SUPER DUTY®
CHASSIS CAB

commtruck.ford.com

TESTED TOUGH

to **OUTWORK**
all the rest.

F-550 XL Regular Cab 4x4 in Oxford White with available and aftermarket equipment

The New 2011 Super Duty® Chassis Cab.

America's Most Versatile Chassis Cab is now even better. Purpose-built Ford powertrains help this Super Duty deliver **IMPROVED DIESEL FUEL ECONOMY** along with more torque. Standard traction control systems increase towing confidence. An available class-exclusive¹ live-drive power takeoff (PTO) provision gets the job done with ease. And this re-engineered rig has **ALREADY PROVEN ITSELF IN MORE TORTURE TESTING** than any Ford Super Duty before it.

¹Class is Chassis Cab Trucks under 22,000 lbs. GVWR.

Vehicles throughout this PDF are shown with optional and aftermarket upfit equipment.

2011 SUPER DUTY® CHASSIS CAB

commtruck.ford.com

**IMPROVED
FUEL ECONOMY
and 660 other
TORQUED-UP REASONS TO
GO DIESEL.**

Ford 6.7L Power Stroke® V8 Turbo Diesel.

Designed, engineered and built by Ford, this powerful diesel helps Super Duty® deliver up to a **24% IMPROVEMENT IN FUEL ECONOMY**, while also giving you more torque. We're talking a massive 660 lb.-ft. of torque. That's a game-changing combination. And this **B20-CAPABLE** engine has already proven itself in over 10 million miles of cumulative testing. It's the **MOST TESTED POWER STROKE DIESEL ENGINE EVER.**

Turbo shown does not represent Chassis Cab.

6.7L V8 DIESEL PERFORMANCE

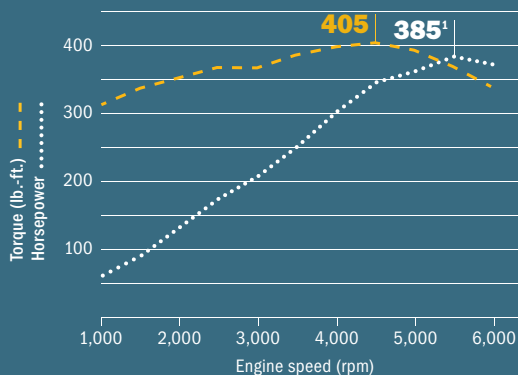

The 6.7L V8 Turbo Diesel delivers **MORE MAX. TORQUE**, at lower rpm, than its predecessor.

- A ALUMINUM CYLINDER HEADS** with precision dual water jackets reduce weight and improve cooling.
- B CLASS-EXCLUSIVE INBOARD EXHAUST AND OUTBOARD AIR INDUCTION** architecture helps reduce turbo lag.
- C COMMON-RAIL FUEL INJECTION SYSTEM**, operating at nearly 30,000 psi, uses precise control to provide optimum power, efficiency and noise, vibration and harshness (NVH) performance.
- D SINGLE-STAGE VARIABLE-GEOMETRY TURBOCHARGER** uses a compact, efficient design to help deliver maximum power quickly.
- ENGINE-EXHAUST BRAKING** helps provide better grade descent control with less brake and transmission wear and tear. Fully integrated with tow/haul mode, it provides increased engine braking at higher engine speeds.
- NOTABLY QUIETER** with a more refined sound signature.
- CLEANEST SUPER DUTY DIESEL EVER** reduces nitrogen oxide (NOx) levels by more than 80% compared to last year. It's also clean-idle exemption certified.

