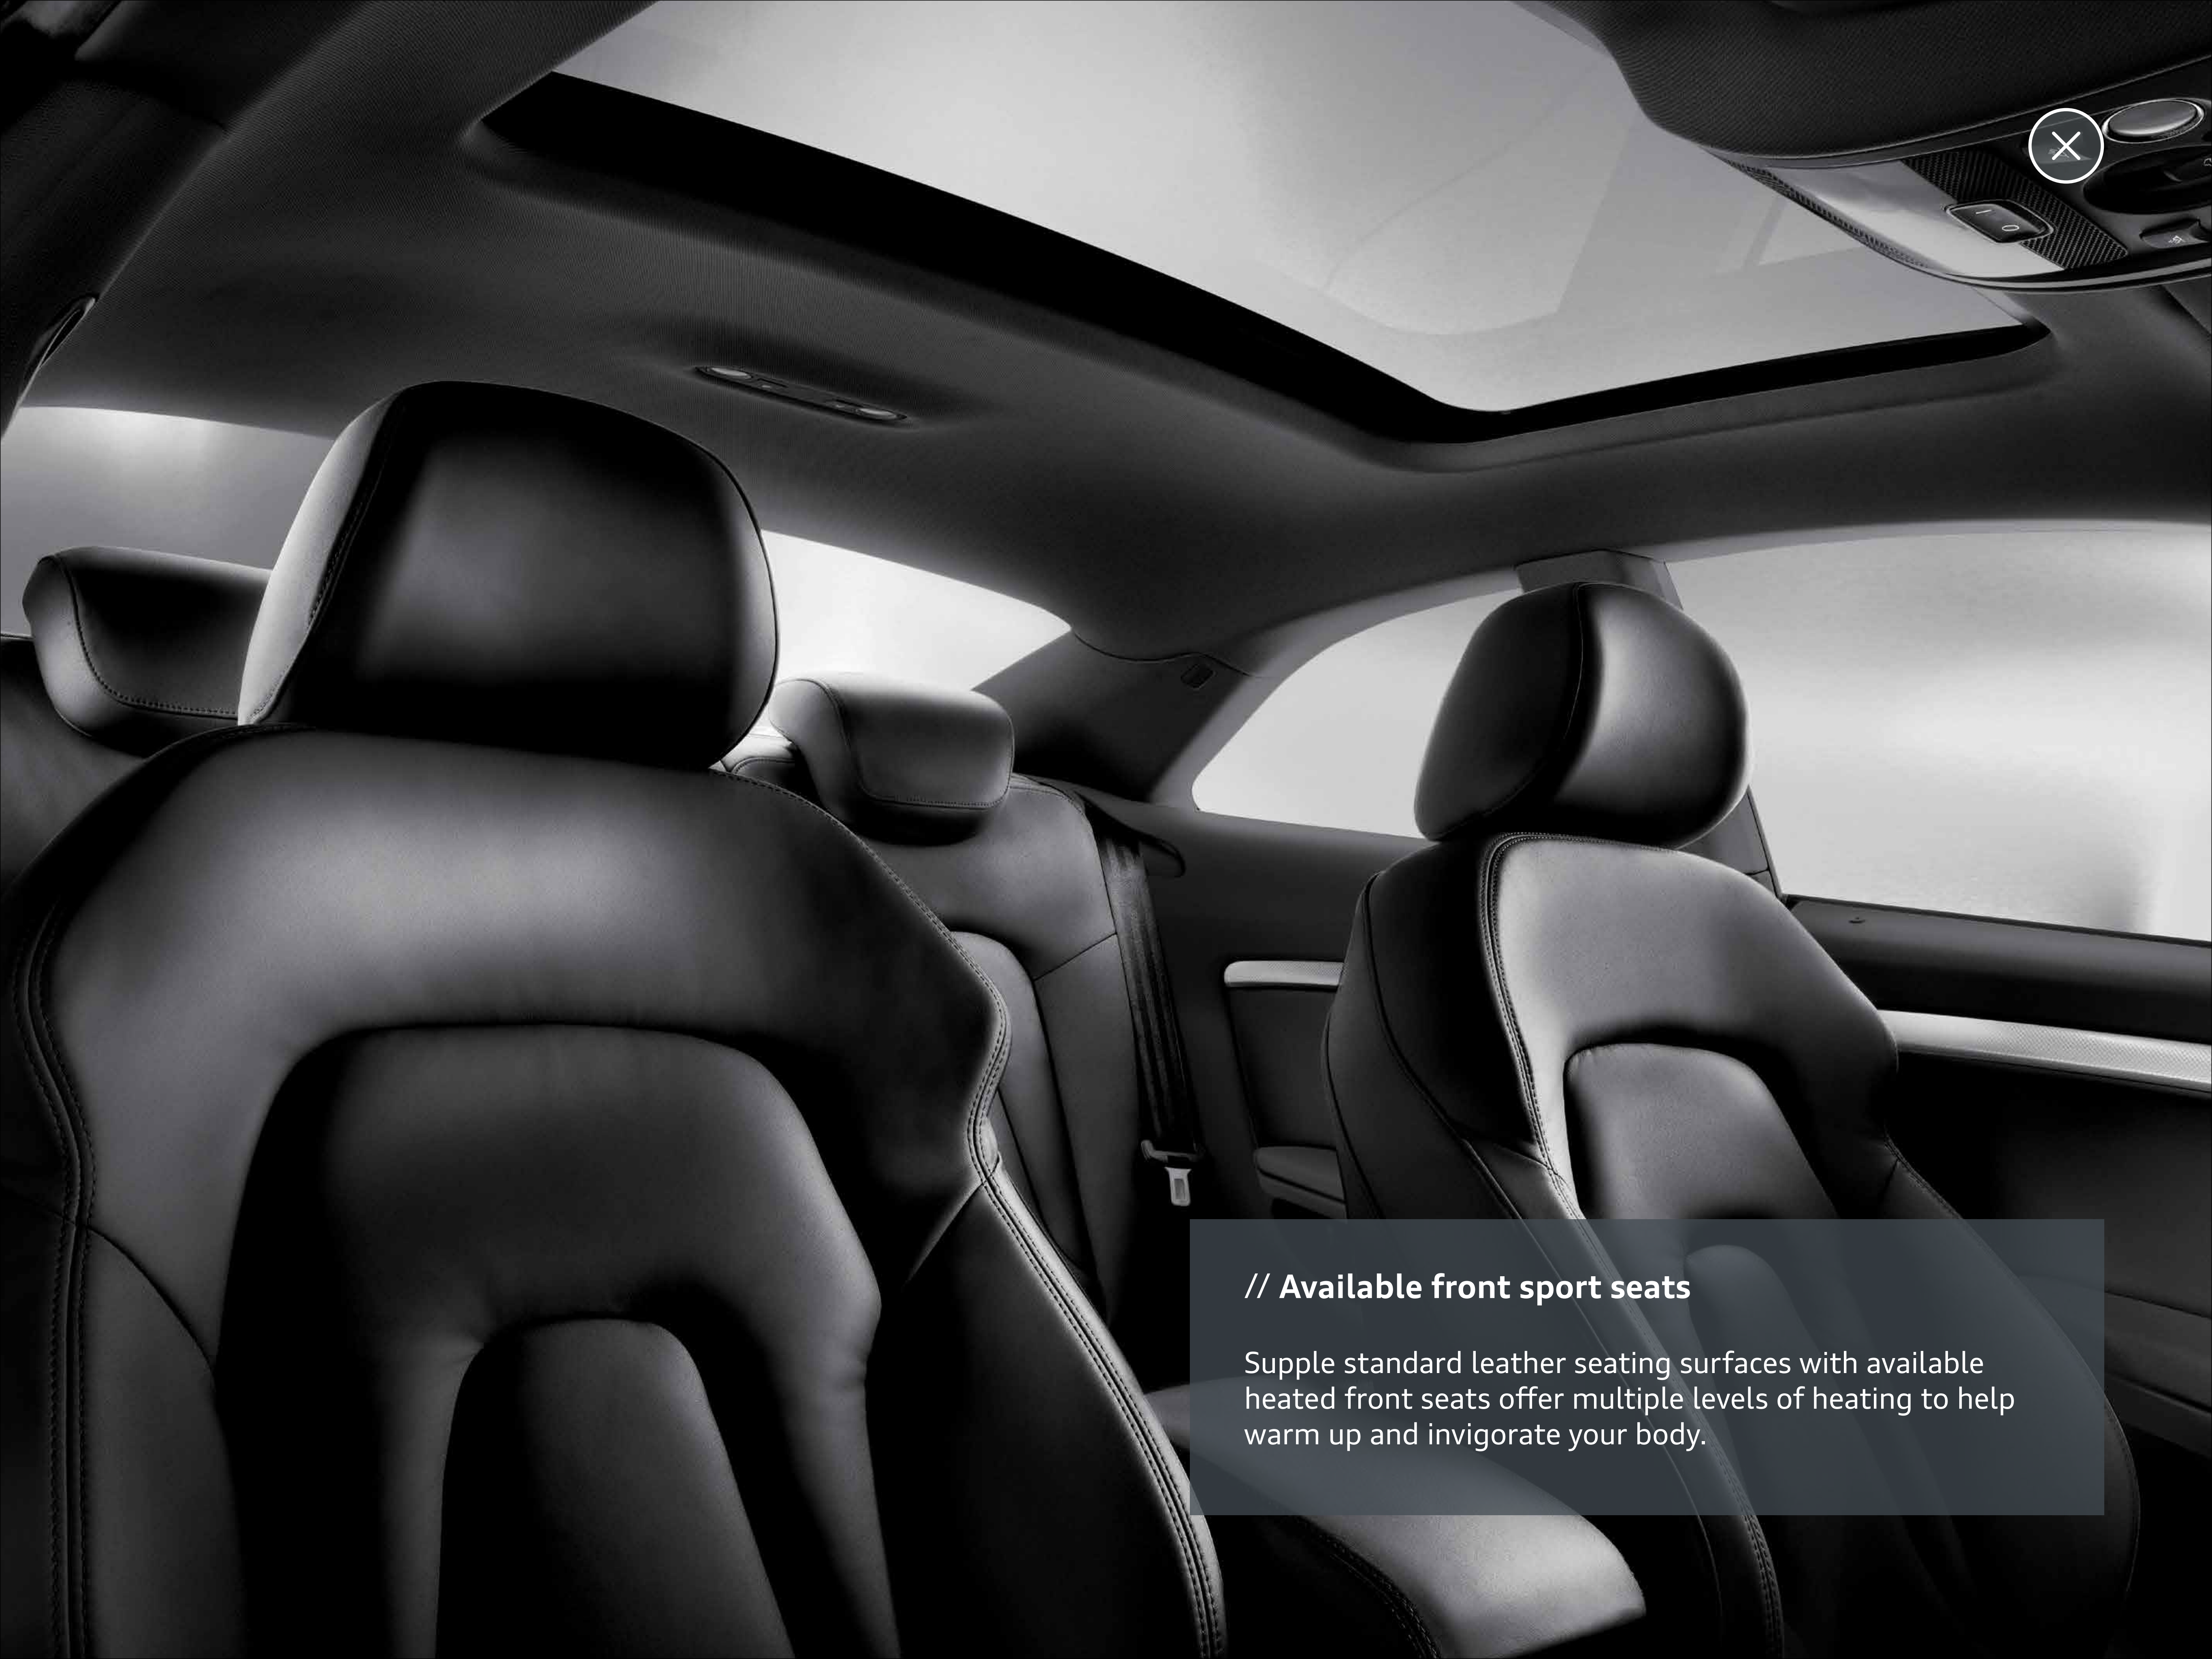

### // Three-zone automatic climate control

Standard climate control provides both front and rear passengers with the ability to dial in to their temperatures, giving you and your passengers the climate you want regardless of what the weather is like outside.

