ADVENTURE FULFILLED

RUBICON® SHOWN IN BILLET SILVER METALLIC

ALL WAYS AUTHENTIC

WRANGLER REMAINS THE TRAIL RATED® KING OF THE HILL IN BOTH ITS INCARNATIONS: THE ORIGINAL TWO-DOOR VERSION AND THE FOUR-DOOR WRANGLER UNLIMITED. GO FOR THE SMALLER FOOTPRINT AND TIGHTER TURNING DIAMETER OF THE TWO-DOOR WRANGLER, OR GO BIG WITH UNLIMITED'S INCREASED CARGO VOLUME, SEATING FOR FIVE AND TOWING CAPACITY (WHEN PROPERLY EQUIPPED). EITHER WAY, YOU'LL ALWAYS BE ABLE TO GO ANYWHERE, DO ANYTHING® WITH AUTHENTIC WRANGLER CAPABILITY AND STYLE.

UNLIMITED RUBICON® SHOWN IN BLACK AND SAHARA® SHOWN IN BAJA YELLOW

JEEP.COM

EXCEPTIONAL 4x4 CAPABILITY BREEDS AN UNSTOPPABLE SPIRIT

IT'S THE RECOGNIZED STANDARD FOR OFF-ROAD PERFORMANCE. EVERY JEEP® 4x4 THAT BEARS A TRAIL RATED® BADGE PROVES IT'S PASSED A SERIES OF GRUELING OFF-ROAD CAPABILITY TESTS. REST ASSURED YOUR TRAIL RATED JEEP WRANGLER WILL WORK HARD TO SAFELY NAVIGATE THE MOST DIFFICULT CHALLENGES MOTHER NATURE SETS BEFORE YOU.

TRAIL RATED PERFORMANCE TEST CATEGORIES

TRACTION Trail Rated traction helps you maintain controlled forward motion on snowy back roads and over icy urban bridges. You can climb steep sand dunes and master muddy two-tracks. Others may fear untamed terrain, but your Trail Rated Wrangler has the traction within to master all kinds of topography and driving conditions.

ARTICULATION Wrangler's suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation and wheel travel. This standard indicates that when one or more wheels are elevated, the Jeep 4x4 system helps the others stay on the ground longer to keep you moving.

MANEUVERABILITY Every Wrangler is born with the athletic ability to navigate narrow gaps, handle emergency situations and avoid cosmetic damage to underbody sills, thanks to precision steering and optimized wheelbases.

GROUND CLEARANCE Head out knowing that your Trail Rated Wrangler has optimized approach, departure and breakover angles designed to clear logs, rocks and uneven ground. Your undercarriage is protected, too, with forged skid plates that cover your vehicle's most valuable underbody elements.

WATER FORDING® Traverse that stream with confidence, thanks to additional electrical and body seals, plus a high air-intake location. Wrangler has the capability to safely manage in up to 30 inches of water.⁹ Always inspect all waterways before proceeding, just to make sure there are no unforeseen pitfalls.

FORGE AHEAD WITH THE HEART OF A HERO

WRANGLER'S HEROIC CAPABILITY NEVER LETS YOU DOWN. BECAUSE AT ITS VERY CORE RESIDES AUTHENTIC JEEP BRAND DNA. IT'S HERE WHERE TRUE COURAGE IS BORN, ALONG WITH THE DESIRE TO EXPLORE THE WORLD AND ALL IT HAS TO OFFER. FORGE AHEAD KNOWING THIS MOST-CAPABLE FREEDOM MACHINE ALWAYS HAS YOUR BACK.

UNLIMITED RUBICON® SHOWN IN BRIGHT WHITE

**PENTASTAR® 3.6L V6 ENGINE
WITH VARIABLE VALVE TIMING (VVT)**

This engine delivers the power to match Wrangler's legendary brawn. Boasting 285 horsepower with 260 lb-ft of torque, this efficient road master is cast from lightweight aluminum and sips regular-octane gas. Standard.

