F-150

XL | XLT | LARIAT | KING RANCH® | PLATINUM | LIMITED | RAPTOR

BUILT TO GET IT DONE.

This workhorse takes your “to dos” and gets them “done.” Time after time after time. Hauling cinder block to another section of the job site. Done.

Loading the bed with mulch at the landscape supply company. Done.

Towing your 32’ boat to the lake for an extended holiday weekend. Oh so done.

Ford F-150 doesn’t back down from a challenge. Never has. Never will.

At Ford, we’ve accepted challenges for over 116 years and overcome them with courage, confidence and optimism. Before the interstate even existed, we imagined an America – and world – on wheels. Then we helped build it. Our resilience shows that we’re in it for the long haul. For the pride of a job well done. We build for the builders. And we build things our way.

BUILT *Ford* PROUD

AMERICA'S BEST **43 YEARS** FORD F-SERIES SELLING TRUCKS

LARIAT SuperCrew® 4x4 in Iconic Silver with FX4 Off-Road and Chrome Packages, and available equipment. (Max. Payload 2,050 lbs. and Max. Towing 12,500 lbs., when properly equipped with 5.5' box, 3.5L EcoBoost® engine, and Max. Trailer Tow Package with Pro Trailer Backup Assist™) Best-Selling Trucks for 43 years based on 1977-2019 CY total sales. ¹“More trucks on the road” based on IHS Markit Vehicles in Operation (VIO) data and latest odometer readings available to IHS Markit for 1992 and newer model-year full-size pickups still on the road in the U.S. as of 4/1/2019. ²Class is Full-Size Pickups under 8,500 lbs. GVWR, based on Ford segmentation. ³Max. horsepower and torque based on High-Output 3.5L EcoBoost engine using premium fuel per SAE J1349. Standard on LIMITED and RAPTOR (not shown). Your results may vary. ⁴Max. payload of 3,270 lbs. on Regular Cab 8' box 4x2 with 5.0L engine and Heavy-Duty Payload Package (not shown). ⁵Max. towing of 13,200 lbs. on SuperCrew 6.5' box 4x2 with 3.5L EcoBoost® engine and Max. Trailer Tow Package (not shown).

NOTE: Maximum payload and towing capabilities shown throughout this brochure are for properly equipped base vehicles with required equipment and a 150-lb. driver and vary based on cargo, vehicle configuration, accessories and number of passengers. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. See label on door jamb for carrying capacity of a specific vehicle. Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously. For additional information, see your Ford Dealer. Vehicles throughout this brochure may be shown with optional and aftermarket upfit equipment, and without standard antenna.

BUILT FORD TOUGH.

BFT. The right way to spell tough. More than just a brutal testing regimen, Built Ford Tough® is a battle cry. One filled with honor, courage and the determination to never rest – until the job's done right. With well over 10 million customer-equivalent miles of testing, F-150 earned its Blue Oval. Being tortured in the lab. On the proving grounds. And working in the real world. Have no doubt, this truck is engineered for the long haul. Having repeatedly passed our toughest tests, it's more than ready for yours.

Climb into the cab of any F-150 – from the easy-to-clean vinyl seats of the XL work truck to the two-tone leather trim of LIMITED – and command a truck that embraces hard work as much as you do. F-150 is part of the legendary F-Series lineup that's been America's best-selling truck for 42 years. And with more trucks on the road with 250,000 miles than any other brand, there's nothing tougher than Ford F-Series.¹

XL SuperCrew® 4x4 in Agate Black with FX4 Off-Road and Chrome Packages, and available equipment. ¹"More trucks on the road" based on IHS Markit Vehicles in Operation (VIO) data and latest odometer readings available to IHS Markit for 1992 and newer model-year full-size pickups still on the road in the U.S. as of 4/1/2019. ²6000-series aluminum alloy.

Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your owner's manual for detailed information regarding driving through water.

