America's Best Commercial Van Warranty  
**5 YEARS/100,000 MILES<sup>1</sup>**  
**BUMPER-TO-BUMPER LIMITED WARRANTY**

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America's Best Commercial Van Limited Warranty. A bumper-to-bumper limited warranty for 5 years or 100,000 miles, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the warranty, please go to [www.NissanCommercialVehicles.com](http://www.NissanCommercialVehicles.com) or ask your Nissan Business Certified Dealer.<sup>1</sup>

<sup>1</sup>Claim based on years/mileage (whichever occurs first) covered under the 2015 New Vehicle Limited Warranty basic coverage. NV200<sup>®</sup> Taxi is covered under a separate limited warranty with a different level of coverage. Comparison based on *Ward's* Light Vehicle Segmentation: 2015 Nissan NV<sup>®</sup> Cargo, NV<sup>®</sup> Passenger vs. 2014 and 2015 Large Van Class; 2015 Nissan NV200<sup>®</sup> vs. 2014 and 2015 Small Van Class. Comparison based on publicly available information on manufacturers' website. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and federal and California emission performance and defect coverage (applicable coverage is provided under other separate warranties). The powertrain coverage is 5 years or 100,000 miles (whichever occurs first). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

HEAT CHAMBER

STRUCTURAL STRENGTH

HIGH-SPEED OVAL

FRAME TWIST

**The Nissan Arizona Testing Center.** Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vans you can buy.

WATER DUMMIES

BELGIAN BLOCK

FIXED STONE

**OVER 800000<sup>1</sup> MILES AND 8,000 QUALITY AND DURABILITY TESTS.**

**ONE UNSHAKABLE COMMITMENT.** Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140 degrees and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on it to do your job. That's the motivation for us to do ours.

Click here to see how far we go to create a van you can trust. Or go to [bit.ly/cargodqr](http://bit.ly/cargodqr)

WHAT IF\_

## YOUR FAMILY VEHICLE HAD REAL TEAM SPIRIT?

With the 2015 Nissan NV® Passenger, there's always room for more. Whether it's taking little leaguers and gear to the game, sharing a multi-family vacation or being the king of the carpool. NV® Passenger transports your expectations as well as your passengers, with room for 12 and a class-leading 324 seating configurations.<sup>1</sup> And getting to those seats is easy, with a sliding side door and a low step-in height. Confidence comes along for the ride with integrated headrests and seat belts and standard roof-mounted side-impact supplemental curtain air bags with rollover sensor for outboard occupant head protection for every row.<sup>2</sup> Innovative heating and cooling keeps everyone comfortable, too. The out-front engine design provides improved driver comfort, easier engine access for servicing, and the durability of a full-length, fully boxed ladder frame and the largest brakes in its class.<sup>3</sup> It all adds up to a team player we can all cheer for. 2015 NV® Passenger.

<sup>1</sup>Ward's Light Vehicle Segmentation. 2015 NV® Passenger vs. 2014 and 2015 Large Van Class. 12-passenger seat vans compared. <sup>2</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints; booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. Rear-facing child restraints should not be used in NV® Passenger vehicles. See Owner's Manual for details. <sup>3</sup>Ward's Light Vehicle Segmentation. 2015 NV® Passenger vs. 2014 and 2015 Large Van Class. Based on rotor size.

## PACK IT IN. MOVE 'EM OUT.

NV® Passenger not only gives you space, it gives you unbeatable flexibility when it comes to carrying passengers and cargo.<sup>1</sup> A choice of fore or aft positions in the 2nd- and 3rd-row seats means impressive stretch-out room; a real plus for taller or larger family members. And with six individually removable seats, you can do amazing things like having room for eight while fitting items up to ten feet long – all without the hassle of using a roof rack.<sup>1</sup>

<sup>1</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

## NISSAN FLEXIBLE SEATING

# 324 SEATING CONFIGURATIONS. 1 INCREDIBLY VERSATILE VEHICLE.

What do you want to do today? With a class-leading 324 seating configurations, NV® Passenger is up for it.<sup>1</sup> As a people-mover, you can adjust the class-leading 6 independent rear seats to carry 12, or carry fewer passengers with limo-like space.<sup>1,2</sup> Unlike the limousine, NV® Passenger seating adjusts and removes easily, letting you carry gear for just about any adventure you can think of. So go ahead and plan that dream vacation or the next run to the local discount warehouse. With easy access for everybody, and up to 218.9 cubic feet of cargo space, you're good to go.<sup>2</sup>