**5-SPEED AUTOMATIC TRANSMISSION
WITH AUTOSTICK**

Gain exceptional efficiency and out-of-the-gate performance. An aggressive first-gear ratio offers ample launch power without compromise. Electronically controlled engine torque helps you move smoothly through every gear. The AutoStick feature offers driver-selectable control to manually change gears. Available.

ROCK-TRAC® 4x4 SYSTEM

At the heart of the masterful capability of Wrangler Rubicon® beats one of the world's foremost four-wheel-drive systems. It delivers extreme rock-crawling ability, thanks to the 4:1 low-gear ratio. Rock-Trac's low crawl speed makes it easy to ascend or descend sharp hills and to crawl over obstacles. Available.

DIFFERENTIALS

Dana® 44 front and rear axles are equipped with Tru-Lok® locking differentials and offer the ultimate in traction. The front axle sway bar disconnect allows for better articulation off-road. Standard.

THERE'S NO BACKING DOWN WHEN WRANGLER'S GOT YOUR BACK. YOU'RE FORTIFIED TO TACKLE FORMIDABLE ROCK FORMATIONS AND ANYTHING ELSE THE ROAD AHEAD SENDS YOUR WAY.

TRU-LOK® LOCKING DIFFERENTIALS

Front and rear electronic-locking differentials balance speed between left and right wheels, maintaining forward momentum for the ultimate in traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. (Standard only on Rubicon.®)

ROCK-TRAC® TRANSFER CASE

A 4:1 low-gear ratio allows Wrangler Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. (Standard only on Rubicon.)

ROCK RAILS

Extra-tough body-mounted rails provide additional rocker panel protection. (Standard only on Rubicon.)

HEAVY-DUTY SUSPENSION

Solid axles with locating arms, track/stabilizer bars, coil springs, front steering damper and tunable monotube shock absorbers are firm at low speeds and more relaxed at higher speeds. (Standard on Sahara.® A performance suspension is standard on Rubicon.)

TWO-PIECE STRUCTURAL OIL PAN

A two-piece oil pan provides a steel lower portion for impact resistance and an upper aluminum section for improved weight savings.

DANA® 44 HEAVY-DUTY SOLID AXLES

Durability comes from heavy shafts, stiff housings, large pinion bearings and above-center pinion mountings for smoother, quieter operation. (Rear Dana 44 standard on all models. Front Dana 44 standard only on Rubicon.®)

BEST-IN-CLASS GROUND CLEARANCE?

Wrangler Rubicon runs over the competition with 10 inches of ground clearance, helped, in part, by its standard 32-inch BFGoodrich® off-road tires.

BODY-ON-FRAME DESIGN

Built with a frame that's fully boxed for strength, stiffness and durability.

KEEP STEERING ON COURSE

Wrangler features a steering linkage and a recirculating-ball steering gear. Its robust, cross-link geometry helps provide one of the stiffest possible linkage systems in a solid-axle platform for steering precision.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar disengages when driving under 18 mph in 4WD-low (4LO) mode. This allows the front suspension to travel up to 25 percent farther on Rubicon than Sport and Sahara® models. (Standard only on Rubicon.)

TORQUE TO TOW

Wrangler Unlimited can confidently tow up to 3,500 lb when properly equipped with the factory-installed Max Trailer Tow Group.

THE SEAT OF ADVENTURE

ENJOY A COMMANDING VIEW

Extreme capability is Wrangler's claim to fame, even within its roomy cabin. From the Jeep® brand steering wheel with hands-free communication⁹ and audio controls to a host of available features that offer an array of special luxuries, Wrangler's interior is designed to keep everyone traveling in the utmost comfort and style.

WITHIN WRANGLER'S DISTINCTIVELY STYLED CABIN, YOU SEE THE WORLD FROM A VERY REVEALING POINT OF VIEW. HERE, YOU'RE INVITED TO EXPLORE AND EXPERIENCE WITH WELCOME EASE. YOUR PURSUIT OF FREEDOM BECOMES SOMETHING MORE, AND IT ALL BECOMES YOU VERY WELL.

