

2014  
*ALL-NEW CADILLAC CTS SEDAN*

*IT IS PERHAPS THE SMALLEST SPACE  
KNOWN TO MAN.*

*THAT RAREFIED SLIVER BETWEEN THE GOOD AND THE TRULY GREAT.  
THERE'S NO MAP TO HELP YOU FIND THIS ELUSIVE PLACE. THE ONLY  
WAY TO GET THERE IS SIMPLY TO BELIEVE YOU CAN.*

*At Cadillac, we've set out to create our own uniquely  
American breed of extraordinary. It's why we've created our own daring  
school of design that bends steel way beyond its comfort zone. It's why  
we've pushed technology two generations ahead by pioneering a bold  
new way for drivers to intuitively access entertainment and information  
with the flick of a finger. And why, in everything from safety  
to performance, we're setting the standard.*

*BOLD. DARING. ORIGINAL. These are the kinds of luxury vehicles we  
build. It takes tenacity, a refusal to leave well-enough alone. That is the  
difference between good and great. That is the difference between  
just making luxury vehicles, and making Cadillacs.*

## CRAFTED TO THRILL

Its design is striking, inside and out. Every component, honed and crafted. Thrilling performance and sophisticated technology lurk within, while the extraordinary design is outwardly unmistakable. Destined to stand out among the world's leading luxury cars, this exceptional sedan elevates the notions of luxury and sport. Dynamic, intriguing design. A critically acclaimed lightweight architecture. A meticulously detailed interior. The all-new CTS is a driver's car in the truest sense of the term and breathtaking to behold, both inside and out.

HEARTS WILL RACE.  
SYNAPSES WILL FIRE.

3.6L TWIN TURBO DIRECT-INJECTION V6 ENGINE

We proudly introduce the all-new CTS Vsport.<sup>1</sup> Inspired by the pedigree of its legendary V-Series brethren—the world's fastest family of production cars—the Vsport draws from this performance DNA to create its own unique niche of luxury and sport. Built around the most power-dense 6-cylinder engine in its segment, this new direct-injection Twin Turbo V6 puts out a staggering 420 HP and 430 lb.-ft. of torque from just 3.6 liters. Perfectly paired with an 8-speed transmission with magnesium steering-wheel-mounted paddle shifters, it launches to 60 MPH in 4.4 seconds. Further bolstering its dynamic credentials is standard Magnetic Ride Control with an exclusive Track chassis mode coupled with enhanced premium ZF steering. Front Brembo® brakes with available high-output brake linings deliver a confident and consistent pedal, while a standard electronic Limited-Slip Differential (eLSD) helps increase control, stability and acceleration. The CTS Vsport is the perfect addition to the V-Series legacy.

1. Coming early 2014.

## THE SPEED OF LIGHT.

The all-new CTS is the lightest rear-wheel drive car in its class, with a proven dynamic chassis that's nearly 200 lbs. lighter than the BMW 528i. With advanced lightweight materials used extensively throughout, including aluminum alloy for the hood and doors, the CTS Sedan is nothing short of an engineering marvel. And, to validate its credentials, we tested, stressed and pushed the CTS beyond its limits on Germany's famed Nürburgring. From there, we brought it back home to fine-tune it for a dynamic yet sophisticated ride.

EXPECT AN  
INSTANT RESPONSE.

Engineering a vehicle this thrilling and sophisticated requires a blueprint comprised of exceptional elements. Pair the potent 272 HP 2.0L Turbo or the available 321 HP 3.6L V6 engine with performance-tuned RWD or available AWD with active-torque technology. Maximize traction with an electronic Limited-Slip Differential (eLSD) when you choose the mighty 420 HP Twin Turbo V6 in the Vsport. But no matter which powertrain you opt for, you'll always benefit from a solid platform with a fully independent suspension for excellent responsiveness and refinement. The latest generation of Magnetic Ride Control is available, featuring up to four selectable modes—Tour, Sport, Snow/Ice and Track—for uncompromising handling and control. Stopping power is consistently confident, thanks to the racing-inspired Brembo® front brakes. And a premium ZF steering system works in unison to provide an enhanced connection between the driver, the vehicle and the road.

**MAGNETIC RIDE CONTROL**

The available revolutionary Magnetic Ride Control seamlessly adjusts to the road up to 1,000 times per second, maintaining excellent body control, chassis composure and a comfortable ride.