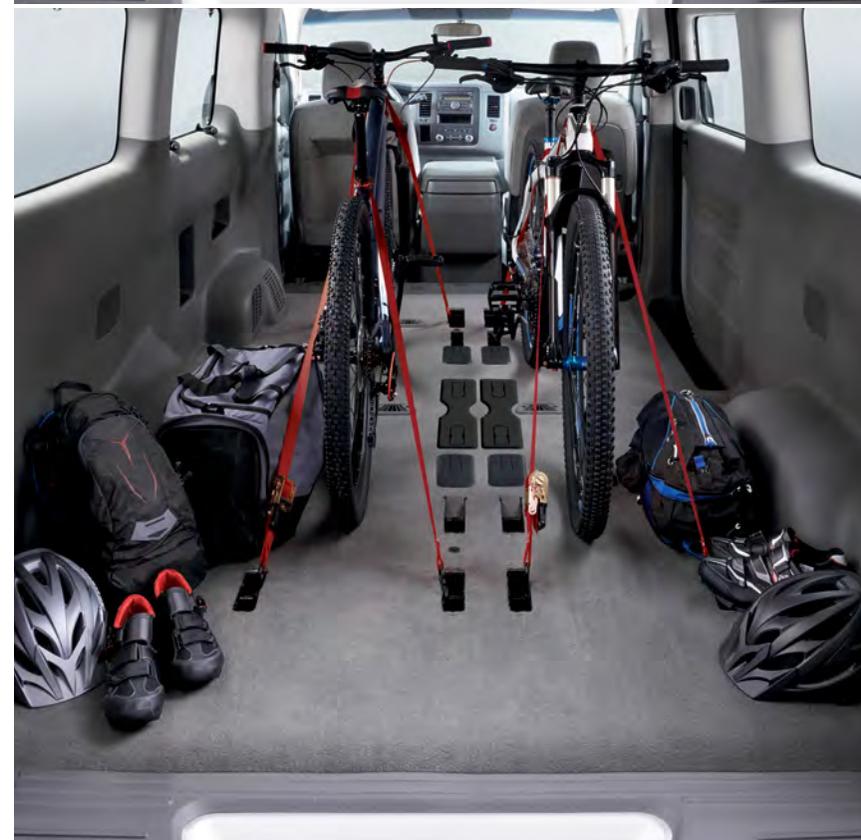

Maximum passengers

Easy entry and exit

Room for eight and cargo<sup>2</sup>

Up to 10' long items<sup>2</sup>

Maximum cargo<sup>2</sup>

**Bring it on.** NV® Passenger not only gives you flexibility in carrying people and gear, it gives you enormous room. With 12 passengers on board, you still have nearly 19 cubic feet of cargo space. Remove the fourth row seats and the volume jumps to 51.7 cubic feet. And if you remove the third row as well, you've still got room for five passengers and 86.1 cubic feet of space.<sup>2</sup>

<sup>1</sup>Ward's Light Vehicle Segmentation. 2015 NV® Passenger vs 2014 and 2015 Large Van Class. 12-passenger seat vans compared. <sup>2</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

## EVERY TRAVELER DESERVES AN UPGRADE.

NV® Passenger takes rider comfort to the next level. Getting to your seat is easy, with large aisles and plenty of space between rows. Seats feature an individual backrest design, independent headrests and integrated shoulder belts for comfort and security. Slide-out under-seat cup holders, overhead A/C vents and available reading lights and power outlets provide comfort and convenience. There are even two floor heater vents for every row, with dual heater units in the front and rear so no one's left out in the cold. There's no need to fight over who gets to sit where – every seat is the best one in the house.

**For your comfort.** NV® Passenger goes the extra distance to make any trip more comfortable. The available third-row 12-volt power outlet is ideal for charging a tablet,<sup>1</sup> while under-seat cup-holders are strong enough to handle abuse, and conveniently slide under the seat and out of the way. Available dual-zone front air conditioning lets those up front custom-tailor their comfort.

<sup>1</sup>External device not included.

