- 115-volt three-prong power outlet
- Touch-screen navigation radio⁷ with rearview camera display
- XM NavTraffic⁸ with three trial months

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ² Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 23 for details and system limitations. ³ Not available in certain areas. Visit onstar.com for coverage maps. ⁴ XM Radio requires a subscription, sold separately after the first 90 days. Not available in Alaska or Hawaii. For more information, visit gm.xmradio.com. ⁵ The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ⁶ Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. ⁷ Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. ⁸ Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic only available in select markets. All fees and programming subject to change. Subscriptions subject to customer agreement available at gm.xmradio.com. XM service only available in the 48 contiguous United States.

CHEVY TRAVERSE

AN AMERICAN REVOLUTION 

chevy.com/traverse 

EVERYTHING YOU'VE EVER WISHED FOR... AND THEN SOME.

All new 2009 Chevy Traverse. The crossover where beautiful and useful come together in perfect balance.

| **PASSENGER CAPACITY:** seating for seven or eight – a choice you won't find in Honda Pilot, Toyota Highlander or Ford Flex. | **CARGO CAPACITY:** best-in-class cargo space¹ including more room behind the

FUEL EFFICIENCY third row than any competitor. | **EPA ESTIMATED 24 MPG HIGHWAY:** offering the best fuel economy of any eight-passenger crossover² | **SAFETY:** five-star frontal and side-impact crash test ratings³; six air bags⁴ that help protect all three rows of seating, StabiliTrak Electronic Stability Control System, available all-wheel drive, and OnStar⁵ Turn-by-Turn Navigation⁶ included in the one-year Directions & Connections Plan. | **STYLE:** an eye-catching exterior design meant to draw you in with well-tailored angles and sculpted lines; appealing interiors intent on combining sophisticated looks with exceptional comfort. | **CONFIDENCE:** backed by the best coverage in America – the Chevy 100,000 mile/5-year⁷ transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation Programs.

¹ With second-row seats folded flat and both the third-row seats and rear underfloor storage tray removed. ² Based on 2008 GM Mid-Utility Crossover segment and Traverse (FWD) with EPA est. 17 MPG city, 24 hwy. Excludes other GM vehicles. ³ Side-impact crash test rating is for a model tested with standard head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). ⁴ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ⁵ Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 23 for details and system limitations. ⁶ Not available in certain areas. Visit onstar.com for coverage maps. ⁷ Whichever comes first. See dealer for details.

NOTE: Unless otherwise noted, all claims based on 2008 GM Mid-Utility Crossover segment and latest available competitive information. Excludes other GM vehicles.

Traverse LTZ in Silver Ice Metallic.

**IT CAN WARM YOUR BUTT.
IT CAN COOL YOUR BUTT. AND
WITH SIX STANDARD AIR BAGS,
IT CAN HELP SAVE YOUR BUTT.**

No matter where you are, it's all about you. | Indulge yourself in LTZ with GM-exclusive leather-appointed **HEATED AND COOLED FRONT SEATS** with perforated inserts. | The driver enjoys an eight-way power seat with a memory function that includes both seat and mirror settings. | The front passenger seat features four-way power. | **SMART SLIDE SECOND-ROW CAPTAIN'S CHAIRS** make it easy to enter the third row, where passengers can stretch out with more legroom than Honda Pilot or Toyota Highlander and a full-size split-bench seat that comfortably accommodates three adults. | The **TOUCH-SCREEN NAVIGATION RADIO**¹ includes three trial months of XM NavTraffic² | Bluetooth[®] wireless technology for select compatible phones³ and tri-zone automatic climate controls are standard.

¹ Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. ² Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic only available in select markets. All fees and programming subject to change. Subscriptions subject to customer agreement available at gm.xmradio.com. XM service only available in the 48 contiguous United States. ³ The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle.

The power-remote liftgate makes it exceptionally easy to load and unload the rear of Traverse 2LT and LTZ. When the vehicle is in Park, simply press and hold the power-release button on the key fob and the liftgate slowly opens.