THE RUGGED F-150 FRAME is a fully boxed, modular foundation with 8 muscular crossmembers and large, cross-section frame rails. Comprised of 78% high-strength steel, the F-150 frame is immersed in an e-coat solution while an electric charge is applied. This forms a durable protective shell that bonds with the steel to help inhibit rust, even in hidden areas.

GREAT STRENGTH. DOESN'T RUST. The high-strength, military-grade, aluminum alloy² of the F-150 body and cargo box is hardened through heat treating to produce great strength. Gauge is thickest where needed to provide extra strength. Plus, the body and cargo box don't rust and resist corrosion. That's leadership that counts. For years down the road.

FX4 OFF-ROAD. Those words on your pickup box let everyone know your F-150 is capable of serious, off-road travel. The FX4 Off-Road Package equips your truck to get out there with off-road-tuned front shock absorbers, underbody skid plates that help protect the front differential, transfer case and fuel tank, Hill Descent Control™ and an electronic-locking rear differential. Monitor the action from the driver's seat on the available off-road display in the productivity screen.

A MASTERFUL MIX of high-strength, military-grade aluminum alloys² works with the high-strength-steel frame structure to help manage crash/crush energy into the F-150 passenger compartment in certain front, side and rear impacts, as well as during the small overlap front test. A patented 12-sided design in the front frame horn improves front-impact protection by helping to dissipate crash energy.

A NEW TAKE ON TOUGH. X3.

New 2020 Appearance Packages provide some additional visual swagger to the incredibly versatile F-150 lineup. Add Black 20" wheels – and more – to STX with the new STX Sport Special Edition Package. On XLT and LARIAT, new Black Appearance Packages bring some attitude, starting up front with a Black Ford Oval. Pick your favorite. Then get out there.

LARIAT SuperCrew® 4x4 in Velocity Blue with Black Appearance Package. XLT SuperCrew 4x4 in Magnetic with Black Appearance Package. XL SuperCab 4x4 in Iconic Silver with STX Sport Special Edition Package. All shown with available equipment.

LARIAT BLACK APPEARANCE PACKAGE

High-gloss Ebony mesh grille insert with Black Ford Oval • Dark headlamp housings • 20" Low-Gloss Black-painted wheels • Black fender badges
• Black cab steps • Black F-150 decals on tailgate

XLT BLACK APPEARANCE PACKAGE

High-gloss Ebony mesh grille insert with Black Ford Oval • Dark headlamp housings • 20" Low-Gloss Black-painted wheels • Black fender badges
• Black cab steps • Black F-150 decals on tailgate
• Requires Sport Package

STX SPORT SPECIAL EDITION PACKAGE

Unique bodyside decals • 20" Low-Gloss Black-painted wheels • Chrome exhaust tip
• Requires STX Package