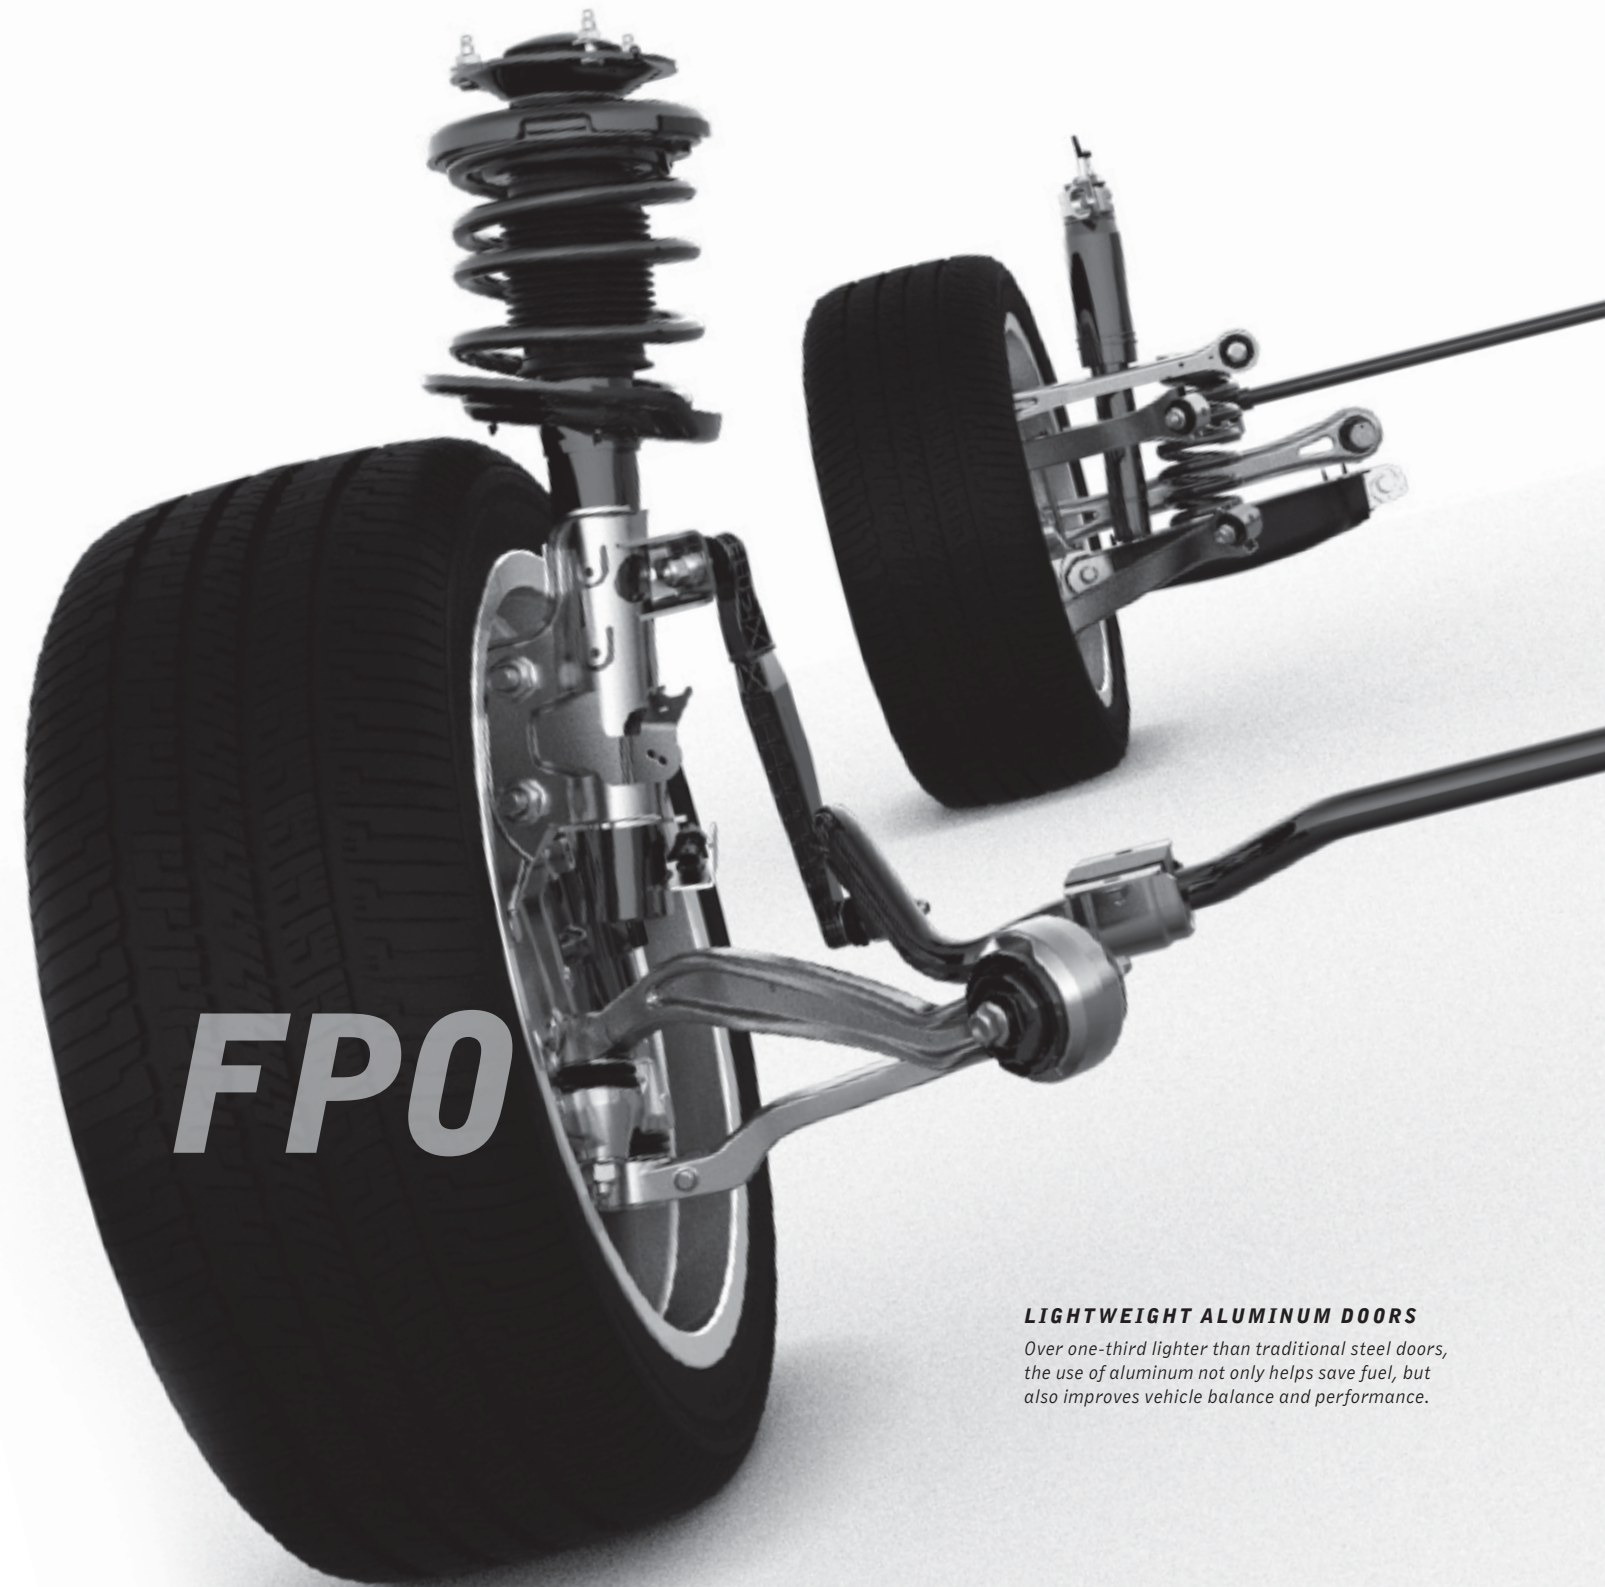

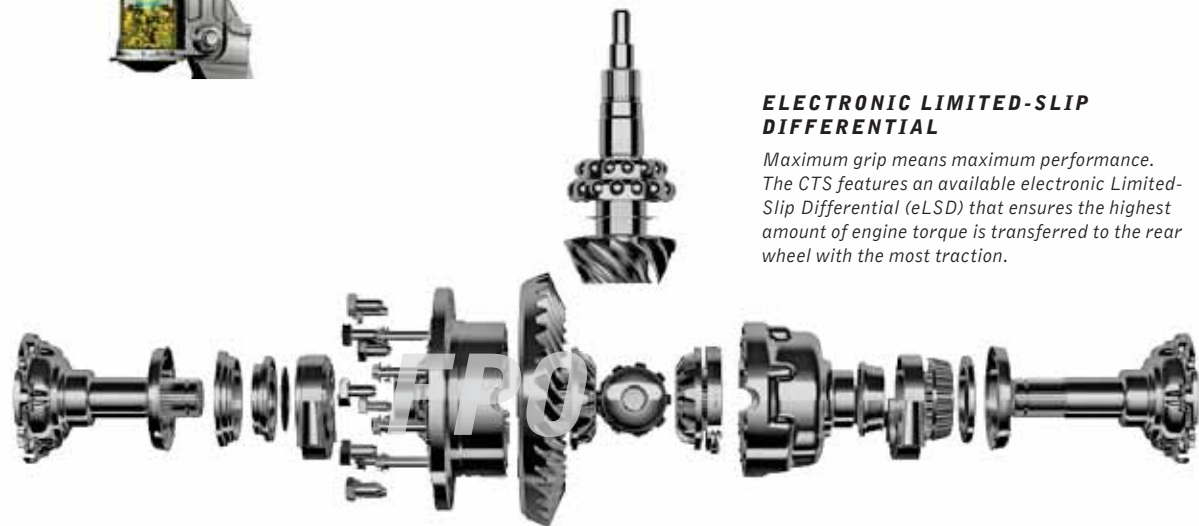

**BREMBO BRAKES**

We combined forces with the world-renowned brake experts at Brembo to engineer the fixed-caliper, aluminum 4-piston front brakes that deliver remarkable stopping power and consistent pedal feel.

**ELECTRONIC LIMITED-SLIP DIFFERENTIAL**

Maximum grip means maximum performance. The CTS features an available electronic Limited-Slip Differential (eLSD) that ensures the highest amount of engine torque is transferred to the rear wheel with the most traction.

**LIGHTWEIGHT ALUMINUM DOORS**

Over one-third lighter than traditional steel doors, the use of aluminum not only helps save fuel, but also improves vehicle balance and performance.

