

2009 Mazda TRIBUTE

2009 Mazda TRIBUTE

Rugged. Versatile. Economical. (Three out of three ain't bad.) These days, you've got to do the math so everything adds up in your favor. And the bottom line on the 2009 Mazda Tribute is this: Broad-shouldered good looks. Versatile packaging. Proven durability. And budget-minded fuel economy. Plus a little something we like to call Zoom-Zoom. Tribute's got the goods to handle virtually any task, from daily commutes to weekend adventures, and make it look easy. And thanks to two new-for-2009 engines—a 2.5L 171-hp 4-cylinder and a 3.0L 240-hp V6—with state-of-the-art features like intake Variable Cam Timing (iVCT) and Electronic Throttle Control (ETC), and an advanced 6-speed automatic transmission,* it's remarkably fuel-efficient to boot. What's more, Tribute's 4-wheel independent suspension, dual stabilizer bars, speed-sensing variable-assist power steering, Anti-lock Brake System (ABS) and available 4-wheel drive with Active Torque Control Coupling make it the ideal accomplice in your pursuit of driving fun. So for those who feel forced to choose between performance and practicality, between versatility and efficiency, a word of advice: Don't. Presenting the 2009 Mazda Tribute.

The 2009 Tribute's comprehensive list of standard safety features includes: Advanced dual front air bags[†]. Front side-impact air bags.[†] Side-impact air curtains[†] with rollover protection. Auto door lock/unlock.[‡] LATCH rear-seat child-safety-seat anchors. Roll Stability Control (RSC). Dynamic Stability Control (DSC).[§] Traction Control System (TCS). Anti-lock Brake System (ABS). Electronic Brakeforce Distribution (EBD). Tire-Pressure Monitoring System (TPMS). For added versatility, plus the capability to tow up to 3500 lb, an optional Towing Package featuring a frame-mounted Class II trailer receiver hitch is available on all V6-powered Tribute s models.

* 5-speed manual transmission standard on Tribute Sport FWD. † Always wear your seat belt and secure children in the rear seats in appropriate child restraints.
‡ Not available on Tribute i Sport models equipped with manual transmission. § Dynamic Stability Control is not a substitute for safe driving practices.

Even without cargo, it's loaded. When you first step into a 2009 Tribute, be prepared for something refreshing, if all too rare: the feeling that this is one car company that actually gets it. No surprise, really. After all, Mazda Tributes have been redefining the whole value-comfort-versatility equation for years. Inside the latest edition, you'll find a clean, contemporary, driver-first cockpit whose displays and controls are positioned for optimum functionality. Better still, many of those controls operate very impressive standard features, including a SIRIUS Satellite Radio®-ready* AM/FM/CD stereo with an auxiliary-audio input jack. Air conditioning. Power windows, door locks and dual side mirrors. A tilt steering wheel. Cruise control.† A 60/40 split fold-down rear seatback. And on Grand Touring models, primo appointments like leather-trimmed seats, a one-touch power sliding-glass moonroof, heated side mirrors, a leather-wrapped steering wheel with audio controls, in-dash 6-disc CD changer, heated front seats and a handy overhead storage console. Add in five-passenger room and a multitasking personality, and it's obvious that this is one compact SUV designed to let you do just about anything—except compromise.

1 Tribute's Center Floor Console/Armrest houses four cup holders, a covered storage compartment big enough to hold a laptop and removable storage bins. **2 A Versatile 66 Cu Ft Of Cargo Space** is available by folding down the Tribute's second-row seatback. And an available retractable cargo-area cover (standard on Touring and Grand Touring models) helps keep it out of view. **3 A Power Sliding-Glass Moonroof** that opens or closes with one touch is standard on Tribute Grand Touring models, along with a handy overhead storage console. Touring models feature standard dual overhead storage bins.

* SIRIUS Satellite Radio reception requires a subscription and optional Mazda satellite radio receiver accessory kit. Available only in the U.S., except Alaska and Hawaii.
† Automatic transmission-equipped models only. ‡ Please remember to properly secure all cargo.

TRIBUTE SPECIFICATIONS & CAPACITIES

Specifications	Tribute i	Tribute s
Engine size and type	2.5L DOHC 16-valve 4-cylinder with variable valve timing	3.0L DOHC 24-valve V6 with variable valve timing
Horsepower, SAE net	171 @ 6000 rpm	240 @ 6550 rpm
Torque, SAE net (lb-ft)	171 @ 4500 rpm	223 @ 4300 rpm

* Dynamic Stability Control (DSC) is an electronic system designed to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see your owner's manual for further details. † Not intended for use with cargo net. ‡ Not intended for use with cargo mat. § SIRIUS Satellite Radio reception requires a subscription and Mazda satellite radio receiver accessory kit. Available only in the U.S., except Alaska and Hawaii. ¶ Always wear your seat belt and secure children in the rear seats in appropriate child restraints.

Accessories Guaranteed To Go The Distance.

One of the most enjoyable aspects of buying a new Mazda Tribute is being able to enhance its appearance and performance with Genuine Mazda Accessories. What's more, all Genuine Mazda Accessories installed by your Mazda Dealer, prior to or at initial vehicle retail delivery, carry the same new-vehicle limited warranty as your new Mazda. See your dealer for details.

- 1 All-Weather Floor Mats.** Replace your standard carpet mats with these all-weather floor mats to provide your Tribute's carpet with heavy-duty protection. **2 Compass Auto-Dimming Mirror With HomeLink®** automatically dims to reduce headlight glare from vehicles behind you and features LED readout. HomeLink activates any system-connected lights, gates, alarms, etc., in your home and may require additional components. (Replaces standard interior rearview mirror.) **3 Bolt-On Side Steps,** designed especially for your Tribute, make entrances and exits easier while adding a dash of style.

‡ SIRIUS SATELLITE RADIO reception requires a subscription and Mazda satellite radio receiver accessory kit. Available only in the U.S., except Alaska and Hawaii.

Please remember to properly secure all cargo.

Zoom-Zoom And Peace Of Mind Go Hand In Hand.

We want your new Mazda Tribute to be a source of pride, exhilaration and peace of mind for years to come. Which is why every new 2009 Mazda sold in the U.S. is protected by all of the following:

- A 3-year/36,000-mile[§] "bumper-to-bumper" limited warranty
- A 3-year/36,000-mile[§] 24/7 Emergency Roadside Assistance program
- A 5-year/60,000-mile[§] limited powertrain warranty
- A 5-year/unlimited-mileage warranty against body rust-through

For details, please see your Mazda Dealer, visit MazdaUSA.com, or call toll-free 800-639-1000.

§ Whichever comes first.

Making The Zoom-Zoom Connection Easier To Make.

CHASE Whether you're buying or leasing a new Mazda, Certified Pre-Owned Mazda or a used vehicle, Chase Auto Finance can help make the financing process a more convenient and satisfying experience. As one of the largest auto lenders in America, Chase is known for its first-class customer service, wide range of financing options and highly competitive rates. To find out which Chase purchase or lease plan best meets your needs, talk to your Mazda Dealer. Or for more information, visit MazdaUSA.com.