KEEP IT CLEAN

Grab the gear and dogs and head for the hills, with all the sand and dirt the great outdoors can offer. Wrangler's weather-resistant surfaces and wash-out interior with drain plugs give you full permission to go out and have some fun in the mud.

INNER GLOW

Convenient interior courtesy lights illuminate the front footwells and cup holders, while an electrochromatic rearview mirror automatically darkens to help eliminate the blinding glare of headlamps.

NEW 9-SPEAKER ALPINE® SOUND SYSTEM

The optional nine-speaker Alpine Premium Sound System creates a realistic sound stage by utilizing a high-powered eight-channel 552-watt amplifier, an eight-inch all-weather subwoofer, two tweeters and four 6.5-inch speakers – two located in the overhead sound bar. Alpine is known for offering outstanding tonal balance and definition.

ALPINE

BE SEATED

Heated front seats are a must-have feature when temps drop low, and you can option them on Wrangler. Wrangler's interior seat fabrics and comfort-designed seats stand up to all kinds of sitting down. With plenty of cushion and support, you've got more stamina to keep on going.

ENTERTAINMENT VALUE

Select the Uconnect® system that includes the features that will best rock your world. Connect your own device to the standard audio jack input and let your playlist create the mood. Available WiFi¹⁰ lets you keep in touch with what's going on in the virtual world, and add your own updates, too. The available Uconnect 6.5-inch touchscreen treats you to a wealth of intuitive features like voice recognition, navigation, climate control and so much more.

Uconnect

WHEN IT COMES
TO FRESH AIR,
KEEP YOUR
OPTIONS OPEN

SUNRIDER® SOFT TOP

Let the sun shine in with Sunrider's easy-to-use fold-back sunroof feature and special three-ply fabric that's quiet and watertight. Standard. A premium Sunrider Soft Top adds further durability and sound dampening, and includes an easy-to-wash dust blocker that helps keep your top in tip-top shape. Available.

FREEDOM TOP® HARDTOP

Strong, secure and available in either Black or the exterior paint color of your Wrangler Sahara® or Rubicon®. A three-piece modular design lets you bring in the sun as you see fit: remove either front panel or both, or leave them in place and remove the main rear top. A convenient storage bag is available at mopar.com.

FOLD-DOWN WINDSHIELD⁴

This unique feature is useful during off-roading, helping the driver to keep a clear eye on the trail ahead. Be sure to follow Owner's Manual instructions when you want to experience extreme fresh-air freedom by lowering the windshield.

LIKE YOU, WRANGLER IS A TRUE ORIGINAL.

REMOVE THE DOORS,⁴ FOLD DOWN THE WINDSHIELD⁴ AND OPEN THE SUNRIDER SOFT TOP. EXPERIENCE LIFE FROM A POINT OF VIEW THAT REMOVES ALL BOUNDARIES BETWEEN YOU AND THE WORLD.

REMOVABLE DOORS⁴

Full-framed doors with aluminum-forged hinges come standard on all models. Or opt for half-framed doors for the ultimate in open-air freedom.

HARDTOP REMOVAL TOOL KIT⁴

A complimentary tool kit is included with every hardtop Wrangler. It includes four tools to help make door, roof and bumper end (Rubicon Hard Rock) removal a snap.

THIS KIND OF
FREEDOM IS YOURS
FOR THE TAKING

THE UCONNECT® SYSTEM BRINGS A RANGE OF COMMUNICATION AND ENTERTAINMENT SERVICES STRAIGHT INTO YOUR VEHICLE, ALL BUNDLED TOGETHER WITHIN A ROBUST UCONNECT SYSTEM. WITH SO MANY CONVENIENT OPTIONS TO CHOOSE FROM, DISCOVER HOW YOU WOULD LIKE TO CONNECT AT DRIVEUCONNECT.COM

PHONE

Plans can change en route. Safely spread the word with a hands-free phone call. Pair up to your Bluetooth® enabled phone and voice commands² allow you to easily "call Judy" or "redial" as you keep both hands on the wheel. This clever system is also smart enough to synchronize with your Bluetooth-compatible phone's contacts¹ – up to 1,000 entries – every time you get into your vehicle.