## UN-UNDERSTATED.

To achieve a physique this striking, countless hours were spent refining the bold look of the reimagined CTS Sedan. No element, no detail, no characteristic was left untouched. A long, low profile with a short front overhang yields an athletic yet sophisticated presence. Finely sculpted lines flow from front to rear, giving it a pulled-back stance. And a strong, confident grille completes a look that is unmistakably Cadillac.

## A STATEMENT

IN EVERY DETAIL.

### **BOLD, CONFIDENT GRILLE**

Accentuating its striking design, the sleek grille is framed in a low-gloss Galvano satin-chrome finish, adding just the right touch of sophistication.

### **DIRECTIONAL HID HEADLAMPS**

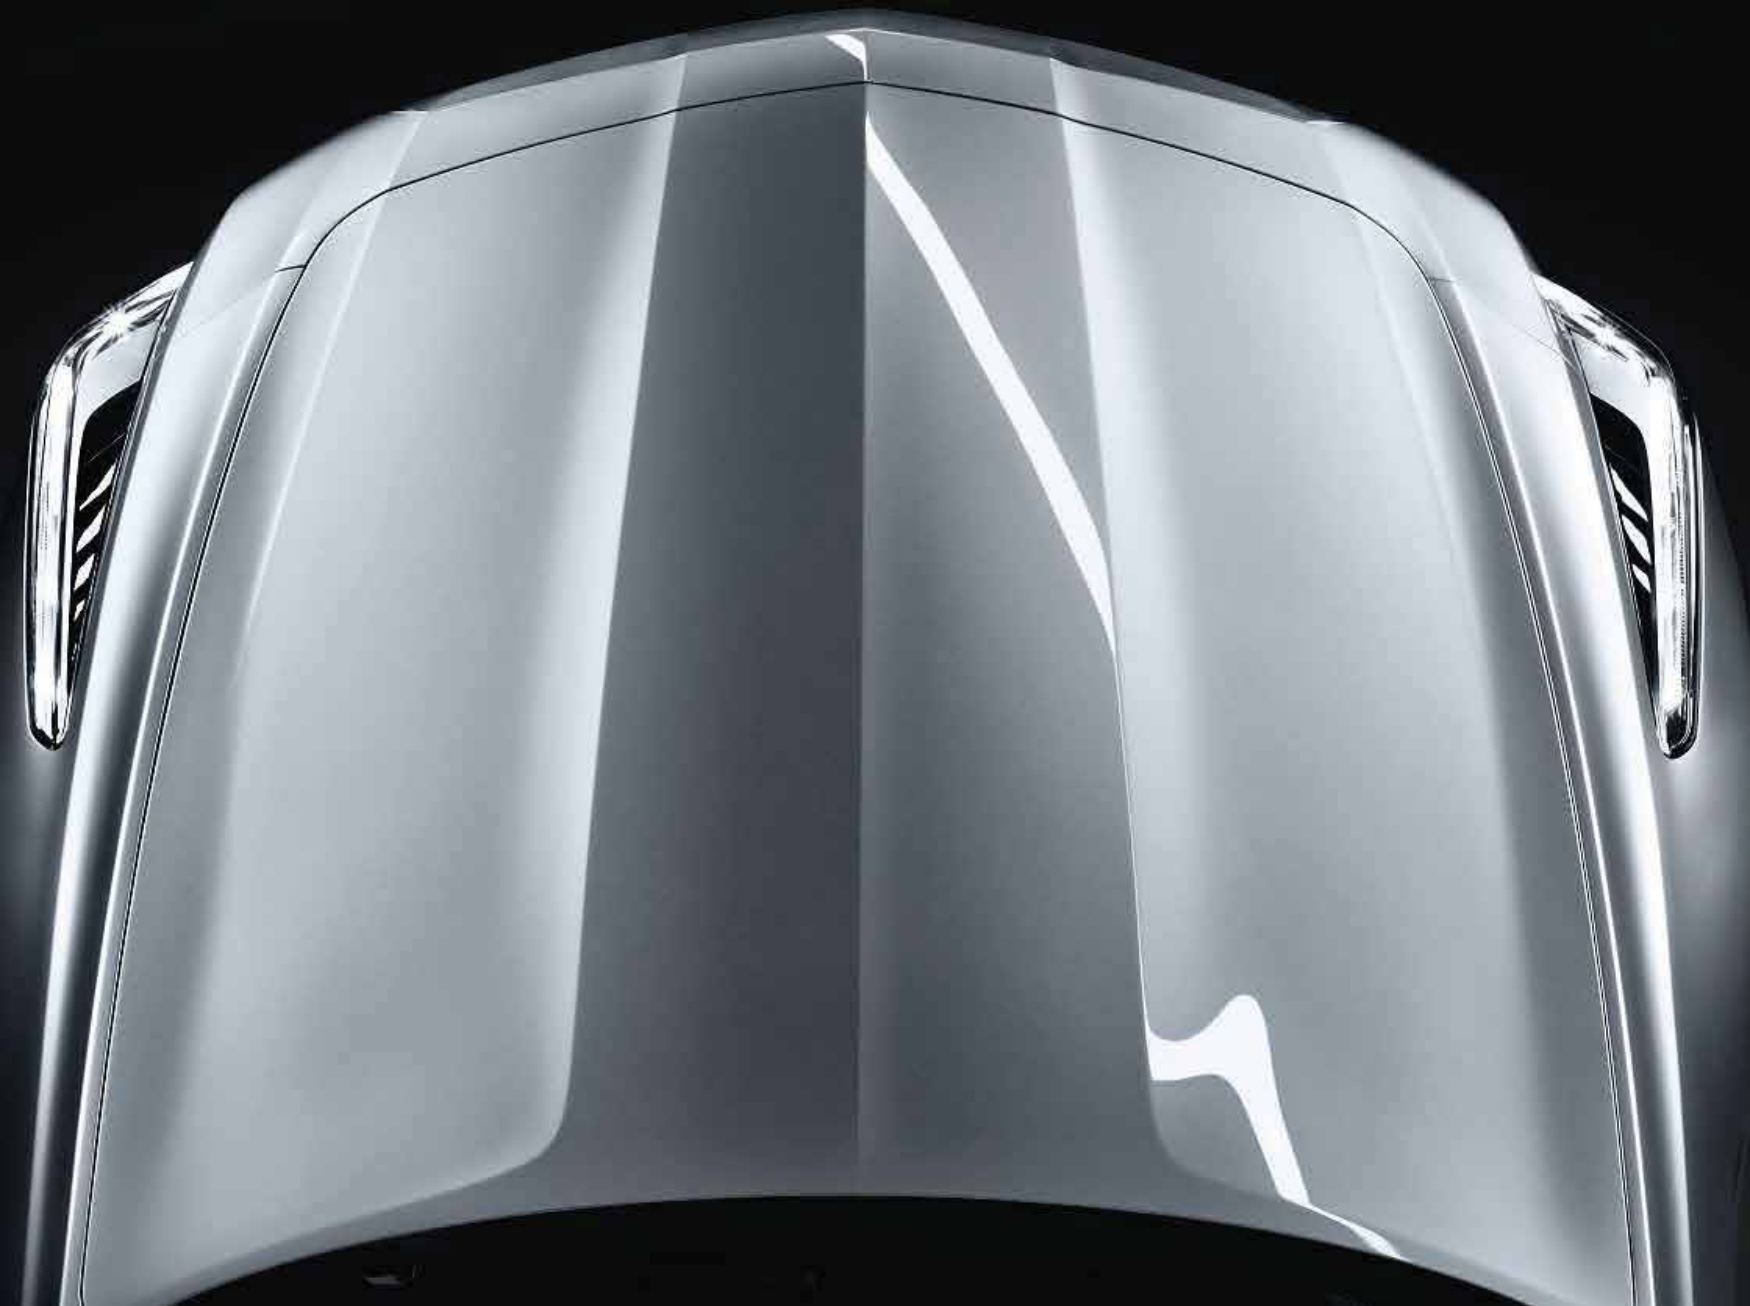

To help light the way, the brilliant High-Intensity Discharge (HID) headlamps are available with Adaptive Forward Lighting. Sensors react to the car's speed and steering, directing the headlamps to cast light precisely into your path of travel.

### **INTEGRATED REAR SPOILER**

Seamlessly fused with its sculpted lines, the rear decklid spoiler ingeniously doubles as an LED center brake lamp.

Striking from every angle, the distinct look of the CTS begins with a refined grille, accented by a Galvano satin-chrome finish. Then, flanked by vertical LED signature lighting with available adaptive High-Intensity Discharge (HID) headlamps, your eye is pulled from the grille to the filleted crease work on the stunning aluminum hood. From there, the silhouette takes shape as the dramatic angle of the acoustically laminated windshield slopes back. Subtle touches like the available LED illuminated door handles spark intrigue as the precision-sculpted side creases draw you to the rear. There, you'll find artful touches like an integrated dual exhaust and a decklid spoiler that ingeniously doubles as an LED brake lamp. The CTS delivers an unmistakable presence down to every perfectly shaped detail.

