

# Mercedes-AMG GT 4-Door Coupe

X290

Model year 2019

*Preliminary, subject to change.*

**AMG**  
DRIVING PERFORMANCE

## Important note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

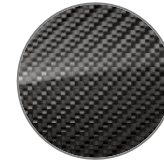

## Revision History

<i>Date</i>	<i>Changes</i>
07/12/18	Preliminary draft of DOG published

Interior Upholstery

***AMG GT 53 (290.661)***

- MSRP TBA
- 3.0L inline-6 turbo engine w/ EQ Boost
- Horsepower 429 hp
- Torque 384 lb-ft
- EQ Boost 48V system with up to 21hp
- AMG 4MATIC+ All Wheel Drive
- 4.4 sec (est. 0-60 mph)
- Launch date: Late Q2 2019

***AMG GT 63 (290.688)***

- MSRP TBA
- Handcrafted AMG 4.0L V8 biturbo engine
- Horsepower 577 hp
- Torque 590 lb-ft
- AMG 4MATIC+ All Wheel Drive
- 3.3 sec (est. 0-60 mph)
- Launch date: Q1/2019

***AMG GT 63 S (290.689)***

- MSRP TBA
- Handcrafted AMG 4.0L V8 biturbo engine
- Horsepower 630 hp
- Torque 664 lb-ft
- AMG 4MATIC+ All Wheel Drive w/ Drift Mode
- 3.1 sec (est. 0-60 mph)
- Launch date: Q1/2019

## *Display buttons and capacitive switches*

### **Display buttons and capacitive switches**

- Inspired by the two-door Mercedes-AMG GT, the center console of the new 4-door model represents a further special feature: color display buttons, integrated into the distinctive and tailor-made trim element. The integral display can adjust the transmission, suspension, ESP®, exhaust system, start/stop function and rear spoiler position. These display buttons use colored and intuitive symbols to show various functions and are easy to operate with just a small tap of the finger.
- Display push-button switches are supplemented by two capacitive switches for the drive programs and volume control.
- Another new feature from AMG are the capacitive switches directly in front of the stylized center-console V. The reversing camera, navigation, radio, media, telephone and vehicle settings can be operated via this proximity switch. If the occupant's finger moves within a minimal distance from the panel the appropriate symbol lights up directly in the head unit and preselects the menu item. The function in question is then activated by pressing. The driver does not have to remove their eyes from the road, as the appropriate menu item is shown simultaneously in the multifunction display of the Widescreen Cockpit, representing an added bonus for handling safety.

