

# 2012 FIESTA

## Delivers smiles like no other car in its class.

With unsurpassed highway fuel economy<sup>1</sup> and bright colors like Lime Squeeze and Yellow Blaze, it's easy to see why. Of course, the 2012 Ford Fiesta also helps you make and take calls without touching your phone,<sup>2</sup> and switch songs while your MP3 player is tucked away.<sup>2</sup> Plus, receive turn-by-turn navigation instructions<sup>2</sup> on a 4" LCD display and enjoy the peace of mind from 7 standard airbags, including one that protects the driver's knees. Are you starting to grin? Available in hatchback or sedan, Fiesta is such a joy to drive and be with that many owners actually "name" theirs.

SES Hatchback. Lime Squeeze Metallic. Available equipment. EPA-estimated 29 city/38 hwy/33 combined mpg.

<sup>1</sup>Class is Compact Cars vs. 2011/2012 competitors. EPA-estimated 29 city/40 hwy/33 combined mpg, Fiesta SE automatic with SFE Package. <sup>2</sup>Available feature.

2012 FIESTA [ford.com](http://ford.com)

## Starts with the power of your touch.

Unlock your door  
without your key

Start Fiesta with  
the touch of a button

Get in – to something completely different. Any time of the day or night. With Fiesta's smart key,<sup>1</sup> just touch the door handle and you're in (while the key is still tucked away and without you having to search for it). Then, press the brake pedal and turn it on by pushing the start button. You're off. It's that easy in the 2012 Ford Fiesta.

<sup>1</sup>Available feature.

Up to 40 mpg hwy. No other car in its class gets more.

Fiesta delivers unsurpassed highway fuel efficiency of up to 40 mpg,<sup>1</sup> along with 120 horsepower. Much of the credit goes to its 1.6L Ti-VCT Duratec® I-4 engine. Twin independent variable camshaft timing (Ti-VCT) helps improve peak power, optimizes cold-start operation, delivers gains in low-speed torque, and contributes to fuel efficiency. For that extra-connected feel, a PowerShift 6-speed automatic transmission<sup>2</sup> can provide torque to the wheels 100% of the time during shifts. Electric power-assisted steering contributes to efficiency as well.

SEL Sedan. Ingot Silver Metallic. Available equipment. ■ SES Hatchback. Yellow Blaze Metallic Tri-coat. Available equipment. EPA-estimated 29 city/38 hwy/33 combined mpg.

<sup>1</sup>EPA-estimated 29 city/40 hwy/33 combined mpg, Fiesta SE automatic with SFE Package. <sup>2</sup>Available feature.

2012 **FIESTA** [ford.com](http://ford.com)

## Screams in the corners, and even at a standstill.

In Fiesta, every drive is like a day at the races. Cruising the straightaway. Tearing into the corners. And drawing admiring glances along the way. To help Fiesta stay sure-footed and firmly planted in the corners, its MacPherson-strut front suspension features specially tuned dampers, spring rates and bushings – along with a 22-mm stabilizer bar. Advanced electric power-assisted steering improves steering feel at low speeds and provides precise assist on the highway. In the rear, a twist-beam suspension with specially tuned shocks and spring rates deftly balances responsive handling with the need for a smooth ride. Choose from 15" or 16" wheels! Then get out and go.

SES Hatchback. Yellow Blaze Metallic Tri-coat. Available equipment.

<sup>1</sup>Available feature.

2012 FIESTA [ford.com](http://ford.com)

## Leather, lighting and so much more.

With choices you won't find anywhere else in its class, style abounds inside Fiesta. Leather-trimmed seats<sup>1</sup> in your choice of Charcoal Black with Cashmere-colored piping, or Plum Red or Cashmere-colored with Charcoal Black piping. If that's not enough, the new Race Red or Oxford White Interior Style Packages<sup>1</sup> carry their color schemes to the instrument panel and door-trim inserts. There's also heated front-seat cushions!<sup>1</sup> And ambient lighting that lets you choose from 7 hues!<sup>1</sup> All ready to impress. And since style doesn't have to take a back seat to space, Fiesta's 60/40 split rear seat folds down, opening up additional room for your gear. Pass-through access from the trunk increases that usable space even more in the sedan.

SES Hatchback. Charcoal Black leather-trimmed seats with Cashmere-colored piping. Available equipment.

<sup>1</sup>Available feature.