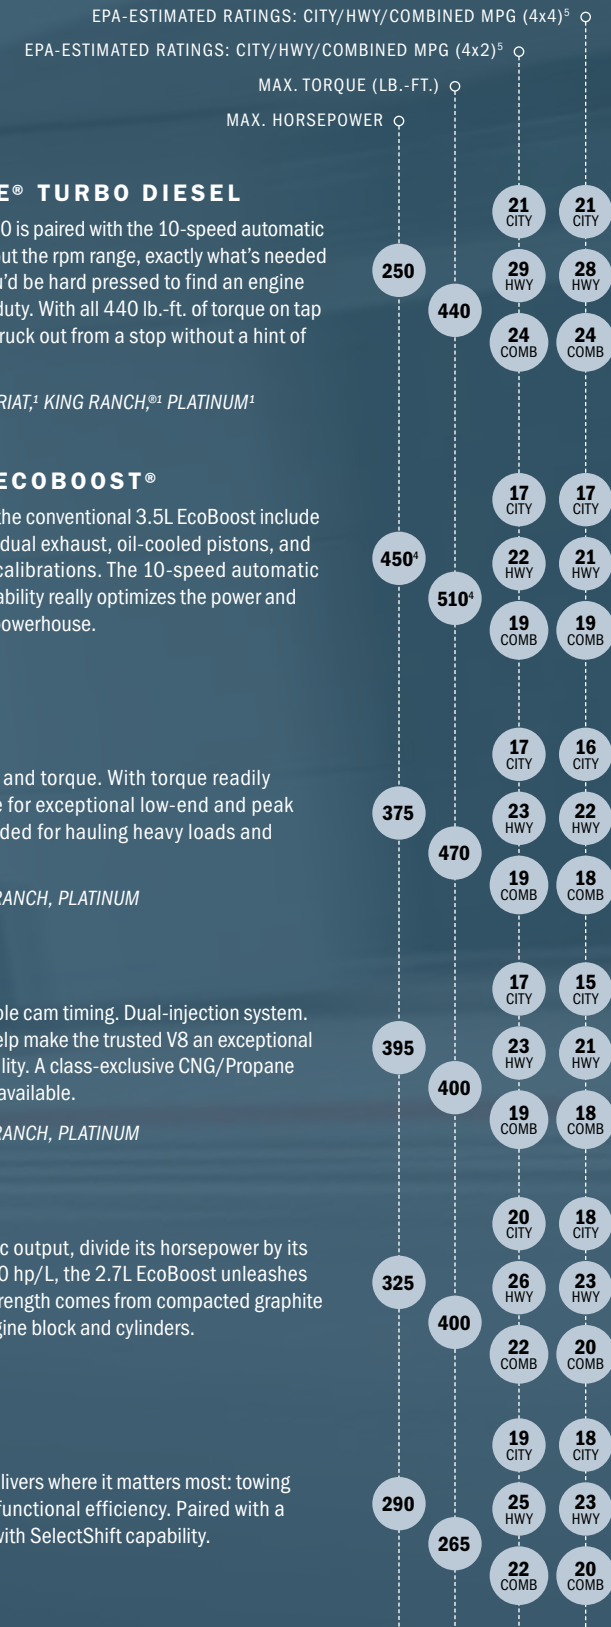

PACK QUITE A PUNCH.

Multiple ways. With 6 different engines, Ford F-150 provides a range of powerful choices to help you find the one that best fits your needs. Diesel power? Got it. High-output performance? Note the 2 best-in-class numbers below. V8 brawn? 5.0L of displacement covers it. Every engine save one is paired with our available 10-speed automatic transmission with SelectShift® capability. With optimized gear spacing, including 3 overdrive gears, the 10-speed gearbox helps maximize shift points and gear ratios to optimize power, low-rpm torque and functional efficiency. Just scan the chart at right for proof.

LIMITED SuperCrew® 4x2 in Iconic Silver with available equipment. ¹EPA-estimated ratings for LARIAT, KING RANCH and PLATINUM 4x4 of 20 city/25 hwy/22 combined mpg. Actual mileage will vary. ²EPA-estimated ratings for RAPTOR 4x4 of 15 city/18 hwy/16 combined mpg. Actual mileage will vary. ³Purchasing an F-150 upfit may help you qualify for state incentives related to alternative fuel use, infrastructure or vehicles. Visit afdc.energy.gov/afdc/laws for details. ⁴Max. horsepower and torque based on High-Output 3.5L EcoBoost engine on LIMITED and RAPTOR (not shown). Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ⁵Actual mileage will vary.

Horsepower, torque and EPA-estimated fuel economy ratings are independent attributes and may not be achieved simultaneously.

3.0L POWER STROKE® TURBO DIESEL

The first-ever diesel engine on F-150 is paired with the 10-speed automatic for strong torque delivery throughout the rpm range, exactly what's needed for those who tow frequently. "You'd be hard pressed to find an engine better suited for everyday-pickup duty. With all 440 lb.-ft. of torque on tap at a low 1,750 rpm, it moves the truck out from a stop without a hint of strain," says *Car and Driver*.

