... ivans. You can feel it. When  
... visit our dealerships. You  
... n hear it. When you talk  
... anyone associated with  
... outh. It's all about our  
... ng dedication to restore  
... famous Plymouth make  
... one of the world's premier  
... omotive nameplates.  
... d we're doing it. With  
... e clever idea after another.  
... outh Breeze. Plymouth  
... on Coupe and Sedan.  
... outh Voyager and Grand  
... yager. And the hot roddin'

Plymouth Prowler. They're innovative, expressive, fun-to-drive, and loaded with quality, value and a youthful flair. In our dealerships, you can expect a high level of assistance and service. And in addition to the dealership, we've created **Plymouth Place**. A pressure-free, traveling showroom appearing at malls, plazas and local events. Where an **on-site advisor** will answer all your questions. Where you can use an **interactive computer** to select and personalize the Plymouth you want. It's simple, convenient, hassle-free and quite clever. Equally clever is how you can also obtain

information on new Plymouth products via the **Internet and fax**. Or speak with a knowledgeable advisor at **toll-free 1-800-PLYMOUTH**.

Clever ideas that are helpful. Just the way things ought to be. From Plymouth. **You'll like what you see, feel and hear.**

To get current pricing and incentives updates, or to locate the nearest Plymouth Place mall, call 1-800-PLYMOUTH.

**One clever idea after another.**

**That's Plymouth.**

# Plymouth Breeze.

Ingenuity. It takes many different forms. From the wheel, the compact disc and the fan to the railroad, the suspension bridge and the safety pin. Clever ideas abound. Take the sporty Plymouth Breeze. It's not just stand-apart-from-the-crowd cab-forward architecture that makes this car clever. For there are countless ingenious components: **Meaningful innovations.** From headlight to taillight, Plymouth Breeze is loaded with clever ideas. Like those previewed here. Which makes Breeze a downright **terrific value.** Priced very smartly. You get the idea.

## One clever idea after another

Breeze's steering wheel (A) houses available speed controls and is connected to a fan that creates airflow massive enough to cool or warm an area the size of a small house. Bre

THE ANSWER  
IS BLOWIN' IN  
THE WIND:  
PLYMOUTH  
BREEZE.

A

B

C

D

...a breath of fresh air, Breeze is invigorating. Clever cab-  
forward architecture shapes it. Streamlining the exterior for  
wind-cheating, noise-silencing travel. Minimizing engine  
compartment space (A) for maximum interior living space  
(B). Slanting the windshield dramatically (C) for exceptional  
aerodynamics and panoramic visibility. Moving all four wheels  
toward the corners of the car (D) for a stable stance,  
wide door openings, and lots of hip and shoulder room.

PLYMOUTH  
BREEZE'S  
UNIQUE CAB-  
FORWARD  
ARCHITECTURE  
IS DESIGNED TO  
BE AS ARRESTING  
TOMORROW  
AS THE SHAPE  
OF THE GREAT  
PYRAMIDS  
IS TODAY.

ON THE

WELD FOR THE  
HIGHEST LEVEL  
OF PRECISION.

Research and development. Considerable amounts of which went into the creation of Plymouth Breeze. To get the workings of the entire car just right. Some **studies** focused on the unmet needs of car owners. Others on how car owners interact with their autos: such as parking and loading their vehicles at shopping centers. Engineers chalked up **2.6-million** quality-proving miles in test cars and even tore apart competitive makes. Analyzing every bolt, switch and fastener. More than

...D product-excellence benchmarks were set. Ensuring Breeze  
...sound fundamentals. As in the reduction of noise, vibration  
...d harshness for superior **quietness**. In addition to robotic  
...ding, Breeze incorporates inventive hydroelastic and  
...stomeric engine mounts, rigid engine blocks, tight door-  
...me gaskets, near-flush window glass and innovative  
...ulators, isolators, deadeners and dampeners. Making for a  
...ooth, peaceful ride. Sound-chamber certified (A).

