[www.volvocars.us](http://www.volvocars.us)

For a lifetime, we have protected and celebrated life: of the occupants of our cars and of the world around them. Since our life began in 1927, we've learned a great deal about keeping people safe, through extensive testing and by researching real-life accidents. In fact, while the entire automobile industry makes use of Volvo safety concepts, we continue to develop new ones.

One of the things we've discovered is that although safety is enhanced through the interaction of sophisticated systems, it is most importantly the product of the relationship between car and driver. This bond is where dynamic driving begins. With this in mind, we have designed a Volvo that is not only thrilling to drive, but is also safer than ever before; for people and for the environment in which they live.

Maybe that's why, even after all these years, we still find safety so exciting. Welcome to the carmaker that never takes life for granted.

## **VOLVO. FOR LIFE**

**THE VOLVO V70.  
PART OF THE MAIN EVENT**

If you're not already familiar, this is the original safety-first wagon. It's earned its position by holding on to its protective personality, while developing a new style of performance. No matter what sort of team you might lead, the space and versatility of this vehicle make it a vital asset. Let it play a central role in your life, and see what a beautiful solution the Volvo V70 can be.

## THE FRONT ROW

Put yourself in the driver's seat for a second. The view is panoramic. The seat embraces your body. There's space to stretch your legs while instrumentation is close by. The smooth lines of the roomy cabin encompass an array of intuitive controls. Welcome to the front row of the Volvo V70.

#### < BUILT-IN NAVIGATOR \*

The optional Volvo Navigation System helps guide you to your destination, be it to the home of a friend in an unfamiliar city or to the welcome sight of a hotel along the way. The system's voice guidance and ergonomically designed controls help keep your attention on the road, secure in the knowledge that the road is taking you where you want to go.

\*Maps do not cover all areas or all routes within an area. Also, constant expansion and rebuilding of the road network mean that the digital map database is not always the latest road and traffic information. Always follow relevant regulations and road information.

#### INTUITIVE DRIVING >

Lean back and let the nearly infinite range of adjustments in the driver's seat offer pampering support. Everything you need is perfectly placed. With both hands on the wheel, you're in position to operate most of the car's controls – including the audio system.

## **BORN TO RUN**

When it leaps into action you'll appreciate the sure-footed grip. The fuel-efficient five-cylinder engine generates an abundant flow of power. The drivetrain is a synthesis of strength and precision that produces an invigorating thrust. The Volvo V70 doesn't need an audience to perform.

**< ENGINE**

The 5-cylinder engines form the core of your driving experience, providing power on demand. Cutting-edge technology and advanced engineering result in quick acceleration, but not at the expense of fuel consumption or emissions. The engine range spans from the thrilling 300 hp R to the highly efficient 165 hp non-turbo powerplant.

**TRANSMISSION >**

The engine's power reaches the road through a range of five or six-speed transmissions. To give you the best of both worlds, the Geartronic automatic transmission offers you the convenience of a fully automatic ride, or lets you shift through the gears manually for faster acceleration or to utilize the engine's braking capacity.

**EXTREME  
PERFORMANCE CAPABILITY**

This is the original high performance wagon – the car that's created a category of its own. The Volvo V70 R provides thoroughbred performance while sacrificing none of the lifestyle embracing qualities you expect from a Volvo. To find out more, see the Volvo R brochure.

## STIMULATING SAFETY

One thing the Volvo V70's preventive safety won't prevent is driving pleasure. Take the solid chassis for example. Its rigid structure helps absorb the forces that are the natural result of a spirited drive down a winding road. At times like this, you'll also appreciate the attentive steering, and STC or DSTC, with the advanced technology to help keep you on track.

#### ACTIVE STABILITY SYSTEM

STC (Stability and Traction Control) is an anti-spin system that improves traction in slippery situations by temporarily reducing engine torque. The enhanced version, DSTC (Dynamic Stability and Traction Control) also features an anti-skid function that brakes one or more of the wheels to help keep the car on course. Both systems react smoothly, efficiently, and instantaneously. For sportier driving or when driving in snow or sand, the anti-spin function can be reduced by the simple press of a button.