Available on XL (Fleet only), XLT, LARIAT,¹ KING RANCH,^{2,1} PLATINUM¹

3.5L HIGH-OUTPUT ECOBOOST®

Performance enhancements over the conventional 3.5L EcoBoost include increased boost calibrations, full dual exhaust, oil-cooled pistons, and more aggressive engine control calibrations. The 10-speed automatic transmission with SelectShift capability really optimizes the power and torque curves of this high-output powerhouse.

Standard on LIMITED, RAPTOR²

3.5L ECOBOOST

Delivers exceptional horsepower and torque. With torque readily available across the speed range for exceptional low-end and peak performance. Exactly what's needed for hauling heavy loads and towing heavy trailers.

Available on XL, XLT, LARIAT, KING RANCH, PLATINUM

5.0L TI-VCT V8

32 valves. Twin independent variable cam timing. Dual-injection system. 12:1 compression ratio. They all help make the trusted V8 an exceptional choice for all-around F-150 capability. A class-exclusive CNG/Propane Gaseous Engine Prep Package³ is available.

Available on XL, XLT, LARIAT, KING RANCH, PLATINUM

2.7L ECOBOOST

To understand an engine's specific output, divide its horsepower by its displacement. At a staggering 120 hp/L, the 2.7L EcoBoost unleashes power like few others of its size. Strength comes from compacted graphite iron (CGI) that forms the upper engine block and cylinders.

Available on XL, XLT, LARIAT

3.3L TI-VCT V6

The standard F-150 powerplant delivers where it matters most: towing capability, payload capacity and functional efficiency. Paired with a 6-speed automatic transmission with SelectShift capability.

Available on XL, XLT

PULL QUITE A LOAD.

With the high-strength-steel frame, torque-heavy available 3.5L EcoBoost® engine, and smart towing technology of the 2020 Ford F-150, you are ready with a max. available towing capacity of 13,200 lbs.¹ To help further enhance towing confidence, combine standard Trailer Sway Control with available features such as: a Smart Trailer Tow Connector, an integrated trailer brake controller,² and class-exclusive PowerScope® power-telescoping/-folding trailer tow mirrors. Check the available 8" productivity screen in the instrument cluster for system alerts (shown below). After you're moving, maintain a consistent speed on steep grades by locking out upper gears using the progressive range select feature on both SelectShift® automatic transmissions. They also feature tow/haul mode, for use when F-150 is heavily loaded or when towing.

LARIAT SuperCrew® 4x4 in Blue Jeans with Chrome Package, and Max. Trailer Tow Package with Pro Trailer Backup Assist. Shown with available and aftermarket equipment. (Max. Towing 12,500 lbs. when properly equipped with 5.5' box, 3.5L EcoBoost engine and Max. Trailer Tow Package with Pro Trailer Backup Assist.) ¹SuperCrew 6.5' box 4x2 with 3.5L EcoBoost engine and Max. Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details. ³Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ⁴Please consult your owner's manual or Pro Trailer Backup Assist Measurement Card for information on setting up your trailer.

13,200 LBS.
MAX. AVAILABLE
TOWING¹

A STANDARD REAR VIEW CAMERA

allows viewing of trailer direction and determination of trailer placement. Dynamic Hitch Assist³ guidelines help you line up truck and trailer. Further assistance is provided by our available 360-Degree Camera with Split-View Display³ that works at low speeds in Forward and Reverse. Four cameras let you see the sides of F-150 on the available 8" color screen in the center stack.

CLASS-EXCLUSIVE AVAILABLE PRO TRAILER BACKUP ASSIST™³

(PTBA) helps make it easy to back up your trailer. Once the system is programmed,⁴ simply rotate the PTBA knob left or right depending on the direction you want the trailer to go. The system then automatically steers the truck to turn the trailer the desired amount. PTBA can help you back up your trailer like a pro.

**CLASS-BEST
3,270 LBS.
MAX. AVAILABLE
PAYLOAD¹**

HAUL MORE THAN ANYONE.

