

Yaris

2015

Camera, friends, action. Let's do some exploring.

Yaris is the car that is just right. Attractive new Euro look and available 16-in. alloy wheels add the right amount of style, while music streamed¹ via *Bluetooth*,² available NAV,³ and more are just the right amount of tech. It's sporty, fun and easy to maneuver—because getting there is sometimes half the fun. The 2015 Toyota Yaris offers style, versatility, great value and is here to take some of the worry out of driving. Let's see where today takes us. Let's go places.

Let's look at the world from a brand-new angle. Load up the Yaris, grab some friends, sync the cameras, and away we go.

Left to right: **5-Door SE** shown in Absolutely Red; **5-Door LE** shown in Blue Streak Metallic.

Turn heads and corners every chance you get.

Yaris has always been about letting you be more independent. And it's fun to drive too. Sport suspension on the SE and spirited handling make every ride a great one, and available 16-in. alloy wheels look sleeker than ever, while a freshly restyled grille adds extra attitude. Love night drives? Available projector-beam headlights brighten the evening, and available LED Daytime Running Lights (DRL) help you have a distinct look even during the day. Yaris balances fun and fuel by giving you great mpg, so you'll have a smile on your face as you drive past the gas station.

LESS GAS. MORE FUN.

All this fun should come at a price, right? Not with Yaris. Yaris has up to an EPA-estimated 37 highway and 30 city mpg.¹ Now you can focus on finding your next meet up and not a gas station.

SMOOTH OPERATOR

Standard Independent MacPherson strut front suspension, wide wheelbase, and a minimum turning radius combine to make Yaris not only fun to drive, but versatile, as well. It's like a whole new drive.

SEE BETTER, DAY AND NIGHT

Available projector-beam headlights with black sport trim shine brightly at night, while LED DRL create an iconic look during the day. No matter the time of day, Yaris is instantly recognizable.

5-Door SE shown in Absolutely Red.

Turn up the volume and the technology.

Everything has a purpose – that’s the idea behind the features of Yaris. We equipped the interior with tech you’d actually use, like available remote keyless entry, standard Yaris Entune™ Audio, and hands-free phone capability with music streaming¹ via *Bluetooth*^{®2} wireless technology. A 6.1-in. touch-screen audio system with USB port³ and voice recognition makes it easier to find the perfect soundtrack for that drive. Yaris is packed with the technology that you will really appreciate, and that should be music to your ears. So go ahead, start warming up for karaoke right now.

LEATHER-WRAPPED STEERING WHEEL

A sporty look is the Yaris standard. That’s why Yaris SE comes standard with a leather-trimmed steering wheel and shift knob. It’s the little details that add to the fun.

REMOTE KEYLESS ENTRY

Tech that comes in handy. With just the simple press of a button on the key, you can easily get in and out of Yaris.

YARIS ENTUNE™ AUDIO

All new for 2015, Yaris now offers a 6.1-in. touch-screen, USB port with iPod^{®4} connectivity and control, HD Radio^{™5} with iTunes[®] Tagging⁵ voice recognition and music streaming via *Bluetooth*[®] wireless technology.

5-Door SE interior shown in Black with available navigation!

1. See footnote 19 in Disclosures section.

Plenty of personal space for everyone.

Let's face it, everyone likes their space, but everyone also wants cargo options. With its rear liftback door, roomy cargo area and versatile 60/40 split fold-down rear seat, Yaris accommodates all kinds of stuff you wouldn't think could fit in a subcompact car. Yaris is just as adaptable as you need it to be. Load it up and go. But don't be surprised when Yaris manages to fit your entire comic book collection and then some.

SPORT SEATS

Yaris looks and feels stylish. The sport fabric-trimmed front seats on Yaris SE are one reason for that. They're designed to hold you snugly in case you encounter some twisty roads.

60/40 VERSATILITY

The 60/40 split rear seat on Yaris makes it easy to transform the space to fit more cargo.¹ Fold one seat down to get a little extra space; fold both, and you have room for your latest art piece.

EASY-REACH CUP HOLDERS

Stow your stuff. Everywhere you look inside Yaris you'll find storage options. There are door pockets, a passenger-side footwell pocket and a center storage cubby. There's also a passenger-side glove compartment and cup holders.