6.2L V8 GAS PERFORMANCE

- A DUAL-EQUAL VARIABLE CAM TIMING** phases the intake- and exhaust-valve opening and closing events simultaneously to optimize fuel economy, low-end torque and peak horsepower.
- B 2 SPARK PLUGS PER CYLINDER** burn the fuel-air mixture more efficiently for better fuel economy and increased engine torque.
- C STIFF SOHC VALVETRAIN** with roller-rocker shafts and optimized camshaft-lift profiles produces significant low-rpm torque and enables an intake- and exhaust-port layout that leads to better breathing.
- D CYLINDER BLOCK DESIGN** is specifically engineered to optimize the efficiency of crankcase airflow, resulting in improved torque at higher engine speeds; cast-iron engine block and 4-bolt main bearing caps, with 2 additional cross bolts, provide extreme durability.
- PISTON-COOLING JETS** spray oil directly on the underside of the cast-aluminum pistons to keep them cooler under extreme operating conditions; they also contribute to increased overall efficiency.

¹Certified to SAE J1349. 385 hp and 405 lb.-ft. of torque under 10,000 lbs. GVWR. 316 hp and 397 lb.-ft. of torque over 10,000 lbs. GVWR.

Ford 6.2L V8 Gas Engine.

As the standard engine on F-350, this free-breathing Ford-built machine delivers best-in-class **385 HORSEPOWER** and **405 LB.-FT. OF TORQUE**. It features large valves and a large-bore, shorter-stroke approach – proven technologies inspired by Ford racing – that help improve its breathing. And you can rest assured this **E85-CAPABLE** engine is ready to get to work. The Ford powertrain team designed, engineered, built and torture-tested it themselves.

BEST GAS

horsepower and torque

IN CLASS.

6.8L V10 GAS PERFORMANCE

Proven Ford 6.8L 3V SOHC V10.

THE ONLY V10 GAS POWERPLANT IN THE CLASS gets your heavy loads moving with up to 457 lb.-ft. of torque and 362 horsepower on F-450 and F-550. It's paired with a TorqShift® 5-speed automatic transmission featuring a massive torque converter, beefy gear sets and a selectable tow/haul mode. The optional **CNG/LPG PREP PACKAGE** includes hardened valves and valve seats to help ready your Super Duty® for alternative-fuel upfits.

2011 SUPER DUTY® CHASSIS CAB

commtruck.ford.com

A HEAVY-DUTY TORQUE CONVERTER with low-speed lockup capability (down to 900 rpm) enables the engine to run efficiently at a lower rpm for improved fuel economy.

B EXCLUSIVE LIVE-DRIVE POWER TAKEOFF (PTO) PROVISION, available on the 6.7L Power Stroke® diesel, is the only one in the class that uses an output gear linked directly to the engine crankshaft to power upfits anytime the engine's running, whether you're in motion or at a stop. Aftermarket PTO upfit shown.

C HIGH-ENERGY FRICTION PLATES are engineered with fluid lube paths to help improve cooling and wear resistance while minimizing torque loss.

D BIGGER AND STRONGER GEARS have a lower 1st-gear ratio for improved launch performance and uncompromising durability.

E HIGH-CAPACITY, HIGH-EFFICIENCY FLUID FILTER extends fluid- and filter-change intervals up to 150,000 miles.

- **PROVEN POWER FLOW** provides seamless shifting and a double-overdrive to help keep you in the power sweet spot for optimum performance and fuel economy.

- **HIGH-STRENGTH SINTER-METAL CARRIER** with patented Ford rocker one-way clutch is designed to easily handle the enormous low-end torque of the diesel engine and the high speeds of the gas engine.

HEAVY-DUTY

to **HARNESS** all the power.

Ford TorqShift® 6-Speed SelectShift Automatic™

Blending the control of a manual with the convenience of an automatic, the SelectShift Automatic allows you to use its **FULL MANUAL MODE** to lock the torque converter and hold your chosen gear. Or utilize the **PROGRESSIVE RANGE SELECT** mode to lock out upper gears when the truck is heavily loaded or when towing on grades. Your options are open.

Designed, engineered and built by Ford, this heavy-duty transmission is filled with innovations, including an **ENHANCED TOW/HAUL MODE** that provides better control while hauling heavy loads or towing trailers, especially when descending steep grades. And it's all been proven over **10 MILLION MILES OF CUMULATIVE TESTING**.