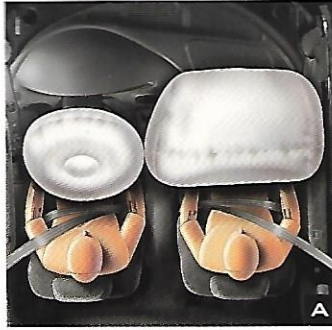

...ADDING A STYLISH LOOK TO YOUR CAR.  
THE REMOVABLE MOPAR ROOF RACK AND BIKE  
CARRIER (SHOWN IN ACTION) ARE SPORTY  
OPTIONS ON PLYMOUTH BREEZE.

Driver and front-passenger air bags\* (A) on Breeze will deploy faster than the blink of an eye upon a frontal barrier impact. 14-inch **antilock brakes** are available to prevent lockup during an emergency stop and help maintain steering control on wet or slippery surfaces. Windshield wipers are speed-sensitive and variable intermittent. An optional **Integrated Child Safety Seat**† (B) secures toddlers ages one year or older and weighing from 20 to 66 pounds. It cleverly folds away when not in use. Using ultra-high-strength steel side-guard door beams and structural reinforcements (C), Breeze meets federal dynamic **side-impact protection** standards. Front-wheel drive and all-season steel-belted radial tires help maintain Breeze's traction in snow, rain and mud. Child-protection rear door locks prevent doors being opened by curious hands from inside. An available **Personal Security Group** (D) features remote keyless entry, illuminated entry, a panic alarm and headlamp time delay. Mopar's EVS II® Electronic Vehicle Security Plus system includes remote keyless entry, a panic alarm and a passive, self-arming car alarm. The optional Cold Weather Group (E) contains engine block and battery heaters. Available dual power **heated mirrors** (F) and the standard rear window defroster clear things in a jiffy.

\* Always wear your seat belts.  
† Includes fixed rear seatback.

HYPRESSURE POINTS WERE ELIMINATED IN PLYMOUTH BREEZE SEATS, DIMINISHING SQUIRMS THAT MAKE FOR LONG-DISTANCE FATIGUE.

Breeze's cab-forward architecture provides plenty of room for five inside. Nearly **96 cubic feet** worth. Made more inviting with an available height-adjustable driver's seat (A) controlled by a unique telescoping lever. Climate control outlets under the front seats ensure rapid **rear-passenger contentment**. Front shoulder belts (B) are height-adjustable in five positions. And new rear cup holders (C), back of the new center armrest, are sized generously.

Gauges are big, bright and a breeze to read. Switches, levers and knobs are **ergonomically designed** and positioned, so they're smooth to the touch and within easy reach. Like the available electronic speed controls (A) on Breeze's steering wheel, which is hooked up with a height-adjustable steering column. Ozone-friendlier CFC-free **air conditioning** (B), full instrumentation, an AM/FM stereo radio (C) with four speakers, covered visor vanity mirrors (D) and custom-fit front floor mats (E) come standard.

PLYMOUTH BREEZE'S WRAPAROUND COCKPIT  
TRADES ITS ROOTS TO ERGONOMIC STUDIES  
PIONEERED BY THE U.S. AIR FORCE.

THINK OF PLYMOUTH BREEZE AS A BACKPACK ON WHEELS, SHOULDERING THE LOAD FOR YOU.

Accommodating. Breeze's **folding** rear seatback makes for a nifty pass-through trunk, expanding cargo-carrying capacity enormously. Perfect for a holiday at the beach or any number of gotta-get-it-all-there hauls. For greater ease, the locking seatback can be accessed from either the interior — through wide-opening, **aircraft-patterned doors** — or the big trunk (A). The balanced trunk lid incorporates a spring-powered hinge and gas struts so it raises with little effort. Well out of your way during loading and unloading. An adjustable cargo tray and cargo net (B) are available from Mopar for trunk tidiness. The **lighted, locking** glove box (C) and front door map pockets (D) keep things close at hand. A handy new center floor console is standard, adding a storage bin with an antirattle rubber mat, two front and two rear cup holders, and an **armrest** (E) with covered storage for CDs, cassettes, coins, tissues, pens, etc.