5-Door SE shown in Absolutely Red.

A focus on safety that's easy to see.

Yaris comes with lots of standard safety features. Along with an impressive nine airbags,¹ every Yaris Liftback comes standard with the Star Safety System,[™] a suite of six active safety features that help keep you out of harm's way. This advanced system includes Enhanced Vehicle Stability Control (VSC),² Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)³ and Smart Stop Technology[®] (SST)⁴

AIRBAGS¹

Yaris has nine airbags, which includes a driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, a driver knee airbag, driver and front passenger seat cushion airbags, and front and rear side curtain airbags.

LATCH

LATCH (Lower Anchors and Tethers for CHildren) provides an added measure of safety for the smaller members of your family. LATCH includes lower anchors on the outboard rear seats and tether anchors on all rear seats.

WHIPLASH-INJURY-LESSENING (WIL)⁵ FRONT SEATS

The front seats in Yaris employ an advanced Whiplash-Injury-Lessening (WIL) design to help reduce the risk of neck injuries. In certain rear-end collisions, WIL seatback frames are engineered to yield in a controlled fashion and help minimize the motion differential between the occupant's head and torso, the primary cause of whiplash injuries.

Yaris Models

L Available in 3- or 5-door models

Powertrain

- 1.5L 4-Cyl. Engine
- 5-speed manual or available 4-speed automatic transmission
- 30 city/37 hwy/33 combined EPA-est. mpg¹ (manual)
- 30 city/36 hwy/32 combined EPA-est. mpg¹ (automatic)

Exterior Features

- Multi-reflector halogen headlights
- Daytime Running Lights (DRL)
- Color-keyed outside mirrors
- 15-in. steel wheels with wheel covers

Interior Features

- Yaris Entune™ Audio—includes 6.1-in. touch-screen, AM/FM CD player with MP3/WMA playback capability, six speakers, HD Radio™² with iTunes® Tagging,³ auxiliary audio jack, USB port⁴ with iPod®⁵ connectivity and control, hands-free phone capability, voice recognition, and music streaming⁶ via Bluetooth®⁷ wireless technology
- Fabric-trimmed front seats
- 6-way adjustable driver's seat
- 4-way adjustable front passenger seat
- 60/40 split fold-down rear seat
- Tilt 3-spoke steering wheel
- Power door locks with illuminated entry
- Power windows with driver's-side auto down
- Passenger-side glove compartment
- 12V auxiliary power outlet
- Cargo area tonneau cover

Safety/Convenience

- Star Safety System™ and nine airbags⁸

LE Available in 3- or 5-door models
Adds to or replaces features offered on L

Powertrain

- 1.5L 4-Cyl. Engine
- 4-speed automatic transmission
- 30 city/36 hwy/32 combined EPA-est. mpg¹

Exterior Features

- Black front grille with chrome accent
- Color-keyed power outside mirrors
- 15-in. alloy wheels

Interior Features

- Tilt 3-spoke steering wheel with audio controls
- Cruise control
- Remote keyless entry system
- Engine immobilizer⁹

Safety/Convenience

- Star Safety System™ and nine airbags⁸

SE 5-door model only
Adds to or replaces features offered on LE

Powertrain

- 1.5L 4-Cyl. Engine
- 5-speed manual or available 4-speed automatic transmission
- 30 city/37 hwy/33 combined EPA-est. mpg¹ (manual)
- 30 city/36 hwy/32 combined EPA-est. mpg¹ (automatic)

Exterior Features

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow—from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Cargo and load capacity limited by weight and distribution. 2. 2015 EPA-estimated mileage. Actual mileage will vary. 3. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 4. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 5. iTunes® Tagging is a registered trademark of Apple Inc. All rights reserved. 6. May not be compatible with all mobile phones, MP3/WMA players and like models. 7. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 8. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 9. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth*®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 10. Manual transmission only. 11. Automatic transmission only. 12. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 13. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 14. Smart Stop Technology® operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 15. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 16. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 17. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 18. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 19. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your dealer. See your *Navigation System Owner's Manual* for details. 20. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. 21. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)[†] is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

[†]Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
