

# RC F

—  
LEXUS 2019

Unwavering performance standards.

Track-proven engineering.

Class-leading engine size!

Because crafting a performance vehicle  
to exceed all expectations means nothing  
if it doesn't lead to the experience  
of something greater.

The 2019 Lexus RC F.

—  
*Experience Amazing*

## The 2019 RC F

### RC F

467-horsepower<sup>2</sup> 5.0-liter V8. Eight-speed Sport Direct-Shift transmission with Manual-mode torque converter lockup in gears two through eight. Available Torque Vectoring Differential with Slalom, Track and Standard modes. F-Adaptive Variable Suspension with adjustable damping. Digital instrumentation with G-force display and lap-time counter. Speed-activated rear wing. Amazon Alexa<sup>3</sup> compatibility. Added iPhone<sup>4</sup> functionality via Apple CarPlay<sup>®4</sup> integration.

RCF shown in Nebula Gray Pearl // Options shown

Obsessively engineered for optimal aerodynamics, a low-set front fascia channels air through the vented hood, while signature F vented and flared fenders with front ducts channel airflow and help reduce brake fade.

RC F shown in Ultra White with Circuit Red leather interior trim (left), RC F shown with Stratus Gray leather and Black Carbon Fiber interior trim (right) // Options shown

RC F shown in Ultrasonic Blue Mica 2.0<sup>5</sup> // Options shown

Meticulously engineered from the ground up, the RC F boasts specialized manufacturing techniques like high-strength adhesive bonding, laser brazing, and multi-spot and laser screw welding, which add rigidity to help optimize handling stability and response.

RC F shown in Caviar // Options shown

The RC F was honed from the most dominating Lexus vehicles ever built, at tracks like Fuji Speedway and other iconic proving grounds. Through exhaustive testing and tuning, the RC F was painstakingly developed to provide an optimum balance of visceral power and control. Infused with the DNA of the RC F GT3<sup>6</sup> racing program, the 2019 RC F delivers razor-sharp handling with white-knuckle acceleration.

## TRACK BORN

From compulsive engineering that demands respect on the circuit comes impulsive performance for the road.

RC F shown in Ultrasonic Blue Mica 2.0<sup>5</sup> // Options shown

## POWERHOUSE OF PERFORMANCE

*The largest V8 in its class.<sup>1</sup> And the only one that's naturally aspirated.<sup>1</sup>*

---

Forged from the asphalt up, the RC F's specially tuned 467-horsepower<sup>2</sup> 5.0-liter V8 is not only the largest engine in its class,<sup>1</sup> it's an unprecedented feat of precision engineering. Making this powerful V8 even more stirring, it emits a throaty, specially tuned intake and exhaust sound as it screams to its impressive 7,300-rpm redline. The RC F's lightning-fast eight-speed Sport Direct-Shift transmission with downshift rev-matching features optimally positioned paddle shifters for split-second upshifts all the way to its 168-mph top track speed.<sup>2,7</sup>

4.4  
0-60 mph (sec)<sup>2,7</sup>

---

Engineering a deft performance vehicle to carve through slalom courses or dominate straightaways requires an optimal balance of innovative components, like lightweight titanium valves and high-strength, forged connecting rods. A brisk 4.4-second zero to 60<sup>2,7</sup> is the result.

RC F shown in Infrared<sup>5</sup> // Options shown

## UNPRECEDENTED LEVELS OF AGILITY

*Grab hold of the pavement  
with superior handling  
and enhanced response.*

Engineered to conquer the road, 70% of the lightweight double-wishbone-type front and multilink rear suspension components were designed specifically for the RC F. Delivering performance on demand, an advanced F-Adaptive Variable Suspension features variable levels of damping that can react to road conditions in real time, stiffening for enhanced response, based on the mode selected. Drive Mode Select offers five unique settings, including a Custom mode for the ultimate in driver personalization.

## MASSIVE STOPPING POWER OF BREMBO® BRAKES

Reining back a high-performance machine requires serious stopping power. With 14.9-inch front rotors clamped by massive six-piston aluminum monoblock Brembo calipers,<sup>8,9</sup> these high-performance brakes feature high-friction pads<sup>9</sup> and a fast-cooling, slotted rotor design to help reduce brake fade. For distinctive style, the available orange calipers feature an iconic F logo.

# 5

performance drive modes

RC F shown in Flare Yellow<sup>5</sup> // Options shown

For added agility, the RC F offers a Torque Vectoring Differential. Designed to improve performance with three driver-selectable modes—Standard, Slalom and Track—it can respond in one-thousandth of a second to vary torque distribution according to cornering conditions. By sending more power to the outside rear tire, it helps propel the RC F around turns for enhanced agility, while helping you to hold your line with ultimate precision.