#### ANTI-LOCKING BRAKES WITH EBA

Designed to handle even the toughest tests, the power of ABS will not fade away when it's needed most. So you can put your foot down as you steer clear of trouble. And if you don't press the pedal hard enough, EBA (Emergency Brake Assistance) steps in with a power boost to help bring the car to a standstill in the shortest possible distance.

#### BI-XENON

As darkness descends, you will appreciate the powerful and effective low and high beam headlights. And for an even broader and longer beam of light, you can add Bi-Xenon headlights. Integrated front and rear side-marker lights make it easier for other road-users approaching from the side to see your car.

Like its siblings, the Volvo V70 was conceived in the Volvo Safety Centre. One of the most advanced facilities of its kind, this is where we crash test every model we make. Above and beyond countless computer simulations, we conduct over 400 full-scale collisions each year. These tests are based on what our researchers discover on the roads – we've investigated over 30,000 actual accidents since 1970. In fact, everything we do to make cars safer begins, and ends with real-life traffic situations. The Volvo V70 is testimony to this fundamental philosophy.

## REAL-LIFE EXPERIENCE

This fixed test tunnel is used for collision tests inside the center, and for rollover tests outdoors.

Within the center, our 850-ton barrier can be positioned and configured to replicate the dangers of countless real-life traffic situations. What's more, this is where collisions take place between a vehicle entering the center through the fixed tunnel and another entering from a pre-defined angle via the movable test track.

The movable test track allows us to test our vehicles on various outdoor surfaces. As the illustration shows, it even provides the opportunity of crashing into solid Swedish bedrock.

**WHIPS (WHIPLASH PROTECTION SYSTEM)**

Whiplash is one of the most common traffic injuries, often resulting from low-speed rear impacts. WHIPS helps reduce the risk of long-term whiplash injuries. Integrated into the front seat backrests, WHIPS supports the spine and neck in a controlled manner, and is triggered by impacts of sufficient force from behind.

**IC AND SIPS**

The inflatable curtain (IC), and a laterally mounted airbag – part of the Side Impact Protection System. These are further examples of the car's inherent safety systems developed at the Volvo Safety Centre in Sweden.

## ORGANIC SAFETY

### BRIGHT EYES

Effective headlights and optional integrated high-pressure washers assure a powerful beam to help improve your night vision. For an even stronger, more focused beam of light, opt for Bi-Xenon headlights. To help improve visibility in bad weather, the door mirrors come with a water-repellant coating, and the optional rain sensor automatically starts the windshield wipers whenever they're needed.

### RESILIENT FRAME

The robust safety cage is an extremely rigid construction intended to form an enclosure around the occupants of the car. It is surrounded by the body's various deformation zones – resilient areas designed to help absorb some of the forces generated in a collision.

### INTUITIVE REFLEXES

If a collision is unavoidable, a series of safety systems interact. Together with the airbag, the front seat belt pretensioners provide a two-phase response to help embrace the driver and front seat passenger during the course of a collision. The severity of the impact determines the level of airbag inflation.

## PERSONAL SECURITY

The V70 expands the scope of personal protection. Approach and Home Safe lighting with ground lighting in the outer side view mirrors illuminates the area around the car and allows greater safety when approaching or departing the vehicle. An electronic immobilizer and door locks that withstand most break-in attempts help protect against theft. A security system with sensors in the doors, hood and tailgate activate an alarm if someone should ever try to break into the vehicle. And in the event of trouble

At Volvo, providing for your personal safety is a natural extension of our devotion to your driving safety. And so, a number of critical features have been added to the Volvo V70 to help you avoid threatening situations.

