

EXPLORER

2001 EXPLORER SPORT

You stare out
your cube at the
copy machine.
Beyond it is a wall.
Beyond the wall
is an employee
parking lot.
Which happens to
be a mile from
the on-ramp.
A straight shot
on the interstate.
And a few back
trails from where
you want to be.
The middle
of nowhere.

PERFORMANCE

4.0-liter SOHC V6. It puts out 205 horsepower and low emissions.

Shift-on-the-fly 4x4 system. Gets you out of a bind. The automatic hub-locking system varies wheel torque based on driving conditions. For example, if front wheels are slipping, a majority of the torque is sent to the back where traction is better. Optional.

Even if you don't dream about putting a trail between yourself and the rest of humanity, it's nice to know you could. At a moment's notice. Explorer Sport has the 205-horsepower engine and the 4x4 capability to make it happen. Nothing wrong with a harmless little daydream.

CAPABILITY

Shift-on-the-fly 4x4. For the city, keep it set on 2WD. For off-road, shift into 4x4 HIGH. And for way-off-road, shift into 4x4 LOW.

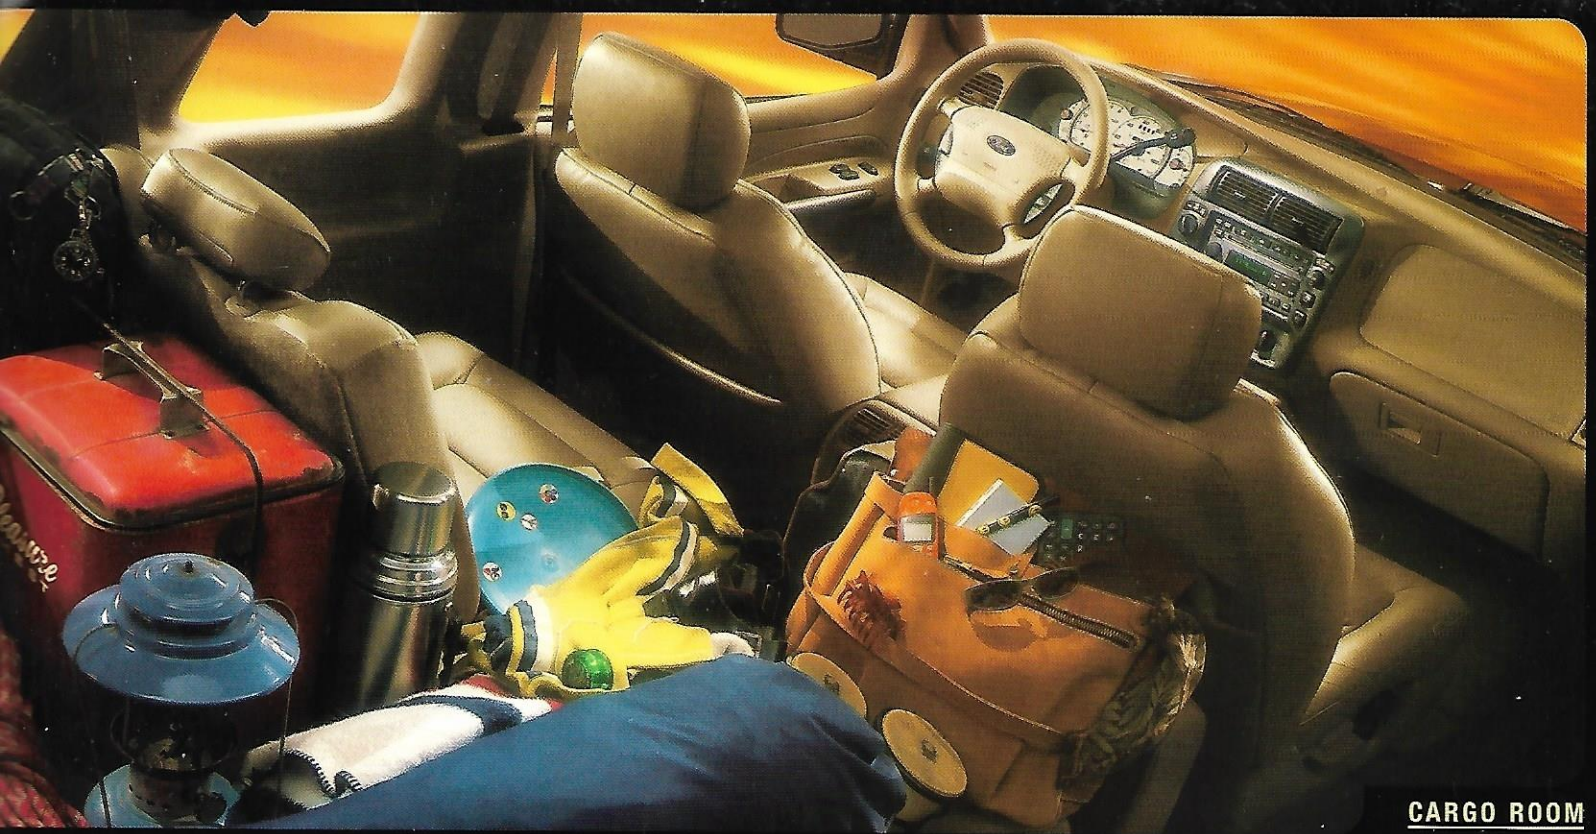

SLA independent front suspension. Adjusts to bumps in the road (or off-road) for smooth handling.

ABS. The 4-wheel disc anti-lock braking system helps provide straighter stops and greater steering control while braking under most conditions. Particularly on wet or slippery surfaces.

LUMINESCENT INSTRUMENTS

White-faced gauges are a good way to keep track of your speed, rpms and how low on fuel you're running.

CARGO ROOM

More room for friends and more room for all your stuff. Fold down the back seats and Sport has 71.4 cubic feet to work with.

INTERIOR

Power windows, locks and mirrors. All come standard.

Optional in-dash 6-CD changer. Available with six speakers and a subwoofer.

Optional seat-mounted side airbags*. Yet another line of protection for people sitting up front. Optional.

**Always wear your safety belt and secure children in the rear seat.*

PRODUCT CHANGES AND OPTIONS AVAILABILITY

At the time of publication of this catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Options shown are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.

ROADSIDE ASSISTANCE

With the New Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile limited warranty period. Ask your Ford Dealer for details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

VEHICLE LIMITED WARRANTY

With the New Vehicle Limited Warranty, you receive bumper-to-bumper coverage for 3 years/36,000 miles with no deductible. You also receive corrosion/perforation coverage for five years/unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.

QUALITY CARE

People who know your vehicle best. The parts designed for it. A service department that understands your needs and respects your time. That's what Quality Care is all about. For more information, visit our website at www.fordvehicles.com.