# THE SEAT OF POWER IS A BEAUTIFUL ONE.

### PREMIUM FULL-LEATHER SEATS

Finish the meticulously crafted interior with the available Opus semi-aniline full-leather seating. This unique, luxurious leather is renowned for its ultra-soft feel and refined appearance.

### AMBIENT INTERIOR LIGHTING

Available Ambient Interior Lighting highlights the dash and door trim, creating a museum-like presentation.

### ELECTRONIC CUPHOLDER COVER

There's even an ingenious touch-sensitive electronic cupholder cover that opens only when you need it and is concealed when you don't.

The dynamism created by the CTS's stunning exterior is carried into the cabin. With a brilliant design that revolves harmoniously around you, controls are placed precisely where the hand naturally falls. Authentic materials, including the choice of exotic woods, anodized aluminum, or carbon fiber heighten this premium experience. Even the exceptional, available leather hides are skillfully joined using hand cut-and-sewn craftsmanship. Personalize your CTS with one of eight unique interior environments featuring an array of meticulously choreographed colors and trims, accented by the warm glow of Ambient Interior Lighting. A Bose® Surround Sound System provides a concert-like experience, while unwanted frequencies are hushed by Bose® Active Noise Cancellation. Further customize your surroundings with available features like 20-way adjustable front seats, reconfigurable gauge cluster, full-color Head-Up Display and dramatic UltraView sunroof.