In this weight class, F-150 takes Gold, Silver and Bronze. When equipped with the available 5.0L V8 engine and Heavy-Duty Payload Package, F-150 leads all competitors with a 3,270-lb. max. payload.¹ Also on the podium? A similarly equipped F-150 with the available 3.5L EcoBoost[®] at 3,230 lbs. max. payload,² as well as an F-150 equipped with the available 2.7L EcoBoost and Payload Package at 2,470 lbs.³ With 3 box lengths (5.5' to 8'), access is easy with steps available on all 3 sides, including available deployable box side steps for all lengths.

LARIAT SuperCrew[®] 4x2 with 6.5' box and available equipment. (Max. Payload 2,270 lbs. when properly equipped with 3.5L EcoBoost engine.) ¹Max. payload of 3,270 lbs. on Regular Cab 8' box 4x2 with 5.0L engine and Heavy-Duty Payload Package (not shown). ²Max. payload of 3,230 lbs. on Regular Cab 8' box 4x2 with 3.5L EcoBoost engine and Heavy-Duty Payload Package (not shown). ³Max. payload of 2,470 lbs. on Regular Cab 8' box 4x2 with 2.7L EcoBoost engine and Heavy-Duty Payload Package (not shown). ⁴Ford Licensed Accessory.

FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.

From the work site to the highway, our standard and available driver-assist features¹ are designed to help you feel confidently in command at the wheel of your F-150.

FORD CO-PILOT360

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING

We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don't take action, brakes can apply automatically.² It's designed to only activate when needed.

Standard on ALL TRIMS

BLIS® WITH TRAILER COVERAGE AND CROSS-TRAFFIC ALERT

Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by not only alerting you to vehicles detected in your blind spots,³ but also alerting you when vehicles are detected alongside your trailer. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your truck as you're slowly backing up.

Standard on LARIAT, KING RANCH,[®] PLATINUM, LIMITED;
Available on XLT, RAPTOR

LANE-KEEPING SYSTEM

It happens. You wander too close to your lane's edge. Our Lane-Keeping System⁴ can help during a moment of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Stray a few times and a coffee cup icon lets you know it's time for a break.

Standard on LARIAT, KING RANCH, PLATINUM, LIMITED;
Available on RAPTOR

AUTO HIGH-BEAM HEADLAMPS

Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

Standard on ALL TRIMS

REAR VIEW CAMERA

Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what's behind your truck, helping you navigate Reverse with more confidence. It also helps when you're lining up a trailer.

Standard on ALL TRIMS

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO

There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed.⁵

Standard on LIMITED; Available on LARIAT, KING RANCH, PLATINUM, RAPTOR

CURVE CONTROL

Sometimes it's hard to judge the severity of an unfamiliar curve. So it's good to know that Curve Control can actually sense when you're taking a turn too fast – and can slow your truck's speed as much as 10 mph in about a second to help you maintain control.

Standard on ALL TRIMS

ACTIVE PARK ASSIST

No need to dread parallel parking. Active Park Assist not only helps you find a spot, it steers F-150 into it. You control the gear shifter, brake and accelerator pedals.

Standard on LIMITED; Available on LARIAT, KING RANCH, PLATINUM

TRAILER SWAY CONTROL

This helpful technology monitors the motions of F-150 when towing to detect trailer sway. If it's detected, the system selectively applies brakes as needed to help you maintain control of the truck as well as the trailer.⁶

Standard on ALL TRIMS

360-DEGREE CAMERA

True to its name, the 360-Degree Camera with Split-View Display lets you see around Ford F-150 from every side. Very helpful while centering your truck in a parking spot, driving around a crowded work site or while navigating a tight section of off-road trail.

