Time is the ultimate luxury, which is why Lincoln is dedicated to helping you spend more of yours the way you prefer. YOUR SERENE SANCTUARY AWAITS

Designed as your oasis from life's demands, MKT is blissfully quiet inside thanks in part to its acoustic-laminate windshield and front-door glass. A particulate air filter traps pollen and other irritants to help you breathe easy, while ambient lighting bathes the doors, cupholders and footwells in your choice of 7 soothing hues. Bridge of Weir™ leather, created using an organic tanning process, trims the comfortably contoured seats in the 1st and 2nd rows. You may also encounter this premium leather on fine furniture and inside of private jets.

As you take your place at the leather-wrapped, heated steering wheel, pause to admire the richness of the genuine wood accents. Then, adjust the Comfort 12-way power seat to your liking, taking advantage of the power-adjustable lumbar support, plus heated and cooled settings. Once established, your preferred positions for the seat, brake and accelerator pedals, tilt and telescoping steering column, and sideview mirrors can all be saved to memory by 3 different drivers. Then, MKT will recall them at the touch of a single button.

MKT offers a choice of seating for up to 6 or 7 people. Selecting the heated and cooled 2nd-row bucket seats¹ allows you to seat up to 6. With these, you can enjoy easy pass-through access to the 3rd row, or add a 2nd-row refrigerated console.¹ To carry up to 7 people, you'll want the 60/40 split 2nd-row bench seat, which features heat in the outboard positions and a fold-down armrest with dual cupholders in the center.

During your travels, tri-zone electronic automatic temperature control allows you, your front passenger and those in the 2nd row to select 3 different temperatures. Your 2nd-row riders can also pull the integrated sunshades over their windows for more privacy or to reduce the sun's glare. To keep everyone's mobile devices charged up, you'll find a 110V power outlet on the back of the 1st-row center console, plus 4 powerpoints located throughout the vehicle. And when evening falls, overhead lighting in all 3 rows provides illumination on demand. Living well and traveling well naturally go together in MKT.

Twin-Turbocharged 3.5-liter 24-valve V6

365 hp¹/350 lb.-ft. torque¹

SPIRITED IN ITS RESPONSE

Whether you're spending a whirlwind weekend touring your latest city of interest, or headed to an important business appointment, MKT rises to the occasion with 365 hp¹ and lively acceleration. The Twin-Turbocharged 3.5-liter V6 engine combines turbocharging, direct fuel injection, and twin independent variable camshaft timing (Ti-VCT) to help balance that performance with efficiency. MKT has an EPA-estimated rating of 21 hwy mpg.²

Discreetly mounted to the back of your steering wheel, you'll find paddle shifters that let you take control of the 6-speed SelectShift[®] automatic transmission whenever you'd like. Plus, every MKT features Intelligent all-wheel drive (AWD) to provide you with a dynamic driving experience – rain or shine.

To help isolate you from road imperfections, Lincoln Drive Control featuring Adaptive Suspension is standard on every MKT. Explore each of the 3 drive modes – Comfort, Normal and Sport – for a personalized ride. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel. Engaging Sport mode tightens suspension tuning and firms up steering calibration to help you feel effortlessly connected to your MKT and the road.

¹Horsepower and torque ratings achieved with 93-octane fuel. ²EPA-estimated rating of 15 city/21 hwy/17 combined mpg. Actual mileage will vary.