RC F shown in Nebula Gray Pearl // Options shown

## PURE EXHILARATION ON DEMAND

*The RC F Performance Package delivers exclusive handling technology and carbon fiber components.*

Experience even more exhilaration with the RC F Performance Package's exclusive carbon fiber components, fabricated at the same workshop used to develop those on the world-renowned LFA supercar. With distinctive style and the same structural rigidity as standard steel components, the carbon fiber roof and speed-activated rear wing both help to reduce weight for more responsive handling.

For optimal performance and control, exclusive F-badged high-back sport seats embrace you from hip to shoulder. Their unique design is constructed to disperse body pressure, increase support, and help hold you firmly through turns. The stitching pattern on the seats was inspired by specially crafted athletic sportswear and is carefully calculated to help provide greater muscular support and grip in high-G situations.

## COMMAND AND CONTROL

Optimized for high-G circuit driving, exclusive precision-crafted sport seats grip you as firmly as you grip the road.

RCF shown in Infrared<sup>5</sup> // Options shown

## TRACK READY

*Exhilarates with race-inspired details.*

---

A bold digital tachometer keeps up with rapid revs in the gauge cluster, as a full-color LCD display shows drive mode, gear position, G-force, lap times and customizable displays. Large paddle shifters are positioned for faster gear changes, and a thick-grip steering wheel feels as if it were specifically molded to your hands. And, at speeds above 50 mph, the RC F deploys its speed-activated rear wing for additional downforce.

# UNCOMPROMISING TECHNOLOGY

From added iPhone<sup>®4</sup> functionality via Apple CarPlay<sup>®4</sup> integration to available Mark Levinson<sup>®</sup> surround sound, every innovation is designed to thrill.

The RC F doesn't just connect you to the road—it connects you, period. In addition to Amazon Alexa<sup>3</sup> compatibility and available onboard Wi-Fi<sup>™</sup> capability, it offers a large 10.3-inch high-resolution multimedia display with split-screen access and full-screen map view. The Remote Touchpad<sup>10</sup> is more than just a way to access multimedia and climate controls or available Navigation.<sup>11</sup> It features a large touch-surface area and intuitive operation via pinch, swipe and flick gestures<sup>10</sup>—just like your smartphone. Then, for sound without compromise, the available 17-speaker, 835-watt Mark Levinson<sup>®</sup> Premium Surround Sound Audio System<sup>12</sup> envelops occupants in three-dimensional sound that rivals even the finest home audio systems.

RC F shown with Apple CarPlay<sup>®4</sup> integration and Black leather interior trim // Options shown

## INNOVATION AT YOUR FINGERTIPS. AND BEYOND.

### LEXUS ENFORM

Lexus Enform<sup>13</sup> elevates connected technology and provides concierge-level convenience. From emergency assistance and a live response center agent, to the ability to start your engine remotely<sup>14</sup> through your smartphone, smartwatch or using the Lexus skill on Amazon Alexa-enabled<sup>3</sup> devices, our premium suite of connected technology offers peace of mind with every drive.

### APPLE CARPLAY®

With Apple CarPlay<sup>4</sup> compatibility, you can access the same familiar interface from your iPhone<sup>®15</sup> through the vehicle's multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri<sup>®16</sup> and get access to your favorite apps like Spotify<sup>®</sup>, Audible<sup>®</sup> and Apple Podcasts.<sup>TM17</sup>

### DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other Lexus features, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.<sup>®18</sup> Learn more about these complimentary services at [lexus.com/specialists](https://lexus.com/specialists).

### AMAZON ALEXA

Bring all the convenience of Amazon Alexa<sup>3</sup> on the road. Using only your voice, you can easily access thousands of the same skills you get with Alexa at home. Listen to audiobooks, stream Amazon Music,<sup>3</sup> make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa even syncs to your Navigation System<sup>11</sup> to provide on-the-go recommendations.

RC F shown with Black leather and Black Carbon Fiber interior trim // Options shown

## PEACE OF MIND, STANDARD

*Presenting Lexus Safety System+, an integrated suite of class-leading standard active safety equipment.<sup>1,19</sup>*

### PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

This system<sup>20</sup> is engineered to help detect a vehicle or a pedestrian<sup>21</sup> in the path of your Lexus under certain conditions. Should it detect a potential frontal collision, it's designed to automatically prepare Brake Assist<sup>22</sup> for increased brake force and, in some cases, can even automatically brake the vehicle to a stop.