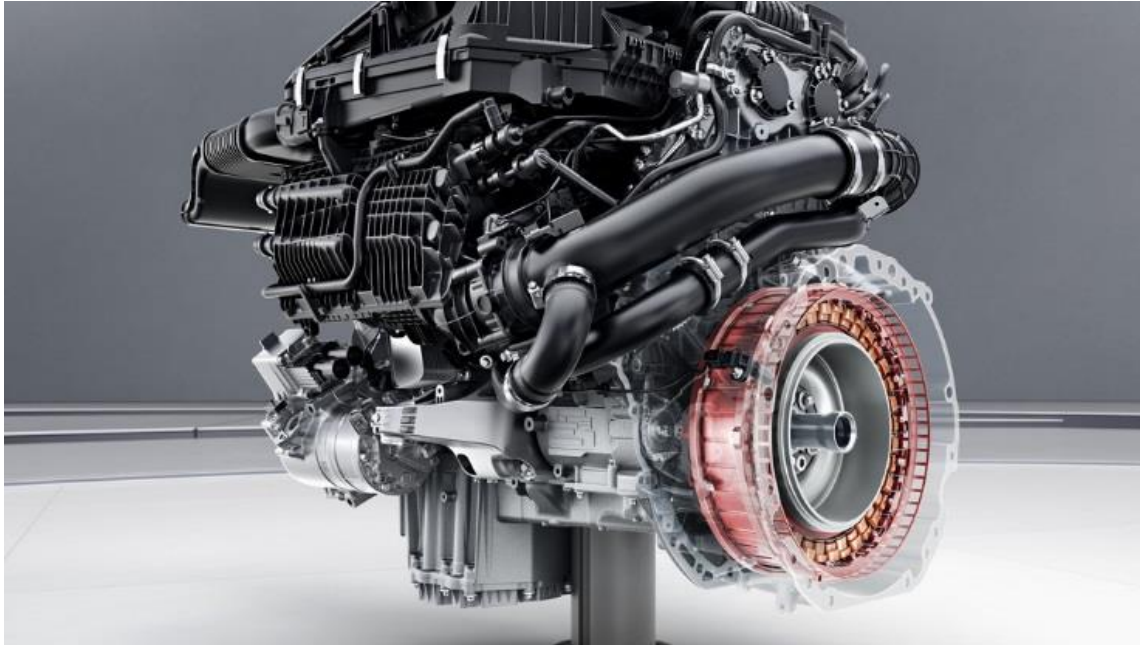

## *Active Rear-Wheel Steering*

### **Active Rear-Wheel Steering**

- The AMG GT 4-Door Coupe responds even more sensitively to steering commands thanks to the active rear axle steering which is standard on the V8 models (n/a on AMG GT 53). The system facilitates an even better combination of agility and stability and thus reinforces the dynamism and the handling safety of the new AMG GT 4-Door Coupe.
- Up to a speed of 62 mph, the rear wheels point in the opposite direction to the front wheels (up to  $0.5^\circ$ ) via two electric actuator motors. As a result, the car turns into corners with significantly higher agility. Under everyday driving conditions, the driver also benefits from a small turning circle.
- At speeds higher than 62 mph, the system turns the rear wheels (up to  $1.3^\circ$ ) in the same direction as the front wheels, which noticeably improves driving stability. At the same time, the lateral force on the rear wheels builds up considerably faster on changes of direction, thus improving the response to the steering. The driver can also rely on extreme rear-axle grip and high stability when changing direction quickly, without the usual tendency for the rear end to break loose.

## 3.0L Inline-6 Turbo Engine w/ EQ Boost

### 3.0L Inline-6 Turbo Engine w/ EQ Boost (M256)

The M256 engine found in AMG “53” models provides exceptional power output thanks to exciting new technologies:

- EQ Boost:
  - The M256 utilizes a 48V system to provide power to the electric water pump, AC compressor, Electric Auxiliary Compressor. With these components now being electrified, the engine is now fully beltless, reducing wearable parts.
  - EQ Boost makes use of the stored electric power from the 48V battery with an “Integrated Starter-Generator” which combines the starter and alternator in a powerful electric motor which is positioned between the engine and transmission. This EQ Boost unit assists the internal combustion engine with up to 21 hp and 184 lb-ft of torque at low engine speeds.
    - *Please note that this boost in hp / torque never impacts the certified peak power figures, as the boost is generated at such low engine speeds, and only for brief periods of time.*
  - On overrun, EQ Boost is able to recover up to 80 percent of the energy to the 48V battery.
  - The engine is able to start very quietly by utilizing stored power in the 48V battery. ECO Start/Stop is also almost imperceptible now that it uses the EQ Boost system.
    - *Please note that the 48V battery is small- it is a little less than 1 kWh in capacity.*
  - The conventional 12V battery is still used by the vehicle and is charged by the 48V battery. Most electrical vehicle components remain wired for 12V and thus, the 12V battery is used to provide power for cabin lights, exterior lighting, the multimedia system, etc.
- Electric Auxiliary Compressor:
  - This new engine component (exclusive to the “53” models) is able to assist in spooling the engine’s exhaust-gas-driven turbocharger quickly and effectively at low-to-mid RPMs. Able to get up to speeds of 70,000 RPMs within less than a third of a second, the eAC is extremely quick to provide added boost. This allows a much larger turbocharger to be employed in this version of the M256. In some cases, boost from the Electric Auxiliary Compressor is able to be routed directly to the engine itself.
  - In one minute, the Electric Auxiliary Compressor is able to function three times for two seconds, or one time for 15 seconds.