BUILT WITH AN EMPHASIS  
ON BRILLIANCE.

Using cutting-edge technology, CUE<sup>1</sup>—Cadillac User Experience—brings the intuitive brilliance of your tablet to your entire driving experience. Standard on each CTS Sedan, its stunning 8" LCD touch screen effortlessly senses your hand as it approaches. Use your fingers to write an address or zoom closer on a map. Even swipe to breeze through your music choices. When an icon is touched, the screen pulses to acknowledge the command, letting you keep your attention focused on the road ahead. Steering wheel controls are conveniently placed, and, with Natural Voice Recognition, making a phone call is as simple as saying a name. CUE also lets you preset up to 60 favorites—including points of interest, addresses and phone numbers—and seamlessly accesses every contact and song on your Bluetooth<sup>®</sup>-enabled smartphone. It streams Pandora Radio,<sup>2</sup> and even features a Handset Voice Recognition function that allows direct access to your phone's interface, such as iPhone's Siri. With an available 3-D GPS navigation system<sup>3</sup> with SiriusXM Travel Link<sup>4</sup> weather maps, the customization and content possibilities are not only endless, but also right at your fingertips.

*EVEN THE SEAT HELPS KEEP YOU*  
**CONSTANTLY AWARE**  
*OF YOUR SURROUNDINGS.*

The best safety measure is avoiding a collision in the first place, which is why we developed the available Driver Awareness Package. Using strategically placed advanced radars and cameras, it helps alert you to potential hazards you may not even see. Ever-vigilant, the groundbreaking Safety Alert Seat intuitively notifies the driver with pulses when the Lane Departure Warning System, Forward Collision Alert and Rear Cross-Traffic Alert are activated. What's more, the package also includes Side Blind Zone Alert, Rear Vision Camera, Rainsense automatic wipers, and IntelliBeam automatic high- and low-beam headlamps.

DRIVER ASSISTANCE, WITH AN  
**EVEN HIGHER IQ.**

Building on the extensive elements of the Driver Awareness Package, the available Driver Assist Package adds even more intelligence. Equipped with Front/Rear Automatic Braking, the CTS Sedan can apply the brakes for you to help prevent certain low-speed collisions. There's also full-speed Adaptive Cruise Control<sup>1</sup> which seamlessly adjusts to the ever-changing flow of traffic, and Automatic Safety Belt Tightening for additional convenience and safety.

Perhaps most impressive of all, when equipped with Automatic Parking Assist, the all-new CTS Sedan can automatically steer itself into a parallel parking space with nearly effortless execution.

1. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

A HIGHLY INNOVATIVE APPROACH TO  
PERSONAL PROTECTION.

We started with a protective safety cage constructed with ultra-high-strength steel alloys for exceptional rigidity. We then surrounded it with strategically placed crumple zones and added preventive safety features like StabiliTrak Electronic Stability Control and full-function traction control systems. From there, a sophisticated antilock braking system (ABS) with Auto-Dry functionality and Electronic Braking Force Distribution help balance stopping power between the front and rear brakes.

Then there's the confidence that comes with ten standard airbags<sup>1</sup> and OnStar<sup>®2</sup> with Automatic Crash Response. In most crashes, built-in sensors in your vehicle can automatically send an alert to an OnStar Advisor, who is immediately connected into your car to help. Among its many anti-theft innovations is an available tilt sensor that sets off an alarm when the system senses a change in the vehicle angle, such as would occur when the vehicle is lifted for wheel theft or unauthorized towing.

1. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. 2. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers.

**PREMIUM LEATHER SEATING SURFACES  
WITH FRENCH STITCHING**

*With hand cut-and-sewn craftsmanship, luxury extends to every detail. French stitching on the leather seating surfaces adds a touch of understated elegance to an exceptional environment.*

THE LUXURY COLLECTION:

**ELEGANCE,  
INFUSED WITH INTELLIGENCE.**

**SIDE BLIND ZONE ALERT**

**AMBIENT INTERIOR LIGHTING**

Crafted with an eye for beauty and purpose, the CTS is further enhanced by the Luxury Collection. Rich leather seating surfaces with heated and ventilated front seats provide all-climate comfort, while the split-folding rear seat adds convenience. Equipped with the Driver Awareness Package, the Luxury Collection features the groundbreaking Safety Alert Seat, Lane Departure Warning System, Forward Collision Alert, Side Blind Zone Alert, Rear Vision Camera, Rainsense automatic wipers, and more. Other amenities include a heated steering wheel, High-Intensity Discharge (HID) headlamps with Adaptive Forward Lighting, and the choice of two potent engines: a 272 HP 2.0L Turbo or an available 321 HP 3.6L V6. And it's all surrounded by the intuitive brilliance of CUE with an 8" color touch screen, Natural Voice Recognition, Pandora Radio, Bluetooth® with streaming audio, and more. To finish it off, the bold 17" Ultrabright wheels make a dramatic exclamation point.

