INFINITI

EMPOWER THE DRIVE®

FINALLY, LIFE AND LUXURY ARE ON THE SAME PAGE

Only something stunning and intelligent could bring life and luxury together. Something like the 2020 INFINITI QX60, where family-first versatility and generous creature comforts form a vibrant collaboration. This is like no 7-passenger crossover you've ever driven. A second-row seat tilts and slides with a child seat in place,¹ so it's always easy to access the third-row. Rich leather² appointments are naturally soft yet durable enough for beach days. A dual screen rear entertainment system² keeps kids happy, while you enjoy music or conversation up front. When a premium crossover is as useful as it is elegant, you're at your best. Because it's not about luxury, but what you do with it that counts.

LUXURY SHOULD BE LIVED IN

^ ROLL WITH DISTINCTION **1** 18 X 7.5-inch Triple 5-Spoke Aluminum-Alloy Wheels **2** 20 X 7.5-inch 15-Spoke Aluminum-Alloy Wheels**

^ REVEALING THE SECRETS OF STYLE AND PERFORMANCE Let your eyes take in the dynamic lines and muscular shapes. Sense the possibilities from the rugged roof rails up top to the LED signature headlights and taillights front and rear, to the available 20-inch wheels at ground level. Feel the power from a 3.5-liter V6 engine with 295-hp transform to confidence with the added traction of Intelligent All-Wheel Drive that adapts instantly to changing conditions.^{2,3} As dramatic as it is to look at, the true power of QX60 is revealed in the test drive.

^ THE FLEXIBILITY WE ALL CRAVE When you become a parent, you learn to adapt. Choose the QX60 and you can load and unload passengers of all sizes in three rows. A tilting and sliding second-row creates a wide opening for easy third-row access.¹ If second-row passengers need more leg room, the seat slides back for an extra 5.5 inches of space. Have tall passengers in the third-row? Slide the seat forward and you'll gain valuable inches.

A 360° VIEW OF YOUR WORLD See all around your QX60 with the Essential Package. An INFINITI world's first, the Around View® Monitor with Moving Object Detection uses four cameras to give you one virtual composite 360° view from above as you park.^{2,4,5} Combined with the Front and Rear Sonar System,^{2,6} the system makes it easy to maneuver in tight spaces.

ROOM FOR SEVEN PERSONALITIES

Optimism is everywhere in the QX60. Created for family and friends, it welcomes all possibilities. We bring three rows of space and the versatility to configure seats to individual needs. You bring the suitcases, science projects, musical instruments, camping gear and everyone's best ideas. Our seven seats are a good fit for bold and imaginative personalities.

▼ WHO IS ENTERTAINING WHOM?

With the Theater Package,² your QX60 will turn into a family-friendly venue for movies and games. The system supports popular game consoles, providing a 120-volt outlet, plus HDMI and USB port.⁷

Two sets of wireless headphones mean the kids can listen to their media while you enjoy your music up front. Or take your turn in the back seat, and turn a long drive into a gaming challenge.⁷

Motion-Activated Liftgate^{2,8}

HELP FOR BUSY HANDS We've all been there. Arms full of bags and no one to open the trunk. That's about to change with the Sensory Package.² Simply swing your foot under the rear bumper and the Motion-Activated Liftgate^{2,8} automatically opens. Enjoy hands-free entry as well as the convenience of power return for folding third-row seats. With the push of a button, seatbacks easily return to their upright position.² When exiting, the Rear Door Alert,⁹ standard on 2020 models, can help remind you to check the rear seat after you've parked so you don't forget anything.

TECHNOLOGY LOOKS OUT FOR YOU As automotive technology becomes more advanced, we are striving to find new ways to anticipate the dangers around you. When you select either the ProASSIST or ProACTIVE Package,² you get INFINITI world's first technologies that automatically respond to vehicles you might have missed. Technologies like Backup Collision Intervention that alert you to and help brake for crossing traffic detected when backing up.¹⁰ Or Blind Spot Intervention[®] that uses sensors to help detect cars in your blind spot area and can intervene to help avoid a collision.¹¹

LANE DEPARTURE PREVENTION²¹
Helps keep your QX60 from unintentionally drifting out of the lane.

BACKUP COLLISION INTERVENTION¹⁰
Can detect obstructions behind you, then brake to help you avoid a collision.

FRONT AND REAR SONAR SENSORS⁶
Sensors help detect obstacles in front of, on the corners, and behind your QX60.

HOW TO FEEL SAFE IN YOUR QX60

TIPS FROM THE PROACTIVE PACKAGE

You can't notice everything around you, but your QX60 can sense, detect and respond to danger you might have missed. For example, you're driving behind a truck and a car in front of it – one that you can't see – suddenly decelerates. Predictive Forward Collision Warning¹⁵ can alert you to a potential collision, giving you time to brake. The ProACTIVE Package builds on this kind of innovation and gives you 12 more, like Intelligent Cruise Control (Full-Speed Range).¹⁹ Many are INFINITI world's first technologies, so you can feel confident knowing that you have advanced drive assist features on your side.