### // Available front sport seats

Supple standard leather seating surfaces with available heated front seats offer multiple levels of heating to help warm up and invigorate your body.

# A touch of versatility.

## // Split folding rear seats

With 12.2 cu ft of cargo space in the Coupe and 10.2 cu ft of cargo space in the Cabriolet with the rear seatbacks in the upright position, the Audi A5 2.0T Sport is a capable carrier. The Cabriolet has split folding 50/50 rear seatbacks, and the Coupe features a pass-through in the split folding 60/40 rear seatbacks, proving a performance car can still be versatile.

## // Panoramic sunroof

The standard panoramic sunroof with tilt functionality on the A5 2.0T Sport Coupe provides a nearly unimpeded view of the sky and gives you an open, airy feeling. If you don't want to fully engage with the environment, a retractable shade is there for you, too.

# A top-down view of your world.

You can open up to all kinds of sunny possibilities in the Audi A5 2.0T Sport Cabriolet. If the clouds do come, it takes approximately 17 seconds for the power-folding roof to fully deploy (even at speeds up to 30 mph). When the top is up, it also provides insulation from road noise as well as heat and cold.<sup>1</sup>

# High-performance art that thrills your inner critic.

## // Eight-speed Tiptronic®

Fulfilling both the feeling of control with a dedicated manual and the convenience of an automatic transmission, the eight-speed Tiptronic® automatic transmission available in the Audi A5 2.0T Sport offers eight optimized gear ratios. Selected automatically or via its console-mounted shifter or steering wheel shift paddles, precise shifts are delivered without sacrificing the smooth action of the Tiptronic® automatic. A high final drive ratio allows optimization of lower gears, yet the transmission's upper range emphasizes efficient cruising<sup>1</sup> at highway speeds.

## // Six-speed manual

The Audi A5 2.0T Sport Coupe presents a standard six-speed manual gearbox that delivers power with vintage Audi finesse. Its short throw and precise ratios add a contemporary element for confident performance on the road.

1 Based on EPA estimates. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for details. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

# quattro®. Intuitive grip. Intelligently applied.

The legendary quattro® all-wheel drive system splits torque between the front and rear axles to help promote dynamic handling and distribute torque to where it's needed most.

## // S tronic® dual-clutch automatic transmission

This dynamic system is responsive and intelligently managed, giving the convenience of an automatic while providing faster shifting than you could manually.

[Explore Local S5 Inventory ↗](#)

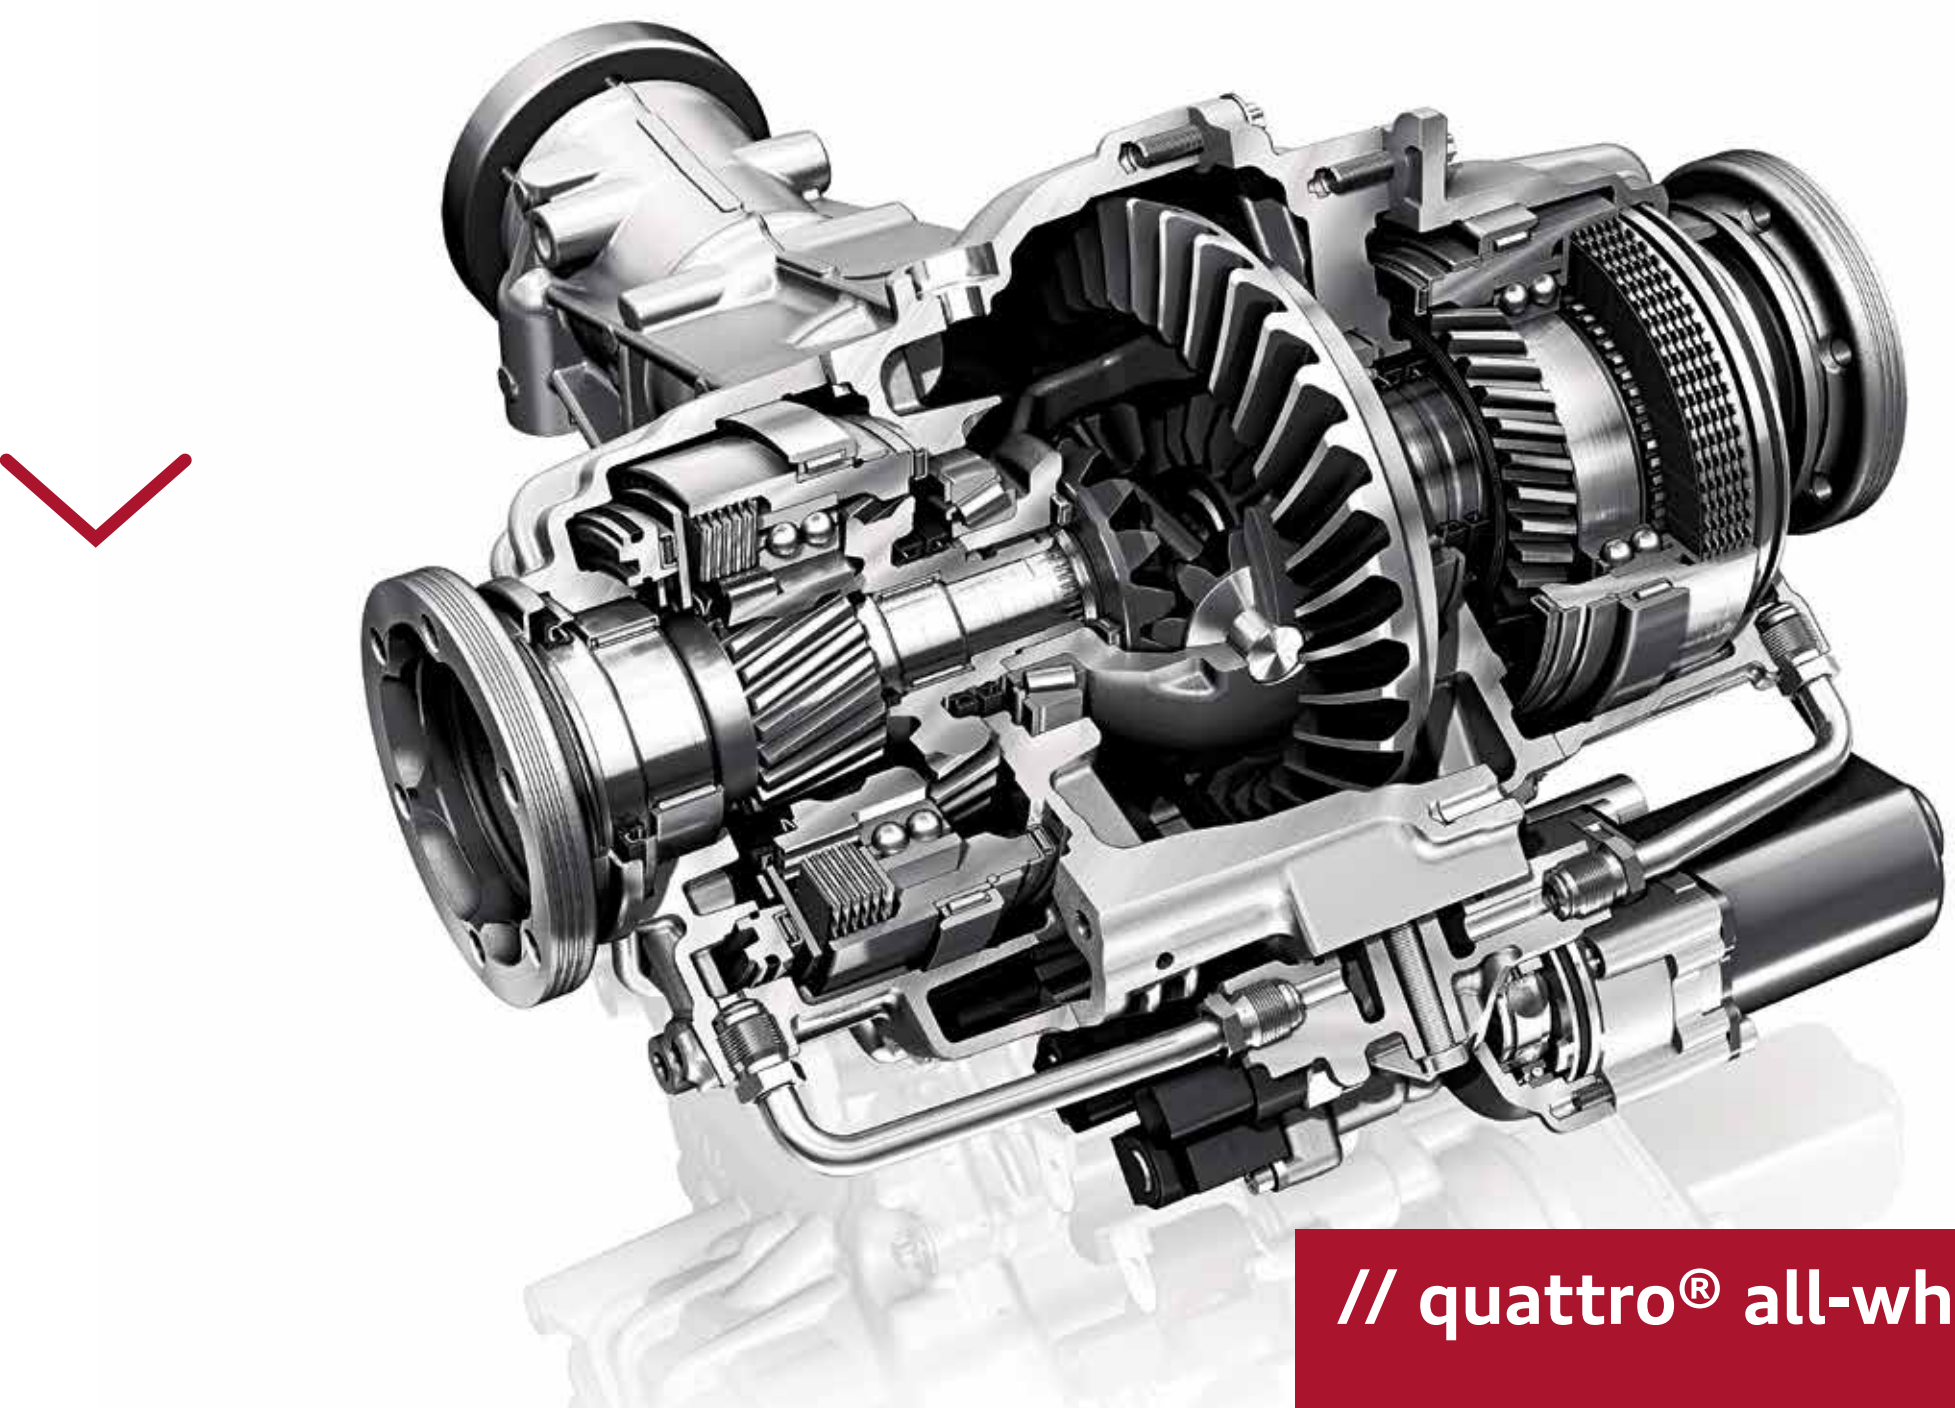

# Meant to push the pedal, not to be put on a pedestal.

# S5

This performance is not meant to be revered—but to be experienced. A supercharged 3.0-liter TFSI® V6 engine sits comfortably under the hood of the Audi S5, producing 333 horsepower and an exhilarating 325 lb-ft of torque, to propel the S5 Coupe to 60 mph in just 4.9 seconds. We wanted to make sure the thrill you feel behind the wheel is as intense as possible.<sup>1</sup>

