

Exige

The Exige is instantly recognisable. It is a race-derived car designed to satisfy the demands of real driving fanatics.

Its styling is not just beautiful but also purposeful. The front splitter and fixed rear wing profiles on the Exige have been optimised in the wind tunnel to generate 19 kg of down-force at the front of the car and 22 kg at the rear when travelling at 100 mph (161 km/h).

The suspension has been fine-tuned to provide the Exige with more focused handling characteristics and complements its street-legal competition tyres. These have been specially developed in partnership with Yokohama to offer outstanding levels of traction.

The performance of the Exige is not just inspiring but also exhilarating. Powered by an advanced VVTL-i engine (Variable Valve Timing and Lift - intelligent) producing a maximum power output of 189 hp (192 PS) and 181 Nm (133 lbft) of torque, the Exige sprints to 60 mph in 4.9 gripping seconds. Capable of generating an outstanding 1.2g of lateral acceleration, the Exige is a car that demands to be driven.

	Fit
Powertrain Specification	
Mid-mounted, transverse, 1796 cm ³ , 2ZZ-GE engine, Metal Matrix Composite (MMC) & aluminium lightweight and compact construction, 4 cylinders in line, water cooled, naturally aspirated with double overhead camshafts exploiting a Variable Valve Timing & Lift-intelligent (VVTL-i) system, rocker arms with low friction followers, 4 valves per cylinder, multi-point sequential fuel injection, electronic ignition and electronic throttle control	S
C64 6-speed close ratio gearbox	S
Torque-sensing Limited Slip Differential	O
Lotus Traction Control System (TCS)	O

Performance	
0-60 mph	4.9 seconds
0-100 km/h	5.2 seconds
0-100 mph (0-160 km/h)	13.2 seconds
Max Speed	147 mph (237 km/h)
Max Power	189 hp (141 kW) (192 PS) at 7800 rpm
Max Torque	133 lbft (181 Nm) (18.5 kgm) at 6800 rpm
Combined Fuel consumption	32.1 mpg (8.8 l/100 km)
CO ₂ emissions	208 g/km
Unladen vehicle mass	875 kg

Vehicle Specification	
Dual passenger and driver airbags	S
Cross-drilled brake discs	S
ABS with servo assisted brakes	S
Y-type 8-spoke cast alloy wheels (Black)	S
Yokohama Advan A048 LTS tyres	S
Fully independent sport suspension utilising unequal length wishbones, Bilstein mono-tube gas dampers with uprated valving, uprated Eibach coaxial coil springs and front anti-roll bar	S

Exterior Specification	
Solid Paint	S
Metallic Paint	O
Lifestyle Paint	O
Premium Paint	O
Custom Paint	POA
3-piece rear diffuser with anodised finish (Black)	S
Clear sill stone chip protection film	S

	Fit
Interior Specification	
Senosoft 'soft touch' charcoal black paint finish dashboard	S
Engine starter button	S
Lightweight aluminium passenger foot-rest	S
Cloth ProBax seats (Black)	S
Acrylic capped door panels (Silver)	S
Cloth door inserts (Black)	S
Central door locking	S
Plain leather sun-visors (Black)	S
Glove dash panel (Black)	S
Lightweight aluminium foot-well divider	S
Plain/perforated leather steering wheel (Black)	S
Perforated leather gear-lever gaiter (Black)	S
Polished aluminium gear-knob	S
Polished aluminium handbrake sleeve	S
Radio and single CD/RW player with 4 speakers	S

Other cost options	
Air Conditioning	O
Torque-sensing Limited Slip Differential	O
Lotus Traction Control System (TCS)	O
Black, ultra light weight forged wheels with A048 tyres	O
Bilstein one-way adjustable dampers and ride height	O

Upgrade packs - please see brochure inserts for full details	
Touring Pack*	O
Sport Pack*	O
