

2011 ALL-NEW EXPLORER

ford.com

Drive one.

It's everything you never knew
your SUV could be.

EXPLORER LIMITED. WHITE PLATINUM METALLIC TRI-COAT. AVAILABLE EQUIPMENT.

The All-New 2011 Explorer

Throw out your old SUV thinking. The 2011 Explorer is taking a smart new path to adventure – completely redefining what it means to be an SUV. It's 25% more fuel efficient on the highway¹ with the new 3.5L Ti-VCT V6 engine. It dials up your control on any road with the available new Terrain Management System.TM It's bringing you the world's first available inflatable rear safety belts in automotive production. And its available class-exclusive² MyFord TouchTM driver-connect technology fully integrates your digital world with your vehicle. It's Explorer. 100% reinvented.

¹Improvement over 2010MY Explorer V6. EPA-estimated 25 mpg hwy, FWD. ²Class is 3-row Large Utility Vehicles non-hybrid.

2011
ALL-NEW EXPLORER

ford.com

Drive one.

**Power, you expect.
Efficiency, you need.**

EXPLORER XLT. RED CANDY METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT.

**BEST-IN-CLASS V6
25 MPG HWY**

The 2011 Explorer delivers both with ease. Thanks to its smart new 3.5L Ti-VCT V6 engine and 6-speed automatic transmission, Explorer delivers the best highway fuel economy of any V6 in the class: 25 mpg!¹ It also produces 290 horsepower – the most of any V6 in the class. The key to this outstanding combination: twin independent variable camshaft timing (Ti-VCT) adds an extra measure of precision to this new standard engine, contributing to fuel efficiency or power output as conditions demand.

For a truly engaging drive, you can manually select your own gears with the available new 6-speed SelectShift Automatic™ transmission. Not in the mood? You can always let it choose for you. This sophisticated transmission, paired with the optional Class III Trailer Tow Package, also helps Explorer tow up to 5,000 lbs.² so you can go all out on your adventures.

¹EPA-estimated 17 city/25 hwy/20 combined mpg, 3.5L V6 FWD. Class is 3-row Large Utility Vehicles non-hybrid. ²When properly equipped.

**2011
ALL-NEW EXPLORER**

ford.com

Drive one.

Dial up your control. Any road, any time.

Challenging conditions? Simple solution: just turn the knob to match the scene outside. Our available new Terrain Management System™ is paired with available Intelligent 4WD to give you seamless shift-on-the-fly confidence. It's one more way the new Explorer takes you everywhere you want to go.

-  Mud, Rut – Lets the tires spin a bit if needed to help you keep moving.
-  Snow, Gravel, Grass – Optimizes grip on all sorts of slippery surfaces.
-  Sand – Allows the kind of aggressive wheel spin it takes to help you stay on top.
-  Normal – Ideal for everyday on-road driving.
-  Hill Descent Control™ – Automatically maintains your speed on steep declines.

2011 ALL-NEW EXPLORER

Another world-first in safety.

Ford has always been a leader in safety. The 2011 Explorer continues that heritage with the world's first inflatable rear safety belts¹ in automotive production. Optional for the 2nd-row outboard seating positions on XLT and Limited, the belts are compatible with child-safety seats. They are designed to deploy in less than a blink of an eye in the event of a frontal or side collision, distributing pressure across more of the occupant's torso than a traditional belt, which helps reduce the risk of injury.

Helping you stay in control. We all have our moments. Like when you realize you've misjudged a turn. You need to slow down. Fast. Introducing Curve Control. As the latest enhancement to our AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]), it's standard on every Explorer. Curve Control actually senses when you're entering a turn too fast and can apply 4-wheel braking and reduce engine torque to help slow the vehicle by as much as 10 mph in about a second.² Now that's fast. And it works on dry or wet pavement.

¹Available early 2011. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

EXPLORER XLT. INGOT SILVER METALLIC.

2011 ALL-NEW EXPLORER

ford.com

Drive one.

EXPLORER LIMITED. CHARCOAL BLACK LEATHER TRIM.

Touch. Talk. Drive.™ Totally intuitive new controls.

Introducing MyFord Touch™ – first-of-its-kind technology – only from Ford. Just touch a button and say, “Call Sarah,” “Climate temperature 72°” or thousands of other commands. This available system is fully integrated with our award-winning, voice-activated Ford SYNC® technology to put you in total control of your entertainment, phone, navigation and more with your hands on the wheel and your eyes on the road. MyFord Touch includes a vibrant 8-in. LCD touch screen in the center of the action, two 4.2-in. LCD screens in the gauge cluster and 5-way controls on each side of the steering wheel. It’s all about connecting your digital world with your vehicle.