2017 Audi S5 Coupe shown in Misano Red pearl with available equipment.

## // Sport differential

To help ensure high cornering stability, the optional sport differential uses torque vectoring, and then adds to that by mechanically applying torque to the outside rear cornering wheel. Through an electrohydraulic multiplate clutch pack and gear set, the outside rear cornering wheel's speed is increased by as much as 10% compared to the drive shaft's.

## // quattro® all-wheel drive with sport differential

The quattro® system's asymmetric torque split delivers power where it's needed, from front to back. And it gets better from there with the addition of torque vectoring and an available sport differential, which transfers the rear sent power laterally as needed. Working in tandem, this helps make cornering more precise and handling more assured.

Dramatization

[Schedule a Test Drive ↗](#)

**3.0-liter supercharged  
TFSI® V6 engine**

**0–60 mph**  
4.9 seconds (S5 Coupe)

**333 hp  
325 lb-ft torque**

**Top track speed of  
155 mph<sup>1</sup>**

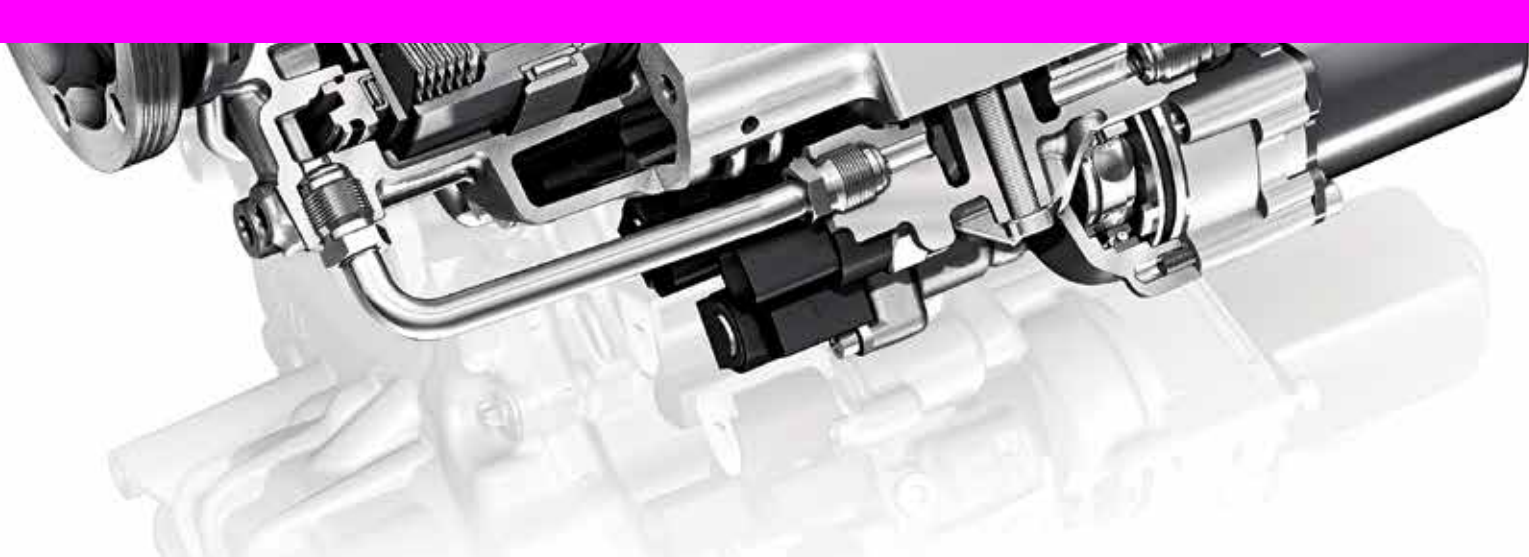

## // 3.0-liter supercharged TFSI® V6 engine

This 3.0-liter supercharged engine produces 333 horsepower and 325 lb-ft of torque, and it combines the direct injection and supercharging technologies for great power and overall performance.

<sup>1</sup> Always obey all speed and traffic laws.