Standard on LIMITED; Available on LARIAT, KING RANCH, PLATINUM, RAPTOR

KING RANCH SuperCrew® 4x4 in Oxford White/Stone Gray two-tone with 3.0L Power Stroke® Diesel, Chrome Package and available equipment. ¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ³BLIS replaces standard integrated blind spot mirrors. ⁴Lane-Keeping System does not control steering. ⁵If stop is longer than 3 seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation. ⁶Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

MAKE THIS CABIN YOUR OWN. With 7 distinct trim levels, you're sure to find an F-150 interior that's just right for you. They all share some hardworking basics. Like ergonomically optimized front seating that enhances comfort, whether you're heading across town or hitting the open road for a cross-country journey. Plenty of storage space in the enormous available center console, and in storage pockets throughout the cabin. A Rear View Camera with Dynamic Hitch Assist that aids in backing up and hooking up your trailer. What you add from there is up to you. An available power-sliding rear window for natural ventilation? An available twin-panel moonroof on SuperCrew® models to flood the cabin with light? Enjoy available multicontour seats with Active Motion® massage. An available heated, leather-wrapped steering wheel. And, most importantly, the incomparable feeling of being in complete command of your surroundings.

LIMITED SuperCrew 4x4 with Camelback two-tone Regency leather front and rear seats and available equipment.

8"
**PRODUCTIVITY SCREEN

HIGH-PERFORMANCE SPEAKERS transform 750 watts of digitally processed sound from the available B&O Sound System, filling the cabin with the sounds you want to hear.

YOUR TECH, YOUR WAY.

With seating for up to 6 and Wi-Fi hotspot capability, Ford F-150 welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with available SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription.¹ With our available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 5-year subscription¹ to SiriusXM Traffic and Travel Link® services.

COMMAND IT

With your voice and your choice of display. Available SYNC® 3 voice-activated technology² connects your tech with your F-150. Available SYNC 3 AppLink®³ (shown) gives you voice control of compatible mobile apps like Waze™ and Ford+Alexa.⁴ To see your phone's familiar interface on the big screen, take advantage of compatibility with Apple CarPlay⁵ for your iPhone[®] or Android Auto™⁶ for your Android™ smartphone.

androidauto

CONTROL IT

Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill⁶ or FordPass Action through Google Assistant™ when equipped with FordPass Connect™⁷ Complimentary remote features let you start, lock and unlock your vehicle from just about anywhere, including right from your wrist with your Apple Watch[®]. Use your app to find your vehicle, schedule starts, find parking,⁸ and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it's time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery⁹ and peace of mind knowing roadside assistance is just a call or e-request away.¹⁰

CONNECT IT

With in-vehicle Wi-Fi. Before the mud dries on your boots, you and your friends can be posting dirt bike videos through FordPass Connect⁷ with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once¹¹ – inside of F-150 and up to 50' away.

SYNC® AppLink®

Available equipment shown. ¹All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ³Commands may vary by phone and AppLink software. ⁴Waze is available via iPhone with SYNC 3 and on Android Auto. Commands may vary by phone and AppLink software. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Don't drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear. ⁵Requires device with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁶Don't drive while distracted or while using handheld devices. Use voice controls. Certain Alexa functionality is dependent on smart phone and home technology. ⁷At purchase, the FordPass Connect modem is connected and sending vehicle data (e.g., diagnostics) to Ford. To disable, or for more information, see in-vehicle connectivity settings. Learn more at www.FordConnected.com. FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. ⁸In select cities. ⁹FordPass App, compatible with select smartphone platforms, is available via a download. FordPass Connect service required (see FordPass Terms for more information). Message and data rates may apply. Check your availability at <https://amzn.to/2JnYmtz>. ¹⁰Roadside assistance is included for certain owners and available to everyone for a per-service fee. ¹¹Don't drive while distracted or while using handheld devices. Use voice controls.

THE RIGHT REFINEMENTS

XLT takes the great XL features and adds a substantial list of popular standards. Like a chrome grille and bumpers. Carpeted flooring. Power windows and door locks. Power tailgate lock. SYNC® 3 with 8" LCD touchscreen. FordPass Connect™1 with 4G LTE Wi-Fi hotspot capability. To see which Appearance Package to add for more visual excitement, just turn the page.