### LANE DEPARTURE ALERT WITH STEERING ASSIST

This system<sup>23</sup> utilizes a camera to monitor visible lane markings. If an inadvertent lane departure, or potential departure due to swaying, is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

### HIGH-SPEED DYNAMIC RADAR CRUISE CONTROL

This system<sup>24</sup> uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. If you get closer than the preset distance, the throttle is automatically reduced and the brakes may be applied. As soon as the road ahead clears, your Lexus returns to its preset speed.

### INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams<sup>25</sup> offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

## STANDARD ON EVERY RC F

- LED headlamps and daytime running lights
- TORSEN<sup>®</sup> limited-slip rear differential<sup>27</sup>
- F-Adaptive Variable Suspension
- Speed-activated rear wing
- A 10-way power-adjustable driver's seat and eight-way front passenger's sport seat
- Rear-seat armrest with trunk pass-through
- NuLuxe<sup>®28</sup> interior trim
- Dual-zone climate control with interior air filter, smog sensor and automatic recirculation mode
- Electrochromic (auto-dimming) rearview mirror
- SmartAccess<sup>29,30</sup> with push-button Start/Stop
- B LFA-inspired instrumentation including G-force display and lap timer
- Drive Mode Select with Sport S/S+ and Custom modes
- Paddle shifters
- Remote Touchpad<sup>10</sup>
- Amazon Alexa<sup>3</sup> compatibility
- Lexus Enform App Suite 2.0<sup>13</sup>
- Lexus Multimedia System<sup>10</sup> with 7.0-in color display and compatible Scout<sup>®</sup> GPS Link<sup>13,31</sup> with MapStream<sup>™</sup> and TurnStream<sup>™</sup> modes. Complimentary for the first three years of ownership.
- Subscription-free Traffic and Weather updates via HD Radio<sup>™32</sup>
- Bluetooth<sup>®33</sup> and USB<sup>34</sup> smartphone connectivity
- Dynamic Voice Command<sup>35</sup> and Siri Eyes Free<sup>16</sup>
- Lexus 10-speaker Premium Sound System
- Lexus Enform Wi-Fi. Complimentary 4GB/one-year trial<sup>36</sup> is included.
- Lexus Enform Remote<sup>14</sup> app and Amazon Alexa<sup>3</sup> compatibility. Complimentary for the first year of ownership.
- Apple CarPlay<sup>®4</sup> integration
- Lexus Enform Safety Connect<sup>37</sup> and Service Connect<sup>38</sup>. Complimentary for the first 10 years of ownership.
- Lexus Safety System<sup>+19</sup>
- Backup camera<sup>39</sup>
- Eight standard airbags<sup>40</sup>
- Vehicle Dynamics Integrated Management<sup>41</sup>
- Complimentary maintenance services (please refer to the *Warranty and Services Guide* for details)

## INDIVIDUAL OPTIONS

- C Premium Triple-Beam LED headlamps
- Leather interior trim
- Intuitive Parking Assist<sup>42</sup>
- Power moonroof
- Orange Brembo brake calipers<sup>8,9</sup>

## ACCESSORIES

- D ILLUMINATED DOOR SILLS  
Illuminated door sills include a protective stainless-steel overlay.
- CARPET TRUNK MAT  
Keeps your trunk looking like new.
- ALL-WEATHER FLOOR LINERS<sup>43</sup>  
Tub-style perimeter design helps provide optimal protection and an ideal fit.
- CARGO NET  
An innovative cargo net with integrated storage pouch.
- REAR BUMPER APPLIQUÉ  
Helps protect your bumper from scratches, gouges and marring.
- PAINT PROTECTION FILM<sup>44</sup> BY 3M<sup>™</sup>  
Protects your car with a durable, nearly invisible urethane film.
- DOOR EDGE GUARDS  
Help protect your vertical door edges from dings and chips.

"Lexus is Kelley Blue Book's 2018 Best Overall Luxury Brand."<sup>45</sup>

-KELLEY BLUE BOOK

## PREMIUM PACKAGE

- Black Carbon Fiber interior trim
- Heated and ventilated front seats
- Lexus Memory System for power driver's seat, outside mirrors and steering wheel
- Blind Spot Monitor<sup>46</sup> with Rear Cross-Traffic Alert<sup>47</sup>
- Electrochromic (auto-dimming) outside mirrors with auto tilt-down in reverse
- Intuitive Parking Assist<sup>42</sup>
- Rain-sensing windshield wipers and water-repellent front-door glass

## PERFORMANCE PACKAGE

- Carbon fiber roof
- Carbon fiber speed-activated rear wing
- Torque Vectoring Differential

## NAVIGATION PACKAGE

- Navigation System<sup>11</sup> with DVD/CD player and 10.3-in color multimedia display
- Lexus Enform Dynamic Navigation<sup>13,35</sup> Complimentary for up to the first three years of ownership.
- Lexus Enform Destination Assist<sup>48</sup> Complimentary for the first year of ownership.