## Edition 1

### Edition 1

Models: GT 63 S only

Edition Content:

- Exterior
  - 521 AMG Night Package
  - B26 - AMG Aerodynamics Package
  - B07 - AMG Ceramic Composite Braking System
  - 883 - Soft Close Doors
- Interior
  - P21 - AIR BALANCE w/ AMG fragrance
  - P72 - Energizing Comfort System
  - 811 - Burmester High-end 3D Sound System
  - 997 - Driver Assistance Package
  - 397 - Executive Rear Seat Package
  - 555+409 - AMG Multicontour Performance Seats
  - 872 - Heated Rear Seats

Edition Exclusive Content:

- Exterior
  - 818 - *designo* Graphite Grey Magno
  - E74 - AMG Stripes on the hood, roof, decklid and along the side sills
  - RWF - 21" AMG Forged Cross-Spoke Wheels w/ Black Accents
- Interior
  - H77 - AMG Matte Carbon Fiber Trim
  - 518 - AMG Magma Grey/Black Exclusive Nappa Leather w/ Yellow Stitching
  - U66 - AMG Floor Mats w/ Yellow Stitching and Lettering
  - L6G - AMG Performance Steering Wheel in Full DINAMICA w/ Yellow 12 o'clock marking and Edition badging
  - P19 - Edition Components Code
  - Y06 - Yellow Seatbelts

## Performance & Handling

- AMG DYNAMIC SELECT
- Tire Pressure Monitoring System
- Fixed Rear Seats with Carbon Fiber Seat Backs\*
- AMG SPEEDSHIFT 9-speed Torque Converter Transmission (TCT) (GT 53)
- AMG Ride Control Sport Suspension (GT 53)
- AMG Ride Control Sport Suspension based on Air Body Control (GT 63, GT 63 S)
- AMG Nappa Leather Performance Steering Wheel (GT 53, GT 63)
- AMG DINAMICA Performance Steering Wheel (GT 63 S)
- AMG Performance 4MATIC+ (GT 53, GT 63)
- AMG Performance 4MATIC+ w/ Drift Mode (GT 63 S)
- Electronic Rear Limited-Slip Rear Differential (GT 63, GT 63 S)
- EQ BOOST 48V System (GT 53)
- AMG Dynamic Plus Package (GT 63S)
- AMG SPEEDSHIFT MCT 9-speed Transmission (GT 63, GT 63 S)
- Lithium-ION Battery (GT 63, GT 63 S)
- Rear Axle Steering (GT 63, GT 63 S)

## Comfort & Convenience

- Burmester® surround sound system
- COMAND Navigation
- Dual zone climate control
- Extendable double sun visors
- Fully electric front seats with memory function
- Garage door opener
- Heated front seats (GT 53)
- Heated and ventilated front seats (GT 63, GT 63 S)
- Heated Windshield Washing System
- KEYLESS-GO Package
- LTE Communications Module for Mercedes Me Services
- Mirror Package
- Multicolor Ambient Lighting
- Multifunction Touchpad
- NFC Wireless Charging
- Active Parking Assist
- Rearview Camera
- Power Tailgate
- SiriusXM satellite radio
- Sliding Sunroof
- Smartphone Integration w/ Apple CarPlay\*\*
- Storage Package
- AMG Track Pace
- Two Individual Rear Seats
- Widescreen Cockpit w/ 12.3" Screens
- AMG Silver Brake Calipers (GT 53)
- Black cloth headliner (GT 53, GT 63)
- AMG Red Brake Calipers (GT 63)
- AMG Illuminated Door Sills (GT 63, GT 63 S)
- Rear Window Sunshade (GT 63, GT 63 S)
- AMG Exterior Silver Chrome Package (GT 63 S)
- *designo* DINAMICA Headliner (GT 63 S)

## *Safety & Security*

- Active Brake Assist
- ATTENTION ASSIST®
- Car-to-X Communication
- Crosswind Assist
- Active LED headlamps/ taillamps
- Adaptive Highbeam Assist
- PRE-SAFE®
- PRE-SAFE Sound
- Tire pressure monitoring system
- Heated windscreen washer system

## Steering Wheel

**AMG Performance Steering Wheel in Nappa Leather (L6J)**

*Standard on GT 53 & GT 63*

*Option Price for GT 63 S: \$0*

- The AMG Performance steering wheel in nappa leather is especially sporty with easy grip, providing genuine racing flair.