– press the panic button in the remote control and the alarm is sounded. For an even higher level of personal safety you can add the HomeLink remote garage door opener (included in the Convenience Package). And to increase your capacity to drive away from a threatening situation, even with a punctured tire, your Volvo can be equipped with Self Supporting Run-Flat Tires, SST (included in the Run Flat Package).

#### **MUSCULAR BODY**

A web of beams and struts interact to help protect the occupants without adding unnecessary weight. This solid safety cage incorporates the Side Impact Protection System (SIPS), which distributes collision forces over a large part of the car's body. The sides are reinforced to offer added protection.

#### **PROTECTIVE INSTINCT**

Emergency Brake Assistance (EBA) will detect emergency braking and assist the driver in bringing the car to a stop. And the Whiplash Protection System (WHIPS) cradles the front seat occupants to help reduce the risk of whiplash injuries. The Occupant Weight Sensor (OWS) monitors the weight of the person in the front passenger's seat, and disables the front passenger's side airbag if a child weighing less than approximately 55 lbs is seated in that position.

#### **SENSE OF BALANCE**

A broad stance and an advanced chassis promote stability. The Stability and Traction Control system (STC) counteracts wheel spin by cutting power to a wheel until it regains traction. The Dynamic Stability and Traction Control system (DSTC) also works to prevent skids by applying the brakes when needed. The steering is communicative yet firm. And for an enhanced sense of road feedback at highway speed, there's the option of a speed-dependent steering system.

## **SPACE FOR THE CREW**

The carefully tailored cabin provides an air of discreet luxury. Beyond its ample space, the Volvo V70 offers superior seating comfort with some highly sensual materials. Add to this the contemporary design and functionality of a modern Swede, and you're driving a car that's never going to be left on the sideline.

#### **CLIMATE CONTROL**

A comfortable interior climate makes you a safer driver. Beyond temperature control, a cabin air filter and an advanced air quality monitoring system ensure that the air you breathe is as clean as possible. Electronic Climate Control (ECC) maintains the set temperature inside the car regardless of the weather on the outside. Separate settings can also be made for the left and right sides of the cabin.

#### **SHIP SHAPE**

Stay equipped for the challenges of everyday life. The load and shopping bag holder creates an easily accessed area for sporting gear, shopping bags and other items. To regain access to the entire cargo area, simply fold down the holder into the floor.

#### **COMFORTABLE KIDS**

The integrated booster cushions help position children weighing 33-80 lbs at the correct height for the seat belt. They also provide a high level of comfort and a great view. And folding down the booster cushions when not in use is kid's stuff.

## TEAM PLAYER

Arguably, what you can't get inside it isn't worth trying to move. Should you need more than 58 cubic feet of loading space, the roof carrying system accommodates bulky items of up to 220 lbs – and the Volvo V70 loves to tow.

Up to five people travel comfortably in this highly insulated passenger compartment, and a number of clever details increase versatility. The rear seat backrest can be adjusted to one of two positions: one for maximum comfort, one for greater loading space while still seating passengers in the back. The optional retractable 60/40-split nylon safety net or a steel safety-grille protect your passengers from unsecured luggage. And to conceal equipment in the cargo compartment, simply pull out the retractable load cover.

Fold down as much of the 60/40-split rear seat as necessary to combine cargo and passengers comfortably and safely. The head restraints tuck conveniently out of the way, providing a flat-floored cargo compartment. And to keep loose items under control, secure your load using the floor eyelets. You can also add a floor-attached load-securing net and a net-pocket for the side panel.

For unexpected shopping bargains and particularly bulky items, fold down the front passenger seat's backrest. This provides you with a flat-floored loading compartment that's just over 10 feet long. Moving up a level, there's Volvo's roof-mounted load-carrying system. And for the ultimate loading facility – the option of a tow bar.

## **SOUL MATE**

At Volvo, the health and well-being of people has always been close at heart. The ability of our cars to help protect occupants in accidents is a case in point. And in recent decades, this protective attitude has grown to encompass the air we breathe and the world we share. A Volvo is a conscientious choice – enjoy yours.