## NAVIGATION/MARK LEVINSON AUDIO PACKAGE

- Includes Navigation Package, plus:
- Mark Levinson<sup>®</sup> Premium Surround Sound Audio System<sup>12</sup>
- 17 speakers
- 835-watt Class-D amplifier
- Clari-Fi<sup>®49</sup> audio processing
- Auto-volume technology
- Machined-aluminum control knobs

## ALL-WEATHER PACKAGE

- Windshield wiper de-icer
- Headlamp washers
- Heated steering wheel

## WHEELS

*Forged alloy wheels by BBS add an edge.*

The largest standard forged wheels<sup>50</sup> in the class<sup>1</sup> make a statement while enhancing performance through increased strength and decreased weight.

**WARRANTY** Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *RC F Warranty and Services Guide* at your Lexus dealer for details.

**DISCLOSURES** **1.** 2019 RC F vs. 2018 competitors. Information from manufacturers' websites as of 3/12/2018. **2.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **3.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain Alexa functionality is dependent on smart home technology. Not all Amazon Alexa skills are available for in-vehicle use. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **4.** Apple CarPlay and iPhone are trademarks of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **5.** Ultrasonic Blue Mica 2.0, Infrared and Flare Yellow available for an additional charge. **6.** Racecars are not available to public. RC F GT3 racecar shown. **7.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **8.** Brembo is a registered trademark of Brembo S.p.A. **9.** High-friction brakes require periodic inspection and measurement as outlined in the *Warranty and Services Guide*. The pads and rotors are expected to experience greater wear than conventional brakes. Pad life may be less than 20,000 miles, and brake rotor life may be less than 50,000 miles depending on driving conditions. It is an inherent characteristic of materials and design of brake pads used in this high-performance brake system that brake noise/squeal may result. **10.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **11.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details. **12.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **13.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See [www.lexus.com/enform](https://www.lexus.com/enform) for details. **14.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Control is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Registration and app download are required. See usage precautions and service limitations in *Owner's Manual*. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyns/>. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **15.** iPhone is a registered trademark of Apple Inc. All rights reserved. **16.** Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc. **17.** Apple Podcasts is a trademark of Apple Inc. All rights reserved. Spotify is a registered trademark of Spotify Technology Holding. Audible is a registered service mark of Audible, Inc. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **18.** FaceTime is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **19.** LSS+ drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **20.** The LSS+ Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **21.** The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **22.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **23.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **24.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **25.** Intelligent High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **26.** 2019 EPA estimates. Actual mileage will vary. **27.** TORSEN® is a registered trademark of Zexel Torsen, Inc. **28.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **29.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **30.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.waloo.org](http://www.waloo.org). **31.** The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Lexus Customer Assistance Center at 800-255-3987 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **32.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **33.** Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **34.** May not be compatible with all mobile phones, MP3/WMA players and like models. **35.** Dynamic Navigation and Dynamic Voice Command are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyns/>. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Subscription required upon end of trial service period. See *Navigation System Owner's Manual* for additional details. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscriber agreement apply. **36.** The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **37.** Lexus Safety Connect is dependent upon an operative telematics device, a cellular connection and other factors outside of Lexus' control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. To learn about Lexus' data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyns/>. Stolen vehicle police report required to use Stolen Vehicle Locator. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **38.** Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyns/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **39.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **40.** All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **41.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **42.** Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **43.** Carpet and all-weather floor liners/mats are model-specific with model names. Floor liners/mats are designed for use in a specific model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner/mat must be secured with its fasteners. Do not install a floor liner/mat on top of an existing floor liner/mat. **44.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **45.** 2018 Kelley Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Strategic Insights. For more information, visit [www.kbb.com](http://www.kbb.com). Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. **46.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **47.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **48.** Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Use common sense when relying on this information. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyns/>. See *Owner's Manual* for additional details. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. **49.** Clari-Fi is a registered trademark of Harman International Industries, Inc. **50.** 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 15,000 miles, depending upon driving conditions.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See [www.lexus.com](http://www.lexus.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit [www.lexus.com](http://www.lexus.com). To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