2012 FIESTA [ford.com](http://ford.com)

## Hands control the wheel. Voice controls the rest.

### Stay connected to calls and more with SYNC.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC.<sup>1</sup> Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. Just touch a button on the steering wheel and say things like "Call Melissa," or "Call home." SYNC also offers 911 Assist,<sup>TM</sup> and with an activated SYNC Services account you get business searches,<sup>1</sup> turn-by-turn driving directions,<sup>1</sup> custom traffic alerts<sup>1</sup> and more. Personalize your experience at [SyncMyRide.com](http://SyncMyRide.com).

### Switch songs and playlists. Enjoy SiriusXM.

SYNC allows voice-activated control of your media player as well!<sup>1</sup> Just plug it into the USB port and your entire music collection can be accessed by voice. Ask for your favorite artist or playlist and SYNC responds in an instant. New AppLink<sup>1</sup> lets smartphone users control Pandora<sup>®</sup> internet radio and Stitcher SmartRadio<sup>™</sup> by voice too. All this, in addition to a 6-month trial subscription to over 130 channels of unique content from SiriusXM Satellite Radio.<sup>2</sup>

<sup>1</sup>Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Text message and data rates may apply. <sup>2</sup>Subscriptions to all SiriusXM services are sold by SiriusXM after 6-month trial expires. Subscriptions are governed by SiriusXM Customer Agreement; see [www.siriusxm.com](http://www.siriusxm.com).

#### **The 7th airbag.**

A first-in-class driver's knee airbag, which inflates between the knees and the instrument panel in a crash, gives Fiesta 7 airbags.

## **The only 2011 "Top Safety Pick" in its class!<sup>1</sup>**

Travel with confidence knowing Fiesta attained the highest possible rating from the Insurance Institute for Highway Safety (IIHS), the only car in its class to achieve this honor. In fact, no other brand offers you more 2011 "Top Safety Pick" vehicles than Ford. Our engineers are constantly developing and advancing safety technologies to help give you peace of mind out there on the road.

#### **Masters challenging moments.**

Our standard AdvanceTrac<sup>®</sup> electronic stability control with traction control<sup>2</sup> automatically helps avoid skidding and fishtailing. It's particularly beneficial in all kinds of inclement weather.

#### **Personalizes your protection.**

Our advanced Personal Safety System<sup>™</sup> uses sensors to optimize deployment of the dual-stage front airbags in certain frontal collisions. Front-seat side airbags and side-curtain airbags help protect both head and chest in certain side-impact collisions. And a driver's knee airbag helps cushion that area as well.

#### **Surrounds you with strength.**

SPACE (Side Protection And Cabin Enhancement) Architecture utilizes a hydroformed cross-car beam between the door frames, strengthening the passenger compartment.

#### **Clears up blind spots.**

Each standard sideview mirror features an integrated convex blind spot mirror that helps alert you to vehicles and objects nearby so you can avoid them.

#### **Reminds you to buckle up.**

Our Belt-Minder<sup>®</sup> system sounds a persistent alert to encourage those in front to buckle up for safety on every ride.

#### **Sends an SOS for you.**

Our SOS Post-Crash Alert System<sup>™</sup> can automatically flash the hazard lights and sound the horn after an airbag has deployed or a safety belt pretensioner has activated in certain collisions.<sup>3</sup> No subscription required.

#### **Directly contacts 911.**

Ford SYNC<sup>®4</sup> with 911 Assist<sup>™</sup> uses your phone to call 911 in the event of airbag deployment or fuel pump shutoff.<sup>5</sup> If needed, it can even give the operator an urgent message for you.

SES Hatchback. Lime Squeeze Metallic. Available equipment.

<sup>1</sup>Class is Compact Cars vs. 2011/2012 competitors. 2012 model year not yet tested. <sup>2</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. <sup>3</sup>SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. <sup>4</sup>Available feature. <sup>5</sup>The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

## Lots of ways to make it yours.

In addition to versatile standards that make your life easier, a long list of optional features helps you create a Fiesta that addresses your needs. Always on the go? Add power, heated sideview mirrors<sup>1</sup> to quickly melt snow, and Intelligent Access with push-button start<sup>1</sup> for completely keyless entry. Need to activate your Vitamin D? Then add a power moonroof<sup>1</sup> to let the sun stream in. Whatever you choose, you're creating the Fiesta you want, just the way you want it.

Power, heated sideview mirror with turn signal indicator<sup>1</sup>

Class-exclusive 12-volt rear powerpoint<sup>1</sup>

Push-button start<sup>1</sup>

Heated front-seat cushions<sup>1</sup>

Power moonroof<sup>1</sup>

<sup>1</sup>Available feature.

# QUALITY, GREEN, SAFE AND SMART.

[ford.com](http://ford.com)

**New Vehicle Limited Warranty.** We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at [fordcredit.com](http://fordcredit.com). □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [fordvip.com](http://fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