**A PASSENGER VAN WHERE EVERYBODY WINS.**

Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

## OPENS WIDE AND SAYS MORE.

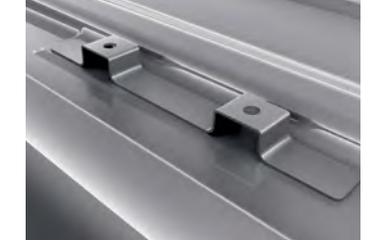

NV® Passenger not only gives you space, it's designed to make it easy to use every inch. The rear doors swing wide, opening 243°, and are held in place with powerful magnetic door stops. The easy-sliding side door creates a wide opening and with a low step-in height, there's easy access for everybody. And when you take out the easily removable 4th-row seats, you've got room for eight plus massive cargo space that would make any minivan or full-size SUV jealous.<sup>1</sup>

Powerful magnets hold the cargo doors securely in their fully open position.

Available front and rear sonar help you get close, but not too close, to loading and unloading areas.<sup>1,2</sup>

Integrated roof rack-mounting points help secure racks and help reduce likelihood of rusting caused by drilling into sheet metal.

<sup>1</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>2</sup>The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

**BUILT FOR THE LONG HAUL.<sup>1</sup>**

<sup>1</sup>See Nissan Towing Guide and Owner's Manual for proper use.

## BUSINESS. CLASS.

Designed to transport your expectations as well as your passengers, NV® Passenger sets the standard for business transportation. With a full-length, fully boxed ladder frame and the largest brakes in its class,<sup>1</sup> it's built to provide years of tough, reliable performance. The out-front engine design provides improved driver comfort and easier engine access for servicing. And it's a winner for customers too, with low step-in heights and comfortable seating with integrated headrests and integrated seat belts. Once they're seated, passengers will find innovative heating and cooling to help keep them comfortable and luxury touches like individual overhead lighting and available multiple power points. It might just be the best part of a business traveler's trip. And with comfortable drivers, satisfied passengers and a profitable bottom line, it's the smart way to run a business, too.

# COMFORT, CONTROL AND CONVENIENCE.

The job title may say driver, but you can also add part-time skycap, cashier, entertainment director, and company representative to the list. NV<sup>®</sup> Passenger helps you excel at all of them, providing outstanding room and superior visibility for easier maneuvering. There's dedicated storage for everything from clipboards to business cards,<sup>1</sup> and advanced technology to help keep you on time, and your passengers comfortable and entertained. Job well done.

Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

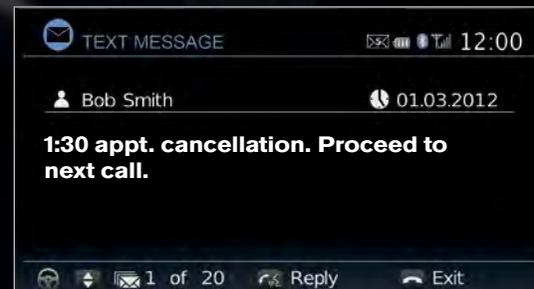

# NissanConnect<sup>SM</sup> BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS.

Never miss a beat with the available Technology Package. Featuring NissanConnect<sup>SM</sup> with Mobile Apps,<sup>1</sup> you've got a suite of high-tech features to help you keep you in business, easily accessed through a 5.8" touch-screen with Voice Recognition. The package also includes the advanced Nissan Navigation System,<sup>2</sup> hands-free text messaging assistant,<sup>3</sup> Bluetooth<sup>®</sup> hands-free calling and a convenient RearView Monitor.<sup>4,5</sup>

Click here for the full story on NissanConnect<sup>SM</sup> with Mobile Apps,<sup>1</sup> or go to [bit.ly/nv200connect15](http://bit.ly/nv200connect15)