2011 SUPER DUTY® CHASSIS CAB

commtruck.ford.com

26,500^{LBS.} of POWERFUL POTENTIAL.

F-550 XLT 4x4 SuperCab in Oxford White with available and aftermarket equipment

More Towing Capability Than Ever.

Some jobs require more than a great upfit, like when you've got additional equipment to get to the site. With a maximum towing capacity of 26,500 lbs.¹ the Super Duty[®] Chassis Cab tows up to **7.7% MORE THAN LAST YEAR**. To help you keep track of your load, telescoping trailer tow mirrors are standard on every model. The available **CLASS-EXCLUSIVE POWERSCOPE™ TRAILER TOW MIRRORS** adjust, fold and telescope at the touch of a switch. They also feature heated glass and manually adjustable spotter mirrors. These and other smart features help Super Duty deliver **ULTIMATE TOWING CONFIDENCE AND CONTROL**.

The available factory-integrated **TRAILER BRAKE CONTROLLER** uses braking input, vehicle speed and ABS logic to balance the performance of the truck brakes and electric trailer brakes.² Output, gain levels and connection status display in the message center.

ENHANCED TOW/HAUL MODE on the diesel powertrain manages gear selection to help keep the engine in its power band for optimal performance while towing and hauling. Fully integrated with the diesel engine calibration, it allows engine braking at higher engine speeds.

TRAILER SWAY CONTROL (shown),³ standard on SRW models, uses a yaw motion sensor to monitor the motions of your truck and detect trailer sway. When trailer sway is detected, the system can automatically react by selectively braking, helping you **MAINTAIN CONTROL** of both the truck and the trailer. On DRW models, the standard driver-selectable engine-only traction control function can automatically step in to reduce power when it detects a loss of traction.

¹When properly equipped. ²Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on trailer sway control, visit ford.com.

2011 SUPER DUTY[®] CHASSIS CAB

commtruck.ford.com

TOUGHNESS

you can **TRUST.**

Solid Foundation for Extreme Adaptability.

The 2011 Super Duty® Chassis Cab is Built Ford Tough® with the versatility to support a huge range of applications. And it's backed by **60+ YEARS OF HARDWORKING EXPERIENCE** in the field. Regular Cab, SuperCab or Crew Cab. Flexible seating configurations. Factory-installed upfitter switches and manually telescoping trailer tow mirrors – just a couple of its valuable standards. Rest assured, whatever challenges your work involves, Ford offers a Super Duty Chassis Cab designed to rise to the occasion.

A FUEL TANK OPTIONS include an available 28-gallon midship tank or an available dual setup (diesel engine-equipped DRW) that gives you two tanks to provide 68 gallons of total fuel capacity – more than a 15% increase over last year.

B STANDARD 4-WHEEL ANTI-LOCK BRAKE SYSTEM (ABS) uses vented rotors and dual-piston calipers for consistent stops, even with the heaviest loads.

C OPEN C-CHANNEL CONSTRUCTION includes industry-standard 34-in. frame-rail spacing and straight frame rails behind the cab to accept a broad range of aftermarket bodies.

D LOW-CAB DESIGN optimizes the Super Duty Chassis Cab for a wide array of over-cab upfits.

E DUAL ALTERNATORS WITH 357-AMP RATING are optional with the 6.7L Turbo Diesel engine; they provide 11.5% more peak amperage than the previous generation.

F IMPROVED STEERING SYSTEM on F-350 4x2s is symmetric left to right for more precise response with better on-center steering and control.

INTELLIGENT OIL-LIFE MONITOR™ (on diesel) tracks oil temperature, filter regeneration cycles, engine idle hours and mileage, then alerts you when it's time to change the oil.

2011 SUPER DUTY® CHASSIS CAB

commtruck.ford.com

MOST EFFICIENT MOBILE OFFICE in its class.