MyFord Touch features correct at time of release. Driving while distracted can result in loss of vehicle control. Only use mobile phones/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear.

2011
ALL-NEW EXPLORER

ford.com

Drive one.

And you won't believe everything it can do.

From hands-free calling and music to Vehicle Health Reports and 911 Assist,TM available voice-activated Ford SYNC^{®2} significantly enhances your drive. It delivers audible turn-by-turn directions with bold new on-screen graphics, personalized traffic reports, customized text-message alerts and much more.³ Visit SyncMyRide.com for the latest features and details.

Revolutionary new MyFord Touch^{TM2} enhances your SYNC experience with even more vehicle features. Entertainment, phone, navigation and climate can all be controlled with simple spoken commands or through the color-coded menus on its vibrant LCD screens. This available system also displays your personal photos, enables you to create a Wi-Fi[®] hot spot (shown) for passengers to access while on the road, and works with many popular electronic devices, including video game consoles.⁴

Upgrade to the available Navigation System for interactive maps featuring new 3D landmarks, plus an efficient new Eco-Route option on the voice-guided turn-by-turn directions. This system also includes an introductory 6-month subscription to Sirius TrafficTM and Sirius Travel Link^{TM3} which provides fuel prices, weather reports movie listings, sports scores and more.

Entertainment – Browse your music by album art.

Phone – See your phone book contact photos.

Navigation – Find your way via 3D landmarks.¹

Climate – Get comfy in an instant with MyTemp.

MyFord Touch features correct at time of release.

¹When equipped with optional Navigation System.
²Driving while distracted can result in loss of vehicle control. Only use mobile phones/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear.
³Turn-by-turn directions and traffic alerts available in select markets. Standard text messaging and data rates apply.
⁴Some features are only available when the vehicle is in Park.

2011 ALL-NEW EXPLORER

ford.com

Drive one.

EXPLORER LIMITED. INGOT SILVER METALLIC. AVAILABLE EQUIPMENT.

What's better than a sixth sense? Radar sensors. On all sides.

The available new BLIS® (Blind Spot Information System) with cross-traffic alert uses sophisticated radar-based technology to sense traffic you may not see. If BLIS detects an obstacle in your blind-spot zones while you're driving, it warns you with a light in the appropriate sideview mirror. Similarly, cross-traffic alert warns you if it detects traffic behind you (up to about 5 parking spaces away) while you're slowly backing up. Simple. And smart.

Maintain your distance and avoid potential collisions with the vehicle in front of you with class-exclusive available adaptive cruise control (ACC) and collision warning with brake support. ACC uses radar sensors to help maintain your choice of 4 preset gaps from the vehicle in front of you. Collision warning with brake support uses those same front sensors to alert you to a potential collision. If one is detected, it flashes a warning across your windshield and sounds an alarm, providing extra time for you to apply the brakes. The brakes are also pre-charged, and brake-assist sensitivity is increased to provide full responsiveness when you brake.

2011
ALL-NEW EXPLORER

ford.com

Drive one.

EXPLORER LIMITED. WHITE PLATINUM METALLIC TRI-COAT. AVAILABLE EQUIPMENT.

Yes, it fits. And you won't even have to steer.

That's right. First, our new active park assist uses ultrasonic sensors to help you locate the perfect parallel parking spot. Then, you take your hands off the wheel and your smart new Explorer steers itself into place. You simply follow system prompts to shift gears and control the brake and accelerator pedals. The vehicle can be parked in as little as 24 seconds. Available exclusively on Explorer Limited.

A

B

C

D

E

The more, the merrier.

It's a common theme among SUV enthusiasts. So the reinvented Explorer gives you standard seating for 7. Available 10-way power, heated and cooled front seats provide year-round comfort. An available dual-panel moonroof floods the space with natural light and fresh air. And there's plenty of room to breathe with best-in-class 1st- and 2nd-row head room, plus unsurpassed 2nd- and 3rd-row leg room. Environmentally friendly, soy-based foam is used in the new seat cushions and seat backs, helping conserve limited resources and reduce CO₂ emissions. The graceful interior design blends this sustainable material with recycled content, new soft-touch surfaces and premium trim, all crafted to world-class standards for fit and finish.

