

2020 CORSAIR

ALWAYS BEGIN ON A BRIGHT NOTE

Expressive from every angle, the all-new 2020 Lincoln Corsair combines spirited agility with responsive adaptability for an exciting ride. Each time you approach, Corsair greets you with a warm embrace. Lincoln Signature Lighting glows beneath the headlamps, while illuminated welcome mats and backlit door handles extend an invitation. Within the airy 5-passenger interior, luxurious amenities and serene quietness await. You'll also enjoy unique elements like an illuminated Lincoln Star logo¹ shining down on the center console, and beautiful chimes created exclusively for Lincoln by the world-renowned Detroit Symphony Orchestra. Chart an exhilarating course for your future in Corsair.

¹Available feature.

BROADEN YOUR HORIZONS

Sweeping cityscapes are only the beginning. The interior of the all-new Corsair is designed to enhance every view. Its dramatic horizontal lines are accentuated by details like Pinstripe Aluminum or Paldao Wood.¹ Relax in your Perfect Position front seats¹ with Active Motion[®], heated and ventilated¹ settings, and 24-way adjustability. Then select from 5 massage settings with 3 intensity levels. You can customize the details you want to see on the Head-Up Display,^{1,2} from driving information to Adaptive Cruise Control¹ settings and more. On the right side of the Vision steering wheel, you'll find buttons for your music, phone and more that illuminate as needed to help guide you. There's even a wireless charging pad^{1,3} inside the center console. And each time you return, Corsair will recall your Personal Profile settings, whether you enter with the Intelligent Access fob or your Phone As A Key.^{1,4}

STAY INFORMED AND ENTERTAINED

SiriusXM[®] gives you ad-free music, plus sports, comedy, news and talk – inside your Corsair and on the go – with a 6-month All Access trial subscription.⁵ With the Voice-Activated Touchscreen Navigation System,¹ you'll also enjoy a 6-year subscription⁵ to SiriusXM Traffic and Travel Link[®] services.

¹Available feature. ²Don't drive while distracted. See owner's manual for details and system limitations. ³Qi wireless charging may not be compatible with all mobile phones. ⁴Requires feature activation. Not compatible with all smartphones. ⁵All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at <http://www.siriusxm.com>. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Lincoln vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase.

ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the Revel[®] Audio System¹ experience. Choose your level of immersion with personalized listening modes like "Stereo," "Audience" and "On Stage." In every mode, outstanding, multi-dimensional sound is delivered courtesy of 14 carefully placed speakers, advanced cabin correction tuning, QuantumLogic[®] Surround sound technology, and Revel Waveguides. You won't just hear the level of precision and musical accuracy – you'll feel it.

ENRICH YOUR TRAVELS

Whether you're making the most of some alone time or sharing a journey with friends, Corsair offers the functionality and flexibility you need to optimize every experience. A panoramic Vista Roof¹ with power sunshade lets you increase the spacious feeling inside the cabin at the push of a button. Heated¹ rear outboard seats help keep passengers cozy, no matter the forecast. And when the need arises, you can slide the rear seats forward 6" to take advantage of up to 34.0 cu. ft. of rear cargo space. That's enough room to carry 4 large suitcases,² while still seating 4 of your friends. To fold the rear seats back down, just press the EasyFold^{®1} release buttons and you'll have 57.6 cu. ft. of space to fill. Corsair even offers you effortless access to the cargo area, raising its hands-free liftgate¹ with just a kick of your foot beneath the rear bumper.

¹Available feature. ²Cargo and load capacity limited by weight and weight distribution.

TURBOCHARGE YOUR DAY

The all-new Corsair makes it easy with an all-turbocharged engine lineup. For an exhilarating ride, select the 295-horsepower¹ Turbocharged 2.3-liter I-4.² It's paired with an 8-speed SelectShift[®] automatic transmission and Intelligent all-wheel drive (AWD).² The standard 250-horsepower¹ Turbocharged 2.0-liter I-4 also pairs with the 8-speed, and your preference of front-wheel drive or Intelligent AWD.² Equipped with the 2.0-liter, Corsair has an EPA-estimated rating of 29 hwy mpg.³ No matter which engine you choose, Corsair offers smooth and effortless acceleration, plus hug-the-road performance, for an energetic and seemingly frictionless driving experience.

GLIDE EFFORTLESSLY

To help provide a smooth ride, Corsair features an Integral Bush Rear Suspension designed to absorb impacts and vehicle body motion in a way that helps make driving over most obstacles and road conditions as comfortable as possible. Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.⁴ Adaptive suspension² is another seamlessly integrated technology that helps isolate your vehicle from road imperfections, so you can enjoy every ride.