Class-Leading Storage Solutions And Much More.

With its collection of available technologies, **BEST-IN-CLASS INTERIOR STORAGE** possibilities, including the **MOST LOCKABLE STORAGE**, and the most power access available in the class (up to 6 locations), Super Duty® is built to help you take care of business. A steadfast favorite of those determined to work regardless of the weather, the available **RAPID-HEAT SUPPLEMENTAL CAB HEATER**¹ helps raise the cabin temp so you and your crew can warm up even when it's downright frigid outside.

XLT in Steel Cloth with Ford Work Solutions In-Dash Computer and other available equipment

Only the toughest name in trucks offers these smart tools for your tough jobs. The available **INTERNET-CAPABLE IN-DASH COMPUTER** features Garmin® navigation, hands-free calling and a convenient touch screen with wireless keyboard. From spreadsheets to surfing the web, it helps tackle your workload and ease your day.² Take advantage of the available **CREW CHIEF™** fleet management system² from Microlise™ to track your vehicles and keep them in shape with optional diagnostic/maintenance reports.³ This beneficial system can be accessed from the Ford Work Solutions™ in-dash computer, or any computer connected to the Internet.

FRONT LOCKABLE UNDER-SEAT STORAGE with a 12-volt powerpoint is included on the available 40/20/40 split front seat on XLT and LARIAT.

110-VOLT POWER OUTLET is located on the back of the available flow-through center console. Standard on LARIAT; optional on XLT.

Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details.

¹Optional on models equipped with the 6.7L Power Stroke™ V8 Turbo Diesel engine ²Some features are unavailable while driving. Not available with SYNC® or Sirius® Satellite Radio. See your dealer for details. ³Service fee required.

MODELS

F-350

MAXIMUM CAPABILITIES¹

5th-Wheel Towing: 16,500 lbs.

Conventional Towing: 15,000 lbs.

Payload: 7,522 lbs.

GCWR: 24,500 lbs.

GVWR: 13,000 lbs.

Front GAWR: 5,250 lbs. (4x2); 6,000 lbs. (4x4)

EQUIPMENT CONFIGURATIONS

Engines: 6.2L Gas V8 Flex Fuel E85-capable
6.7L Power Stroke® V8 Turbo Diesel B20-capable

Drivelines: 4x2 or 4x4 ■ Single Rear Wheel or Dual Rear Wheel

Bodies: Regular Cab, SuperCab, Crew Cab

Trim Series: XL, XLT, LARIAT

F-450

MAXIMUM CAPABILITIES¹

5th-Wheel Towing: 21,500 lbs.

Conventional Towing: 16,000 lbs.

Payload: 9,976 lbs.

GCWR: 30,000 lbs.

GVWR: 16,500 lbs.

Front GAWR: 7,000 lbs.

EQUIPMENT CONFIGURATIONS

Engines: 6.8L Gas V10
6.7L Power Stroke V8 Turbo Diesel B20-capable

Drivelines: 4x2 or 4x4 ■ Dual Rear Wheel Only

Bodies: Regular Cab, SuperCab, Crew Cab

Trim Series: XL, XLT, LARIAT

F-550

MAXIMUM CAPABILITIES¹

5th-Wheel Towing: 26,500 lbs.

Conventional Towing: 16,000 lbs.

Payload: 12,761 lbs.

GCWR: 35,000 lbs.

GVWR: 19,500 lbs.

Front GAWR: 7,000 lbs.

EQUIPMENT CONFIGURATIONS

Engines: 6.8L Gas V10
6.7L Power Stroke V8 Turbo Diesel B20-capable

Drivelines: 4x2 or 4x4 ■ Dual Rear Wheel Only

Bodies: Regular Cab, SuperCab, Crew Cab

Trim Series: XL, XLT, LARIAT

PICKUP BOX DELETE

Available on F-250 and F-350 Pickups with long wheelbases only. Includes 16K trailer hitch receiver (trailer tow rating limited to 12.5K lbs.). Deletes pickup box, tie-down hooks, bodyside moldings, rear bumper, spare wheel, tire, carrier and jack.