**AMG Performance Steering Wheel in Nappa Leather/DINAMICA (L6K)**

*Not available on GT 63 S*

*Option Price for GT 53, 63: \$TBA*

*Not with Macchiato Beige/Magma Grey upholstery (565)*

- Sporty design and unique touch & feel make the AMG Performance steering wheel an unmistakable feature in nappa leather with grip area in DINAMICA microfiber.

**AMG Performance Steering Wheel in Nappa/Black Piano Lacquer (L6L)\***

*Requires Black Piano Lacquer or AMG Carbon Fiber trim (H80, H73)*

*Option Price: \$TBA*

- The combination of leather with black piano lacquer or leather with high-gloss black poplar wood makes the steering wheel a highlight in terms of its look and feel.

## *Steering Wheel*

### **AMG Performance Steering Wheel in Full DINAMICA (L6G)**

*Standard on GT 63 S; Not available on GT 53*

*Requires AMG Dynamic Plus Package (P71) for GT 63*

*Not w/ Macchiato Beige/Magma Grey upholstery, Heated Steering Wheel or Warmth & Comfort Package (565, 443, 445)*

*Option Price: \$TBA*

- For an even better grip during sporty maneuvers, the AMG Performance steering wheel with flattened bottom section is fully trimmed in DINAMICA microfiber.

### **AMG Performance steering wheel in DINAMICA/Carbon Fiber (L6H)**

*Optional*

*Requires Black Piano Lacquer or AMG Carbon Fiber trim (H80, H73)*

*Not w/ Macchiato Beige/Magma Grey upholstery (565)*

*Option Price: \$TBA*

- For an even better grip during sporty maneuvers, the grip area on the AMG Performance steering wheel in carbon fiber is finished in DINAMICA microfiber.

Brakes

**AMG High-Performance Composite Braking System w/ Silver Brake Calipers (B06)**

*Standard on GT 53*

- Front axle: 14.2" x 1.4" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- Rear axle: 14.2" x 1.0" rear brake discs, internally ventilated and perforated with single-piston floating caliper
- Anodized silver-color finish with AMG lettering

**AMG High-Performance Composite Braking System w/ Red Brake Calipers (U70)**

*Standard on GT 63*

- Front axle: 15.4" x 1.4 front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- Rear axle: 14.2" x 1.0" rear brake discs, internally ventilated and perforated with single-piston floating caliper
- Red-painted brake calipers with AMG lettering

**AMG High-Performance Composite Braking System w/ Yellow Brake Calipers (U69)**

*Standard on GT 63 S*

*Included in GT 63 AMG Dynamic Plus Package (P71)*

- Front axle: 15.4" x 1.4" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- Rear axle: 14.2" x 1.0" rear brake discs, internally ventilated and perforated with single-piston floating caliper
- Yellow-painted brake calipers with AMG lettering

**AMG High-Performance Ceramic Composite Braking System (B07)**

*Option Price for GT 63/GT 63 S: \$8,950*

*Not available for GT 53*

- Front axle: 15.8" x 1.5" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- Rear axle: 14.2" x 1.3" rear brake discs, internally ventilated and perforated with single-piston floating caliper
- Weight reduction of 40% compared with conventional steel brake discs
- Signature Bronze-painted brake calipers with "AMG Carbon Ceramic" lettering

## *Executive Rear Seat Package (397)*

*The Executive Rear Seat Package complements the vehicle's outstanding performance with a particularly luxurious interior. Treat your rear passengers with comfortable individual seats, a classy atmosphere and simple access to a comprehensive range of infotainment functions and comfort features.*

### **Executive Rear Seat Package Contents**

- Two individual seats with a high-quality center business console
- 40/20/40 Split Folding Rear Seats
- Embossed AMG emblem above the business console
- Heated/Cooled Rear Cup Holders
- 3-zone Climate Control
- Rear Wireless Charging (for compatible cellphones)
- 115V socket
- Two USB ports
- High-resolution touchscreen, which can display performance data, infotainment, climate control, seat heater, ambient lighting, etc.

