

MATRIX shown in Phantom Gray Pearl

XR shown in Radiant Red

XRS shown in Silver Streak Mica with available 17-in. aluminum alloy wheels

So versatile, add a roll of duct tape and you can take on the world. When you drive the 2005 Toyota Matrix, you can't help but think of what's possible. Take the base model Matrix. With its available full-time 4WD, you can practically do anything, anywhere. And look good doing it. Want something more sporty? Try the XR with its 5-speed manual transmission and restyled front with available integrated fog lamps. Not to mention new taillights and available aggressive front and rear underbody spoilers. For the full bells-and-whistles treatment, go with the XRS and its 170-hp engine, 6-speed manual transmission and available 17-inch wheels. Whichever you pick, all feature an uncanny adaptability that would make a chameleon jealous. So hit the road and set your sights high. Because with a Matrix, suddenly nothing is out of the question.

XR shown in Dark Charcoal with available Extra Value Package #1 and Premium AM/FM 6-disc in-dash changer with six speakers

It only seems appropriate that it starts as a clay model. The magic of the Matrix interior is that it's so flexible, it can handle just about whatever life throws your way. Night out on the town? Matrix has room for five. Movin' on to bigger and better things? Fold down the 60/40 split rear seat and front passenger seat and you've now got cargo space for everything (53 cu. ft.)¹ — kitchen sink included. Feel like karaoke? No problem — pump up the available JBL CD/audio system with seven speakers and suddenly all the road's a stage. The Matrix XR and XRS even feature a 115V power outlet for those pregame tailgate parties where the only seats you have are in front of a 20-inch screen. Truth is, no matter how you shape it, the Matrix is one of the most versatile vehicles on the road.

1. Cargo and load capacity limited by weight and distribution.

Where there's a will, there's a seating configuration, thanks to the Matrix's 60/40 split fold-down rear seat and flat-folding front passenger seat.

Easy-to-view standard Optitron meters add a stylish flair to the Matrix instrument panel.

MODEL GRADE FEATURES

	MATRIX XR	XRS
Exterior		
Aerodynamic multi-reflector halogen headlamps with Daytime Running Lights (DRL)	S	S
Integrated fog lamps	–	P

S = Standard **0** = Optional **–** = Not Available **P** = Available only as part of a package.

- Standard on 4WD models, available on 2WD models.
- Available with All-Season tires only.
- Available with All-Season or summer tires.
- On models equipped with available moonroof, maplights are located in the overhead console.
- Shift-activated locking feature with automatic transmission only.
- Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.
- See Packages section footnote 4 for more information on Toyota's Toyota Vehicle Stability Control (VSC).
- 2WD automatic models only. Requires ABS. Matrix Base also requires Power Package.
- See Packages section footnote 6 for more information on Toyota's driver, front passenger and front seat-mounted side airbags.

AVAILABLE PACKAGES AND OPTIONS
Matrix Packages

Power Package — includes power windows with driver's auto-down and retained-power features, power door locks, and remote keyless entry system

All-Weather Guard Package¹ — intermittent rear window wiper, windshield molding, heavy-duty heater and rear-seat heater ducts

Matrix Options

- 16-in. aluminum alloy wheels with P205/55R16 tires²
- Anti-lock Brake System (ABS)¹ with Electronic Brake-force Distribution (EBD) and Tire Pressure Monitor System³
- Vehicle Stability Control (VSC)^{4,5} with Traction Control (TRAC)
- Cruise control
- Intermittent rear window wiper¹
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags⁶

Matrix XR Packages

Extra Value Package #1 — includes cruise control, color-keyed front and rear underbody spoilers and integrated fog lamps

Extra Value Package #2 — includes 16-in. aluminum alloy wheels with P205/55R16 tires,² power tilt/slide moonroof with sunshade,⁷ cruise control, fog lamps, and color-keyed front and rear underbody spoilers

All-Weather Guard Package¹ — windshield molding, heavy-duty heater and rear-seat heater ducts

