

2019 DODGE DURANGO

DOMESTIC. NOT DOMESTICATED.

DODGE

For more than 100 years, the Dodge Brand has stood for standing out. We've led by being different. By offering the unexpected, by having a different voice altogether and daring to amplify it. We've stood apart in a sea of look-alike vehicles by championing the un-boring; by having the courage to be different enough to build modern-day marvels that are engineered with more passion, precision

and performance than ever before. Each vehicle in the 2019 Dodge lineup pays homage to its iconic bloodline with award-winning features and detailed craftsmanship. The snarling engines and sleek exteriors of each vehicle beg to be taken out on the open road. It's time to put the pedal to the metal. *THIS IS WHAT IT MEANS TO BE DOMESTIC AND NOT DOMESTICATED.*

//// Durango SRT® shown in White Knuckle, Journey Crossroad shown in Billet, Grand Caravan SXT shown in Granite, Challenger SRT Hellcat® shown in TorRed and Charger SRT Hellcat shown in F8 Green (all models shown with optional features and packages).

2019 DODGE DURANGO

The SUV market is more crowded than a highway on a long holiday weekend. So, how do you stand out in a sea of sameness? First, veer off the beaten path and leave the pack behind. Second, while the others concentrate on simply being utilitarian vehicles, hone in on being a *sport* utility vehicle.

Don't focus on the number of cup holders, but focus on the number of horses under the hood. In other words, build a Dodge. Because compared to other SUVs, only Durango goes all in with its available HEMI® V8 engine, Rear-Wheel Drive (RWD), Sport suspension, and an incredible amount of horsepower and torque capable of pulling an equally incredible towing rating. For good measure, Durango offers plenty of technology to keep you entertained and connected.

//// Durango SRT® shown in White Knuckle.

THE ONLY SUV THAT EARNED ITS STRIPES ON THE STRIP

DURANGO SRT® /// Take everything great about Durango and merge it with everything extreme about SRT and you get one badass people-mover. Durango SRT harnesses the power of a 392 HEMI® V8 engine to deliver a staggering 475 horsepower and 470 lb-ft of torque, plus a wicked-fast time on the drag strip: 0 – 60 mph in 4.4 seconds and a National Hot Rod Association (NHRA)-certified quarter-mile cover in 12.9 seconds. Add in an 8-speed performance-tuned transmission, sport-tuned All-Wheel Drive (AWD), high-flow dual exhaust with four-inch outlets, beefy 295 tires on 20- by 10-inch wheels and massive Brembo® brakes and it's basically having a three-row Charger.

////// Durango SRT shown in White Knuckle.

Just because Durango is powered by brute strength doesn't mean it can't appeal to your refined side. Slide into the driver's seat and enjoy premium comfort. Even the steering wheel offers a range of standard and available high-tech features to keep control at your fingertips. Standard buttons on the front side of the steering wheel control the customizable 7-inch Driver Information Digital Cluster Display.

There are more than 50 different seating configurations to provide the optimum balance between passenger and cargo capacity. Available seven-passenger seating includes a 60/40 split-fold-flat second-row reclining bench seat with integrated padded center armrest with cup holders and 50/50 split-folding third-row seat. Opt for cloth or heated leather-trimmed fold-flat second-row Captain's Chairs with soft-touch armrests and a floor-mounted mini console with cup holders for six-passenger seating. Second-row passengers will enjoy convenient access to vent controls, available charge-only USB ports and an available 115-volt power outlet.

Outfit Durango with the available Blu-ray™/DVD system and the Harman Kardon® Premium Audio System with 19 speakers, subwoofer and 825-watt amplifier for the ultimate entertainment experience.

FIND OUT MORE AT DRIVEUCONNECT.COM

HERE'S WHAT YOU CAN DO: REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL WHILE YOU COMMUNICATE, NAVIGATE^{[1]*} AND STAY ENTERTAINED.

// **LISTEN** to music, talk shows and sports. Access all genres, favorite artists, winning teams — all the time with SiriusXM[®] Radio^[2] // **CONNECT** you and your passengers with available built-in 4G LTE Wi-Fi Hotspot^[3] connectivity // **SPEAK UP** and be heard, send and receive calls and texts^[4] while driving safely with hands-free phone capability^[5] // **NAVIGATE**^[1] to every adventure, get turn-by-turn directions so you don't get lost on the way (unless you want to) // **START**^[6] your car from afar, or lock your doors from almost anywhere using your smartphone — thanks to Uconnect[®] plus SiriusXM Guardian^[7] services // **SEE** into the future, hear weather and traffic reports[†] with a five-year trial subscription to SiriusXM Travel Link^[8] and SiriusXM Traffic Plus^[9].