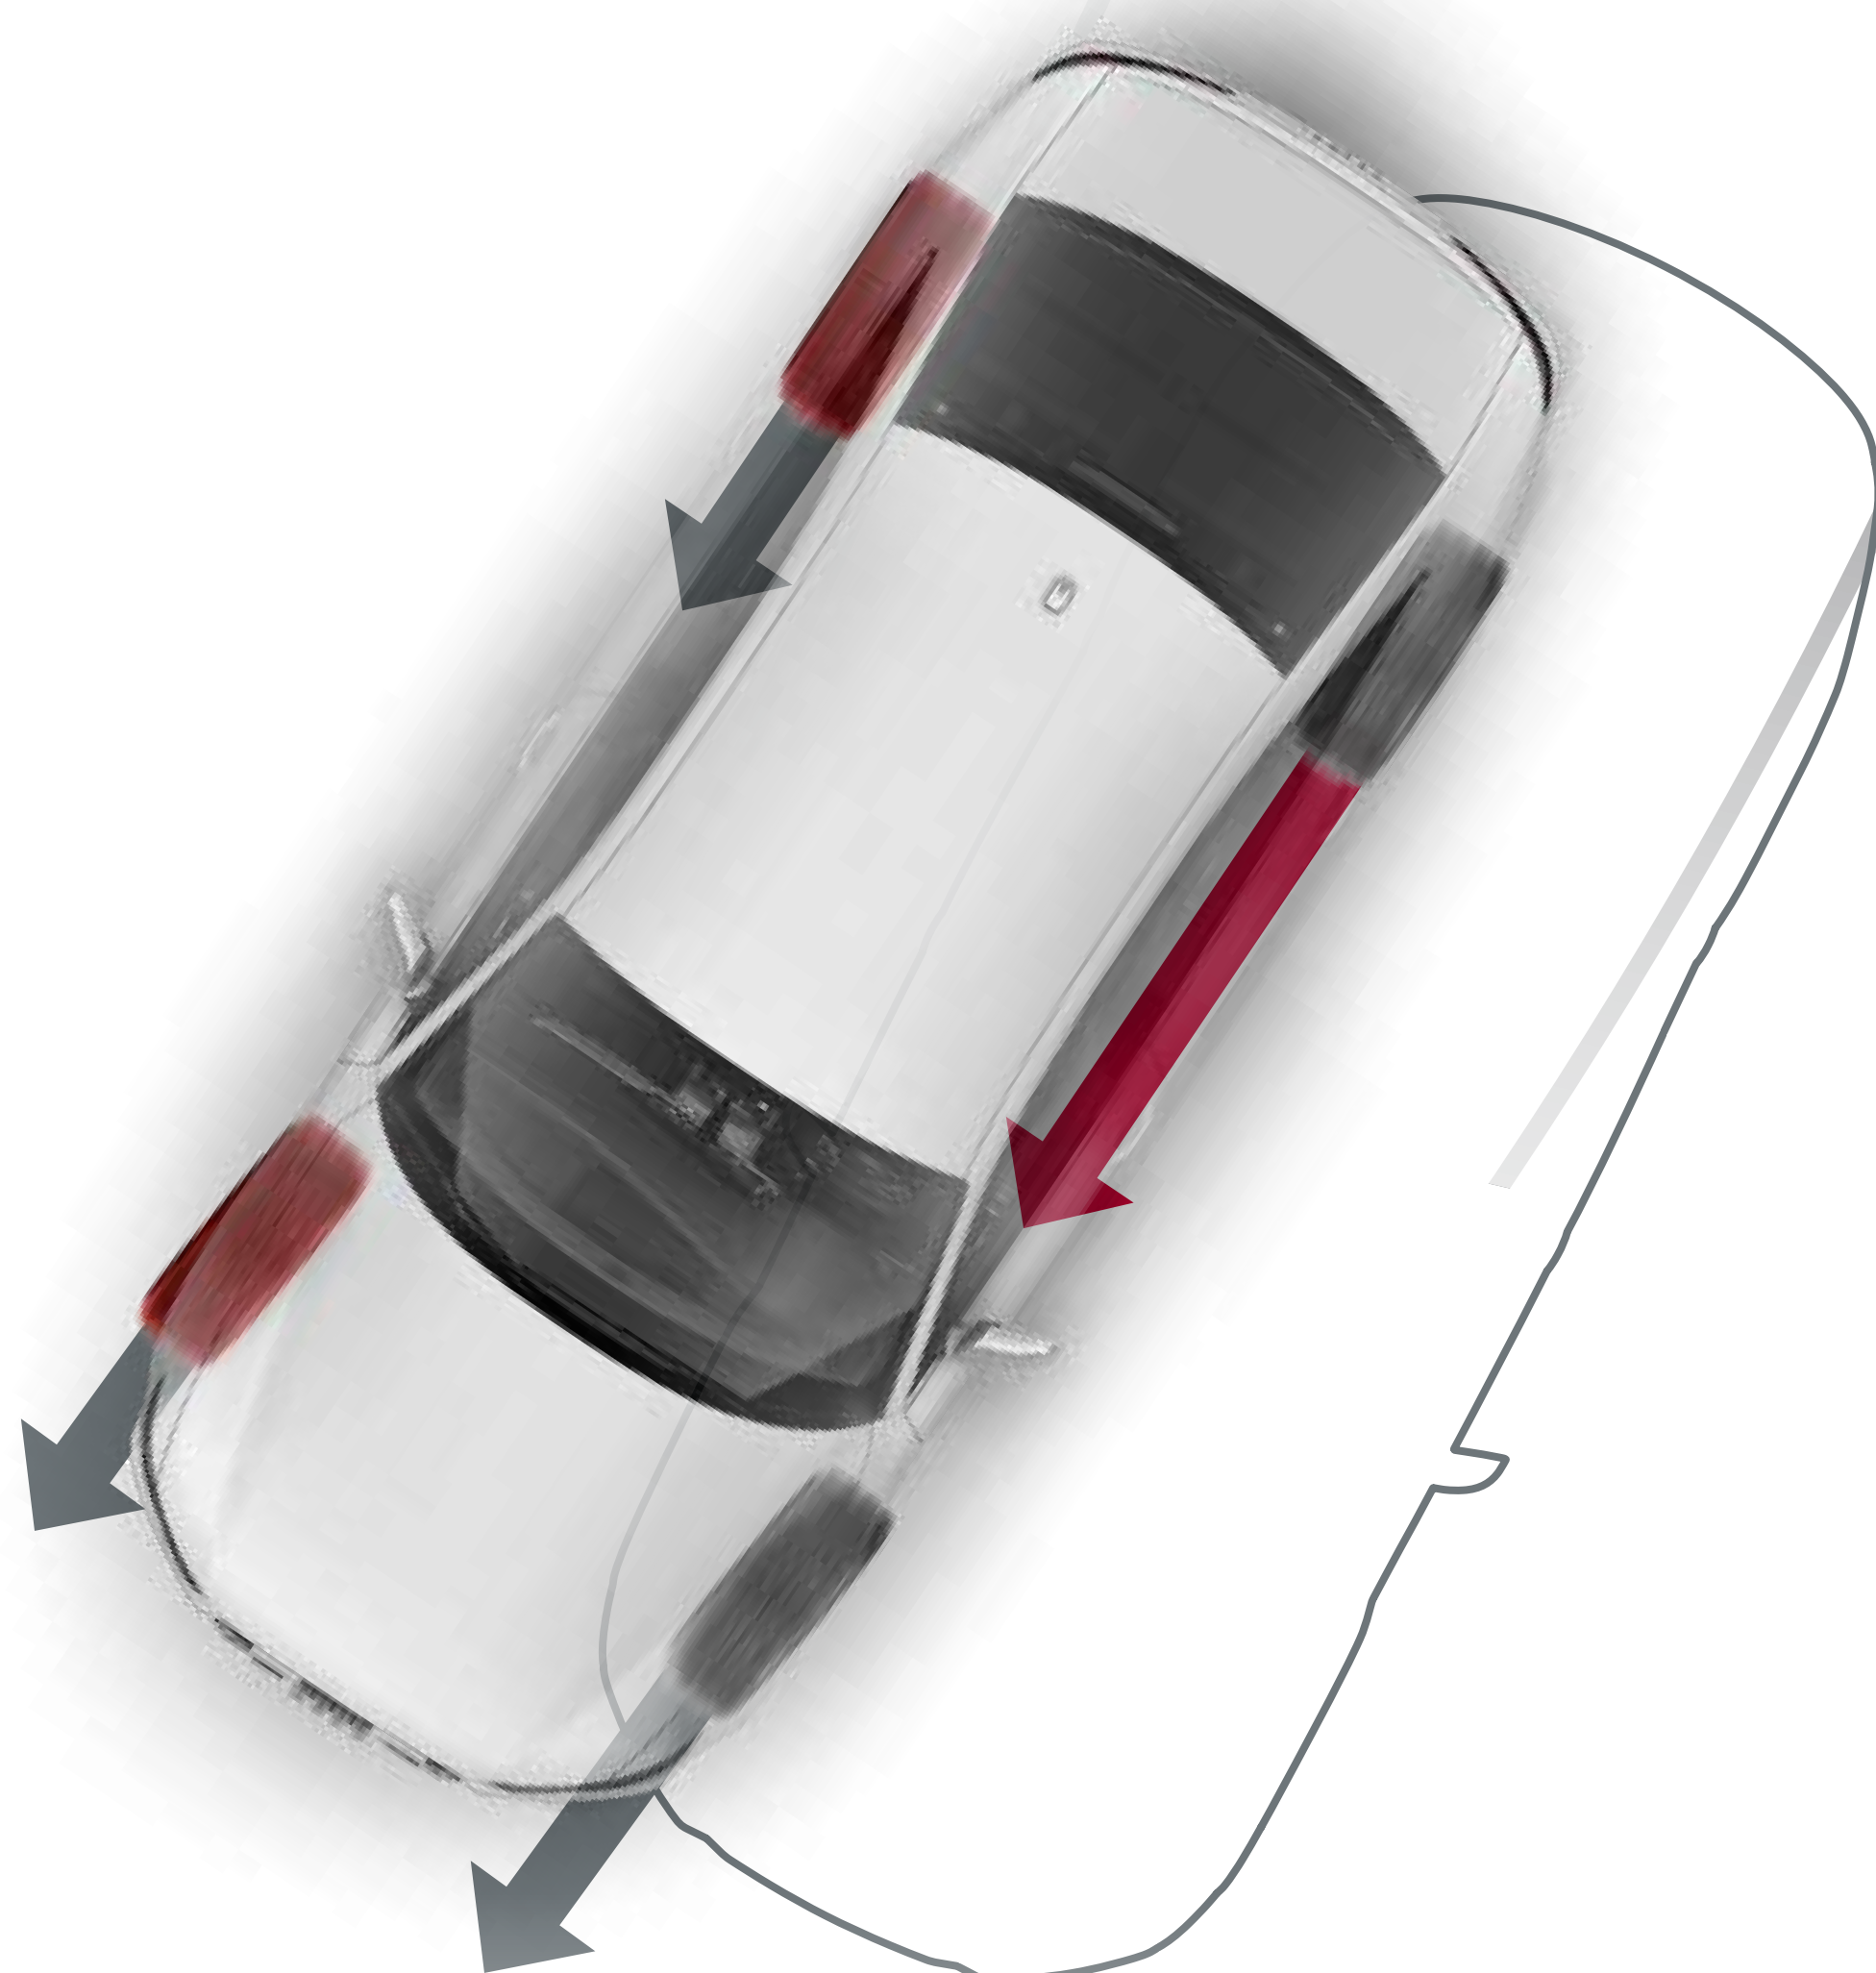

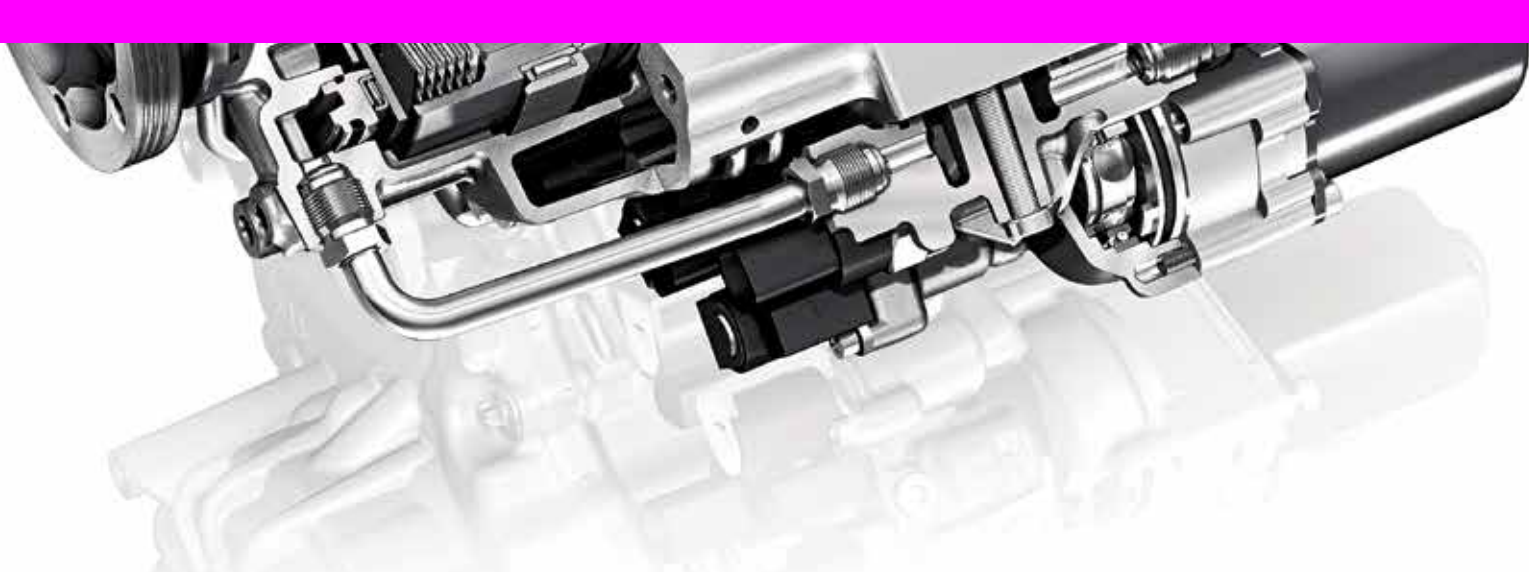

To help ensure high cornering agility, the available sport differential uses torque vectoring to mechanically apply more power to the outside rear cornering wheel. Through an electrohydraulic multiplate clutch pack and gear-set, the outside rear cornering wheel's speed is increased by as much as 10% relative to the drive shaft.

Dramatization

Schedule a Test Drive ↗

Dramatization

In the standard Electronic Stability Control system, by independently braking the inside cornering wheels, the ratio of torque is increased at the outside cornering wheels. This intelligent application of power, known as torque vectoring, helps promote neutral handling by calculating the driver's steering input and desired level of acceleration.

# What we do is help make sense of this, so you don't have to.

Complex systems helping to solve simple problems. Our comprehensive portfolio of available driver assistance technologies help enhance your drive—and hopefully make it a little easier to navigate.<sup>1</sup>

<sup>1</sup> The features discussed are not substitutes for attentive driving. See owner's manual for further details and important limitations.