Matrix XR Options

- 16-in. aluminum alloy wheels with P205/55R16 tires²
- 17-in. aluminum alloy wheels with P215/50R17 tires⁸
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)¹ and Tire Pressure Monitor³
- Vehicle Stability Control (VSC)^{4,5} with Traction Control (TRAC)
- Power tilt/slide moonroof with sunshade⁷
- Premium AM/FM with 6-disc in-dash CD changer and six speakers
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags⁶

Matrix XRS Package

All-Weather Guard Package — windshield molding, heavy-duty heater and rear-seat heater ducts

Matrix XRS Options

- 17-in. aluminum alloy wheels with P215/50R17 tires⁸
- Power tilt/slide moonroof with sunshade^{2,7}
- Premium AM/FM 6-disc in-dash CD changer and six speakers
- JBL AM/FM 6-disc in-dash CD changer with seven speakers
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags⁶

1. Standard on 4WD models, available on 2WD models.

2. Available with All-Season tires only.

3. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.

4. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

5. 2WD automatic models only. Requires ABS. Matrix Base also requires Power Package.

6. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

7. On models equipped with available moonroof, maplights are located in the overhead console.

8. Available with All-Season or summer tires.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: For accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's

in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Owner's Warranty Information* booklet or see your Toyota dealer.

- 2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.
- Available with All-Season or summer tires.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about a Toyota, you may also want to consider leasing or purchasing your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. If you are about to graduate from college or are a recent college graduate, you may qualify for special benefits through our College Graduate Finance Program. Few companies can

match the expertise, customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.

05 ACCESSORIES

It's time to put your spin on it.
Yes, it's all about you.

- A Rear Seat Back Storage with First Aid Kit**
Saddlebag storage pockets attach to the back of the rear seats—one side comes with a Toyota First Aid Kit, while the other large pocket provides additional storage.
- B Roof Rack and Attachments**
Maximize your roof rack's usefulness with Genuine Toyota Attachments. The Ski/Snowboard Attachment holds up to four pairs of skis or one pair of snowboards. It's easy to attach and comes with an integrated locking mechanism for extra security.
- C Front-End Mask***
Custom-tailored for your Matrix, this Front-End Mask adds a sporty look while helping to protect your vehicle.

- D Pet Screen**
Keep Fido from wandering while you're driving with a Genuine Toyota Pet Screen. Black powder-coat finish prevents chipping and is dog-drool resistant.
- E Sunroof Wind Deflector**
The Sunroof Wind Deflector allows you to feel the warm sun on your face without the wind in your hair.
- F Rear Bumper Protector**
Loading and unloading cargo can take a toll on a painted bumper. Help protect your bumper from scratches with an anti-skid Rear Bumper Protector.

05 ACCESSORIES

G Cargo Tote*

This handy Cargo Tote helps keep your trunk organized.

H Auto-Dimming Mirror

Improve your driving safety with an Auto-Dimming Mirror. Its built-in sensors detect headlight glare and automatically dim the mirror to reduce eyestrain.

I Carpeted Floor Mats

Color-coordinated floor mats protect your original carpeting while adding some flair with an embroidered Matrix logo. The non-skid backing and positive retention clip help prevent them from sliding.

J Vehicle Intrusion Protection (VIP) RS3200 Plus Security System

This advanced, multi-featured security system protects against theft. Your insurance deductible may be reimbursed if your vehicle is stolen.

Specific terms and conditions apply. Please consult VIP Consumer Limited Warranty Card or call TMS Commercial Insurance at 888-238-8125.

K Ashtray Cup

Removable Ashtray Cup, with lid, fits into the front cup holder.

L All-Weather Floor Mats

Made with heavy-gauge rubber, these floor mats are easy to rinse clean and provide the ultimate protection for your original carpet. All-Weather Floor Mats handle all types of weather.

M Bazoooka® Subwoofer

Especially designed for your Matrix. Patented Bass Tube design, featuring a self-powered 8-in. driver to deliver bass you can feel.

*Accessories shown may be depicted on other models or model year than indicated.