STANDARD FEATURES

MECHANICAL

90,000-mile tune-up interval² (gas engines)

Auxiliary rear springs

Battery saver

Brakes – Hydro-boost (SRW diesel and all DRW)

Brakes – Vacuum-boost (SRW gas)

Engine-only traction control (EOTC) (DRW only)

Fail-Safe Engine Cooling System (gas engines)

Front and rear stabilizer bar

Fuel tank – 28-gallon midship (SRW)

Fuel tank – 40-gallon aft-of-axle (DRW)

Power steering

Stainless steel exhaust system (major components)

Stationary Elevated Idle Control (SEIC)³

Steering damper

Trailer sway control (SRW only)

Trailer tow prep includes 7-wire harness (blunt cut) with relays

INTERIOR

Assist and ride handles

Coat hooks – 1 (Regular Cab); 2 in rear of cab (SuperCab and Crew Cab)

Dome light (front and rear with Crew Cab)

Flip-open rear quarter windows (SuperCab)

Overhead console with garage door opener storage and sunglasses storage (SuperCab and Crew Cab)

Powerpoints located on instrument panel (2)

Tilting/telescoping steering column

Upfitter switches located on instrument panel (4)

EXTERIOR

“3-Blink” lane change signal

Dual-beam jewel-effect headlamps

Front step bumper

Front tow hooks (2)

Roof clearance lamps

Solar-tinted glass

Underhood service lamp

Windshield wipers – Intermittent

SAFETY & SECURITY

4-wheel power disc brakes with Anti-Lock Brake System (ABS)

AdvanceTrac® with RSC® (Roll Stability Control™) (SRW only)

Belt-Minder® front safety belt reminder

Brake/shift interlock

Child-safety-seat top tether anchors (Regular Cab front passenger and all rear-seat positions)

Driver and right-front-passenger front airbags⁴

Front-seat side airbags⁴

Fuel pump inertia shutoff switch

Headlamps-on, key-in-ignition and door ajar alert chimes

Height-adjustable safety belts at front-outboard positions

Passenger airbag deactivation switch (Regular Cab, SuperCab)

Safety belt energy-management retractors at front-outboard positions

Safety Canopy® System with side-curtain airbags⁴

for all rows and rollover sensor

Side-intrusion door beams

SOS Post-Crash Alert System™

OPTIONAL PACKAGES

16,000-lb. GVWR Package (F-450 only)

Ambulance Prep Package (Fleet only) includes dual alternators (combined 357 amps), standard-width axle with F-350 SRW, and wide-track limited-slip axle with F-350 DRW (restrictions apply)

Extra-Heavy-Service Front Suspension Package includes 2-up front springs upgrade (unless maximum springs have been computer selected as included equipment; restrictions apply)

Heavy-Service Front Suspension Package includes 1-up front springs upgrade (unless maximum springs have been computer selected as included equipment; restrictions apply)

High-Capacity Trailer Tow Package (F-450/F-550 only) includes 30,000-lb. GCWR for F-450 and 35,000-lb. GCWR for F-550 and upgraded rear-axle gear set (trailer brake controller not included; restrictions apply)

Low Deflection Package (F-450/F-550 only) includes 2-in. spacer blocks; recommended for rear-biased loading (restrictions apply)

Payload Downgrade Package (F-450/F-550 only) includes a 15,000-lb. GVWR rating for F-450 and a 17,500-lb. GVWR rating for F-550

Payload Upgrade Package (F-350 SRW only) increases GVWR for increased payload range (requires 18-in. wheels and tires)

Payload Upgrade Package (F-550 with 141-in. WB; requires 6.8L engine and 4.88 limited-slip rear axle) increases GVWR to 19,000 lbs. and includes upgraded frame and rear axle

Payload Plus Upgrade Package (F-550 only) increases GVWR to 19,500 lbs. and includes upgraded frame, rear axle and springs (restrictions apply)

Snow Plow Prep Package includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only (restrictions apply)

Trailer Tow Package includes aftermarket trailer brake wiring kit (trailer brake controller not included; restrictions apply)

¹When properly equipped. ²Under normal driving conditions with routine fluid and filter changes. ³Final-stage manufacturer must supply control switches.

