

BMW 2004
7 Series Sedan

The Ultimate
Driving Machine®

745i
745Li
760Li

7th Heaven.

Life can lead us in unexpected directions.
The trick is to enjoy the ride.

Could the 745i possibly go to greater lengths to please you?
Yes, with a long-wheelbase version of the 7 Series.

The 7 Series isn't the head of the class.
It's a whole class unto itself.

Equipment.

■ **Multi-function steering wheel** lets you keep both hands on the wheel while accessing Voice Activation; adjusting sound volume of audio, phone and navigation system; answering/ending calls; selecting a transmission mode; conducting an audio search; and choosing an individually programmable function.

■ **Six-speed automatic transmission** is selected through a steering-column-mounted **electronic gear selector**. The BMW 7 Series was the first production vehicle with a six-speed automatic transmission. This drive-by-wire system allows smooth, quick gear shifts.

■ **iDrive Control Display** works in conjunction with the iDrive Controller. The LCD monitor displays iDrive functions, such as route information, climate control preferences and audio settings, as well as other information from the on-board computer.

■ **Standard in-dash CD player** lets you change CDs at a moment's notice.

■ **Xenon low- and high-beam lights** illuminate the road ahead and to the side with brilliant clarity. These headlights also have an auto-leveling feature.

■ **Rain sensor** uses infrared light to measure the amount of rain. When the wipers are in the "intermittent" mode, the rain sensor automatically adjusts the windshield wiping interval as needed.

■ **Power glass moonroof** slides rearward or tilts up at a touch to let in as much fresh air and sky as you like, while a wind deflector helps keep the wind out. Includes a sliding interior sunshade and anti-trapping feature.

■/□ **Power sunshades** for the rear window and rear side windows provide optimum protection from sun glare and heat, while allowing extra privacy for rear-seat occupants. Each rear door has switches that control all the shades. A child safety switch disables operation. (std. in 760Li; opt. in 745i/745Li)

■ **19" Star Spoke (Styling 89) cast alloy wheels and performance tires.**¹ Front: 19 x 9.0 wheels, 245/45R-19 tires; rear: 19 x 10.0 wheels, 275/40R-19 tires. (std. on 760Li; not available on 745i/745Li)

□ **18 x 8.0 Exclusive Spoke (Styling 91) cast alloy wheels and 245/50R-18 all-season tires.** (no-cost opt. on 760Li; not available on 745i/745Li)

■ **18 x 8.0 Multi-Spoke (Styling 94) cast alloy wheels and 245/50R-18 all-season tires.** (std. on 745i/745Li; not available on 760Li)

□ **19" Star Spoke (Styling 95) cast alloy wheels and performance tires.**¹ Front: 19 x 9.0 wheels, 245/45R-19 tires. rear: 19 x 10.0 wheels, 275/40R-19 tires. (opt. on 745i/745Li; not available on 760Li)

□ **19" V-Spoke (Styling 126) cast alloy wheels and performance tires.**¹ Front: 19 x 9.0 wheels, 245/45R-19 tires; rear: 19 x 10.0 wheels, 275/40R-19 tires. (exclusive with 745i and 745Li Sport Packages; not available on 760Li)

¹Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

Standard equipment | Optional equipment

Performance and efficiency	745i	745Li	760Li
6.0-liter DOHC (4-cam) 48-valve V-12 engine with direct fuel injection and Valvetronic			●
4.4-liter DOHC (4-cam) 32-valve V-8 engine with Valvetronic	●	●	
Steplessly variable intake manifold	●	●	
Double-VANOS steplessly variable valve timing	●	●	●
Aluminum block and cylinder heads	●	●	●
Electronically controlled engine cooling	●	●	●
Digital Motor Electronics engine-management system with adaptive knock control	●	●	●
6-speed STEPTRONIC automatic transmission with Adaptive Transmission Control (ATC)	●	●	●
Electronic gear selector	●	●	●
Liquid-cooled alternator	●	●	●

Handling, ride and braking

Aluminum double-pivot strut-type front suspension	●	●	●
Aluminum 4-link integral rear suspension	●	●	●
Aluminum front and rear subframes	●	●	●
Active Roll Stabilization (ARS)	●	●	●
Twin-tube gas-pressure shock absorbers	●	●	●
Self-leveling rear suspension with air springs	▲	▲	●
Sport suspension	□	□	
Electronic Damping Control, stepless	▲	▲	●
Vehicle-speed-sensitive variable-assist, variable-ratio rack-and-pinion powersteering	●	●	●
4-wheel ventilated disc brakes with electronic brake proportioning	●	●	●
Electromechanical parking brake	●	●	●
Automatic Parking Brake	●	●	●
Dynamic Stability Control (DSC)	●	●	●
Anti-lock Braking System (ABS)	●	●	●
Dynamic Traction Control	●	●	●
Dynamic Brake Control	●	●	●

⁸ Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.
⁹ Luxury Seating Package and Cold Weather Package cannot be combined.