LOOKS GOOD EVEN AFTER SEVEN KIDS.

And that's not something everyone can say. | **TRAVERSE 1LT HAS STANDARD SEATING FOR EIGHT** – accommodations that aren't available in Toyota Highlander or Ford Flex. | And because you should always have choices, seven-passenger seating with second-row captain's chairs is standard in 2LT. | A **REAR CAMERA DISPLAY** intuitively positioned in the auto-dimming rearview mirror is standard in 2LT (available in 1LT) and lets you see what's on the screen and in the mirror's reflection simultaneously. | The leather-wrapped steering wheel comes with mounted audio and cruise controls.

A one-hand movement sends the Smart Slide second-row seat into motion, quickly sliding it out of the way and allowing passengers of all ages and sizes to easily enter or exit the third row. In addition, the second-row seats move forward and rearward up to 3.5 inches and recline up to 4 degrees.

IT HAS BEST-IN-CLASS CARGO SPACE AND OFFERS AN EPA ESTIMATED 24 MPG ON THE HIGHWAY. SO YOU CAN FILL IT UP WITHOUT FILLING IT UP.

You can have the best of both worlds. | Not only does Traverse offer **BEST-IN-CLASS CARGO SPACE**,¹ it also has more space than you'll find in many full-size SUVs. | And on those days when you need all three rows for passengers, Traverse still gives you **MORE SPACE BEHIND THE THIRD ROW THAN ANY COMPETITOR** – over twice as much as Toyota Highlander. | A power-remote liftgate on 2LT and LTZ provides easy access to the rear, even when your hands are full. | **SPLIT-FOLDING SEATS** in the second and third rows mean when your cargo and passenger needs change, Traverse changes with you. | Everywhere you look, there are storage compartments, including a cavernous area between the front seats, a secure tray in the rear floor and 10 cup holders throughout.

¹ With second-row seats folded flat and both the third-row seats and rear underfloor storage tray removed. ² EPA estimated MPG (highway) for front-wheel-drive models: Traverse 24; Flex 24; Highlander 24; Pilot 23.

It takes more than good fortune to reach the top. Traverse offers up to 116.4 cu. ft. of cargo space¹ – over 32 cu. ft. more than Flex, 29 cu. ft. more than Pilot and 21 cu. ft. more than Highlander. And its highway fuel economy is unsurpassed by any of these competitors.²

IT HAS FEATURES THAT COMPLEMENT YOUR LIFE. WITH LOOKS THAT WON'T CRAMP YOUR STYLE.

Traverse is ready to take care of your needs. | A well-positioned instrument panel contributes to the roomy driving environment. | The Tap-Up/Tap-Down six-speed automatic transmission provides precise control. | In LT and LTZ, the enhanced Driver Information Center delivers important information when you need it, while steering wheel-mounted audio controls let you keep your eyes on the road. | Select models feature Ultrasonic Rear Parking Assist and a rearview camera system, which is designed to let you see certain objects located behind the vehicle. | Thick door glass and strategic applications of acoustic foam help keep road noise on the outside, where it belongs.

The angular taillamps help give Traverse a feeling of constant motion, even while it's standing still.

CARGO COUTURE.

A vehicle that looks great and functions better should be the rule, not the exception. That's where Traverse comes in. | Its **VISUALLY DISTINCTIVE APPEARANCE** presents a front-to-rear continuity with complementary lines and sculpted panels that are all perfectly proportioned. | Gaps are tight and consistent, further enhancing the feeling of quality. | Its sleek, aerodynamic shape is not just for appearances – **TRAVERSE CUTS THROUGH THE WIND** with ease. | Stepping inside, you'll find quality materials like top-stitched leather and chrome accents on select models, as well as expressive styling and **SOPHISTICATED COLOR COMBINATIONS**. | The available two-panel **SKYSCAPE SUNROOF** features a power, tilt-sliding front panel and a fixed rear panel with power sunscreen.

