A close-up, low-angle shot of a blue car's front end. The left headlight is illuminated, showing intricate LED patterns. The front wheel is visible on the right, featuring a multi-spoke alloy design. The car's body is highly reflective, showing highlights from the ambient light. The overall mood is sleek and sophisticated.

# PRODIGIOUS POWER, UNRIVALED LUXURY.

## ALPINA B7 AND B6.

With the power of a racecar and the sublime comfort of a luxury sedan, the ALPINA driving experience is exhilarating. Superior throttle response and high torque ensure smooth, instant acceleration. The brilliant engineering is matched only by pioneering design.

# ALPINA

# POWER, RAW AND PURE.

The third-generation, limited-production BMW ALPINA B6 is truly a rare breed: a seamless blend of superior design, dynamics innovation and luxury.

## READY FOR BLASTOFF.

Experience the handcrafted interior: blue ALPINA instrumentation, the ALPINA steering wheel in hand-stitched LAVALINA leather; the signature ALPINA production plaque overhead, ALPINA-emblem floormats, door-sill trims with illuminated blue ALPINA lettering, Nappa Leather upholstery with contrast stitching and more.

## **NO MESSING AROUND.**

Open up and say roar: the Bi-Turbo 4.4-liter V-8, 600-hp engine with high-precision direct injection and 590 lb-ft of torque (at only 3500 rpm) gets you from 0–60 in just 3.7 seconds.<sup>1</sup> This is the fastest-accelerating BMW ALPINA ever, generating a maximum speed of 200 mph.

<sup>1</sup> BMW preliminary test results. BMW urges you to obey all posted speed laws and always wear safety belts.

## BEAUTY IN MOTION.

The advanced ALPINA SWITCH-TRONIC 8-Speed Sport Automatic transmission excels in every mode, offering a smooth ride at any speed. The distinctive full stainless steel exhaust system features the trademark ALPINA elliptical quad tailpipes, striking a note that's deep and resonant, yet unobtrusive.

# BMW ALPINA B7 WHEELS & TECHNICAL DATA

**ALPINA CLASSIC light alloy wheels (Style B7)**  
 20 x 8.5 front, 20 x 10.0 rear; and 255/40 front, 295/35 rear performance<sup>1,2</sup> or all-season tires.<sup>1</sup> Also available as an option: 21 x 8.5 front, 21 x 10.0 rear; and 255/35 front, 295/30 rear performance<sup>1,2</sup> or all-season tires<sup>1</sup>

Wheel and tire specifications are subject to change. Get the latest information on the availability of standard and optional wheels and tires, packages and technical specifications. Visit [bmwusa.com](http://bmwusa.com) and select the BMW model of your choice.

<sup>1</sup>BMW ALPINA vehicles do not come equipped with a spare wheel and tire. Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

<sup>2</sup>Performance tires are not recommended for driving in snowy and icy conditions.

<sup>3</sup>BMW AG preliminary test results. Actual acceleration results may vary, depending on specification of vehicle, road and environmental conditions, testing procedures and driving style. These results should be used for comparison only, and verification should not be attempted on public roads. BMW urges you to obey all posted speed laws and always wear safety belts.

## **INTERIOR MASTERPIECE.**

Inside the beautifully appointed cabin, you'll enjoy exclusive features, such as blue ALPINA instrumentation, the ALPINA steering wheel in hand-stitched LAVALINA leather, ALPINA luxury trims, a strikingly modern console and, of course, state-of-the-art BMW technology.

## **JAWS, PREPARE TO DROP.**

The potent beauty of the exterior is impressive enough, but there's nothing like the robust roar it emits when you start the engine.

## **AERODYNAMIC EXCELLENCE.**

No wonder it's the rarest prize on the road. From the aggressive front and rear spoilers, sweeping back to the elliptical twin tailpipes, a sleek, modern profile – with a racing-inspired Carbon Core frame and striking ALPINA design elements – reflect its astonishing performance. Iconic signature 20-spoke aluminum wheels add to the dynamic look.