WIFI

Put the power of high-speed Internet in your vehicle with Mopar® Web². Effortlessly connect any WiFi enabled device to the Internet at broadband speeds, making your vehicle a mobile hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar – it's all wireless. Subscription required; sold separately.

VOICE COMMAND³

It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM® Satellite Radio² channels, make calls, select navigation destinations or show local fuel prices. This "smart" technology can understand commands in English, French and Spanish.

NAVIGATION

Head out in the right direction with Uconnect and its available, enhanced GPS wayfinding systems. Opt for the Uconnect 730N radio for enhanced GPS navigation and destination entry via Voice Command². Find a local restaurant or attraction, and get directions with a simple request. Lane Assist and junction view are also displayed. The available Uconnect 430N (RHB) system features the notable Garmin® GPS intuitive interface and navigation with lane guidance. Your first five years of SiriusXM Traffic² service are included.

ENTERTAINMENT

Today's soundtrack? It can change moment by moment, and Uconnect follows your lead. Listen to your favorite playlist from a connected device, then flip to a news or comedy station or the latest sports scores. SiriusXM Radio² lets you tag, rewind and play favorite songs or artists. With SiriusXM you get every channel available on your satellite radio, along with the freedom to listen anywhere with SiriusXM Internet Radio. It doesn't get any better than this. Your first year of service is included. Visit www.siriusxm.com for all of the details.

SIRIUSXM TRAVEL LINK

SIRIUSXM TRAVEL LINK³

Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times and even local ski slope conditions. Your first five years of service are included.

COMMUNITY-MINDED WITH HIGH-TECH CONNECTIONS

Keep informed and in touch over every single mile. Wrangler's Uconnect® system puts a range of hands-free tools, entertainment and navigation at your service. And a standard audio input jack lets you connect compatible devices and stay in play all along the way. Wrangler and Uconnect give you plenty of choices to keep you connected.

UNLIMITED SAHARA® SHOWN IN ANVIL

BRING YOUR GEAR

BEHOLD AN EXTREMELY HEROIC AND VERSATILE CARRIER OF PEOPLE, PETS AND STUFF. WRANGLER UNLIMITED CAN CARRY UP TO FIVE ADULTS, WITH ROOM FOR GEAR STASHED BEHIND THE REAR SEAT. AND WHEN YOU NEED TO BRING ON BIGGER ITEMS, FOLD THE SEATS DOWN TO OPEN UP A FULL 70.6 CU FT OF CARGO CAPACITY.

Properly secure all cargo.

STOW YOUR STUFF You'll appreciate mesh net storage in all doors and a locking glove compartment for keeping smaller items secure and within reach.

LOCKABLE CENTER CONSOLE STORAGE With open-air freedom comes a safe place to store your goods. An inner tray helps keep things organized within the large bin.

REAR CARGO MAT AND STORAGE BIN A reversible cargo mat protects your carpet while a storage bin beneath the rear floor features a lift-out tray with convenient storage for door and hardtop bolts.

REMOVABLE* FOLD-AND-TUMBLE REAR BENCH SEAT Standard on two-door models, this seat easily tumbles with spring assist to make more room for cargo. Four-door models come standard with a split-folding rear seat.

*Available with standard 8-speaker system.

ALL ROADS LEAD TO PEACE OF MIND

WRANGLER'S STRENGTH AND POWER ARE A LARGE COMPONENT OF ITS ABILITY TO KEEP YOU AND YOUR PASSENGERS SAFE AND SECURE. THE HIGH-STRENGTH STEEL OF WRANGLER'S BODY WORKS FOR YOU 24/7, WHETHER YOU TRAVEL ON PAVED ROADS OR TWO-TRACKS. GO BOLDLY FORTH TO SAFELY SEE THE WORLD.