<sup>1</sup>Driving is serious business. Only use NissanConnect<sup>SM</sup> services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google<sup>®</sup> services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora<sup>®</sup>). Standard text rates and/or data usage may apply. See retailer and check [www.NissanUSA.com/connect](http://www.NissanUSA.com/connect) for details. <sup>2</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>3</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. <sup>4</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. <sup>5</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>6</sup>Required SiriusXM<sup>®</sup> Satellite Radio, SiriusXM<sup>®</sup> Traffic, NavWeather<sup>®</sup>, and Travel Link<sup>®</sup> subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM<sup>®</sup> Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2014 Sirius XM Radio Inc. Sirius<sup>®</sup>, XM<sup>®</sup>, NavWeather, Travel Link<sup>®</sup> and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>7</sup>Points of Interest and/or Send-to-Car may require subscription and owner consent to activate. Certain services, including Google<sup>®</sup> Points of Interest and/or Send to Car, provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. The App Store<sup>®</sup> logo is a registered trademark of Apple, Inc. All rights reserved. Google<sup>®</sup> and the Google<sup>®</sup> Play logo are registered trademarks of Google Inc.

**Text-to-speech** – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.<sup>3</sup>

**Navigation<sup>2</sup>** – Real-time traffic updates help keep you clear of traffic jams,<sup>6</sup> 3-D perspective Points of Interest (including ATMs), restaurants, and gas stations.<sup>7</sup>