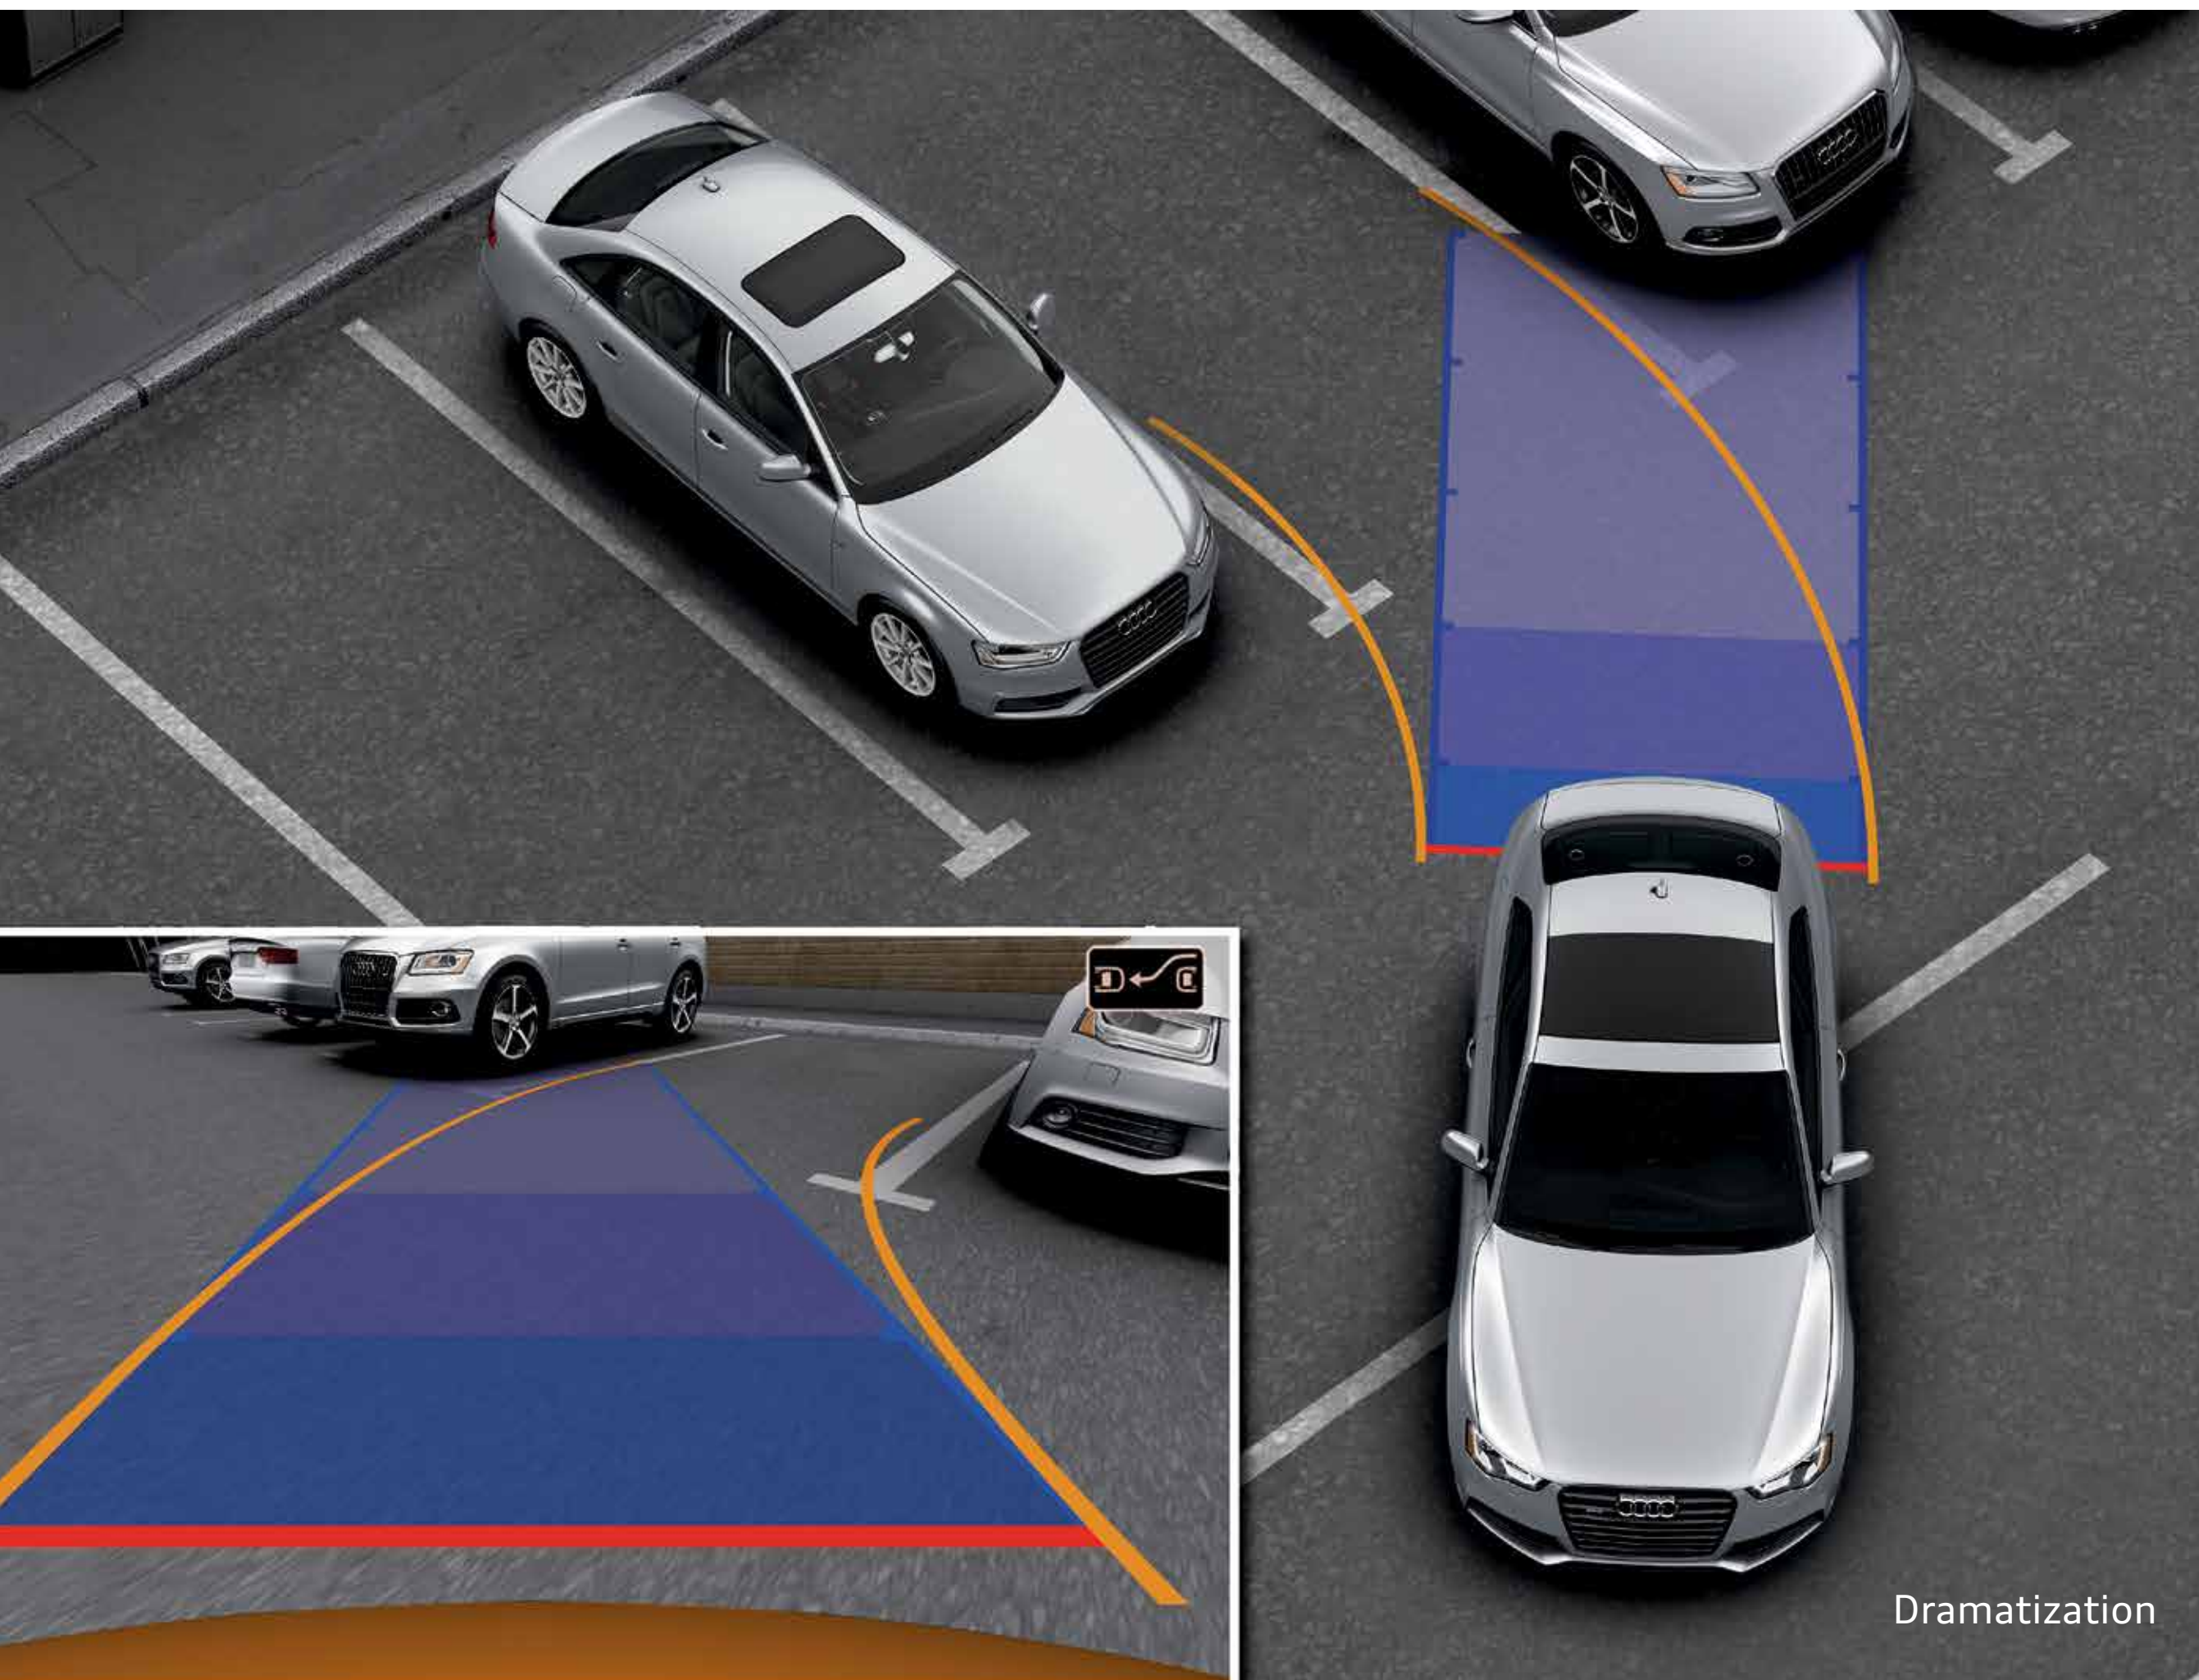

# Consider it your own personal assistant.

## // Parking system plus with rear view camera

Helping make parking an easier task, the standard parking system plus on the Audi A5 2.0T Sport features standard front and rear acoustic parking sensors, along with an available rear view camera.<sup>1</sup>

<sup>1</sup> The features discussed are not substitutes for attentive driving. Please see your owner's manual for further details and important limitations.