¹FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Don't drive distracted or while using handheld devices. Use voice controls.

XLT

FORDPASS CONNECT¹ WITH 4G LTE WI-FI CAPABILITY

SYNC 3 WITH 8" LCD TOUCHSCREEN

KING RANCH

SOUTHWESTERN LUXURY AT ITS FINEST Starting with the standard two-tone exterior. Inside, Kingsville KING RANCH leather covers the heated and ventilated 10-way power front seats, rear seats, and flow-through console lid and heated steering wheel. Seat backs, floor mats, center console lid, and 18" machined aluminum wheels with painted pockets are branded with the "Running W" logo of the historic King Ranch® in Texas. Our Voice-Activated Touchscreen Navigation System with SiriusXM® Traffic and Travel Link® helps guide you on your way. A 750-watt B&O Sound System supplies the soundtrack.

THIS TRUCK IS A BEAST No doubt about it. The Baja-bred RAPTOR includes a Terrain Management System™ with 7 selectable drive modes that allow you to optimize traction to current driving conditions. Trail Control™ plus FOX Racing Shox™ 3.0 internal bypass shocks with electronically controlled Live Valve technology, give it monstrous capability beyond the pavement. With suspension travel of 13" in front and 13.9" in the rear. Lean, mean, and ready to scream, RAPTOR is ready to tackle the toughest terrain.

Inside, available RECARO® sport front seats with enhanced bolstering in the seat back and cushion provide aggressive styling and comfortable support. Bold exterior colors include Rapid Red Metallic Tinted Clearcoat,¹ Ford Performance Blue, Velocity Blue and Lead Foot.

¹Additional charge. ²Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.

WB = wheelbase ¹Requires 2.7L EcoBoost Payload Package. ²Requires Heavy-Duty Payload Package. ³LIMITED only. ⁴Requires Max. Trailer Tow Package. ⁵LIMITED payload rating is 1,560 lbs.
Payload Notes: Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. **Towing Notes:** Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.

New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage, and 5-year/100,000-mile diesel engine coverage (when applicable) – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

BUILT TO KEEP YOU MOVING.™

The FordPass™ App³ puts your F-150 owner experience right in the palm of your hand.

COMPLIMENTARY MAINTENANCE

With FordPass Rewards™, you can earn 42,000 Points to use toward complimentary maintenance when you buy or lease a new Ford.⁴ Or save your Points for future service, accessories or even your next new vehicle purchase. And when it's time to schedule service, you can do it right from your FordPass App.

REWARDS

In addition to complimentary maintenance, you can easily earn FordPass Rewards Points for many of the things you already do with us, including service and maintenance at participating dealers. Then you can redeem your Points for discounts on service, parts, accessories and new vehicle purchases. Use your app to watch your Points grow and keep track of how you use them.

ROADSIDE ASSISTANCE

With the FordPass App, you can request roadside assistance like fuel delivery, flat-tire repair and more 24/7 anywhere, anytime.⁵ Just use your app to call or make an e-request and help is on the way.

CONNECT & CONTROL

Stay connected and in control of your vehicle with complimentary remote features accessed through the FordPass App. Start, stop, lock and unlock your vehicle, schedule a start, even check fuel and fluid levels right from the app.⁶ You can also get vehicle health alerts, service history and service alerts to help you keep on top of your vehicle's maintenance.

Download the FordPass app today.

¹Factory option. See your dealer for details. ²Ford Licensed Accessory.

³FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁴75,000 points for Diesel owners. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details. ⁵Roadside assistance is included for certain owners and available to everyone for a per-service fee. ⁶FordPass Connect™ (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

From day one, we had the future in mind. And for over 116 years, we've focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that's well built. That you're proud to drive. Born in Detroit, made in America¹ and famous worldwide: We are the Ford Motor Company.

Your mobility is at the center of everything we do. And we're excited to be designing and building smart vehicles that work for you. It's why we put our family name on every one. From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care. For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