- A. 6-passenger seating with 2nd-row bucket seats and 2nd-row center console – both optional on Limited
- B. Standard 1st-row center floor console
- C. 110-volt power outlet in 2nd row on Limited
- D. Standard 3rd-row cupholders and storage bins
- E. Available PowerFold® 3rd-row seat

2011
ALL-NEW EXPLORER

ford.com

Drive one.

A

B

C

It adapts with your ever-changing plans.

Spontaneous day trips. Carefully organized vacations. Every ride in between. The reinvented Explorer is designed to go with the flow. There's standard 7-passenger seating. And it's packed with convenient features you'll all appreciate. You get 4 standard 12-volt powerpoints, perfect for recharging everybody's electronics. Overhead lights are standard in all 3 rows. The available 2nd-row center console takes an innovative approach, opening from the back side, so its storage space can be utilized by passengers in both the 2nd and 3rd rows. You can even rest smaller items in the built-in recessed area on the lid when it's open. And 3rd-row riders get large, new storage bins all to themselves. Explorer delivers more crowd-pleasing versatility than ever.

- A. Flat load floor with up to 80.7 cu. ft. of cargo space
- B. Extra-deep 21-cu.-ft. cargo area behind 3rd row¹
- C. Standard 2nd-row 60/40 split-fold seat

¹Including rear seat well.

2011
ALL-NEW EXPLORER

ford.com

Drive one.

EXPLORER XLT. RED CANDY METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT.

Ready to take along 2.5 tons of fun.

That's an abundant 5,000 lbs. Equipped with the standard new 290-hp 3.5L Ti-VCT V6 and the optional Class III Trailer Tow Package, Explorer is geared up for adventure.

You'll have the utmost confidence while towing, thanks to standard trailer sway control (TSC) and new hill start assist. When trailer sway is detected, TSC automatically reduces engine speed and selectively applies the brakes to help you maintain control of both the vehicle and the trailer.¹ Hill start assist is particularly useful on boat launch ramps, since it helps prevent you from rolling downhill when you take your foot off the brake. Whether heading up an incline in Drive or in Reverse, you're covered.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

LATCH – Lower Anchors and Tether Anchors for Children (2 in rear)
MyKey [®] owner controls feature
Safety Canopy [®] System with 3-row side-curtain airbags ¹ and rollover sensor
SecuriLock [®] Passive Anti-Theft System
SOS Post-Crash Alert System ^{™2} unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
Tire Pressure Monitoring System (excludes spare)

Horsepower, Torque & EPA-Estimated Fuel Economy

3.5L Ti-VCT V6 Engine		
Horsepower	290 @ 6,500 rpm	
Torque (lb.-ft.)	255 @ 4,000 rpm	
6-speed automatic		
FWD	17 city/25 hwy/20 combined mpg	
4WD	17 city/23 hwy/19 combined mpg	
6-speed SelectShift Automatic [™]		
FWD	17 city/25 hwy/20 combined mpg	
4WD	17 city/23 hwy/19 combined mpg	

Dimensions & Capacities

Exterior	
Wheelbase	112.6"
Length	197.1"
Height	70.4"
Width – Excluding mirrors	78.9"
Width – Including mirrors	90.2"
Width – Mirrors folded	82.5"
Liftover height	31.3"
Interior	
1st/2nd/3rd Row	
Head room	41.4"/40.5"/37.8"
Shoulder room	61.3"/61.0"/50.8"
Hip room	57.3"/56.7"/40.7"
Leg room	40.6"/39.8"/33.2"

Max. Capacities	
Passenger volume (cu. ft.)	151.7
Cargo volume behind 1st row (cu. ft.)	80.7
Cargo volume behind 2nd row (cu. ft.)	43.8
Cargo volume behind 3rd row (cu. ft.) ³	21.0
Fuel capacity (gal.)	18.6
Max. towing (lbs.) ⁴	5,000

Dimensions may vary by trim level. Cargo and load capacity limited by weight and weight distribution.

¹Always wear your safety belt and secure children in the rear seat. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ³Including rear seat well. ⁴Maximum weights shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer.

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Comparisons based on 2011 competitive models (class is 3-row Large Utility Vehicles non-hybrid), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.

To learn more about Ford Custom Accessories and to shop online, visit fordaccessories.com.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Contact your local Ford Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details regarding the manufacturer's limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.