⁴Always wear your safety belt and follow airbag warning label instructions. Passenger airbag may be deleted.

commtruck.ford.com

STANDARD FEATURES

XL

Includes all standard features, plus:

MECHANICAL

6.2L SOHC 2-valve Gas V8 Flex Fuel E85-capable engine (F-350)

6.8L SOHC 3-valve Gas V10 engine (F-450/F-550)

TorqShift® Heavy-Duty 6-speed SelectShift Automatic™ transmission (F-350)

TorqShift 5-speed automatic transmission (F-450/F-550)

17-in. *argent*-painted steel wheels (F-350)

LT245/75R17 all-season BSW tires (F-350)

19.5-in. *argent*-painted steel wheels (F-450/F-550)

225/70R19.5G all-season BSW tires (F-450/F-550)

Manual 4-Wheel-Drive System with manual locking hubs (4x4 models only)

SEATING

HD vinyl 40/20/40 split front seat with armrest, cupholders and storage

60/40 split flip-up rear bench seat (SuperCab only)

60/40 flip-up/fold-down rear bench seat with outboard and center head restraints (Crew Cab only)

Manual lumbar support for driver seat

INTERIOR

AM/FM stereo with digital clock and 2 speakers

Black urethane steering wheel

Black vinyl floor covering

Manual air conditioning

Manual day/night rearview mirror

Manual door locks and windows

Multifunction message center plus trip computer includes 3-button steering wheel switch, odometer, trip odometer, engine-hour meter, distance to empty, average fuel economy, oil-life monitor, warning messages, system check, language selection and Ice Blue™ lighting

Visors with passenger mirror

EXTERIOR

Black bar-style grille

Black door handles

Black-painted front bumper with grained top cover

Manually telescoping trailer tow mirrors with 2-way fold and manual glass

XLT

Includes select XL features, plus:

MECHANICAL

Integrated trailer brake controller

17-in. 5-spoke cast-aluminum wheels (F-350 SRW)

SEATING

40/20/40 split front seat with center under-seat lockable storage with 12-volt powerpoint and center armrest with cupholders and storage

60/40 split flip-up/fold-down rear bench seat with bag hooks, dual integrated cupholders and tray, outboard head restraints, center head restraint and under-seat partitioned lockable storage with 12-volt powerpoint (Crew Cab only)

INTERIOR

Accessory delay for power features

AM/FM stereo/single-CD player with MP3 capability, digital clock and 4 speakers

Auxiliary audio input jack

Color-coordinated floor covering (carpet)

Color-coordinated floor mats (carpet)

Cruise control

MyKey® owner controls feature

Power door locks

Power windows with one-touch-down driver's side window feature

Visors with covered driver and passenger mirrors

EXTERIOR

Chrome bar-style grille

Chrome front bumper with grained top cover

Manually telescoping trailer tow mirrors with 2-way fold, power/heated glass, heated manual spotter mirrors, and integrated clearance lamps and turn signals

Perimeter anti-theft alarm

Privacy glass (rear doors and rear window)

Remote Keyless Entry System with 2 integrated keyhead transmitter remotes

LARIAT

Includes select XLT features, plus:

MECHANICAL

6.7L Power Stroke® V8 Turbo Diesel B20-capable engine (F-450/F-550)

TorqShift Heavy-Duty 6-speed SelectShift Automatic transmission (F-450/F-550)

