

ZOOM-ZOOM

ALL CHILDREN INSTINCTIVELY KNOW IT.

A FEW ADULTS STILL REMEMBER IT.

ONE UNIQUE CAR COMPANY REFUSES TO OUTGROW IT.

IN GROWN-UP LANGUAGE, IT MEANS THE EXHILARATION
AND LIBERATION THAT COME FROM EXPERIENCING SHEER MOTION.

BUT AS USUAL, CHILDREN PUT IT MUCH BETTER.

AND SIMPLY CALL IT ZOOM-ZOOM.

WE PRACTICE IT EVERY DAY.

IT'S WHY WE BUILD THE KIND OF CARS WE DO.

MAZDA. ALWAYS THE SOUL OF A SPORTS CAR.®

DESIGNED AND ENGINEERED THE ZOOM-ZOOM WAY.

EVERY MAZDA IS THE RESULT OF AN INSPIRED INTERSECTION OF INSIGHTFUL ENGINEERING, STYLISH DESIGN AND SPIRITED PERFORMANCE. AND A PRIME EXAMPLE IS THE 2008 MAZDA5, A THOROUGHLY INGENIOUS MULTI-ACTIVITY VEHICLE SPECIFICALLY DESIGNED FOR YOUR ALWAYS-ON-THE-GO WAY OF LIFE. TRUTH IS, THANKS TO ITS ARRESTING GOOD LOOKS; AGILE HANDLING; FUEL-EFFICIENT 2.3-LITER ENGINE; AND SIX-PASSENGER, MULTICONFIGURABLE INTERIOR, THE STATUS QUO-DEFYING MAZDA5 CAN BE WHATEVER YOU WANT IT TO BE. AFTER ALL, IF THERE'S A SMARTER, MORE RELIABLE OR FUN WAY TO MAKE SOMETHING MOVE, MAZDA ENGINEERS ARE ALL OVER IT. WHICH IS WHY, AS WE CRAFT, TOOL, STITCH AND FIT TOGETHER YOUR NEW MAZDA5, WE HAVE ABSOLUTELY NO DESIRE TO TAKE ANY SHORTCUTS. AND AS A RESULT, NEITHER WILL YOU. IT'S THE ZOOM-ZOOM WAY.

IT'S RIGHT WHERE EVERYTHING ELSE ISN'T.

You know why great athletes can make even the most difficult plays look easy? It's their extraordinary combination of talent, agility and style. All qualities the MAZDA5 has in abundance. Talent? We're talking one-of-a-kind versatility here. Its sleek, athletic design; proven MAZDA3 architecture; and 4-wheel independent suspension make it far more agile than any big, boxy, gas-guzzling SUV could ever hope to be. Factor in the MAZDA5's engine-speed-sensing variable power assist and tight 34.8-ft turning circle, and you've got a fun-to-drive ride that's equally adept at taming a crowded street, open highway or tight parking spot. And as for style, well, just look. There's an aggressive new front end featuring an integral body-color grille and aerodynamic halogen headlamps. In addition, body-color dual remote outside mirrors and trick, five-spoke 17-inch alloy wheels impart a youthful, sporty look to an already striking silhouette. And, completing the picture in back—on both Touring and Grand Touring models—you'll even find a slick rear liftgate spoiler and clear-lens LED taillights. So if your game plan calls for a multitasking MVP, check out the 2008 MAZDA5. And discover why it's clearly in a league by itself.

FUEL EFFICIENCY EXPERT: The MAZDA5's 2.3-liter 16-valve 153-hp DOHC 4-cylinder engine delivers responsive performance—as well as outstanding fuel efficiency.

EXPECT SUPERB HANDLING: The combination of a precisely tuned, 4-wheel, fully independent suspension; front and rear stabilizer bars; and power-assisted rack-and-pinion steering gives the MAZDA5 quick, responsive handling.

TAKE FIVE: The MAZDA5 Sport comes with a slick-shifting 5-speed manual gearbox. A 5-speed Sport AT automatic transmission that combines the convenience of an automatic with the extra control and fun of a manual-shift mode is also available (and standard on the Touring and Grand Touring).

1

TABLE FOR TWO: The second row features a handy, center-mounted, foldout tray table with dual cup holders and underneath storage.

2

EASY ACCESS: To facilitate third-row passenger entry, both second-row seats boast a unique, one-touch "walk-in" feature. Having two large, easy-gliding rear doors is also a fantastic idea—especially when you're in a tight parking space, juggling shopping bags or carrying a large pizza.

FORM, FUNCTION AND FUN. ALL UNDER ONE STYLISH ROOF.

If you always knew what to expect, life would certainly be simpler. But of course, you never know what little surprises life is going to throw your way. Typically, they involve transporting various combinations of people and things that demand vanlike room and versatility. But you in a minivan? Never! Enter the MAZDA5. It's an ingenious Multi-Activity Vehicle that's unlike anything else on the road. Slimmer, sportier and way cooler than a minivan, the remarkable MAZDA5 is a master of multitasking. Better still, it's also one of the most fuel-efficient ways to get six people wherever they need to go. And whenever extra cargo space is needed, its two rows of independently folding second- and third-row seats instantly convert into a virtually flat cargo floor over five feet long. Loading and unloading passengers and/or cargo are a snap too, thanks to two expansive sliding-side-door openings and an ultralight liftgate with dual height positions. So whether your plans require transporting extra people, cargo, pets—or simply yourself—MAZDA5 is the stylish, fun-to-drive solution.

Please remember to properly secure all cargo.

A QUICK READ: Large, easy-to-read electroluminescent instrument gauges display vital information at a glance.