#### **CONTRIBUTING TO OUR TOMORROW**

Volvo Cars is an ambitious corporate citizen. We aim to maintain the equilibrium between the needs of our company – its people, customers and partners – and the society that has enabled us to build it. Care for the environment is a vital part of this effort, as are the far-reaching responsibilities towards the people of this world. Our annual Corporate Citizenship Report is available at [www.volvocars.com/citizenship](http://www.volvocars.com/citizenship)

And to recognize and reward people who go above and beyond the call of duty, we created the Volvo for Life Awards program, see [www.volvoforlifeawards.com](http://www.volvoforlifeawards.com)

#### **CLEAN INSIDE**

The Volvo V70 cabin filter prevents dust, exhaust particles and pollen from entering the car through its ventilation system. The optional IAQS (Interior Air Quality System) monitors incoming air for unhealthy gases. If necessary it will close the vents to ensure that cabin air does not become hazardous. This also has the added benefit of shutting out unpleasant odors. To make life more pleasant for people with allergies or asthma, all the interior fabrics meet the requirements of Oeko-Tex Standard 100 – an international standard ensuring that textiles and leather are free from allergy-inducing substances, health-impairing ingredients and harmful emissions. Additionally, numerous interior components are tested with respect to contact allergies.

#### **CLEAN OUTSIDE**

More efficient engines mean lower fuel consumption and, in turn, less emission of carbon dioxide – a greenhouse gas. Advanced emission controls eliminate between 95 and 98% of carbon monoxide, hydrocarbons and nitrogen oxides. The three-way catalytic converter is positioned to provide full exhaust conversion sooner after cold starting. All Volvo V70 engines meet stringent exhaust requirements. The 2.4 engine complies with California's ULEV and PZEV standards. A catalytic coating on the radiator-PremAir<sup>®</sup>\*, converts up to 75% of the harmful ground-level ozone passing through the radiator into pure oxygen.

#### **CLEAN FOR LIFE**

Each Volvo begins its relationship with the environment at the earliest stage of design. It's built in one of the world's cleanest automobile factories, and 85% of it can be recycled. What's more, our environmental product information (EPI), allows you to choose a model of Volvo on the basis of its overall lifelong environmental performance. Find out more at [www.volvocars.com/epi](http://www.volvocars.com/epi)

#### **CLEAN BROCHURE**

At Volvo, concern for the environment is important in every aspect of what we do. This brochure is 100% recyclable. The paper is manufactured in North America utilizing the Sustainable Forestry Initiative. No paper pulp material is harvested from old-growth forests or rain forests, and it is chlorine-free. The inks and coatings utilized for print are vegetable and water-based. Even the shipping cartons contain 50% post-consumer waste and are also 100% recyclable.

\*PremAir<sup>®</sup> is a trademark of Engelhard Corporation.

In a Volvo V70, the powertrain and chassis interact to provide a harmonious balance between response and comfort. The smooth, powerful five-cylinder engine is the very heart of the driving experience. You have access to the entire power output without pushing the engine, and response is instantaneous. Low internal friction and the very latest engine technology featuring electronic engine management and variable valve timing result in both dazzling performance and modest fuel consumption. At the same time, the engines also meet very strict emission standards.

## THE V70 SELECTION

# 2.4

**VOLVO V70 2.4 (168\* HP)**

A truly attractive and versatile sports wagon with a 2.4-liter five-cylinder engine that inspires a more relaxed driving style. At the same time, you can enjoy fast, safe passing and – not least – unusually attractive fuel economy. Variable valve timing on the intake side means spirited performance with smooth pulling power at all engine speeds. With highly efficient combustion and emission control, this engine meets the very strict ULEV II or, in some states, SULEV II emission requirements. A crisp five-speed manual transmission comes as standard. As an option, you can choose the five-speed automatic transmission.

\*165-hp in California, Maine, Massachusetts, New York, New Hampshire, Rhode Island, Vermont.