## *AMG Drive Unit steering wheel buttons (Part of P71 Pkg.)*

### **AMG Drive Unit steering wheel buttons**

- When equipped with the AMG Dynamic Plus Package (P71), the AMG Performance Steering Wheel is equipped with a round controller with an integral display beneath the right-hand steering wheel spoke, plus two vertically positioned color display buttons beneath the left-hand steering-wheel spoke
- The round display allows for easy adjustment of the AMG DYNAMIC SELECT Drive Mode
- The vertically-mounted displays offer a configurable hot-key to adjust two key parameters, i.e. a switch to Manual transmission mode (or to Automatic shifting) or a switch from the Comfort exhaust setting to the more emotional Sport setting
- These buttons allow the driver to concentrate fully on dynamic driving without having to take their hands off the wheel in order to change performance-oriented vehicle settings

(Part of P71 Pkg.; Standard on GT 63 S)

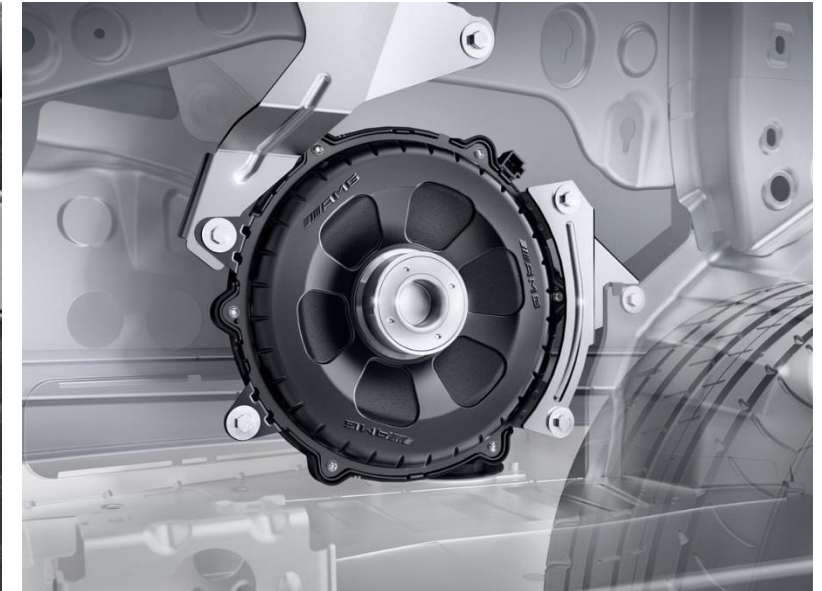

## Sound Systems

**Burmester® surround sound system**  
*Standard on all models*

*Experience more performance and exclusivity with the legendary Burmester sound. The high-performance speakers develop a first-class surround sound. You can specifically optimize this for the front and rear seats to intensify the listening experience. A level of quality that is also visible, thanks to the high-quality Burmester lettering.*

- 14 high-performance speakers
- 10-channel DSP amplifier with a total output of 640 watts