EASY-TO-FOLLOW DIRECTIONS: The fully integrated, touch-screen navigation system, available on the Grand Touring, features a full-color 7-inch screen that also provides intuitive control features for the in-dash 6-CD changer audio system.

EVEN WITHOUT CARGO, IT'S LOADED.

True to its Mazda DNA, the MAZDA5 Sport comes well-equipped for both work and play. Automatic climate control is standard—as are steering-wheel-mounted controls for the six-speaker AM/FM/CD audio system and the cruise control, plus an auxiliary-audio input jack for your MP3 player. Also standard are power windows, power door locks and dual power remote-controlled outside mirrors; electroluminescent gauges; a tilt/telescopic steering wheel; and even a Tire-Pressure Monitoring System. Or go for the MAZDA5 Touring, which adds a 5-speed Sport AT automatic transmission, leather-wrapped steering wheel and shift knob, power sliding-glass moonroof, an in-dash 6-CD changer, plus sporty exterior touches like a rear spoiler and LED taillights. Then there's the MAZDA5 Grand Touring with leather-trimmed seats, heated front seats, heated outside mirrors, rain-sensing automatic windshield wipers, Bluetooth® hands-free phone capability, an antitheft alarm system and automatic on/off Xenon High-Intensity-Discharge (HID) headlights.

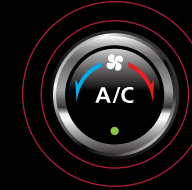

PUSH-BUTTON CONVENIENCE: The standard remote keyless entry system unlocks the driver's door or all doors and illuminates the interior, all with the touch of a button.

WARM & WONDERFUL: For added comfort in cool weather, heated front seats are standard on the MAZDA5 Grand Touring.

BLUETOOTH®-CAPABLE: The MAZDA5 Grand Touring is Bluetooth-capable—allowing you to make or receive calls, access voice mail messages and more—all hands-free—using voice commands and your own Bluetooth-compatible cell phone.

CONTINUOUS COMFORT: Automatic climate control is now standard on all MAZDA5 models, so you'll be comfortable wherever your travels take you. Also now standard are independently controlled rear cool-air vents in the center console to assure the comfort of your second-row passengers.

YOUR IDEAL DRIVING POSITION: Regardless of your size, the MAZDA5's standard tilt and telescopic steering wheel facilitates a more comfortable driving position.

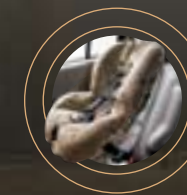

MAKE YOUR OWN KIND OF MUSIC: Enjoy digital-quality sound wherever you go. It's as easy as plugging your favorite MP3 player in to the standard, console-mounted auxiliary-audio input jack.

AN INTERIOR THAT THINKS OF, AND HOLDS, EVERYTHING.

The MAZDA5 gives you plenty to love besides versatility and fun. Give it a good, long look, inside and out. You'll find impeccable quality, craftsmanship and attention to detail everywhere. Look a bit closer, and you'll spot the many ingenious touches that fill its freshly redesigned, 6-passenger interior. Like the added convenience of power windows in both rear doors. Theater-style seating that gives passengers a better view. Reclining second-row seats with inboard and outboard armrests and under-cushion storage. A second-row foldout tray table with storage and dual cup holders. Plus a sleek, multifunction center console that provides a handy storage bin, auxiliary-audio input jack and rear-seat cool-air vents with their own fan speed control. And in the Grand Touring model, you'll even enjoy the added comfort of leather-trimmed seats.

CHILD SECURITY: The MAZDA5's second-row seats feature LATCH child-safety-seat anchors to help secure your most precious passengers. Also standard are third-row child-safety-seat tether anchors.

PROTECTION PLUS: A standard engine-immobilizer antitheft system helps prevent thieves from driving away with your MAZDA5 and its valuable cargo.

HOW SIMPLE PEACE OF MIND COMES FROM SOPHISTICATED ENGINEERING.

Driving is a lot more fun when you feel secure behind the wheel. And with so many confidence-inspiring standard protective features on board, the MAZDA5 lets you concentrate on the joys of its sporty, up-for-anything personality. It all begins with a highly rigid, reinforced body structure incorporating Mazda's "Triple H" construction and side-impact door beams for added impact protection. Advanced dual front air bags, dual front side-impact air bags plus side-impact air curtains* help protect front and second- and third-row passengers. All six seating positions feature three-point seat belts and adjustable head restraints. Even such well-thought-out details as a "crushable" brake and accelerator pedal assembly that folds away in an accident to minimize the chance of a serious ankle or leg injury and a Tire-Pressure Monitoring System are standard. And to help you better maneuver out of harm's way, the MAZDA5 boasts a sophisticated, 4-wheel, fully independent suspension; quick, power-assisted steering; and front and rear stabilizer bars, as well as 4-wheel disc brakes with Anti-lock Brake System, Electronic Brakeforce Distribution and Brake Assist. Obviously, Mazda engineers gave the MAZDA5's safety features plenty of thought—so that your family could enjoy added peace of mind.

* Always wear your seat belt and secure children in the rear seat belts.

SAFETY MONITOR: Because maintaining correct and uniform tire pressure is important to safety and fuel efficiency, the MAZDA5's Tire-Pressure Monitoring System automatically displays a warning light whenever pressure in one or more of the tires is too low.

SHORT STOPS: To promote linear, fade-resistant stops, power-assisted 4-wheel disc brakes are standard on every MAZDA5, as is an Anti-lock Braking System with Electronic Brakeforce Distribution and Brake Assist.