Electronic Shift-On-the-Fly (ESOF) 4-Wheel-Drive System with auto/manual locking hubs (4x4 models only)

18-in. 6-spoke cast-aluminum wheels (F-350 SRW)

17-in. forged polished-aluminum wheels (F-350 DRW)

19.5-in. forged polished-aluminum wheels (F-450/F-550)

SEATING

Premium leather-trimmed 40/console/40 front bucket seats and flow-through center console with lockable storage, two 12-volt powerpoints and a 110-volt power inverter

Power 10-way driver and front-passenger seats

INTERIOR

Auto-dimming rearview mirror with compass

Color-coordinated leather-wrapped steering wheel with secondary audio controls

Driver-configurable enhanced information center with 4.2-in. LCD productivity screen includes gauge setup, trip computer, fuel economy and towing/off-road applications, SelectShift controls, halo lighting, daytime illumination, and 5-button steering wheel-mounted switch

Dual-zone electronic automatic temperature control

Ford SYNC® voice-activated, in-vehicle connectivity system

Premium Sound System AM/FM stereo/single-CD player with MP3 capability, digital clock and 8 speakers with subwoofer

Sirius Satellite Radio with 6-month trial subscription

Visors with illuminated driver and passenger mirrors

Woodgrain-style instrument panel accents

EXTERIOR

Autolamp with rainlamp feature

Body-color door handles

Fog lamps

Power-sliding rear window with privacy glass

PowerScope™ power-telescoping/-folding trailer tow mirrors with power/heated glass, heated manual spotter mirrors, and integrated clearance lamps and turn signals

SecuriCode™ keyless entry keypad

New Vehicle Limited Warranty. We want your Ford F-Series Super Duty® Chassis Cab ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. The Power Stroke diesel engine gets 5-year/100,000-mile Warranty Coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Business Preferred Network. Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly.

Financial Services. Our commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLeaseSM programs offer a wide variety of package options to meet your needs. For additional information, please visit our website at fordcredit.com/comlend/.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Comparisons based on 2010 competitive models (class is Chassis Cab trucks under 22,000 lbs. GVWR), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional and aftermarket upfit equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capability ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account.

XL OPTIONAL FEATURES

MECHANICAL

- 6.7L Power Stroke® V8 Turbo Diesel B20-capable engine
- Electronic Shift-On-the-Fly (ESOF) 4-Wheel-Drive System with auto/manual locking hubs (4x4 models only; n/a with 6.8L gas engine)
- 17-in. 5-spoke cast-aluminum wheels (F-350 SRW)
- 17-in. forged polished-aluminum wheels with bright hub covers – 4 (F-350 DRW)
- 18-in. argent-painted steel wheels – 4 (F-350 SRW)
- Stainless steel wheel covers¹ (requires 17-in. argent-painted steel DRW wheels or 19.5-in. argent-painted steel wheels)
- LT245/75R17 all-terrain BSW tires – 6 (F-350 SRW or DRW)
- LT275/65R18 all-season BSW tires – 4 (F-350 SRW)
- LT275/70R18E all-terrain BSW tires – 4 (F-350 SRW 4x4 only)
- 225/70R19.5G BSW traction tires – 2 all-season tires and 4 traction tires (F-450/F-550)
- 225/70R19.5G max traction BSW tires – 6 (F-450/F-550 4x4 only)
- CNG/LPG-fuel capable engine (F-450/F-550 only)
- Dual alternators with 357-amp total (diesel engine only)
- Engine block heater (standard in 15 cold-weather states)
- Fuel tank – 28-gallon midship (n/a w/189-in. WB Regular Cab or 200-in. WB Crew Cab with gas engines)
- Fuel tank – Dual tanks (40-gallon aft-of-axle and 28-gallon midship; DRW diesel engine only; n/a with SYNC or in-dash computer)
- Hydraulic jack (2-ton for F-350 SRW; 4-ton for F-350 DRW; 6-ton for F-450/F-550)
- Integrated trailer brake controller
- Operator-commanded regeneration (diesel engine only)
- Power takeoff (PTO) provision (6.8L gas and 6.7L diesel engines only; includes transmission-mounted live drive and stationary modes with diesel engine only)
- Rear axle – Electronic-locking (F-350 SRW only)
- Rear axle – Higher-ratio (F-350 only)
- Rear axle – Limited-slip (DRW only)
- Spare tire/wheel/jack