APPLE CARPLAY[™]^[10] COMPATIBILITY

This is smarter iPhone[®] integration, so you'll experience your favorite features through your dashboard. With Siri^[11] all you have to do is ask — catch up on calls and messages, get directions from Apple Maps, or request a song through Apple Music. The system lets you browse music or discover nearby gas stations, parking, restaurants and more. Plus, Maps help predict where you're headed.

ANDROID AUTO[™]^[12] INTEGRATION

For those who know and love Android[™], Google[™] goes with you with navigation^[1] and "OK Google" voice detection, and you'll hear your favorite Google Play music and get voice-guided navigation^[1] from Google Maps. Stay focused and productive while on the road with voice controls^[5] that allow you to make calendar appointments, set timers, reply to emails and messages — and more.

EXCEPTIONAL TOWING
8,700 LB*

ALL-WHEEL DRIVE (AWD) /// Durango was designed for uncompromising and refined performance even in the worst conditions. Forge on with available AWD. The system helps enhance driver confidence by leveraging the SUV's 50/50 weight distribution. Durango offers three AWD systems — a performance-tuned system for the 6.4L HEMI® V8 engine, a two-speed, active on-demand system for the 5.7L HEMI V8 engine and a single-speed, full-time system for the 3.6L Pentastar® V6 engine. Each one greatly enhances the vehicle's traction and handling by delivering a smooth driving experience over a wide range of road conditions.

//// Durango SRT® in Billet towing a Dodge Challenger Drag Pak from Mopar®. Properly secure all cargo. *When properly equipped. See dealer for details.

SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSIST^[13] //// When your vehicle is in Reverse, this available system can sense nearby objects moving at low speeds; if imminent collision is detected, the system will provide a momentary, autonomous brake pulse. In certain circumstances, this system can help bring your vehicle to a stop.

RAIN BRAKE SUPPORT //// When your windshield wipers have been activated, this standard system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry for greater control and operator security.

BLIND SPOT MONITORING (BSM)^[14] WITH REAR CROSS-PATH DETECTION^[13] //// With this available system, radar continually monitors rear vehicle blind zones and will visually and audibly alert you when a vehicle is sensed in any of the zones. When your vehicle is in Reverse, rear sensors warn through a chime if cross-traffic approaches the vehicle.

ADAPTIVE CRUISE CONTROL (ACC)^[15] WITH STOP //// This available system helps maintain driver-selected distance from the vehicle ahead; under certain traffic conditions, the system can bring the vehicle to a full stop without driver intervention.

FORWARD COLLISION WARNING (FCW)^[16] WITH ACTIVE BRAKING //// With this available system, the forward-facing radar sensors detect when your vehicle may be approaching another object too rapidly, and the system alerts the driver with both an audible chime and a visual warning.

PARKVIEW® REAR BACK-UP CAMERA^[13] //// This standard system displays an accurate visual reference of what is behind your vehicle when it's in Reverse.

