## DODGE TRUCKS

Dodge's Caravan C/V continues to be the only American-built small van that offers frontdrive efficiency and stability. And only Caravan C/V gives you a choice of two sizes and load capacities. The extended model pro-vides 160 cubic feet of cargo space. And it can tote a 2,000-pound payload. New power options.

New for 1989 is our advanced four-speed electronic automatic transaxle available

with the optional Mitsubishi-built 3.0-liter EFI V-6 engine on the Extended Caravan C/V. A new 2.5-liter EFI turbocharged engine is part of the Turbo Sport Package avail-able with the Caravan C/V. A dream to drive. Caravan C/V is agile and responsive in city traffic. On the highway you cruise smoothly and quietly, thanks to its car-like ride made even more comfortable with new antitopping front struts. And Caravan's compact design means easy handling,
