

# SPARK 2019

CHEVROLET

Spark 2LT in Red Hot.

## **THE PERFECT SIZE FOR BIG PLANS.**

Spark is the efficient small car that gets you where you want to go. Nimble handling and on-point style take you places – and help you pivot as the situation demands. It's perfect for zipping across town and maneuvering into tiny, hard-to-find parking places.

Spark offers smart technology to keep you connected on the go. Available Low Speed Forward Automatic Braking<sup>1</sup> and a standard rear vision camera<sup>1</sup> help provide added confidence in the driver seat.

Offering projector-beam headlamps and available 15-inch aluminum wheels, this car scores high on good looks. And, with an estimated 38 MPG highway<sup>2</sup>, Spark helps you get there in style, mile after mile.

<sup>1</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> Spark has an EPA-estimated 29 MPG city/38 highway with 5-speed manual transmission and 30 MPG city/38 highway with available Continuously Variable Transmission (CVT). Spark ACTIV has an EPA-estimated 29 MPG city/37 highway with 5-speed manual transmission and 30 MPG city/37 highway with available CVT.

**FIND NEW ROADS™**

## DESIGN

Spark sports contemporary design cues inside and out. With clever interior storage and hatchback versatility, you won't sweat loading the small stuff, or even something a little bigger. There's seating for four and 11.1 cu. ft.<sup>1</sup> of cargo space with the rear seats upright or 27.2 cu. ft.<sup>1</sup> with the rear seats folded down. And in nice weather, enjoy the sun and breeze with the available power tilt/sliding sunroof.

**BEST FACE FORWARD.** The 2019 Spark makes a strong first impression with a new front fascia and projector-beam headlamps (all models except ACTIV). New LED signature daytime running lamps are also available on 1LT and 2LT.

**STYLE BY THE MILE.** From premium materials and an unexpectedly quiet ride to our latest technology, Spark elevates every ride. Color-coordinated seats are designed for comfort, with standard heated front seats on ACTIV and 2LT models. The center stack provides easy access to information and entertainment, keeping you in the know while on the go.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

Spark 2LT interior in Jet Black with Dark Anderson Silver accent stripe.

Spark ACTIV in Raspberry.

1 Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Vehicle must be on or in accessory mode for Wi-Fi to function. Visit [onstar.com](http://onstar.com) for details and limitations. 2 Requires compatible Apple or Android device and data connection. Remote Services require paid plan. 3 Services are subject to User Terms and limitations. Plan does not include emergency or security services. Visit [onstar.com](http://onstar.com) for more details. 4 Visit [onstar.com](http://onstar.com) for coverage map, system limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. 5 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change.

**Wi-Fi IN YOUR SPARK.** Chevrolet offers available built-in 4G LTE Wi-Fi<sup>1</sup> that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

**myChevrolet Mobile App<sup>2</sup>** Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you'll be able to remotely lock or unlock your doors (requires paid subscription after trial), flash your lights and honk your horn, set parking reminders and more. Requires available Remote Access Plan<sup>3</sup>

**GET THERE IN STYLE.** With OnStar Turn-by-Turn Navigation included in the Safety & Security Plan<sup>4</sup> (comes with 1-month coverage), simply push the OnStar button and tell an Advisor where you want to go. Directions are quickly downloaded to your Spark, and a voice calls out every turn.

**SIRIUSXM SATELLITE RADIO<sup>5</sup>** This available feature allows you to listen to over 150 channels of commercial-free music from every genre, all at your fingertips, 24/7. You can listen everywhere – in your vehicle, at home, on your computer or on your smartphone.

**1. Apple CarPlay™ COMPATIBILITY!**

With Apple CarPlay, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

**2. ILLUMINATED USB PORTS.** Forget fumbling to charge your smartphone. Thanks to two illuminated USB ports<sup>2</sup> conveniently located in the front center stack storage bin, both driver and passenger can power up.

**3. ANDROID AUTO COMPATIBILITY.**

You can quickly and intuitively interact with select smartphone apps with support for Android Auto.<sup>3</sup> This system takes some of your compatible Android™ phone's features and lets you access them on the instrument panel touch-screen. You can access your phone, text messages, music, navigation and more.

<sup>1</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>2</sup> Not compatible with all devices.

<sup>3</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.

## SAFETY

**SAFETY STARTS WITH YOU.** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

## SAFETY FEATURES THAT HELP OFFER ADDED PEACE OF MIND.

**LOW SPEED FORWARD AUTOMATIC BRAKING.** Camera-based Low Speed Forward Automatic Braking can help prevent or mitigate front-end collisions with detected vehicles when traveling at low speeds by automatically applying the brakes if you haven't already done so. Available on 2LT with Continuously Variable Transmission.

**FORWARD COLLISION ALERT.** This available feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Spark is following a detected vehicle much too closely.

**LANE DEPARTURE WARNING.** If you unintentionally drift out of your lane without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

**REAR PARK ASSIST.** This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

**REAR VISION CAMERA.** When traveling in Reverse at low speeds, the standard rear vision camera provides a real-time view of the area immediately behind your Spark on the touch-screen display.

**STABILITRAK® ELECTRONIC STABILITY CONTROL.** In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Spark on track. This innovative safety technology is especially helpful during emergency maneuvers and difficult driving conditions.

**10 STANDARD AIRBAGS!** Every Spark includes frontal and knee airbags for driver and front passenger and head-curtain and seat-mounted side-impact airbags for all outboard seating positions.

**ONSTAR AUTOMATIC CRASH RESPONSE?** In a crash, built-in sensors can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor<sup>3</sup> who can help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the OnStar Safety & Security Plan.<sup>4</sup>

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. <sup>2</sup> OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. <sup>3</sup> OnStar Advisors are certified by the International Academies of Emergency Dispatch. <sup>4</sup> Visit [onstar.com](http://onstar.com) for system limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services.

## NEW VEHICLE LIMITED WARRANTY

### 3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

Chevrolet will warrant each 2019 Spark from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

### IMPORTANT INFORMATION

**CHEVROLET CONNECTED SERVICES AND ONSTAR** Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.

**CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**ENGINES** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**A NOTE ON CHILD SAFETY** Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

**IMPORTANT WORDS ABOUT THIS CATALOG** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications,

### 5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY

Every 2019 Spark comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

**CHEVROLET OWNERSHIP EXPERIENCE** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit [chevrolet.com](http://chevrolet.com) to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**CHEVROLET.COM/SAFETY** Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

**GMMOBILITY.COM (1-800-323-9935)** GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit [gmmobility.com](http://gmmobility.com).

**THE BUYPOWER CARD** The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One\* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit [chevroletbuypowercard.com/catalogs](http://chevroletbuypowercard.com/catalogs).

\* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
