

CORSICA[®]

1989 CHEVROLET[®]

THE *Heartbeat* OF AMERICA  TODAY'S CHEVROLET[™]

C O R S I C A

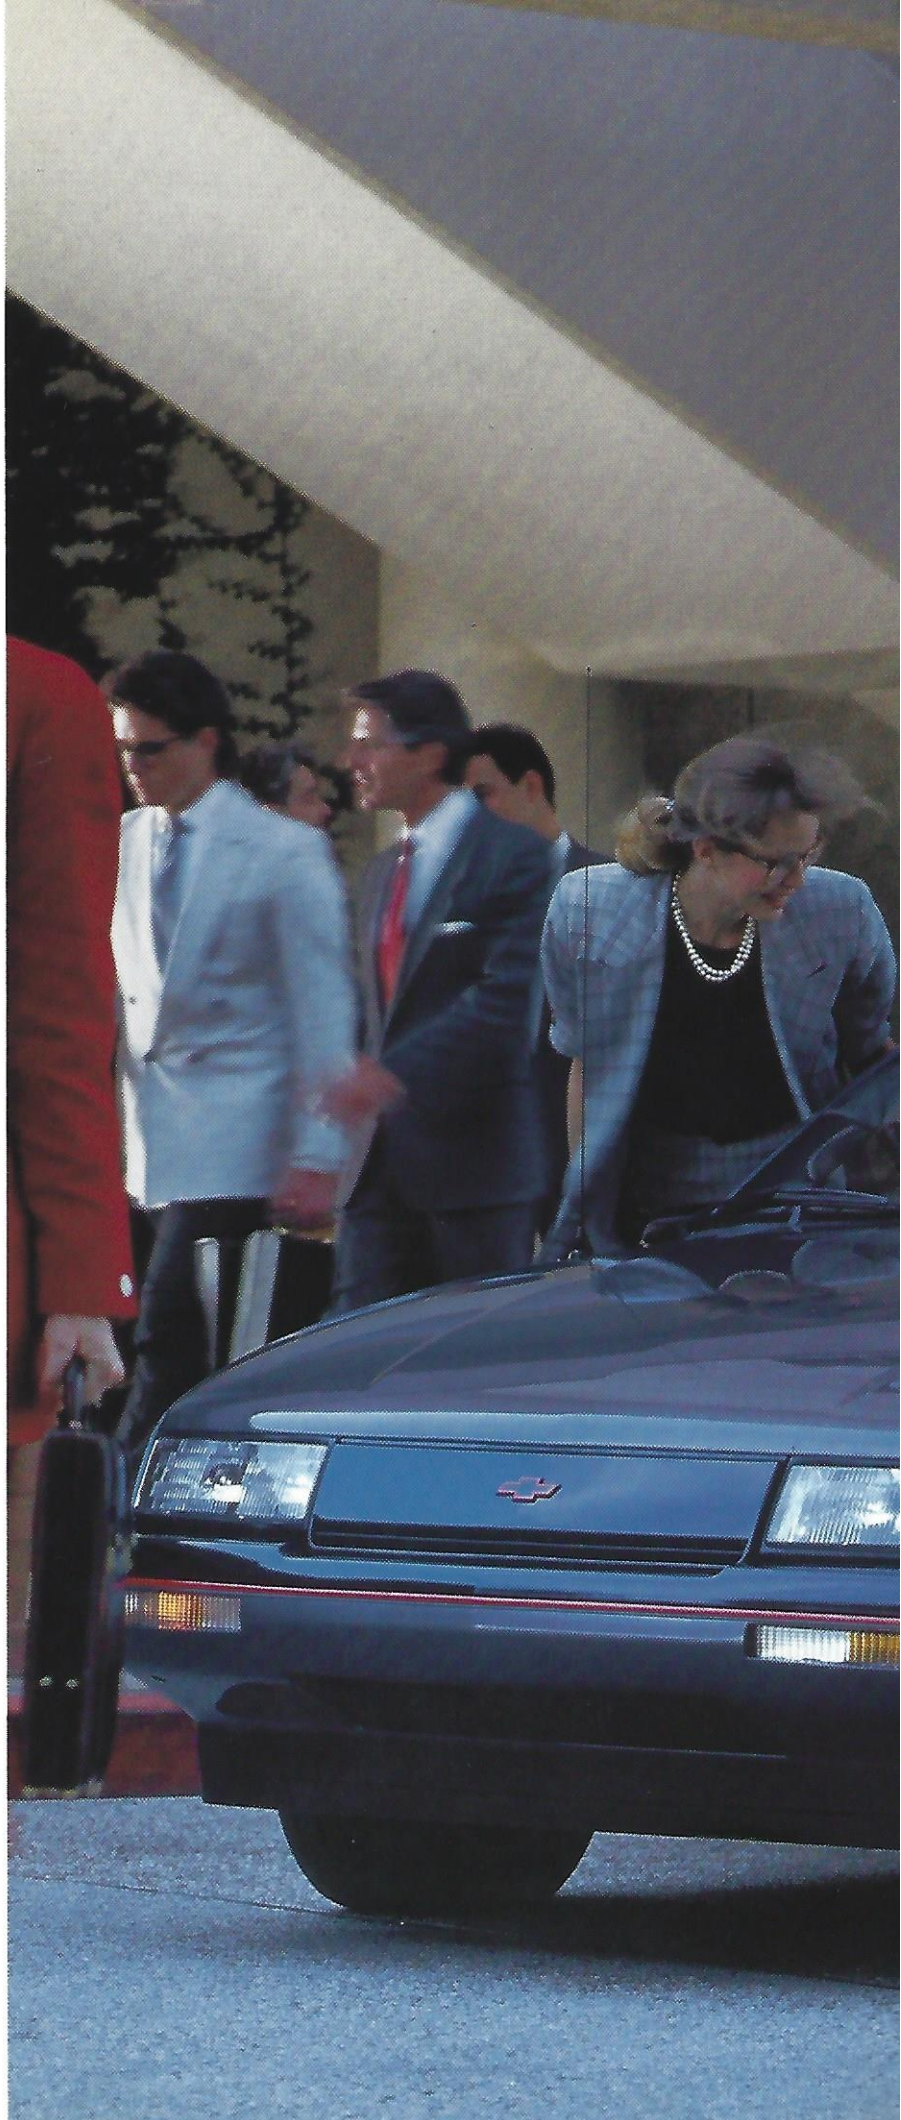

*A new kind of sport sedan,
with world-class aerodynamics wrapped
around family-class roominess.*

It's not surprising that after taking a close look at the choices available, so many informed consumers are making this choice. The five-passenger Corsica is already one of the best-selling sedans in the U.S.A.

In 1988, Family Circle magazine named Corsica "Family Car of the Year for Families with Young Children." And we are especially pleased to report that, in an early buyer survey when Corsica was first introduced in 1987, 99 out of 100 owners said they would recommend this car to a friend.

The 1989 Corsica LTZ interior features a standard split-folding rear seat providing access to the trunk for increased cargo-carrying flexibility.

Corsica Sedan. Even if you choose a Corsica for its looks alone (a distinct possibility), you get so much more:

–Stretch-out comfort for five with passenger room rivalling many mid-size cars.

–The most aerodynamic sedan shape in Chevrolet history.

–The best protection against corrosion in Chevrolet history.

For an even sportier expression of Corsica style, the optional LT package includes F41 Sport Suspension, styled steel wheels and black exterior trim with red-accent striping.

Corsica LTZ Sedan. New for 1989, the LTZ is designed to challenge the world's finest sport sedans. LTZ Sedan highlights include a 2.8 Liter V6 with Multi-Port Fuel Injection, Special Sport Suspension, 15" Eagle GT +4 tires, specific aluminum wheels, full console, gage package and Custom Interior.

Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details, including details on the GM warranty which covers Chevrolets.

A Word About Engines.

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

A Word About Assembly of Chevrolets.

Chevrolets are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolets incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolets and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

At your Chevrolet dealer's financing or leasing you, new Corsica can be as easy as saying **GMAC**.