Think of the perfect gem. Every line has a purpose. Every angle, an intention. Every detail, a reason. Such was the creation of Traverse. Front to rear, inside and out, every stroke had a motivation. To bring you a shining example of the automotive form.

GOES STRAIGHT FROM THE SWING SET TO THE JET SET.

All the technology you need in one beautiful package. | **EVERY TRAVERSE HAS A NAV SYSTEM**, with OnStar¹ Turn-by-Turn Navigation² included in the standard one-year Directions & Connections Plan. | **ONSTAR ENAV³** provides the ability to preplan trips since it allows an eligible subscriber to find and save destinations on MapQuest.com. Those destinations can then be sent directly to the vehicle. | Also included is **ONSTAR DESTINATION DOWNLOAD**. With only one button to push, it's the simplest way to input locations into a compatible screen-based navigation system. | **ONSTAR HANDS-FREE CALLING⁴** lets you keep your eyes on the road and your hands on the wheel. | **XM RADIO⁵** with three trial months, turns your world on. | You also receive three trial months of **XM NAVTRAFFIC⁶** when you choose the available navigation radio, which enhances your vehicle's GPS nav system by showing real-time traffic data when it's needed most – while you're driving. This feature is standard in LTZ.

1 Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 23 for details and system limitations. 2 Not available in certain areas. Visit onstar.com for coverage maps. 3 Not available in certain areas and with Verizon Wireless Nationwide Plan with OnStar. Visit onstar.com for coverage maps. 4 Hands-Free Calling requires a Hands-Free Calling-enabled vehicle, existing OnStar service contract and prepaid minutes or enrollment in a shared minutes plan. Not available in certain markets. Calls may be made to the U.S. and Canada only. 5 XM Radio requires a subscription, sold separately after the first 90 days. Not available in Alaska or Hawaii. For more information, visit gm.xmradio.com. 6 Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic only available in select markets. All fees and programming subject to change. Subscriptions subject to customer agreement available at gm.xmradio.com. XM service only available in the 48 contiguous United States. 7 The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle.

The versatility of Traverse is complemented by available Bose[®] sound systems. A 10-speaker Bose sound system is standard in 2LT and LTZ. A separate Bose Surround Sound System, included with the available rear-seat DVD entertainment system, features a suite of exclusive Bose technologies that help deliver discrete 5.1 Surround Sound to listeners.

 With Bluetooth[®] wireless technology for select compatible phones⁷ standard in 2LT and LTZ, you can answer and end calls without touching your mobile phone.

 OnStar¹ Turn-by-Turn Navigation² is the simplest and smartest navigation system. Just press the OnStar button and tell your destination to an Advisor. The route will be downloaded to your vehicle, and an automated voice will guide you through every turn.

Blind spot mirrors, inconspicuously integrated into the outside mirrors, are standard on LT and LTZ. Designed to enhance visibility along the sides of the vehicle, this forward-thinking feature is just one more way Traverse helps surround you in safety.

SIDE AIR BAGS THAT STRETCH ALONG ALL THREE ROWS. EPA ESTIMATED 24 MPG HIGHWAY THAT'LL STRETCH FOR HUNDREDS OF MILES.

Safety never goes out of style. | Traverse earned **FIVE-STAR FRONTAL AND SIDE-IMPACT CRASH TEST RATINGS**¹ | Six air bags² with rollover sensors are standard, including **HEAD-CURTAIN SIDE-IMPACT AIR BAGS**² that help protect all three rows, driver and front passenger frontal air bags² and driver and front passenger pelvic/thorax side-impact air bags² | Child security locks and the LATCH system for outboard second-row seats help keep your most precious cargo secure. In LTZ, the windows are designed to roll down automatically if they encounter resistance. | **STABILITRAK** Electronic Stability Control System with Traction Control is designed to improve stability on most road surfaces, especially during emergency maneuvers. See a demonstration at chevy.com/traverse. | Our available intelligent **ALL-WHEEL-DRIVE** system provides added confidence, performance and traction when you need it.