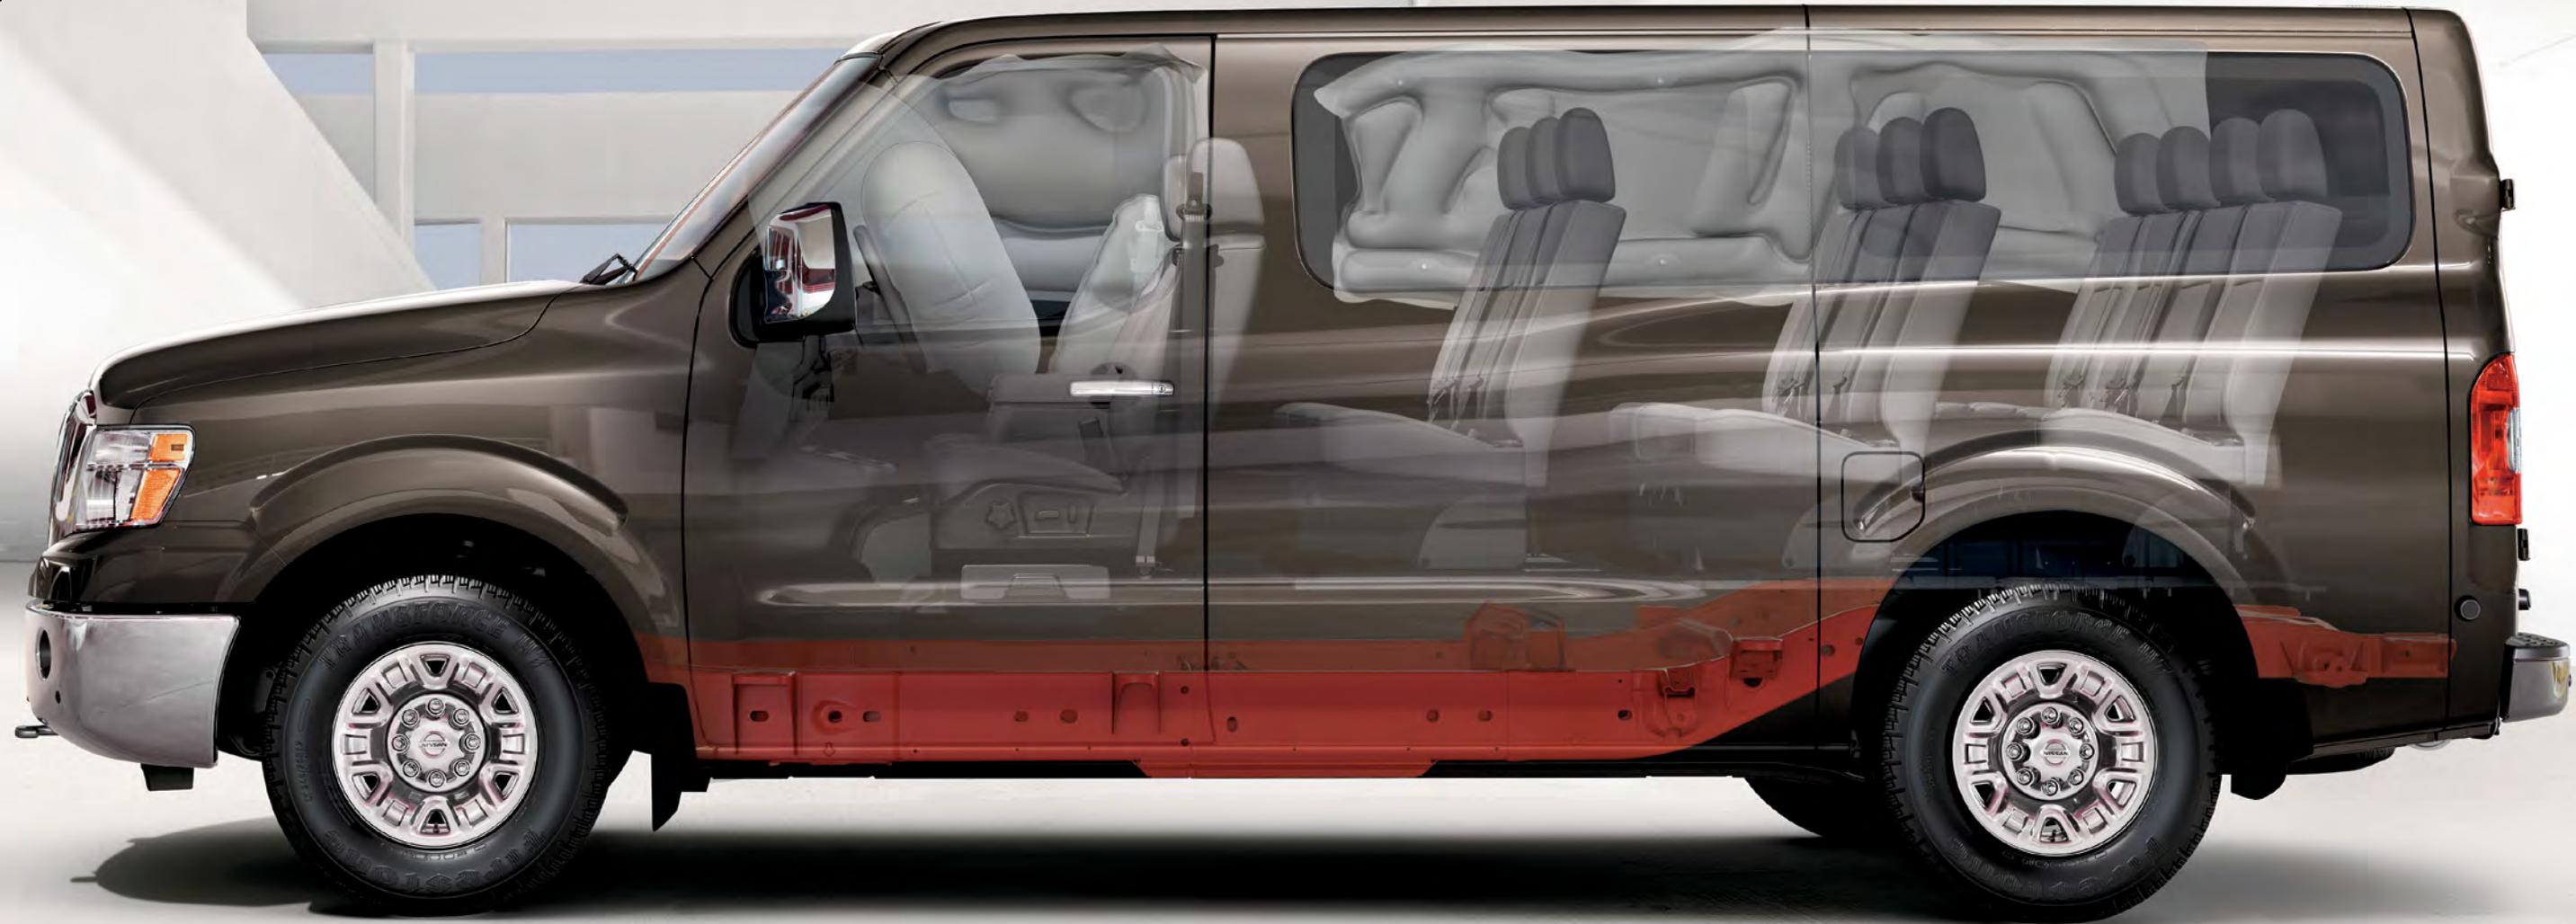

**XM<sup>®</sup> Weather<sup>6</sup>** – Knowledge is power, and with NavWeather<sup>®</sup> you're in the loop with forecasts and on-screen severe weather alerts that could affect your drive.