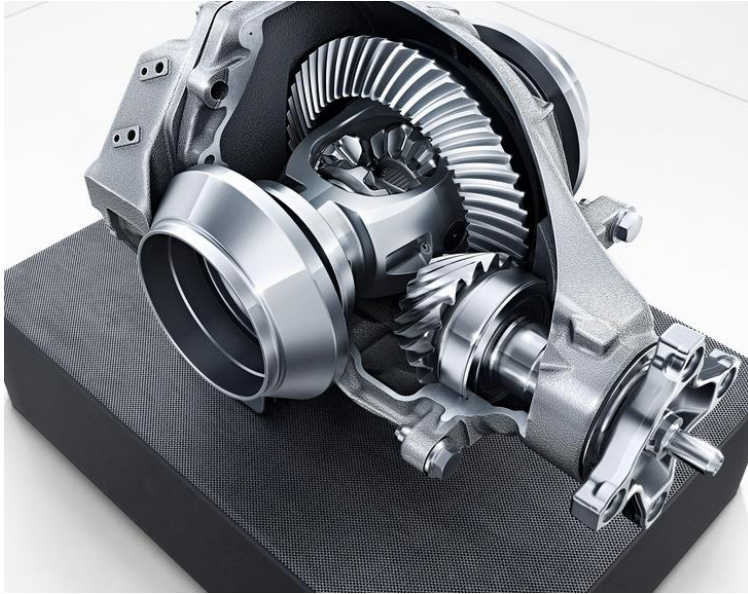

**Burmester® High End 3D Surround Sound System (811)**

*Optional on all models*  
*Option Price: \$TBA*

- 25 high-performance speakers including subwoofer and speaker units in the roof liner
- 25 amplifier channels and a total system output of 1450 watts
- Active subwoofer in the trunk

## *Rear Axle Differentials*

### **Mechanical Limited Slip Differential**

*Standard on AMG GT 53*

- The AMG mechanical rear-axle limited-slip differential uses multiplate clutches and two thrust rings. When drive torque is applied to the rear axle, the thrust rings operate the multiplate clutch to suit the requirements. If a difference in the rotational speed of the driven wheels arises, torque is directed to the wheel with better road adhesion in order to reduce slip.

### **Electronic Limited Slip Differential**

*Standard on GT 63 and GT 63 S*

- The AMG electronic rear-axle limited-slip differential uses an electrically controlled multi-disc clutch system which is adjusted by means of an electric motor. Electronic control of the clutch pack allows for near-instantaneous torque distribution to the wheel with better road adhesion, increased comfort when maneuvering in urban traffic, better performance in both dry-weather performance testing and in inclement weather, and provides a wider spread between dynamic driving and comfortable cruising.

## *Seatbelts*

**Red seat belts (Y05)**

- Only in conjunction with: 601/501/507/711/801

**Silver seat belts (Y04)**

- Only in conjunction with: 601/501/508/801/808

## *AMG Aerodynamics Package (B26)*

*The AMG Aerodynamics package has been developed in the wind tunnel to improve handling at high speeds and provides the basis for even greater driving enjoyment. The attachments increase the negative lift force while reducing drag. The fixed rear spoiler demonstrates a clear commitment to uncompromising performance.*

### **AMG Aerodynamics Package Contents**

- Fixed rear spoiler in high-gloss black
- More aggressive front splitter
- Front air intake flics
- Rear flics
- Further optimized diffuser, integrated in the rear apron

## *Night Package (521)*

GT 63 / GT 63 S

GT 53

*With the AMG Night package, selected exterior elements are finished in high-gloss black. Depending on the selected paint color, this results in bold contrasts or fluid transitions. Both cases demonstrate your feeling for individual, dynamic design and an expressively sporty character.*

### **AMG Night Package Contents**

- Elements in high-gloss black:
  - Front splitter
  - Trim element on the front fenders
  - Mirror covers
  - Shoulderline trim strip
  - Window trim
  - Front bumper trim strip (GT 63 and GT 63 S only)
  - Rear bumper trim strip (GT 63 S only)
  - Side sill inserts
- Elements in black-chrome:
  - Exhaust tips

## *AMG Exterior Carbon Fiber Package I (773)*

*Highlight your vehicle's dynamism with a high-tech material from the field of motorsport: carbon-fiber components enhance the exterior appearance from all angles and underscore the performance aspirations of your Mercedes-AMG.*

### **AMG Exterior Carbon Fiber Package I Contents**

- Carbon-fiber front splitter
- Rear diffuser in carbon fiber
- Trim element in the front fenders in carbon fiber
- Carbon-fiber inserts in side skirts

## *AMG Exterior Carbon Fiber Package II*

*High-performance material meets high-performance car: the striking carbon-fiber elements for the exterior underscore the performance credentials of your Mercedes-AMG. The fixed rear spoiler and the exterior mirror housings in carbon fiber are visible from afar and lend your vehicle an even sportier appearance from any angle.*