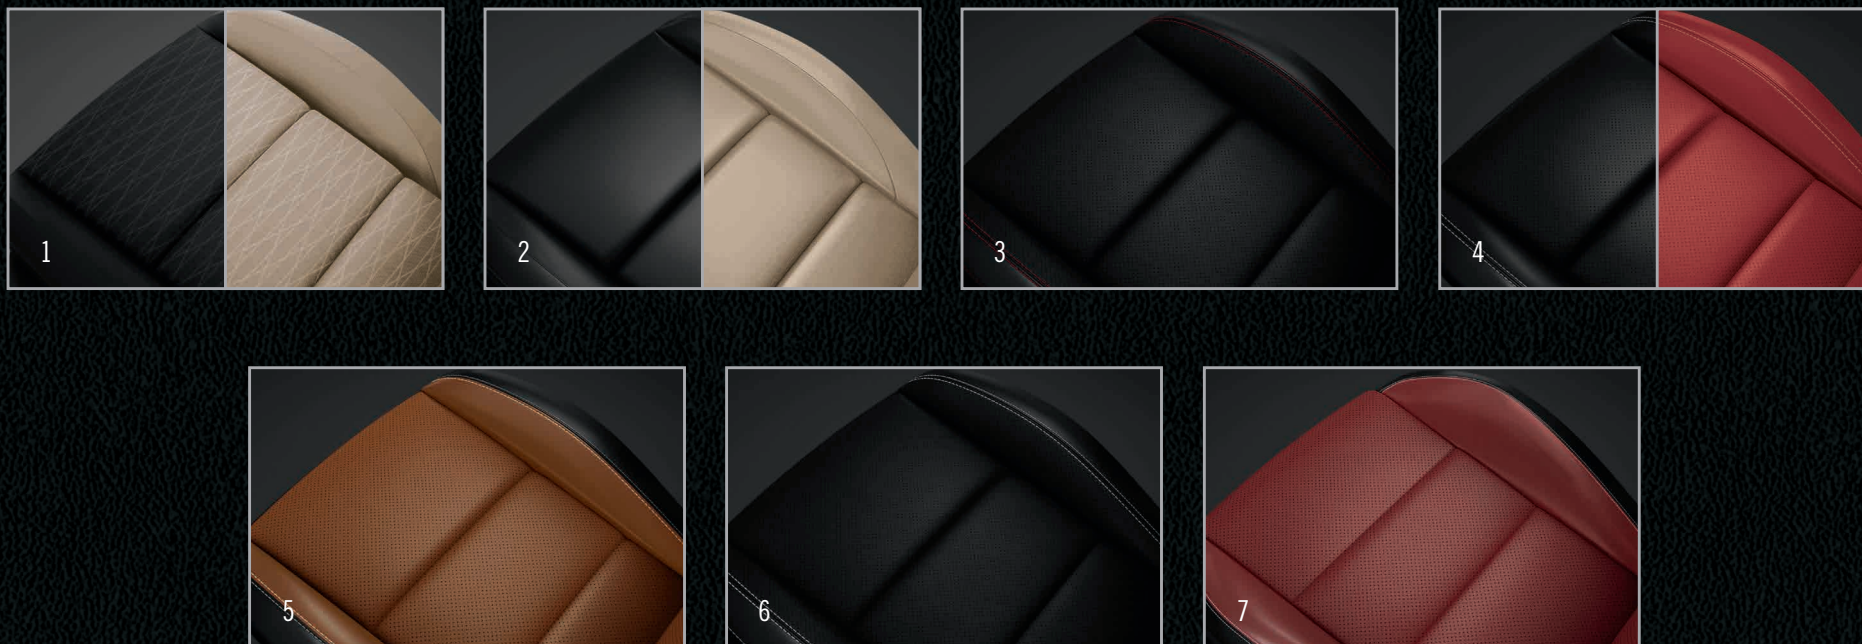

READY ALERT BRAKING (RAB) //// The standard system anticipates situations when you may initiate an emergency brake stop and uses the Electronic Stability Control (ESC)^[17] pump to precharge the brake system in order to decrease the time required for full brake application.

ELECTRONIC STABILITY CONTROL (ESC)^[17] //// This standard system is designed to assist you in maintaining control of your vehicle during extreme steering maneuvers. ESC^[17] senses when a vehicle is starting to spin (oversteer) or plow (understeer) and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels.

ALL-WHEEL DRIVE (AWD) //// An available system that automatically detects wheel-slip and sends additional power to the wheel(s) with the most traction.

ANTILOCK BRAKE SYSTEM (ABS) //// Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

DURANGO INTERIOR / CHOICES

- 1 /// Carolina Mesh/Double Cross cloth in Black (also available in Light Frost Beige) — standard on SXT and GT

- 2 /// Capri leather trim in Black (also available in Light Frost Beige) — standard on Citadel and optional on SXT and GT

Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check www.UconnectPhone.com for device compatibility. [5] The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. [6] Check state and local laws regarding the use of remote start systems. [7] All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. [8] SiriusXM services require subscriptions, sold separately after the 5-year trial included with the new vehicle purchase. Trial service is not transferrable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. Images are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Satellite service is available only to those at least 18 and older in the 48 contiguous USA and DC. Internet radio service is available throughout satellite service area and in AK and HI with limited coverage. [9] SiriusXM services require subscriptions, sold separately after the 5-year trial included with the new vehicle purchase. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. Trial service is not transferrable or refundable. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Satellite service is available only to those at least 18 and older in the 48 contiguous USA and D.C. Internet radio service is available throughout satellite service area and in AK and HI with limited coverage. [10] Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. [11] Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. [12] To use Android Auto on your phone screen, you'll need an Android phone running 5.0 (Lollipop) or higher and the Android Auto app. Android and Android Auto are trademarks of Google Inc. [13] Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. [14] Always check visually for vehicles prior to changing lanes. [15] This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [16] This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. [17] Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. [18] May not work with all garage door openers. [19] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [20] Always sit properly in designated seating positions with seat belts securely fastened at all times.