## // Audi side assist

This available technology uses radar sensors and two different optical warnings to help keep the driver informed about what is approaching from hard-to-see angles behind and to the side of the vehicle.<sup>1</sup>

Build your 2017 A5 [➤](#)

# Your central command for the information age.

Sure, the handheld power of smartphones is impressive, but they don’t handle like your Audi vehicle. Luckily, with available Audi connect®, you can get some of the same popular functions of your compatible device, with the means to get where you want to go. Need to find a new, highly acclaimed restaurant? Pull over, and with the help of Google Voice Search™, Audi connect allows you to quickly search Google™ by simple voice commands. Looking for something to do in a new city? Get information about current events and directions to their locations. With a crisp display, a lightning-quick 4G LTE connection and easy access to steering-wheel toggle controls, you have a smart car, which can do something that the computer in your pocket can’t—move.

## AVAILABLE AUDI CONNECT

Get SiriusXM® Traffic information overlaid onto available 3D satellite imagery to visualize a true aerial view of your route, and let the MMI® navigation plus system reconfigure your route to help avoid traffic.<sup>1,3,4</sup>

With Google Earth™ integration, you can enjoy 3D satellite imagery, including Google Street View™, displayed right on the MMI display.<sup>1</sup>

With Google Street View™, your Audi can show you a driver’s-eye view of your destination right before you arrive so it’s easy to recognize.<sup>1</sup>

Discover travel information for local landmarks in your area of interest and set them as destinations.

Search for parking in your area of interest, check space availability, and set your selection as a destination to help navigate directly to the garage entrance.<sup>1,2,5</sup>

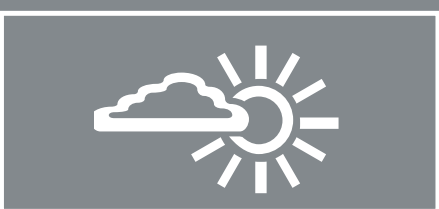

Get information about current events, exciting locations and places of interest at your travel destination, current location or other chosen location.<sup>1,2</sup>

The point-of-interest search with an upgraded voice-control system helps you get the most out of every journey.

Staying connected in your Audi has never been easier, with in-vehicle high-speed connectivity. Access is provided for up to eight passenger devices through an on-board Wi-Fi® hot spot.<sup>1</sup>

With current local weather conditions and forecasts for your destination, you can be prepared for your trip.<sup>1,2</sup>

It’s simple. Tell your Audi what you are in the mood for, then let the cloud-processing power of Google™ speech recognition interpret your request and bring up a list of destinations in the area of your choice.<sup>1,2</sup>

1 Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. 2 The voice control feature is not available on Cabriolet models. 3 SiriusXM® Satellite Radio and SiriusXM® Traffic subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM® to cancel. See Customer Agreement for complete terms and more information at [www.siriusxm.com](http://www.siriusxm.com). SiriusXM® Traffic service available in select markets. SiriusXM® U.S. Satellite Service available only to those in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations). 4 MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. For mapping updates please see your Audi dealer or call 1-800-FOR-AUDI for details. 5 Parking feature is not available everywhere and requires participation by parking provider.

You can control what you can change.

# You can control what you can change.

## // MMI® navigation plus

This available system offers a wealth of easily accessible information, all at the twist of a dial or command of your voice.<sup>1</sup> You'll have access to material such as music files, contact information and stunning navigation precision with help from Google Earth™.<sup>2,3,4</sup>

[Schedule a Test Drive ↗](#)

# Providing the things we hope you never have to use.

At Audi, our engineers were tasked with coming up with innovative solutions in both safety design and material strength. Advanced occupant safety cell and airbag<sup>1</sup> technology is designed based on seat position, and crumple zones absorb the impact energy to help mitigate potential injury in a collision. Add the rigid laser seam-welded joints.