# 2.5 T

**VOLVO V70 2.5T (208 HP)**

Provides a beautifully balanced and spirited driving experience. The five-cylinder 2.5-liter turbocharged engine gives you access to full engine torque (236 ft./lbs.) from as low as 1500 rpm – so you can start off quickly and will seldom need to shift down, for example when passing slower moving vehicles. The very latest advances in engine technology with variable valve timing for both intake and exhaust valves ensures excellent performance and cleaner exhaust emissions under all driving conditions. With highly efficient combustion and emission controls, this engine meets the very strict ULEV II emission requirements. A five-speed Geartronic automatic transmission is standard.

# STANDARD FEATURES

	V70 2.4	V70 2.5T
<b>SAFETY:</b>		
Anti-submarine seats	●	●
Cargo security cover	●	●
Daytime running lights (halogen semi-sealed with replaceable bulb)	●	●
Driver and front passenger supplemental restraint system – dual-threshold air bags	●	●
HomeLink remote garage door opener	P	P
Illuminated side marker lights/turn signal indicators	●	●
Immobilizer, encrypted ignition key	●	●
Inflatable side curtain (IC)	●	●
ISOFIX baby/child seat attachment system	●	●
Overhead-mounted seat belt reminder lights	●	●
Rear-door child-safety locks	●	●
Rear fog light with auto-off	●	●
Safe approach and home safe lighting	●	●
Seat belts: five, 3-point inertia-reel belts with automatic pretensioners; front belts have height adjustment	●	●
Security system	●	●
Side impact air bags for driver and front passenger (SIPS bags II™)	●	●
Side impact protection system (SIPS)	●	●
Dynamic stability and traction control (DSTC)	P	P
Stability and traction control (STC)	●	●
Top-tether child seat anchorage capability	●	●
Whiplash protection seating system (WHIPS)	●	●
<b>INTERIOR:</b>		
Auto-dim rearview mirror (included in Convenience Package)	P	P
Cruise control	●	●
Cup holders	●	●
Driver seat with manual tilt, recline and adjustable lumbar support	●	N/A
Dual-zone electronic climate control (ECC) (included in Premium Package for 2.4)	P	●
Dual-zone manual climate control	●	N/A
Five padded head restraints	●	●
Four reading lamps	●	●
Front and rear 12-volt power outlets	●	●
Front center armrest	●	●
Front door-panel storage pockets	●	●
Front seat-back storage pockets	●	●
Illuminated lockable glove compartment	●	●
Illuminated vanity mirrors in driver/front passenger sun visors	●	●
Interior cabin light delay	●	●
Leather-trimmed gearshift knob	●	●
Leather-trimmed steering wheel	●	●
Luggage/cargo area lights	●	●
Plush front and rear floor mats	●	●
Power-adjustable driver seat, 8-way with 3-position memory and lumbar support	P	●
Power-adjustable passenger seat, 8-way with lumbar support	N/A	P
Power windows with driver and passenger auto up/down with anti-trap feature	●	●
Rear seat ventilation outlets on B-pillar	●	●
Rear window defroster with automatic timer	●	●

Trip computer	●	●
Two entry lights (in front door foot wells)	●	●
60/40 split-folding rear seat	●	●
<b>EXTERIOR:</b>		
Central power door locks with remote keyless entry, trunk and fuel filler locks	●	●
Entry/exit lights in outer rearview mirrors	●	●
Front fog lights	N/A	●
Outside temperature gauge	●	●
Pollen filter for passenger compartment	○	○
Power-adjustable heated exterior rearview mirrors	●	●
PremAir® treated radiator	●	●
Tinted windows	●	●
2-speed windshield wipers with intermittent cycle	●	●

● = Standard ○ = Option P = Package

## PREMIUM PACKAGE

A Volvo offers you long, relaxed drives and more spirit in your daily life. The Premium Package will provide you with some necessities for that extra ambience and convenience.