**RearView Monitor<sup>5</sup>** – Helps negotiate tight parking situations. Helps driver place vehicle close to unloading points.

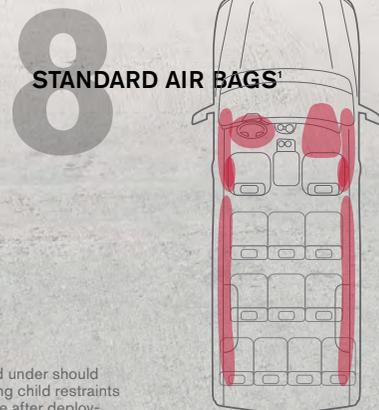

## NISSAN SAFETY SHIELD® PHILOSOPHY

# INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® Technologies™ are a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

<sup>1</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front passenger's seat. All children 12 and under should ride in a 2nd, 3rd, or 4th row seat properly secured in child restraints; booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. Rear-facing child restraints should not be used in NV® Cargo vehicles. See Owner's Manual for details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment. <sup>2</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>3</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

8 STANDARD AIR BAGS<sup>1</sup>

## PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and helps keep you safe. Nissan's Zone Body construction further strengthens that line of defense, helping to absorb impact and protect everyone on board.

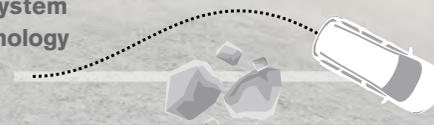

### Eight Standard Air Bags<sup>1</sup>

- (2) Dual-stage supplemental front air bags<sup>1</sup>
- (2) Front seat-mounted side-impact supplemental air bags<sup>1</sup>
- (2) Roof-mounted curtain side-impact supplemental air bags with rollover sensor for front occupant head protection<sup>1</sup>
- (2) Roof-mounted curtain side-impact supplemental air bags with rollover sensor for 2nd–4th row outboard occupant head protection<sup>1</sup>

## RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control<sup>2</sup>
- Traction Control System (TCS)
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist<sup>3</sup>

## POWER TO CHOOSE.

NV® Passenger has been engineered from the bottom up to give you the kind of reliability and durability you need to ensure a solid bottom line for your business. It's built on a full-length, fully boxed frame for a long service life. The largest brakes in its class provide confident stopping power,<sup>1</sup> while standard VDC helps keep you on your steered path.<sup>2</sup> Whether you choose between a fuel-efficient V6 or powerhouse V8 engine, you ride with state-of-the-art technology. With up to 8,700-lb. towing capacity, you can bring what you need, when you need it.<sup>3</sup> And since both engines run so efficiently, you'll never have to worry about logging idling time again.

**Largest brakes in its class.** Whether it's 12 on board, a load of gear, or a combination of the above, confident stopping power can't be neglected. That's why NV® Passenger is equipped with 14.2" front, 14.4" rear, four-wheel vented disc brakes – the largest in its class.<sup>1</sup>

**Powerful choices.** NV Passenger's 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency.

Step up to the 32-valve 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction, for smooth response and less wear and tear.

**Suspension and ride.** Based on the heavy-duty components of NV® Cargo, Nissan engineers specially tuned the suspension of NV® Passenger for rider comfort.

<sup>1</sup>Ward's Light Vehicle Segmentation. 2015 NV® Passenger vs. 2014 and 2015 Large Van Class. Based on rotor size. <sup>2</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>3</sup>V8 models only. See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

## WHAT IS A BUSINESS CERTIFIED DEALER?

It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV lineup. Only Business Certified Dealers offer exclusive commercial incentive packages,<sup>1</sup> while providing dedicated Commercial Vehicles Account Managers and Priority Service. We offer complimentary upfit packages as part of our exclusive commercial incentive program.<sup>1</sup> We also offer Commercial Lending Programs for qualifying customers, and much more.