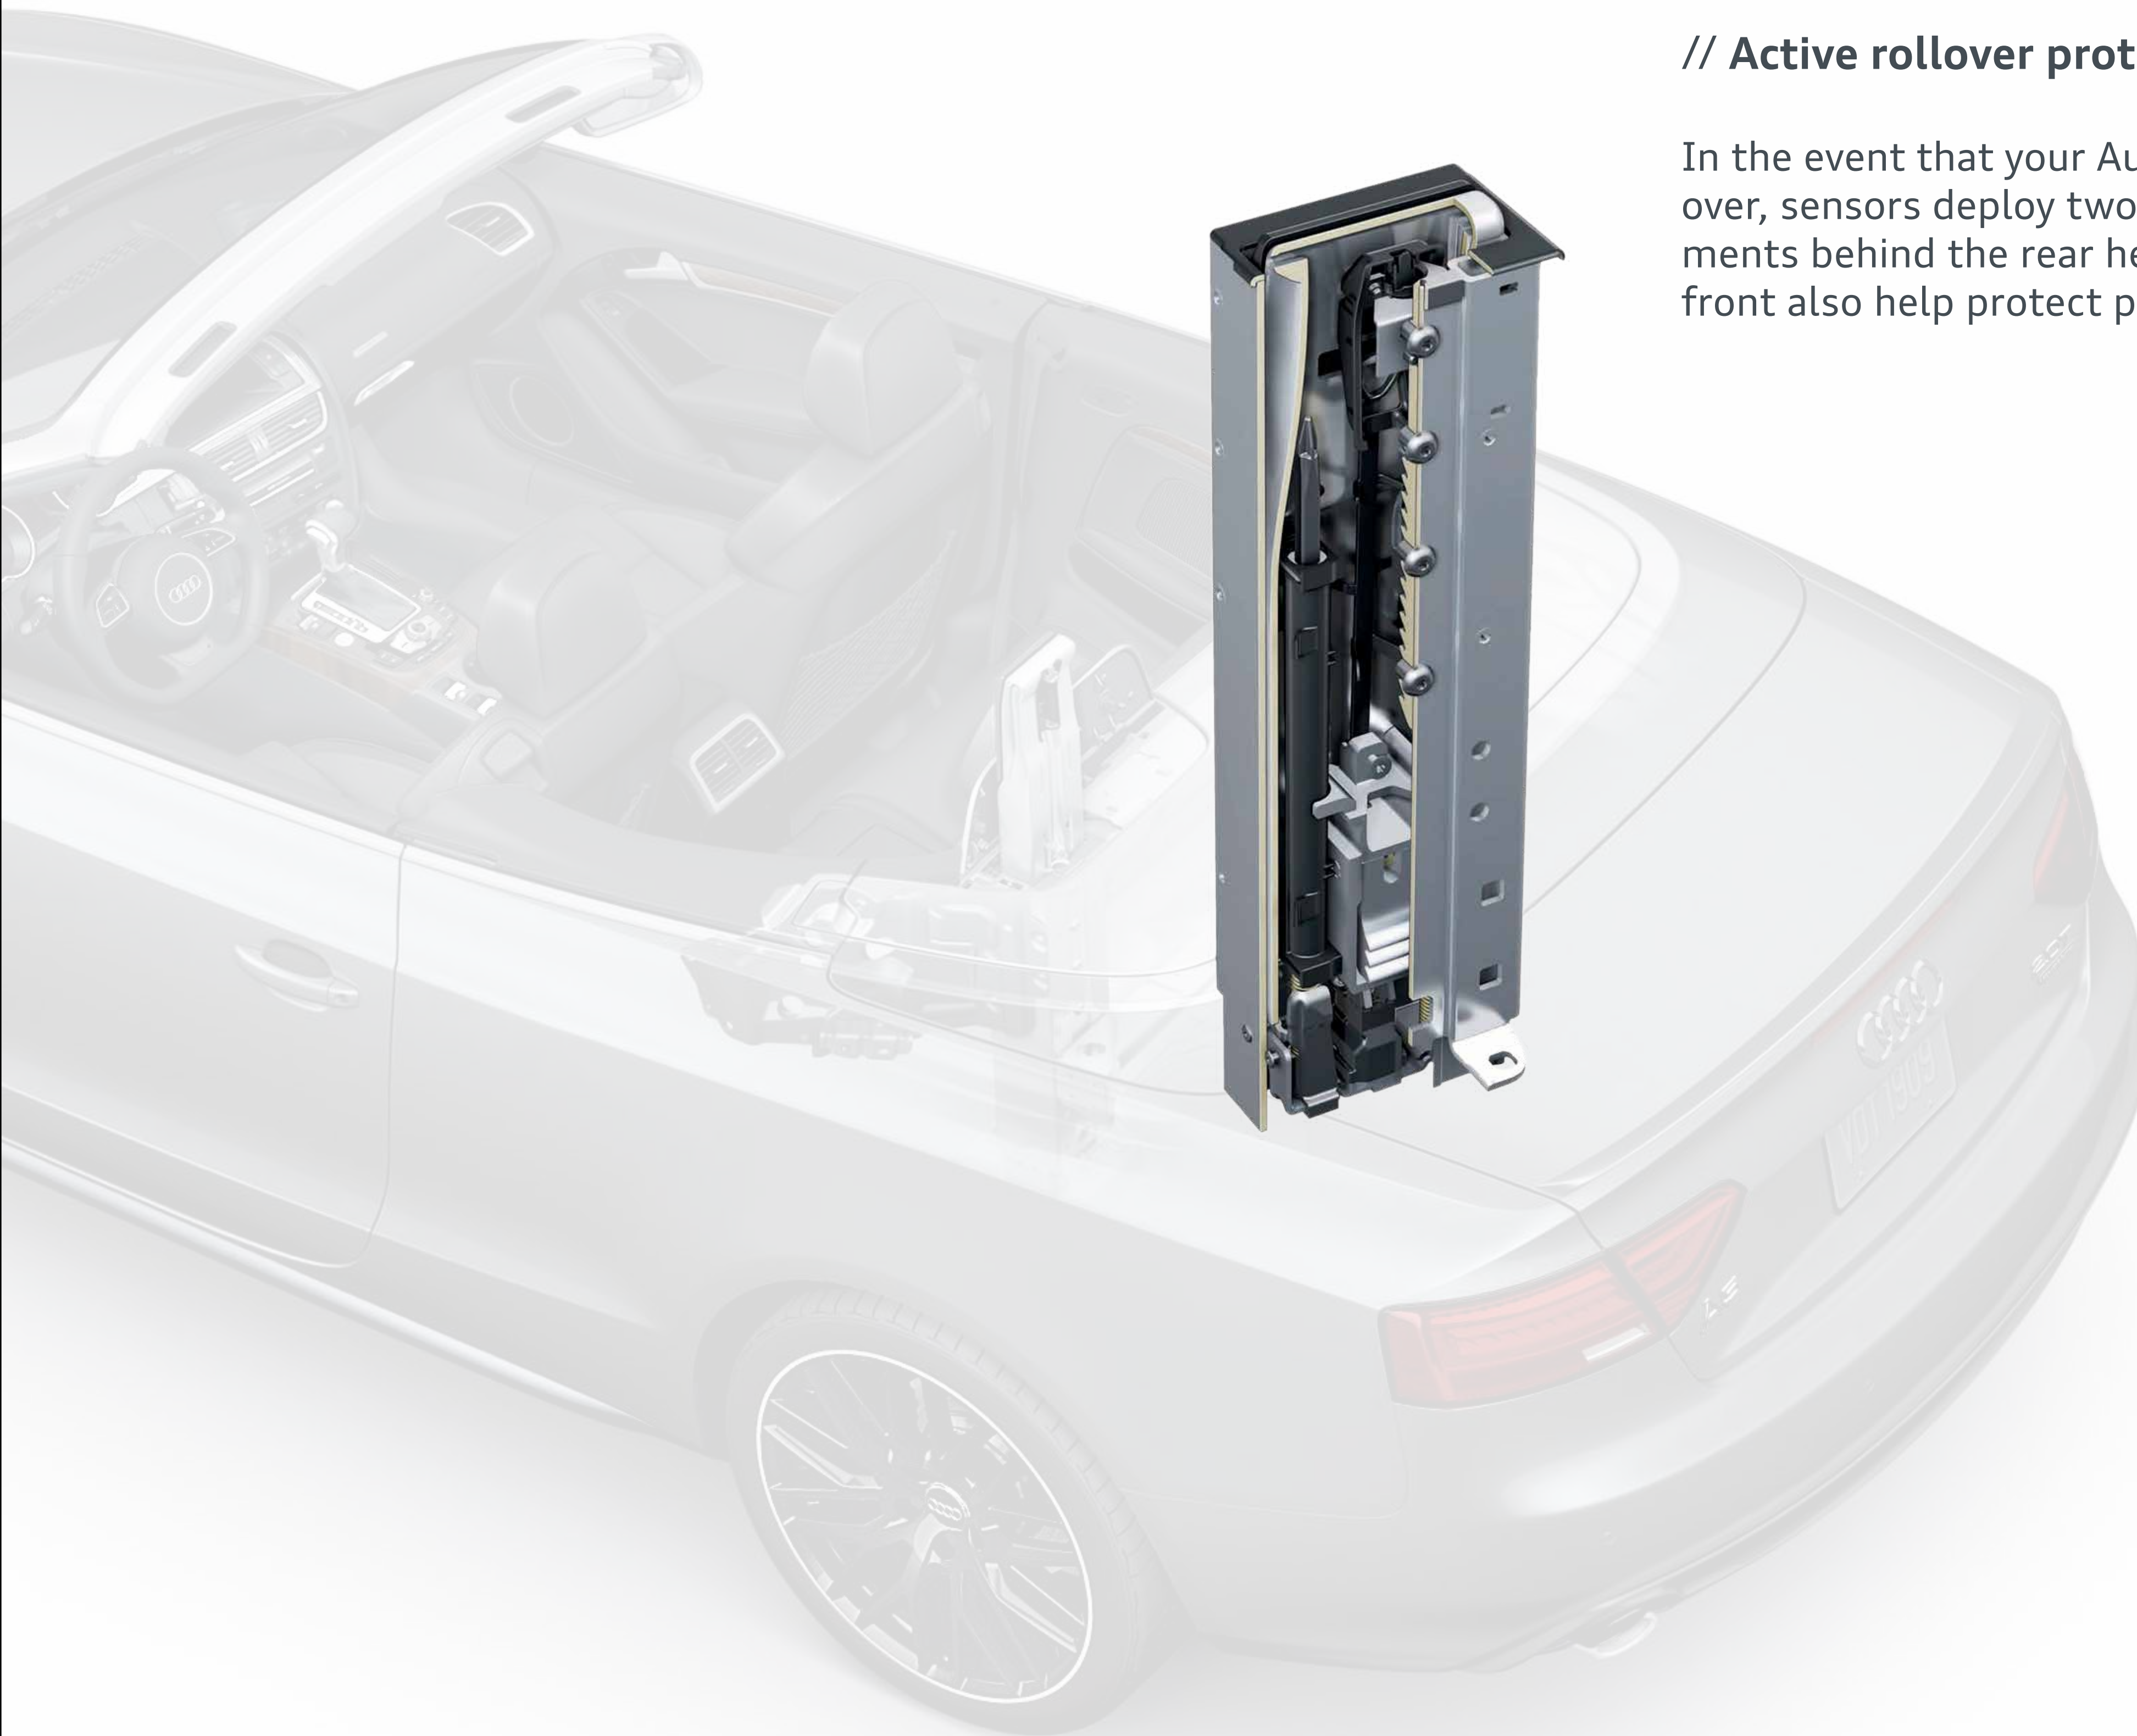

1 Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

## // Active rollover protection

In the event that your Audi A5 2.0T Sport Cabriolet rolls over, sensors deploy two roll bars from hidden compartments behind the rear headrests. Reinforced A-pillars up front also help protect passengers.

<sup>1</sup> SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see www.siriusxm.com) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations). <sup>2</sup> MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. Mapping updates are available at no charge for the first five map updates and are subsequently available on a subscription basis. <sup>3</sup> See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

1. MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. For mapping updates please see your Audi dealer or call 1-800-FOR-AUDI for details. 2. Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. 3. SiriusXM® Satellite Radio and SiriusXM® Traffic subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM® to cancel. See Customer Agreement for complete terms and more information at www.siriusxm.com. SiriusXM® Traffic service available in select markets. SiriusXM® U.S. Satellite Service available only to those in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations). 4. The features discussed are not substitutes for attentive driving. See Owner's Manual for further details, and important limitations. 5. See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. 6. Tires are supplied and warranted by their manufacturer. High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.

<sup>1</sup> 2017 EPA estimates not available at time of printing. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for details. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

A man and a woman are standing outdoors in a snowy, wooded area. The man, on the left, is wearing a grey knit beanie, a red turtleneck, and a grey zip-up jacket. He is smiling and looking towards the woman. The woman, on the right, is wearing a white fur-trimmed parka over a red turtleneck. She is also smiling and looking down at something in her hands. In the foreground, the top of a dark-colored car is visible, with a hand wearing a grey knit glove resting on the roof. The background is a soft-focus winter scene with snow-covered trees and a bright, sunny sky.

# Now for the finishing touches.

You're a try-anything-once, never-sit-still, give-it-your-all kind of person. Life doesn't just string you along; you strive to take life further. Audi Genuine Accessories can help you do just that. For personalizing, protecting and showing your Audi pride, our accessories were made just for you.

### // Audi Genuine Sport and Design Accessories

For a bolder appearance or a finishing touch, we have a solution that helps make every mile more enjoyable—and more yours.

- ▶ Stylish wheel designs
- ▶ Exhaust tips
- ▶ License plate frames

### // Audi TravelSpace Transport Accessories

When on the go, help make sure your gear fits with a variety of intelligent and innovative solutions.

- ▶ Bike and ski racks
- ▶ Rooftop cargo carriers
- ▶ In-vehicle cargo bags

### // Audi Guard Comfort and Protection Accessories

Help protect what you love. Use Audi Guard Comfort and Protection Accessories to help keep your Audi looking like new—inside and out.

- ▶ Floor mats
- ▶ Splash guards
- ▶ Cargo mats

### // Audi Guard Car Care Products

Your Audi A5 2.0T Sport deserves the best, and this is the only car care line designed specifically for Audi.