A

B

C

Breeze resonates with an array of solid-state audio equipment. Laboratory and over-the-road tested. All four systems feature a **digital clock** and up-and-down seek. System One: Standard AM/FM stereo radio with 20 station presets and four speakers (A). System Two: Available AM/FM stereo radio with full logic **cassette player**, 20 station presets and four speakers (B). System Three: Available AM/FM stereo radio with **CD player**, three-band graphic equalizer, 20 station presets and four

DRANK UP THE JAMS, BECAUSE

TEST, LAP AFTER LAP AFTER LAP.

for fun and fun for all. Breeze was engineered to  
ave with sporty flair. Its fully independent modified  
ble-wishbone suspension (A) is equipped with  
qual length control arms, gas-charged shocks and  
tilizer bars — front and rear — for responsive road  
ding, with a European bent. Aided by wide-stance  
forward wheel placement, ensuring straight-line  
ility. Efficiently powered from a 2.0-liter SOHC SMPI  
valve engine (B), corralling 132 horses underhood.  
ned with a slick-shifting five-speed manual or an  
able electronically controlled four-speed automatic  
combining a nice balance of performance and  
nomy. Developed around rail-through construction  
Two underbody rails of high-strength steel running  
the front of the car uninterrupted to the rear, creating  
ptional body stiffness. Solid feel. Hushed ride.  
le to stop on a dime with standard disc/drum power-  
ted brakes or available disc/drum antilock brakes.

This chart is designed to assist you in selecting the model and options that best meet your needs. Begin (Step 1) choosing the exterior/interior colors. Next, select the basic equipment (Step 2) you want and determine its availability. Equipment availability is indicated by the letters (S, O, P, etc.). Then, choose the additional equipment you want from either the Customer-Preferred™ Packages (Step 3) or the individual options (Step 4). Package options (Step 3) group popular high-value options together and offer savings over the same options ordered separately. An experienced salesperson at your dealership can now assist you in the selection of the vehicle that perfectly fits your needs.

<sup>19</sup> Includes fixed rear seatback.

**For further assistance in selecting your vehicle or additional information, see your salesperson or call 1-800-PLYMOUTH and speak to an advisor.**

**CUSTOMER ONE CARE™ Plymouth**  
 Breeze is covered by the 3/36 Customer One Care Plan,\* which includes:

■ A 3-year or 36,000-mile (whichever comes first) Bumper-to-Bumper Limited Warranty which covers the complete vehicle against defects in factory-supplied materials and workmanship. (This 3/36 warranty excludes tires, wiper blades, clutch and brake linings and normal maintenance items.)

■ Roadside Assistance for 3 years or 36,000 miles which provides 24-hour, 7-day-a-week Emergency Road Service, contacted by a 24-hour nationwide toll-free number. Roadside Assistance covers items not included in the 3/36 warranty: lockout, jump start, out-of-gas, flat tire repair and towing. Except for jump start and towing, there will be a \$25.00 per use customer fee.<sup>2</sup>

■ The 5-year or 100,000-mile Outer-Panel Rust-Through Limited Warranty which covers the cost of all parts and labor needed to repair exterior sheet-metal panels perforated by corrosion. The 3/36 Customer One Care Plan stays with the vehicle, and transfers automatically to subsequent owners at no cost during the warranty period.

\*See your dealer for additional details and a copy of this limited warranty.  
<sup>1</sup>Tires are covered by their own manufacturers' warranty.  
<sup>2</sup>Roadside Assistance services are provided by Cross Country Motor Club, Inc. (in California, Cross Country Motor Club of California, Inc.).

**SERVICE CONTRACTS** Additional peace-of-mind protection for vehicle owners is available through optional Chrysler Service Contracts ... the only Extended Warranty backed by Chrysler Corporation. These service plans are available in a variety of time and mileage combinations to meet your particular driving needs. Ask your dealer for more information or call 1-800-442-2666.

**CHRYSLER FINANCIAL** Chrysler Financial offers a broad range of traditional automotive financing plans and flexible terms for qualified buyers. Many of these plans can be customized to fit your particular budget and lifestyle. To make your new vehicle even more affordable, you may want to consider Gold Key Lease and Gold Key Plus short-term financing. Our College Graduate Plans, for example, are especially attractive to those just beginning their careers.