- Electronic climate control, ECC (2.4)
- Leather seating surfaces
- Power driver seat w/memory (2.4)
- Power glass moonroof
- Power passenger seat (2.5T)
- Real wood inlays

## CONVENIENCE PACKAGE

The wide range of considerate and practical features makes life with your Volvo a truly enjoyable experience. And by adding the Convenience Package, you expand your freedom even more.

- Auto dimming mirror
- Cargo protection net
- Grocery bag holder\*
- HomeLink
- Power child locks
- Roof rails
- Rear park assist
- Sun glass holder
- 12 volt outlet, cargo area

\*Not available if 3rd seat is ordered.

## RUN FLAT TIRE PACKAGE

A package to help increase both driving and personal safety. This system makes it possible to continue driving even with a punctured tire. Please note that the reinforced sidewalls on tires of this type result in a somewhat firmer\* ride compared with conventional tires.

- Dynamic Stability Control (DSTC)
- Self supporting tires
- Tire pressure monitoring system
- 17" ORESTES alloy wheel

\*May be most noticeable on rough or uneven road surfaces.

## CLIMATE PACKAGE

In a Volvo you're always prepared to deal with the ever-changing forces of nature. And to increase comfort when driving in cold, rain or snow – simply add the Climate Package.

- Headlight washers
- Heated front seats
- Rain sensor

## SOUND WORTH SHARING

Because music is an essential part of life, our two audio systems, the Performance HU-650 and the optional top-of-the-line Premium Sound HU-850 are specifically configured for the acoustics of the Volvo V70 interior. Both systems make music worth listening to – whether you've got somewhere to drive or not. Like any high-end equipment, there are several alternatives for expanding and varying sound and function.

#### MUSIC AT YOUR FINGERTIPS

The advanced RDBS radio with its built-in CD player or 6-CD changer, and extras such as Volvo's digital jukebox, are conveniently controlled from the center console. The steering wheel keypad enables you to operate the audio system without taking your eyes off the road.

#### DOLBY SURROUND PRO LOGIC® II AND ACTIVE SUB-WOOFER

The latest generation Dolby® Surround system, with center speaker and digital sound processor, recreates authentic sound and ensures that everyone in the car hears the music with the same natural quality. The result is a clear open sound with a strong sense of presence, only available in a Volvo. And for a bass you can feel through your whole body, add the 12-inch sub-woofer with a built-in 150 W amplifier.

#### VOLVO DIGITAL JUKEBOX

Using mp3 format, this 20 Gb digital jukebox enables you to take almost 400 albums on tour – that's up to 500 hours of music. Easily installed in the back of your Volvo, it allows you to choose musical category, artist, album or song from the control panel of the car stereo. To keep your eye on the road, a voice will help guide you to your choice. (Retailer installed accessory.)

## PREMIUM SOUND

Uncompromising sound of absolute world class for the discerning music lover. Volvo's most sophisticated audio system with eleven Premium Sound speakers, an advanced Premium Sound amplifier and Dolby Surround Pro Logic® II. The speakers' power durability and excellent transient reproduction in combination with the amplifier's high capacity result in exceptional resolution and perfect dynamics. The Dolby® Surround system offers a uniquely realistic and three-dimensional audio experience whether you are sitting in the front or rear seats.

Premium Sound includes:

- HU-850 RDBS radio with built in 6-CD changer
- 11 Premium Sound speakers
- Dolby Surround Pro Logic® II with center speaker and digital sound processor
- Premium Sound amplifier, 4x75 W plus 25 W for the center speaker
- Premium Sound digital sound processor

Can also be supplemented with a separate 10-CD changer, CD storage in the glove compartment and an active 150 W sub-woofer.

\*The Dolby and Pro Logic trademarks are the property of Dolby Laboratories.

- Speaker
- Sub-woofer (optional)

## PERFORMANCE (STANDARD)

An easy to use and great-sounding standard system with RDBS radio, built-in single-CD player and six speakers.