**ULTRAVIEW SUNROOF**

*Spanning both rows of seats, this sunroof can fill the cabin with a wealth of natural light, giving the CTS an even more spacious feel.*

THE PERFORMANCE COLLECTION:  
**AN ADRENALINE SHOT.**

**MAGNESIUM PADDLE SHIFTERS**

**CUE WITH NAVIGATION**

Experience the thrill of this dynamic chassis with the CTS Performance Collection. Featuring the 2.0L Turbo or the available 3.6L V6, it builds on the impressive components of the Luxury Collection. Beautiful 18" wheels are paired with Magnetic Ride Control and its three dynamic modes—Tour, Sport and Snow/Ice—keeping the balanced chassis dialed in on any road. Enjoy the brilliance of CUE with 3-D GPS navigation<sup>1</sup> and your very own concert hall sound with a 13-speaker Bose® Centerpoint® Surround Sound system. There's even the convenience of a full-color reconfigurable Head-Up Display and Automatic Parking Assist for nearly effortless automated parallel parking. With a vast-spanning UltraView sunroof, heated outboard rear seats and Tri-zone climate control, this stimulating experience is further enhanced.

1. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico, and Canada.

**DYNAMIC 19" WHEELS**

Featuring an aggressive yet intriguing 10-spoke pattern, these available 19" polished aluminum wheels are the ideal complement to the striking CTS design.

THE PREMIUM COLLECTION:

**PRECISION MAKES PERFECT.**

AVAILABLE OPUS SEMI-ANILINE FULL LEATHER SEATING

ALUMINUM SPORT PEDALS

Step inside the Premium Collection, and discover a statement in every detail. In addition to the Performance Collection amenities, there's a cabin engulfed with premium materials like the choice of exotic wood or authentic carbon fiber trims, with fine leather enveloping the instrument panel, armrests, center stack and doors. There are even 20-way adjustable front seats and a select Opus semi-aniline leather available for the seating surfaces. Customize the 12.3" reconfigurable instrument cluster to one of four personas. Enjoy the convenience of full-speed Adaptive Cruise Control, Front/Rear Automatic Braking, and Automatic Safety Belt Tightening in the Driver Assist Package. And choose your potent powertrain from either the 2.0L Turbo or available 3.6L V6. Polished 18" wheels and available 19" polished wheels put the finishing touches on the ultimate blend of luxury, technology and sport.

**UNIQUE VSPORT GRILLE**

*Not only does the exclusive Vsport grille allow more air to pass through for increased cooling, but it also features black chrome accents for an ultra-sleek touch.*

VSPORT COLLECTION:

**COME BACK SOON, BREATH.**

**VSPORT DECKLID BADGE**

**EXCLUSIVE VSPORT WHEELS**

Choose the CTS Vsport, and step into an exhilarating 420 HP Twin Turbo V6. The RWD chassis with eLSD is at home on the street or track with an exclusive Magnetic Ride Control Track mode. Powerful front Brembo® brakes with available high-performance brake linings sit behind stunning 18" wheels wrapped in grip-enhanced, summer-only<sup>1</sup> run-flat tires. Inside, you'll find leather seating surfaces with heated and ventilated front seats, along with the convenience of the Driver Awareness Package and CUE with navigation and Bose® Centerpoint Surround Sound. There's also a unique grille and other exterior touches that set the Vsport further apart.

Select the available Vsport Premium for an enhanced interior featuring a reconfigurable gauge cluster, full-color Head-Up Display, heated outbound rear seats, Trizone climate control and 20-way adjustable front seats that can be overlaid with supple Opus semi-aniline leather. What's more, there's even an UltraView sunroof, Driver Assist Package and polished 18" wheels. The CTS Vsport. Pushing an already impressive machine to even higher levels.

1. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [gmaccessorieszone.com](http://gmaccessorieszone.com) or see your dealer.

**PAIN T FINISHES**

**TINTCOAT**

A premium 2-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.

**TRICOAT**

A meticulous 3-layer process that results in a dramatic hue-shifting color.

**19" ALUMINUM WITH POLISHED FINISH**

Available on CTS Performance and Premium Collections, includes P255/35R19 all-season run-flat tires<sup>2</sup>

Size: 19" x 8.5" front and rear

1. Do not use summer only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [gmaccessorieszone.com](http://gmaccessorieszone.com) or see your dealer.  
2. Lower profile tire wear faster wheel and tire damage may occur on rough or damaged roads from surfaces or curbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty.

# CADILLAC SHIELD

THE STANDARD OF LUXURY OWNERSHIP

## WARRANTY PROTECTION

Cadillac's 6-year or 70,000-mile<sup>1</sup> Powertrain Warranty offers more years and miles standard than BMW and Mercedes-Benz. In addition, our 4-year or 50,000-mile<sup>1</sup> Bumper-to-Bumper Warranty covers repairs on your entire vehicle, including parts and labor, to correct problems in materials or workmanship.

## PREMIUM CARE MAINTENANCE

Standard on all 2011 and newer vehicles, Cadillac's Premium Care Maintenance program covers routine oil changes, tire rotations, certain air filter replacements and a thorough multipoint vehicle inspection for 4 years or 50,000 miles.<sup>2</sup> Mercedes-Benz and Lexus programs do not.

