CONVERTIBLE TOP

Choose cloth or vinyl and you'll have a power convertible top that lets you find the sky in about seven seconds. And if it's not top-down weather, no worry. The Sebring Convertible is a 365 day a year vehicle.

Once you have the top down, Sebring's precision-fitted top boot is simple to install if you desire. And its strong hook-and-loop fasteners keep it in place even at interstate speeds, protecting the top and the glass window.

AUTOSTICK

A four speed automatic transmission puts added performance and control in your hands. AutoStick[®], available on Limited, lets you shift manually through gears with a touch of your hand, or cruise effortlessly with the four-speed automatic.

ENGINES

With the **2.7-liter** double overhead camshaft (DOHC) 24 valve **V6** engine (standard on GTC, Touring and Limited, (shown at right), Sebring Convertible is more than just a pretty face. Its awesome power plant kicks out **200 horsepower**, while providing an estimated 21/28 (city/highway) miles per gallon.

The **2.4-liter**, 16-valve, **four-cylinder 150 horsepower engine** (standard on Sebring) delivers plenty of zesty propulsive fun while getting 22 city and 30 highway EPA estimated miles per gallon.

AIR BAGS

Next Generation multistage driver and front passenger air bags* inflate with forces appropriate to the severity of impact.

*Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

SEBRING CONVERTIBLE CONVENIENCES

AN IMPRESSIVE INSIDE STORY

SEATING

With plenty of room for four adults and their luggage, it's clear that Sebring Convertible was built for relaxing journeys. Interior trim choices (leather trim shown) provide comfort and style, as does a six-way power driver's seat with reclining seatback, standard on Touring and Limited, optional on Sebring and GTC. Touring and Limited also offer available heated seats with the Electronics Convenience Group.

TRAVELER'S DISPLAY

The Traveler's display provides instant data, including compass reading, fuel economy and outside temperature. (standard on Touring and Limited)

SOUND SYSTEMS

Combine superior componentry with Sebring Convertible's exceptionally quiet interior and you'll be surrounded with beautiful sounds.

- AM/FM stereo radio and CD player and six speakers is standard on all models.
 - AM/FM stereo radio with cassette and CD player with CD changer controls and six speakers is available on Sebring Convertible (not shown)
 - AM/FM stereo radio with cassette player (2), CD changer controls, in-dash six-disc CD changer (3) and six speakers is available on GTC and Touring and included as part of the optional Luxury Group on on Limited. SIRIUS® Satellite Radio available on all models.
 - AM/FM stereo radio and CD player with Navigation System and an in-dash six-CD changer is available on Touring and Limited. The full-color display offers turn-by-turn route guidance using satellite technology.
- Infinity speakers with a 150-watt amplifier are optional on GTC, available on Touring with the Luxury Group and standard on Limited. Touring and Limited also feature steering wheel-mounted audio controls standard with leather-trimmed seating.

SIRIUS is a registered trademark of SIRIUS Satellite Radio, Inc.

HOMELINK®

The available HomeLink® Universal Transceiver operates the garage door as well as home security lighting and security gates (available on Touring and Limited with Luxury Group).
