

CHRYSLER

PT
CRUISER

CLASSIC

Immediately noticed for its styling. Remembered for its performance. Appreciated for its versatility. More than a carefree cruiser, it's the singular vehicle that successfully bridged retro and modern. It's the embodiment of artistry, performance, efficiency and must-have features. It's a scene-stealing vehicle. And you'll want a front-row seat for the show. This is PT Cruiser Classic.

EXPERIENCE PERFORMANCE

Equipped with an equal blend of impressive power and sophisticated components, PT Cruiser Classic delivers performance on par with its style. Safety features such as standard advanced multistage driver and front-passenger and supplemental front-seat side mounted air bags⁽¹⁾ mean peace of mind.

⁽¹⁾Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the OCS classification is appropriate. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. ⁽²⁾EPA est. 19 city/24 hwy mpg.

The standard 2.4-liter DOHC 16-valve engine brings 150 horsepower and an impressive 24 highway mpg⁽²⁾ to the table. The MacPherson strut front suspension provides responsive steering and straight tracking, and helps deliver a smooth, confident ride. A Watt's linkage rear axle helps eliminate hops and skips on turns. Four-wheel antilock disc brakes feature large-diameter rotors to increase stopping power and reduce heat buildup.

EMBRACE
COMFORT

Step inside PT Cruiser and you'll find retro-inspired looks and the most modern conveniences. This five-seater offers plenty of passenger room and boasts second row theater-style seating. Select beautifully crafted seats with available Stain Repel seat fabric.⁽¹⁾ Added conveniences include power windows, available power driver's seat, speed control, and an available fold-flat front-passenger seat. Satin Silver accents highlight the instrument panel and center stack.

⁽¹⁾Not compatible with aftermarket fabric-protecting coatings.

WITNESS VERSATILITY

Life is rarely the same one day to the next; that's why PT Cruiser offers extreme flexibility and a host of adaptable functions and features. Its versatility begins with 76 cu ft of cargo room, an available fold-flat front-passenger seat that doubles as a flat working surface, and a rear Fold-and-Tumble split-folding second-row bench seat that can fold down or be completely removed. The movable front and rear seats configure to the tune of 32 different seating and cargo space arrangements. Even objects up to eight feet in length easily find a resting place inside this cruiser, making PT Cruiser perfect for moving people, cargo, or any combination of the two.

PT CRUISER CLASSIC

CLASSIC. Start with power from a 2.4L I-4 with 4-speed automatic transmission and impressive 24 highway mpg.⁽¹⁾ Ride on striking 16-inch aluminum wheels. The exterior is loaded with chrome accents, including door handles, bodyside molding, and grille. Inside enjoy standard low-back bucket seats, Electronic Vehicle Information Center with mini-trip computer, front and rear floor mats, cruise control, auxiliary jack, and SIRIUS® Satellite Radio.⁽²⁾