Here are just some of the key benefits you will discover when using a Business Certified Dealer:

- Priority Service with Next Available Bay and Next Available Technician
- Special Commercial Lending programs, including available lines of credit
- Dedicated Commercial Vehicles Account Manager to handle commercial customer transactions at your location
- Fleet Pricing available for qualified accounts
- 24-hour towing with Roadside Assistance, including Trip Interruption reimbursement on select models<sup>4</sup>
- A flexible commercial sales and service experience to help accommodate your schedule

- Complimentary shuttle service
- Available Demonstrator Vehicles
- Mailings with notice of special offers and incentives
- Access to Commercial Vehicles inventory
- Commercial service advisors to help get you on the road quickly and minimize downtime
- Qualifying customers will receive support from the Commercial Upfit Incentive Program, and will be able to choose from the following complimentary options: cargo management equipment, graphics packages, or cash back – offers vary by model

<sup>1</sup>The Commercial Incentive Packages are products designed, manufactured, tested and installed by an independent supplier, Modagraphics,<sup>™</sup> specifically for NV<sup>®</sup> Passenger vans. Modagraphics<sup>™</sup> products are not covered by the Nissan New Vehicle Limited Warranty. Nissan is not responsible for the safety or quality of the installation or alterations made by Modagraphics<sup>™</sup> to your NV<sup>®</sup> Passenger van. See your local dealer for details. The wraps application is a nongenuine Nissan affiliate product available through Modagraphics,<sup>™</sup> Inc. Nissan does not warranty NCV Graphics Package; instead, warranty is provided by Modagraphics,<sup>™</sup> Inc. Offer valid for 2013–2015 model-year NV<sup>®</sup> Passenger vans. Please see your local NCV dealer for more details on the Commercial Incentive Program. To find your local NCV dealer, reference the dealer locator at [www.NissanCommercialVehicles.com](http://www.NissanCommercialVehicles.com).

<sup>2</sup>Vehicle Graphics Packages do not cover roof of vehicle. <sup>3</sup>MSRP excludes destination charge, tax, title, license, and options. Dealer sets actual price. <sup>4</sup>Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. Modagraphics<sup>™</sup> is a trademark of Modagraphics, Inc.

<sup>1</sup>The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. <sup>2</sup>Driving is serious business. Only use NissanConnect<sup>SM</sup> services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google<sup>®</sup> services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora<sup>®</sup>). Standard text rates and/or data usage may apply. See retailer and check [www.NissanUSA.com/connect](http://www.NissanUSA.com/connect) for details. <sup>3</sup>Required SiriusXM<sup>®</sup> Satellite Radio, SiriusXM<sup>®</sup> Traffic, NavWeather<sup>®</sup> and Travel Link<sup>®</sup> subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM<sup>®</sup> Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2014 Sirius XM Radio Inc. Sirius<sup>®</sup>, XM<sup>®</sup>, NavWeather, Travel Link<sup>®</sup> and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>4</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. <sup>5</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. <sup>6</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. iPod<sup>®</sup> is a registered trademark of Apple, Inc. All rights reserved. iPod<sup>®</sup> not included.

| Cargo width at wheelhouse floor  | 52.1  |
| Maximum cargo height   | 51.3  |

<sup>1</sup>Required SiriusXM<sup>®</sup> Satellite Radio, SiriusXM<sup>®</sup> Traffic, NavWeather<sup>®</sup> and Travel Link<sup>®</sup> subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM<sup>®</sup> Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2014 Sirius XM Radio Inc. Sirius<sup>®</sup>, XM<sup>®</sup>, NavWeather, Travel Link<sup>®</sup> and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>2</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>3</sup>TPMS is not a substitute for regular tire pressure checks. <sup>4</sup>Driving is serious business. Only use NissanConnect<sup>SM</sup> services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google<sup>®</sup> services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora<sup>®</sup>). Standard text rates and/or data usage may apply. See retailer and check [www.NissanUSA.com/connect](http://www.NissanUSA.com/connect) for details. <sup>5</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. <sup>6</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. iPod<sup>®</sup> is a registered trademark of Apple, Inc. All rights reserved. iPod<sup>®</sup> not included.