THRIVE WITH LINCOLN DRIVE MODES

Corsair puts the power to adapt right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode, and the system adjusts traction control, steering and pedal response, Intelligent AWD² and suspension settings,² even the sound of the engine, to help provide a remarkable driving experience. From Normal to Deep Conditions, beautiful animations on the digital instrument cluster help you make your selection, and Corsair takes care of the rest.

¹Horsepower ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. ²Available feature. ³EPA-estimated rating of 22 city/29 hwy/25 combined mpg, 2.0-liter FWD. Actual mileage will vary. ⁴Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ELEVATE ITS EXPRESSIVE AESTHETIC

Inspired by human beauty and movement, the S-curves of the Corsair body establish its seductive form and give it the sense of a moving sculpture. The Reserve Appearance Package comprises a unique upper grille design, body-color bumpers and rocker panels, and elegant 20" ultra bright-machined aluminum wheels with Magnetic-painted pockets – all designed to enhance the confident grace of your Corsair.

FIND YOUR INNER PEACE

Imagine a space in which the sights and sounds you experience gracefully harmonize, offering you a new path to tranquility. The all-new Corsair is designed to be that place – where quietness is both heard and seen. A sound-dampening dual-wall dash, an Integral Bush Rear Suspension design, and Active Noise Control each do their part to help provide you with a comfortable space in which to converse, enjoy your music or just bask in the serenity. The visual horizontality of the interior design and its details also evoke a sense of sanctuary.

VENTURE BEYOND BLUE

Evocative of the gorgeous hues of the Mediterranean Sea, the Beyond Blue Interior Package features premium leather-trimmed seating and more, set within a dramatic environment of Beyond Blue and Ebony elements. Cashmere Pinstripe trim artfully accentuates the horizontal nature of the interior design, while bright scuff plates inside the cargo area add a gleam reminiscent of sunshine on tropical waters. Travel in a setting that sets you apart – Beyond Blue.

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Corsair, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 8" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone[®] or Android Auto^{™2} for your Android[™] smartphone.

LINK: TO WHAT MATTERS MOST

Corsair also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.^{®3} The system works with your Lincoln Way[™] App⁴ and many others. You can use it with the Waze^{™5} community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app,⁶ so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Corsair.

CONNECT: WITH IN-VEHICLE WI-FI

Since Corsair has the ability to seat up to 5 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect^{™7} with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once.⁸ So everyone can enjoy their favorites – from inside of Corsair and up to 50' away.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY | LINCOLN WAY APP | WAZE | LINCOLN+ALEXA | 4G LTE WI-FI HOTSPOT CAPABILITY

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires device with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ³Commands may vary by phone and AppLink software. ⁴Available via download and compatible with select smartphone platforms. Learn more at lincolnway.com. Message and data rates may apply. ⁵Waze is available via iPhone with SYNC 3 and on Android Auto. Commands may vary by phone and AppLink software. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ⁶Don't drive while distracted or while using handheld devices. Use voice controls. Certain Alexa functionality is dependent on smart phone and home technology. ⁷Certain restrictions, 3rd-party terms and data rates may apply. See footnote 3 on the page titled "Standard Features," and your Lincoln Dealer for details. ⁸Don't drive while distracted or while using handheld devices. Use voice controls.

STANDARD LINCOLN CO-PILOT360™

From help lighting up the night to staying on course, taking the guesswork out of what's behind your vehicle and more, every Corsair driver can benefit from our Lincoln Co-Pilot360 suite of driver-assist technologies,¹ which includes:

- AUTO HIGH-BEAM HEADLAMPS
- BLIND SPOT DETECTION WITH CROSS-TRAFFIC ALERT
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
- REAR VIEW CAMERA

LINCOLN CO-PILOT360 PLUS

A number of driver-assist technologies¹ are conveniently packaged together as Lincoln Co-Pilot360 Plus,² including Adaptive Cruise Control with Traffic Jam Assist, which combines Stop-and-Go, Lane Centering, and Speed Sign Recognition, to help keep your travels as seamless as possible. Lincoln Co-Pilot360 Plus includes:

- 360-DEGREE CAMERA
- ACTIVE PARK ASSIST PLUS
- ADAPTIVE CRUISE CONTROL WITH TRAFFIC JAM ASSIST
- EVASIVE STEERING ASSIST
- FORWARD SENSING SYSTEM
- REVERSE BRAKE ASSIST

JOURNEY WITH CONFIDENCE

Our extensive collection of driver-assist technologies^{1,2} utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the all-new 2020 Lincoln Corsair.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature.