### **AMG Exterior Carbon Fiber Package II Contents**

- Exterior mirror housing in carbon fiber
- Fixed rear spoiler in carbon fiber

## *AMG Silver Chrome Exterior Accents (750)*

*With the AMG Chrome package, your vehicle looks particularly elegant and classy. Additional elements in high-gloss chrome underscore the elegance and create contrasting or complementary highlights depending on the vehicle color.*

Optional on the AMG GT 63 S

### **AMG Silver Chrome Exterior Accents Include:**

- Front splitter in high-gloss silver-chrome
- Trim strip in rear bumper in high-gloss silver-chrome
- Inserts in the side skirts in high-gloss silver-chrome
- Trim strip on the front bumper in high-gloss chrome

## AMG Dynamic Plus Package (P71)

The AMG DYNAMIC PLUS package stands for the ultimate in driving enjoyment and supreme agility. It combines numerous high-performance components in an attractive package containing the most important items of special equipment for a further improvement in driving dynamics. These all add up to an even more emotional driving experience.

Optional on GT 63 (standard on GT 63 S; N/A on GT 53)

### AMG Dynamic Plus Package Contents:

- 466 – Active Engine Mounts
- U69 – Yellow Brake Calipers w/ Black Lettering
- L6G – AMG Performance Steering Wheel in Full DINAMICA (Not with Heated Steering Wheel (443))
- U88 – AMG Drive Unit steering wheel buttons
- Drift Mode
- RACE Mode

## *21" AMG Forged Monoblock-style Wheels (RWA)*

### **21" AMG Forged Monoblock-style Wheels (RWA)**

- Front: 10" x 21" with 275/35 ZR21 tires
- Rear: 11.5" x 21" with 315/30 ZR21 tires
  
- Visually similar to iconic wheels from AMG's recent past
  
- Exclusively available on the GT 63 S

## *21" AMG Forged Monoblock-style Wheels, Black (RWB)*

### **21" AMG Forged Monoblock-style Wheels, Black (RWB)**

- Front: 10" x 21" with 275/35 ZR21 tires
- Rear: 11.5" x 21" with 315/30 ZR21 tires
- Visually similar to iconic wheels from AMG's recent past
- Exclusively available on the GT 63 S

## AMG Track Pace App for Apple iPhone® (256)

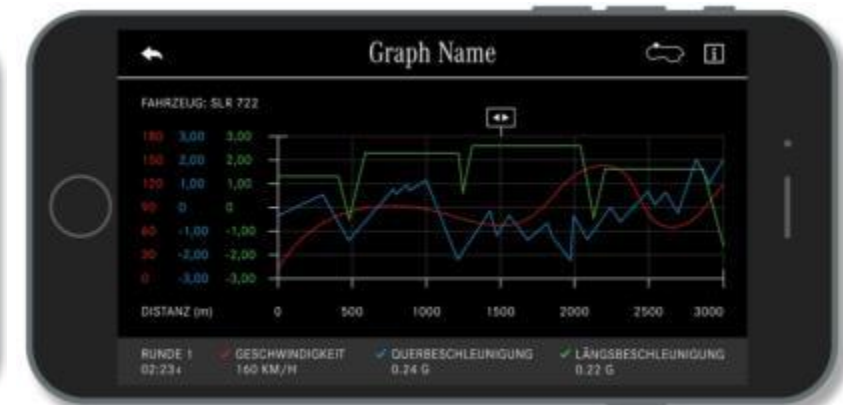

### AMG Track Pace App for Apple iPhone® (256)

Standard on All Models

With the "AMG Track Pace" app, a smartphone can be turned into a personal racing engineer. This enables lap/sector times or even videos to be recorded and analyzed. Another attractive feature is the option to exchange data with other AMG drivers e.g. via social networks.

Overview of the AMG Track Pace app:

- Stores vehicle-specific data (e.g. speed, acceleration) as well as lap and sector times
- Video recordings via smartphone/GoPro are also possible
- Driving ability can be analyzed and improved in a targeted manner
- Connection via WLAN
- Exchange data with other AMG drivers via social networks such as Facebook (Share function) or the AMG Private Lounge