## DIMENSIONS/CAPACITIES/WEIGHTS (CONTINUED)

### Capacities

|                           |          |          |
|---------------------------|----------|----------|
| Roof load capacity (lbs.) | 500      |          |
| Seating capacity          | 12       |          |

| V6 | 6,709 | 6,758 | –     |
| V8 | 6,791 | 6,839 | 6,866 |

## NISSAN COMMERCIAL VEHICLES

Frontier®

NV200® Compact Cargo

NV® Passenger

Titan®

NV® Cargo Standard Roof

NV® Cargo High Roof

<sup>1</sup>See Nissan Towing Guide and Owner's Manual for proper use. <sup>2</sup>With available tow hitch accessory for V6 and V8 models. See Nissan Towing Guide and Owner's Manual for proper use. <sup>3</sup>With standard factory tow hitch, V8 models only. See Nissan Towing Guide and Owner's Manual for details. <sup>4</sup>Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. <sup>5</sup>The Commercial Incentive Packages are products designed, manufactured, tested and installed by an independent supplier, Modagrifics™, specifically for NV® Passenger vans. Modagrifics™ products are not covered by the Nissan New Vehicle Limited Warranty. Nissan is not responsible for the safety or quality of the installation or alterations made by Modagrifics™ to your NV® Passenger van. See your local dealer for details. The wraps application is a nongenuine Nissan affiliate product available through Modagrifics™ Inc. Nissan does not warrant NCV Graphics Package; instead, warranty is provided by Modagrifics™. Offer valid for 2013–2015 model-year Nissan NV® Passenger vans. Please see your local NCV dealer for more details on the Commercial Incentive Program. To find your local NCV dealer, reference the dealer locator at [www.NissanCommercialVehicles.com](http://www.NissanCommercialVehicles.com).

## TAKE THE NEXT STEP

One of the most attractive features about NV® Passenger is its ability to fit the needs of your business. Simply click on the links below and you can design a vehicle – inside and out – that's perfect for you.

### There's more to discover about NCV

### Visualize your logo on an NV® Passenger.

Ready to put your advertising strategy on wheels? Go to [www.nissancommercialvehicles.com](http://www.nissancommercialvehicles.com), and see how great your new vehicle looks with your logo.

WHAT IS A BUSINESS CERTIFIED DEALER? It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV lineup. Only Business Certified Dealers offer exclusive commercial incentive packages, while providing dedicated Commercial Vehicles Account Managers and Priority Service. We offer complimentary upfit packages as part of our exclusive commercial incentive program. We also offer Commercial Lending Programs, and much more.

Here are just some of the key benefits you will discover when using a Business Certified Dealer:

- Priority Service with Next Available Bay and Next Available Technician
- Special Commercial Lending programs, including available lines of credit
- Dedicated Commercial Vehicles Account Manager to handle commercial customer transactions at your location
- Fleet Pricing available for qualified accounts
- 24-hour towing with Roadside Assistance, including Trip Interruption reimbursement on select models<sup>4</sup>
- A commercial sales and service experience that fits your schedule

- Complimentary shuttle service
- Available Demonstrator Vehicles
- Mailings with notice of special offers and incentives
- Access to Commercial Vehicles inventory
- Commercial service advisors to get you on the road quickly and minimize downtime
- Qualifying customers will receive support from the Commercial Upfit Incentive Program, and will be able to choose from the following complimentary options: cargo management equipment, graphics packages, or cash back – offers vary by model:

NV® Cargo = 5 options to choose from<sup>5</sup>

NV® Passenger = 2 options to choose from<sup>5</sup>

NV200® Compact Cargo = 5 options to choose from<sup>5</sup>

## CUSTOMER COMMITMENT

Your vehicle is more than just basic transportation, it's what makes your business run efficiently. At Nissan Commercial Vehicles, we understand our part in making your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every Business Certified Dealer:

**Roadside Assistance and Trip Interruption.** Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.<sup>4</sup>

**Service and maintenance plans.** Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Business Certified Dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

**We've got you covered.** Every Nissan Commercial Van is backed by a 5-year/100,000-mile (whichever occurs first) limited vehicle coverage and a 5-year/100,000-mile (whichever occurs first) limited powertrain coverage. (See your Business Certified Dealer or reference the Nissan Owner's Manual for details). For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to [NissanUSA.com/green](http://NissanUSA.com/green)

At [NissanUSA.com](http://NissanUSA.com), you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about NV® Passenger or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **Always wear your seat belt, and please don't drink and drive.** ©2014 Nissan North America, Inc.