- ▶ Leather care
- ▶ Insect remover
- ▶ Detailing tools
- ▶ Winter protection

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

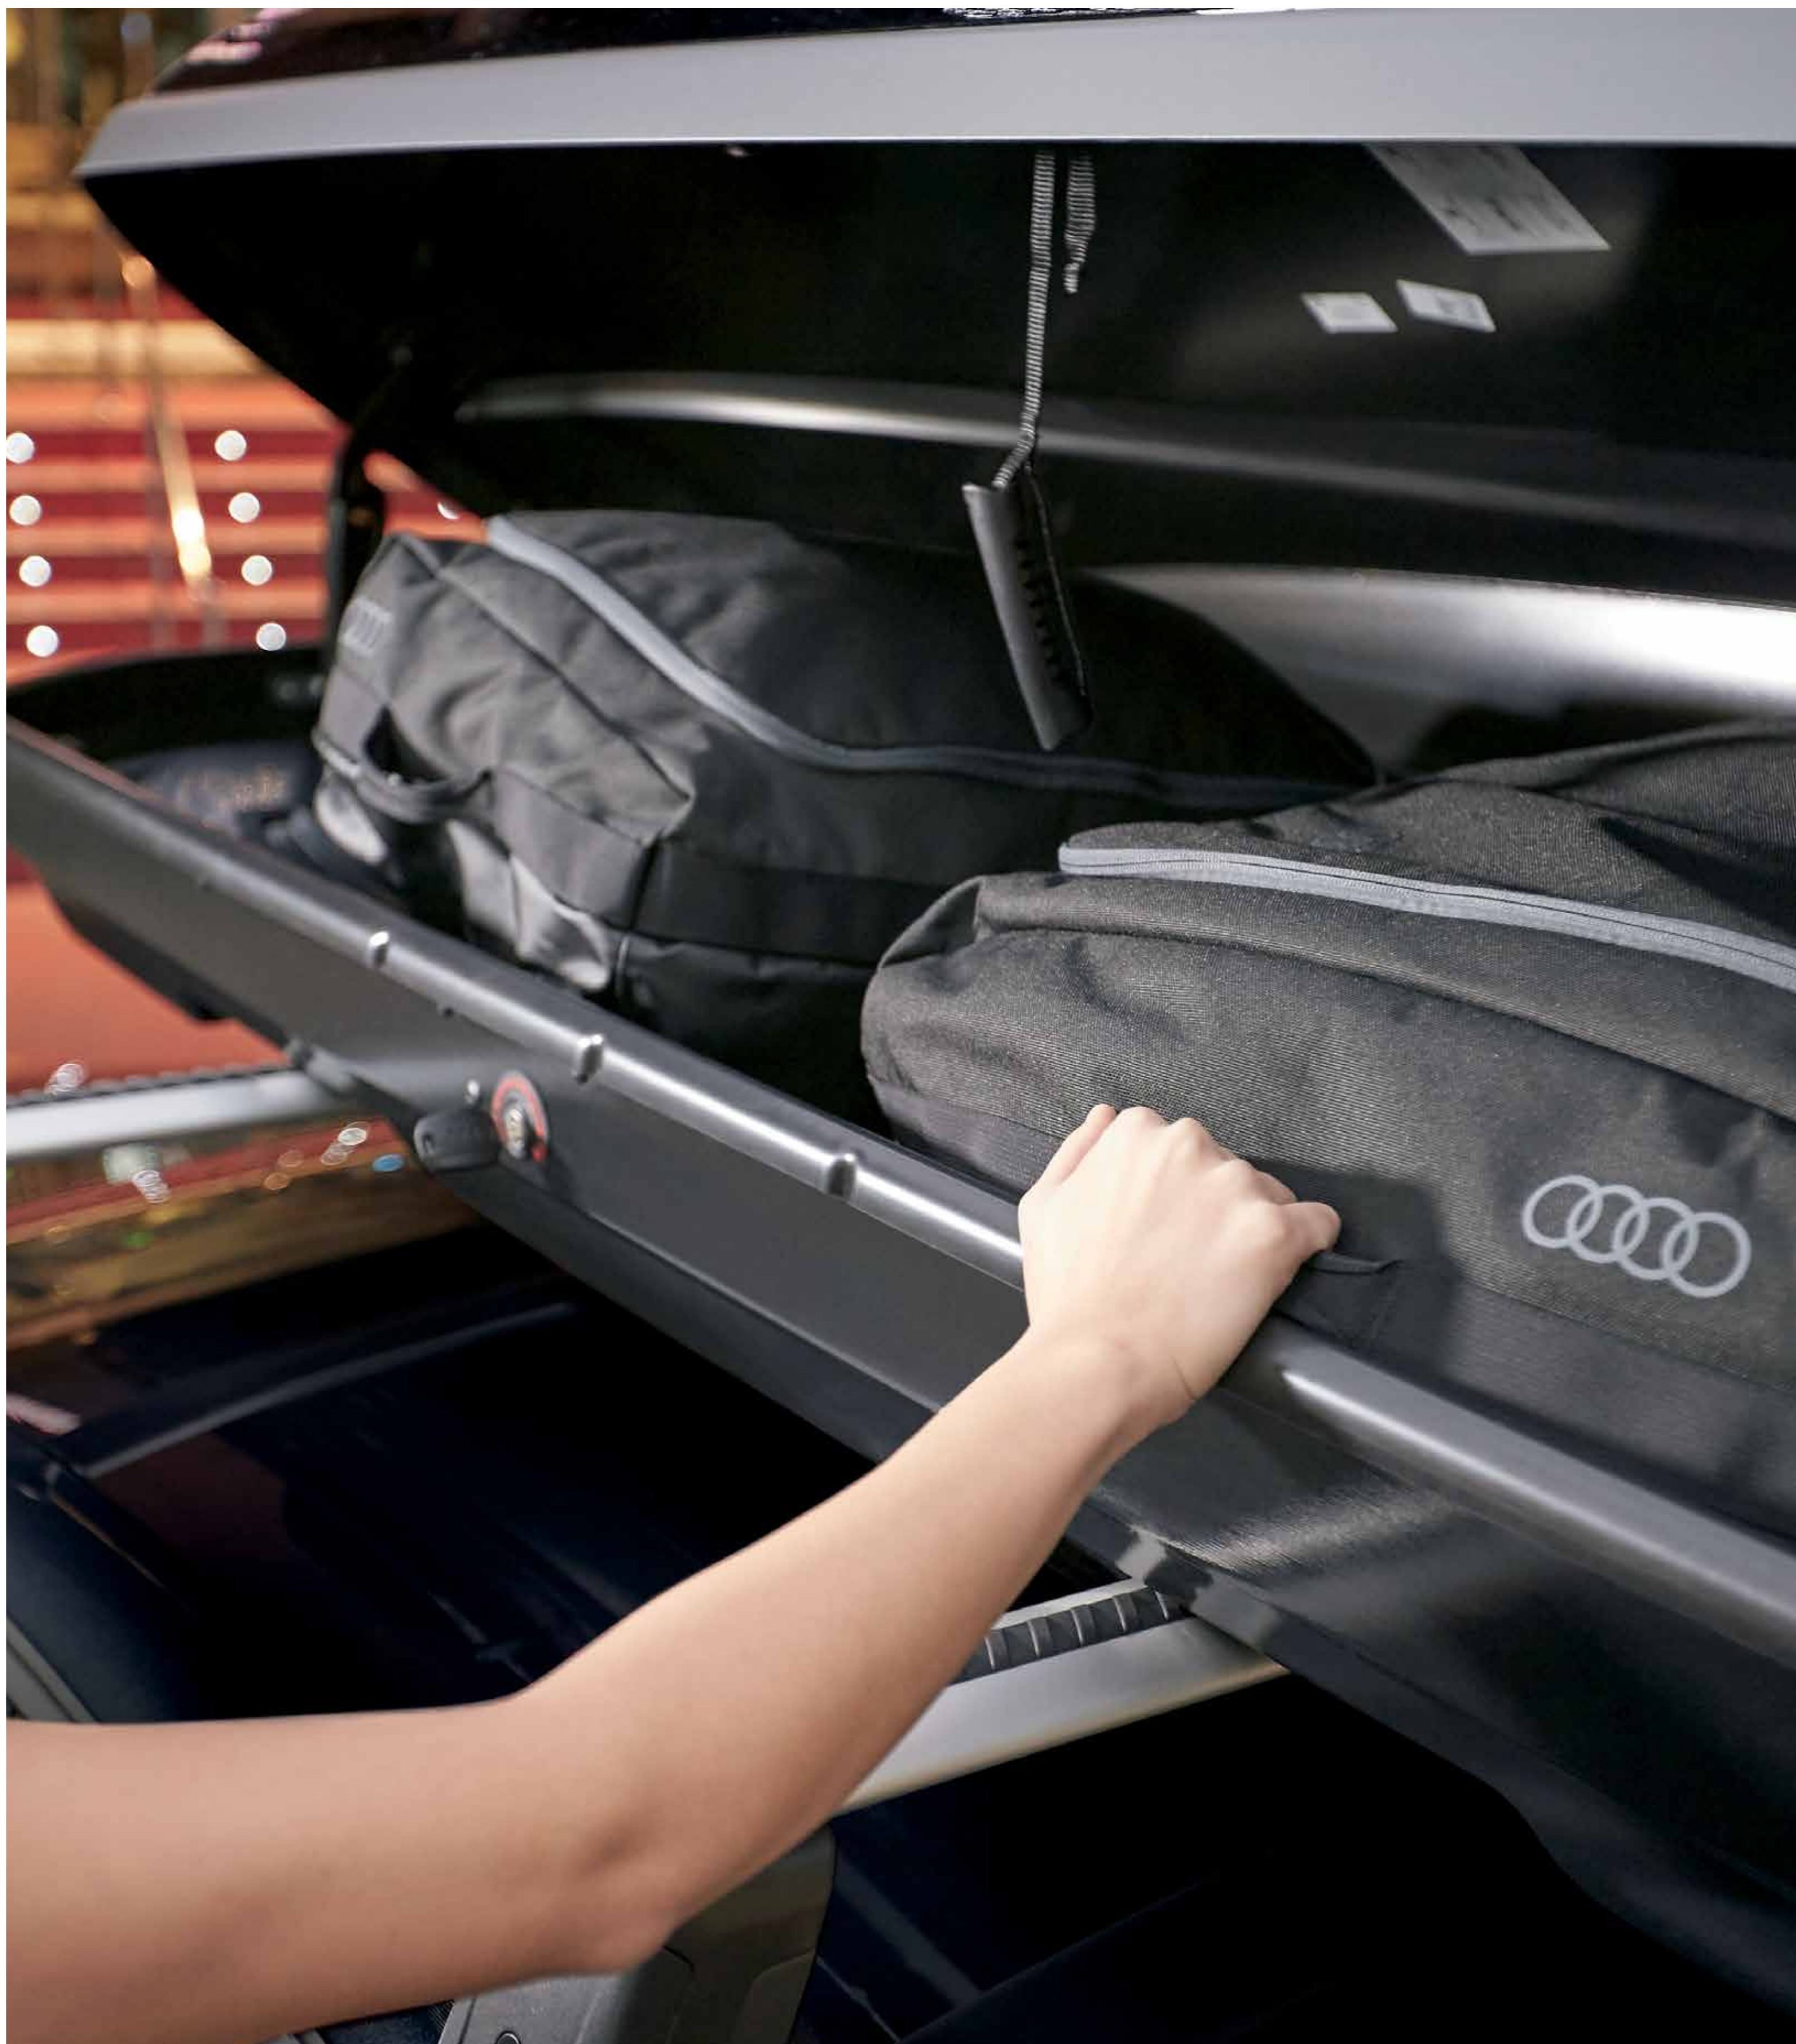

TAP IMAGES FOR DETAILS

### // Compact cargo carrier<sup>1</sup>

Use 12.7 cu ft of extra storage to get started on your weekend getaway.

Size: 70" long, 33" wide, 15" high.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

<sup>1</sup> All roof-rack system attachments require the base carrier bars. All attachments sold separately. Recreational equipment, sporting equipment and luggage not included.

## // Aluminum bike rack<sup>1</sup>

Help protect your other ride. This locking holder fits 20- to 80-mm bike frames with both wheels on the bike and helps keep the bike upright as you secure it in place.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

<sup>1</sup> All roof-rack system attachments require the base carrier bars. All attachments sold separately. Recreational equipment, sporting equipment and luggage not included.

## // Ski and snowboard racks<sup>1</sup>

These racks help transport your equipment to the slopes. The standard attachment (shown) holds two sets of skis or two snowboards. A deluxe attachment, sold separately, holds up to three sets of skis or up to four snowboards.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

<sup>1</sup> All roof-rack system attachments require the base carrier bars. All attachments sold separately. Recreational equipment, sporting equipment and luggage not included.

## // A5 Sport winter wheel and tire package

Adding style and performance, this winter wheel and tire package features Audi Original winter tires engineered to help improve traction and handling in a variety of winter weather conditions.<sup>1</sup> See your authorized Audi dealer for details.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

<sup>1</sup> Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions, and you must maintain more distance from other vehicles since braking distances will be longer on ice- and snow-covered roads.

### // 19" 5-arm hollow-spoke design wheels

Experience the high-performance beauty of this eye-catching design. The hollow-spoke feature results in a lightweight wheel. The five-arm design features a machined face with Gloss Black spokes. This style is also available in an Audi wheel and tire package.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

## // Floor mats

Floor mats feature a deep-ribbed, channeled design that helps protect your vehicle's floor and carpeting from the elements. Black mats are available in sets of two for front or rear. Front mats feature the A5 logo.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

## // Cargo mat

Custom fit for your A5 2.0T Sport, the raised outside edge of the cargo mat helps contain spills and protect cargo-area carpeting from stains. The textured material helps control load shifting.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

## // First aid kit

In the event of an emergency, you'll want these essentials close at hand. Includes an emergency blanket, burn/wound dressings and much more.

visit [parts.audiusa.com](https://parts.audiusa.com) for more.

### // Men's Ingolstadt jacket

This three-layer performance soft-shell jacket, with a bonded fleece lining and an interior membrane, features custom map artwork in front and the Audi logo on the sleeve.

### // Men's chronograph watch

Top-quality workmanship combines with precise Swiss movement. This elegant watch features a black leather band, stainless-steel case, black dial and the Audi logo.

### // Ladies' half-zip mock neck by Spyder

Moisture-wicking, quick-drying, slim-fit material provides plenty of comfort. Features the Spyder and Audi Sport® logos and is available in black, red, gray or white.