The standard one-year Directions and Connections<sup>®</sup> Plan allows you to push one button to connect with a live Advisor to find the things and places you want. Get directions or a diagnostics check while you drive. Make calls safely with both hands on the wheel and control your vehicle with the RemoteLink<sup>3</sup> mobile app. And as always, get help immediately in a crash or an emergency. These are just a few examples of the level of personal service we think you deserve as a Cadillac owner.

## SECURITY BY ONSTAR

If you've reported your Cadillac stolen, OnStar<sup>4</sup> can use GPS technology to help authorities quickly locate and recover it. An OnStar Advisor can further assist authorities by sending a remote Stolen Vehicle Slowdown<sup>®</sup> signal to your vehicle to slow it down. Advisors can also enable a Remote Ignition Block, making it impossible to restart a stolen vehicle once it has been turned off.

## DIAGNOSTICS BY ONSTAR

With best-in-class diagnostics from OnStar,<sup>4</sup> maintaining your Cadillac can be as simple as checking your e-mail or your OnStar RemoteLink<sup>™3</sup> mobile app. Every month, you can receive an e-mail with the status of key operating systems or push your OnStar button for a real-time diagnostics check on demand.

## ROADSIDE ASSISTANCE

Cadillac offers more years of Roadside Assistance standard than any leading luxury brand, with services for 6 years or 70,000 miles.<sup>5</sup> The program provides lockout, towing, refueling, Dealer Technician Roadside services, and more.

## COURTESY TRANSPORTATION

This Cadillac program provides alternate transportation and/or reimbursement of certain transportation expenses if your Cadillac requires warranty repairs for 6 years or 70,000 miles.<sup>5</sup> That is more years of service standard than any luxury automaker.

## NAVIGATION BY ONSTAR

Just push the OnStar<sup>4</sup> button and an Advisor can download voice-guided turn-by-turn directions to your Cadillac, and a voice will call out every turn or send them to your navigation system, if equipped. You can also plan routes using MapQuest.com<sup>®</sup> and send them to your Cadillac.

## CONNECTIONS BY ONSTAR

Available Hands-Free Calling capability from OnStar<sup>4</sup> allows you to make and receive calls safely from your Cadillac. With the OnStar RemoteLink<sup>3</sup> mobile app, you can access real-time information and control your Cadillac from anywhere you have cell phone service. Now you can even find a destination with RemoteLink<sup>3</sup> and send directions right to your vehicle.

## EMERGENCY BY ONSTAR

In most crashes, built-in sensors can automatically alert an OnStar<sup>4</sup> Advisor who is immediately connected in to your Cadillac to see if you need help sent to your exact location. Other OnStar<sup>4</sup> emergency services include Injury Severity Predictor and First Assist, which ensure you quickly get the help you need when seconds matter most. All Cadillac models come with 1 year of OnStar service standard.

MYCADILLAC APP

The ingenuity of the CTS doesn't stop with the vehicle. As a Cadillac owner, an advanced complimentary app is available for your new car. From virtually anywhere at anytime, a few taps of your finger on your iPhone or Android smartphone let you access features like parking reminders, Roadside Assistance, and more. Plus, in conjunction with the OnStar RemoteLink<sup>3</sup> app, you'll have the ability<sup>5</sup> to remotely start your vehicle (when factory equipped) from any place you have cell service, and lock and unlock your doors. In addition, you can access key diagnostic information, including fuel tank level and range, and remaining oil life.

1. Whichever comes first. See dealer for limited warranty details. 2. Whichever comes first. See dealer for select scheduled maintenance details. 3. Available on iPhone, Android and select BlackBerry devices. Services vary by phone, vehicle and conditions. Requires an active OnStar subscription. 4. Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. 5. Requires active OnStar subscription.

# FPO

## ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (08/13), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

**ONSTAR** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit [onstar.com](http://onstar.com) for OnStar's Terms and Conditions, Privacy Policy and details and system limitations.

**ENGINES** Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

**TIRE SEALANT AND COMPRESSOR KIT** If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4 inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date.

**ASSEMBLY** Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

**UPDATED SERVICE INFORMATION** Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-551-4123 or by visiting [www.helminc.com](http://www.helminc.com).

**NEW-VEHICLE LIMITED WARRANTY** World-class coverage comes standard on every 2013 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

**COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)** Powertrain Limited Warranty with no deductible, Roadside Assistance Program;<sup>1</sup> Courtesy Transportation Program<sup>2</sup>

**COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)** Bumper-to-Bumper coverage; Tires - Defects in material and workmanship; Repairs made to correct any vehicle defect; Corrosion on body sheet metal panels.

**RUST THROUGH PROTECTION** Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the Rust Through coverage. Application of additional rust-inhibiting materials is not required under the Rust Through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

**FLEET ORDERS** Some standard content may be deleted with fleet orders. See dealer for details.

1. Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

GM, the GM emblem, Cadillac, the Cadillac badge, OnStar, the OnStar emblem and the slogans, emblems, vehicle model names, vehicle body designs and other marks appearing in this catalog are the trademarks and/or service marks of General Motors, its subsidiaries, affiliates or licensors. iPod is a registered trademark of Apple, Inc. ©2013 General Motors.