**AUTOMOBILITY PROGRAM** Cash reimbursement is available for qualified adaptive driving devices. Ask your dealer to provide you with more information or call the **Automobility Program Headquarters at 1-800-255-9877.**

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

Voyager SE with  
available Rallye Package

Grand Voyager SE

The vitality of clever ideas. It started with the friendly "Hi!" and warm smile of Plymouth Neon. And it continues with a true factory hot rod that's an engineering tour de force. Leading edge technology that embodies Plymouth's very clever line of thinking with a clever line of cars. **It's called Prowler.** And if variety is the spice of life, this roadster is hot-peppered excitement with an exotic dash of technical excellence. Look at Prowler as the ultimate freedom machine. But also look at it as an example of the clever thinking and innovation that's building a new car company. A beacon for the revitalization of Plymouth. From Neon to Voyager to Breeze. Plymouth's clever ideas have pushed beyond the envelope of conventional thinking. You can see it. And drive it. **There's a little bit of Prowler in every Plymouth.**

## THE OWNERSHIP PROMISE

A product can be no better than the willingness of its maker to stand behind it. That's why Chrysler Corporation, through its Customer One Care™ program, promises its owners a satisfying experience at the dealership and long after they drive their new cars from the showroom. Included in that promise: bumper-to-bumper protection for three years or 36,000 miles; 24-hour-a-day roadside assistance for the same period; a five-year or 100,000-mile assurance against sheet-metal rust-through; a variety of flexible plans for financing, leasing and extended service. All of these customer support programs are detailed on page 25. Customer One Care ... the Chrysler promise you can live with. For years.

## CUSTOMER ONE®

Chrysler's Investment in Your Satisfaction

**THE PRODUCT** Chrysler Corporation has created a revolutionary new lineup of cab-forward, next-generation automobiles and minivans. That's product.

**THE PEOPLE** To market these exceptional new vehicles, Chrysler Corporation and its dealer body have revolutionized the way they do business, committing \$45 million annually to training, educating and increasing the awareness of dealership sales staff and service personnel. That's people.

**THE GOAL** Together, product and people form a synergistic network dedicated to one goal: exceeding your expectations throughout the shopping, buying and ownership experience. **Sales Advisors** are trained to guide you to the car or minivan that precisely fits your lifestyle. **Customer One Product Training** provides detailed, in-depth information regarding cars and minivans. Product workshops impart not only "book" knowledge but also a hands-on "feel" for the vehicle that is gained through on-the-road experience. In-dealership product training includes ongoing monthly meetings designed to provide the facts on competitive cars and minivans to help Sales Advisors help their customers. **Service personnel** undergo similar training programs designed to continually update their skills and keep them abreast of rapidly advancing automotive technology.

**THE RESULTS** The results of this massive commitment to continuous improvement are reflected in both products and people: outstanding achievements in sales and increasing Sales and Customer Satisfaction Index scores — two highly controlled systems that measure our performance by soliciting your opinion. At Chrysler, we're not just a whole new family of cars, but an entirely new corporate culture dedicated to satisfying your every automotive desire.

## LEASING FOR TODAY'S LIFESTYLES

Leasing is becoming a very popular way to drive a new vehicle. In fact, one out of every four vehicles is leased rather than purchased and the trend is growing. There is nothing confusing or complicated about leasing a vehicle at your dealership. Chrysler Financial's Gold Key Lease has the flexibility to fit your vehicle choice and your lifestyle. If the idea of getting the type of vehicle you really want, more often, and paying less for it sounds great, ask about Gold Key Lease.

### THE GOLD KEY DIFFERENCE

Because you only pay for the portion of the vehicle's life you'll use, a Gold Key Lease can offer many great advantages, all of which help you drive the vehicle you've always wanted.

- **Lower Monthly Payments** Gold Key Lease payments are typically lower than conventional finance payments. In fact, your payments on a 24-month lease are roughly the same as financing for 60 months.
- **Shorter Term** With a Gold Key Lease, you can drive a brand-new vehicle as often as every 24 months.
- **Flexibility** Gold Key Lease terms and payments can be tailored to fit your driving habits and lifestyle.
- **Three Great Options** A Gold Key Lease offers you three great options at lease end: 1) Turn the vehicle in and lease a new one. 2) Buy the vehicle and keep it. 3) Buy it, then sell it for a possible profit, and lease a new vehicle.

### AUTO-PAY OPTION

Gold Key Lease customers have the option of participating in Auto-Pay — a convenient system that electronically deducts your monthly lease payment from your checking or savings account.