ADVANCED MULTISTAGE FRONT AIR BAGS⁶ These standard air bags⁶ provide nearly instantaneous occupant protection by matching air bag⁶ output to crash severity. Standard.

SUPPLEMENTAL FRONT SEAT-MOUNTED SIDE AIR BAGS⁶ Deploying from the outboard side of each front seat, these air bags⁶ enhance the protection of the driver and front-seat passenger in certain impacts. Each side air bag⁶ has its own sensor to trigger the air bag⁶ on the side where the impact occurs. Available.

SENTRY KEY[®] ENGINE IMMOBILIZER A unique embedded key code matched only to your vehicle helps keep your Wrangler safely where it belongs. Standard.

ELECTRONIC STABILITY CONTROL (ESC)¹³ This advanced system is designed to assist drivers in maintaining control of their vehicle at all times. It utilizes hydraulic brake assist, traction control, Electronic Roll Mitigation (ERM) and Trailer Sway Damping¹³ to constantly monitor driver input against the vehicle's actual course. If needed, ESC¹³ automatically brakes and/or reduces engine torque, while ERM estimates the potential for wheel lift, reducing engine power and applying brakes if needed. Trailer Sway Damping¹³ detects sway unique to trailering and engages the brakes to slow the vehicle, increasing brake force to one side of the vehicle to help counteract the sway from the trailer. ESC¹³ has three modes: Full-On, Partial-On (shuts off traction control) and Full-Off (ideal for off-road driving). Standard.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL Standard HSA works to prevent Wrangler from rolling when starting on an uphill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. The available Hill Descent Control is packaged with the 5-speed automatic transmission and diligently works to help Wrangler navigate steep declines at a steady and consistent speed.

ENERGY-ABSORBING FRONT-RAIL EXTENSIONS Collapsible hydroformed front-rail tips offer low-speed protection and can be serviced after impact events of up to 8 mph. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS) This system makes it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bag⁶ deployment. It also shuts off the flow of fuel to the engine. Standard.

HEATED POWER EXTERIOR MIRRORS Melt snow and ice off sideview mirrors as you warm up your interior. They also help to keep your mirrors icicle-free as you drive. Available.

AUTHENTIC JEEP, ACCESSORIES Make your Wrangler as unique as you are. With hundreds of parts to transform your Jeep® Wrangler and make it your own, Mopar® offers a wide variety of accessories, each one crafted for a custom fit. You won't have to guess if your part will fit correctly or worry if the color will match; when you go with the authentic quality of Mopar, you'll get it right the first time. Full satisfaction comes with knowing you're using original equipment designed by the same engineers who know your Wrangler inside and out. Mile after mile, you'll enjoy the fit, finish and style of Mopar, specifically made to last long and strong.

THE CORPS OF HARD CORE Mopar® and the Jeep® brand have forged a radical partnership resulting in a portfolio of factory-engineered products designed to enhance off-road performance. From winches to axles, from suspensions to rock rails, these extreme parts have been gathered together to make it easier to kick your off-road capability up a notch or three. The Mopar Off-Road division dedicates its full attention to developing this line of serious components that give hard-core Jeep 4WD enthusiasts the fortitude to go wherever the going gets tough.

(1) There simply are no other 4x4: convertibles, targas or removable top vehicles. (2) Based on comparable like vehicles Toyota FJ Cruiser, Nissan Xterra Pro-4x. (3) The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM; Weather Forecast, Current Conditions may not be available in all locations and features of individual systems will vary. Images shown are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous U.S.A. and DC. Our Sirius satellite service is also available in PR (with coverage limitations). Our internet radio service is available throughout our satellite service area and in AK and HI. (4) Be sure to follow all instructions in Owner's Manual for removal of top and doors and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (5) *Four Wheeler* magazine. (6) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (7) *Ward's 10 Best*. (8) Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (9) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (10) Mopar Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. (11) Phone must support Bluetooth Phone Book Access Profile (PBAP). (12) SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. (13) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.