SEATING

40/mini-console/40 front bucket seats (HD vinyl or cloth)

INTERIOR

- Air conditioning delete (Fleet only)
- AM/FM stereo/single-CD player with MP3 capability, digital clock and 4 speakers (Fleet only option; included with the XL Value Package)
- Auxiliary audio input jack (requires CD player)
- Cruise control (Fleet only)
- Ford SYNC® voice-activated, in-vehicle connectivity system (requires XL Value Package and steering wheel-mounted audio controls)
- MyKey® owner controls feature (requires Power Equipment Group and CD player)
- Radio delete (Fleet only)
- Rapid-heat supplemental cab heater (requires diesel engine and alternator upgrade)
- Steering wheel-mounted audio controls (requires SYNC)

EXTERIOR

- 6-in. angular Black molded cab steps
- Daytime running lamps (Fleet only)
- Exterior back-up alarm
- Manual-sliding rear window with privacy glass (Fleet only)
- Remote Start System (requires Power Equipment Group)
- Transfer case skid plate (4x4 SuperCab and Crew Cab only)

FORD WORK SOLUTIONS™

- In-dash Windows® CE computer with touch screen navigation and hands-free calling (restrictions apply)¹
- Crew Chief™ – Fleet tracking system (n/a with in-dash computer)¹

PACKAGES

- Power Equipment Group includes power door locks and front windows (plus rear on Crew Cab) with one-touch-down driver's side window feature; manually telescoping trailer tow mirrors with 2-way fold, power/heated glass, heated manual spotter mirrors, and integrated clearance lamps and turn signals; accessory delay; Remote Keyless Entry System with 2 integrated keyhead transmitter remotes; perimeter anti-theft alarm; and SecurILock®
- XL Décor Group includes chrome front bumper (bright hub covers and center ornaments also included on SRW only)
- XL Value Package includes AM/FM stereo/single-CD player with MP3 capability, digital clock, 4 speakers, cruise control, and chrome front bumper with grained top cover (bright hub covers and center ornaments also included on SRW only)
- See **OPTIONAL PACKAGES** section on page 9 for content of the following packages:
- 16,000-lb. GVWR Package (F-450 only)
- Ambulance Prep Package (Fleet only)
- Extra-Heavy-Service Front Suspension Package
- Heavy-Service Front Suspension Package
- High-Capacity Trailer Tow Package (F-450/F-550 only)
- Low Deflection Package (F-450/F-550 only)
- Payload Downgrade Package (F-450/F-550 only)
- Payload Upgrade Package (F-350 SRW only)
- Payload Upgrade Package (F-550 with 141-in. WB and 6.8L gas engine only)
- Payload Plus Upgrade Package (F-550 only)
- Snow Plow Prep Package (restrictions apply)
- Trailer Tow Package

¹F-350 DRW/F-450/F-550 weights shown are for 141-in. wheelbase Regular Cab or 176-in. wheelbase Crew Cab models. For 165-in., 189-in., 200-in. and 201-in. wheelbase models, weights may be somewhat less (usually not more than 200 lbs., or 400 lbs. with 201-in. wheelbase). ²Requires optional Payload Upgrade Package. **5th-Wheel Towing Notes:** Trailer weights shown assume 1,000 lbs. second-unit body weight. Be sure combined weight of vehicle and trailer does not exceed listed GCWR. Trailer kingpin weight should be 15-25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See your Ford Dealer for conventional trailer weights.