 **ONSTAR**³ with a one-year Directions & Connections Plan is standard. An OnStar Advisor is ready to help in a variety of situations, whether you've locked your keys in your car⁴ or you have a flat tire. With **ONSTAR AUTOMATIC CRASH RESPONSE**, if you're involved in a collision, built-in vehicle sensors can automatically alert an Advisor, who is immediately connected into your vehicle and can request emergency help be sent to your location. In addition, if a warning light should illuminate, you can press the blue OnStar button for an immediate check of the vehicle's key operating systems.

1 Side-impact crash test rating is for a model tested with standard head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). 2 Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. See the Owner's Manual for more safety information. 3 Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 23 for details and system limitations. 4 Remote Door Unlock success varies with conditions.

Traverse LTZ in Silver Ice Metallic with available features.

learn more about OnStar at chevy.com/traverse

IT COMBINES A SEAT OF POWER WITH THE CENTER OF ATTENTION.

Power and efficiency are wrapped in one package with the 3.6L V6 engine in Traverse. | LS and LT models deliver 281 horsepower, while **LTZ OFFERS 288 HORSES.** | That's all the power you'll need to merge with highway traffic or tow up to **5,200 LBS.** | The standard six-speed automatic transmission provides seamless shifting and smooth acceleration while contributing to Traverse's impressive fuel economy – an **EPA ESTIMATED 24 MPG HIGHWAY.** | An available **ALL-WHEEL-DRIVE** system automatically engages when the front wheel slips, providing added confidence along with added grip.

1 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. 2 Front-wheel-drive models.

Head-restraint DVD system features two seven-inch-diagonal monitors and two top-loading DVD/CD/MP3 players.

Two-way advanced remote start displays the vehicle's current status and critical vehicle data, including tire pressure and fuel level.

Get noticed with a variety of 20-inch cast-chrome wheels²

IMPORTANT INFORMATION.

THE BEST COVERAGE IN AMERICA. Every 2009 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of 24/7 Roadside Assistance and Courtesy Transportation Programs and much more. See dealer for details.

BUMPER-TO-BUMPER LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) and visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, and details and system limitations. Additional information can be found in the OnStar Owner's Guide.

WE'VE GOT YOUR BACK.

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these web sites or phone numbers.

CHEVY.COM. Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools ... and much more.

24-HOUR ROADSIDE ASSISTANCE (1-800-CHEV-USA). Chevrolet Roadside Assistance provides you with the following services for 100,000 miles or 5 years (whichever comes first): Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery (\$5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

COURTESY TRANSPORTATION. Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty or Powertrain Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.

CHEVROLET CUSTOMER ASSISTANCE CENTER (1-800-222-1020). Talk directly to customer relationship managers who can handle any inquiries related to vehicle operation, warranty coverages, or product or service concerns you may have. Please refer to your Owner's Manual for Customer Assistance information.

CHEVY.COM/SAFETY. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on 2008 GM Mid-Utility Crossover segment and latest available competitive information. Excludes other GM vehicles.

SPARE TIRE INFORMATION There is no jack or spare tire in the 2009 Chevrolet Traverse LS. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4 inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

TRAILERING INFORMATION. Please go to chevy.com and carefully review the Trailering Guide for important safety information about trailering.

GMMOBILITY.COM (1-800-323-9935). GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

CHEVROLET OWNER CENTER (CHEVY.COM/MYGMILINK). Register your vehicle with the Chevrolet Owner Center, and receive benefits such as online access to your vehicle Owner's Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

MARKETING AND INCENTIVES (CHEVY.COM/SPECIALOFFERS). Call 1-800-950-CHEV (1-800-950-2438) or visit chevy.com/specialoffers for new product, current incentive and marketing program information.

GMCARDMEMBERSERVICES.COM. Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible, new GM vehicle. With three cards to choose from, you're sure to find one that suits you best.