The following are included in the standard equipment:

- HU-650 RDBS radio with built in 4x25 W amplifier and single-CD player
- 6 speakers

Can also be supplemented with a separate 10-CD changer and CD storage in the glove compartment.

#### VOLVO ADAPTER FOR APPLE IPOD®

This feature lets you take all of your favorite artists along for the ride. Simply plug your iPod® into a cable in the front center armrest and the choice of music is yours. Tracks can be selected by using the controls on the car's audio system, or by using the optional steering wheel keypad. Your iPod® is also recharged for as long as it's plugged in. (Retailer installed accessory.)

\* iPod is a trademark of Apple Computer, Inc.

#### VOLVO SATELLITE RADIO

Satellite radio is now available for your Volvo. Volvo has joined forces with Sirius to offer an integrated satellite solution that is sure to provide endless listening enjoyment.

## FINISHING TOUCHES

Customize the look to suit your taste and temperament. Select a design from the aluminum wheels below. Then just add the necessary exterior trim details until your Volvo V70 is as sporty or as elegant as you'd like it.

7.5x17" ORESTES alloy wheels  
235/45/17 tires (incl. in Run Flat Package)

7.5x17" ORPHEUS alloy wheels  
235/45/17 tires (opt. 2.5T)

7.5x17" THOR alloy wheels  
235/45/17 tires (opt. 2.4)

7x16" EURUS alloy wheels  
215/55/16 tires (std. 2.5T)

6.5x16" ECHO alloy wheels  
205/55/16 tires (std. 2.4)

**ROOF WING**

Color-coordinated. (Retailer installed Accessory.)

**ROOF RAILS, SILVER CROSSBARS AND ROOF PROTECTOR RIBS**

Practical design elements that make it possible to fully exploit the roof's load-carrying capacity. (Retailer installed Accessory.)

## INTERIOR SELECTIONS

Choose from a number of specially designed options to create the interior that best suits you. Then enjoy your creation every time you enter your car.

Leather-trimmed gear-lever knob,  
Charcoal (manual)

Leather-trimmed gear-lever knob,  
Charcoal (automatic)

Walnut Wood trim  
(Available in Premium Package.)

**TAUPE INTERIOR**

Select leather Light Taupe upholstery, Walnut Wood trim, Taupe leather-trimmed steering wheel.

Kilen textile  
Taupe (A18K)

Select leather  
Light Taupe (A981)

**GRAPHITE INTERIOR**

Select leather Graphite upholstery, Walnut Wood trim, Graphite leather-trimmed steering wheel.

Kilen textile  
Graphite (A17K)

Select leather  
Graphite (A970)

## FACTORY-INSTALLED OPTIONS

The sense of quality and care – and knowing that you get the Volvo that suits your lifestyle. Customize your car with the options that best meet your demands and desires, and you'll soon be behind the wheel of your individually tailored V70.

### PARK ASSIST, REAR

Makes it safer and easier to back up, for instance when parallel parking. A pulsating tone inside the cabin rises to a steady signal when the object is approximately 1 foot behind your rear bumper.

Included in the Convenience Package.

### POWER GLASS MOONROOF

Makes the interior feel extra light and airy. Touch a button – and you open or close the moonroof. And if the sun is too strong, you can always close the built-in sun shade.

Included in the Premium Package.

### GROCERY BAG HOLDER

Folds up from the cargo compartment floor and keeps your shopping bags securely in place. The bags are held in place by hooks or an elastic band. When not in use, it is hidden in the floor.

Included in the Convenience Package.

### VOLVO NAVIGATION SYSTEM\*

The Volvo Navigation System can guide you anywhere with precise audio and visual directions. Using the global positioning satellite system, a liquid crystal 6.5-inch display shows your location on a map and plots the best route. Controls are conveniently located on the steering wheel. When not in use, the screen retracts into the dashboard. All map-based information is stored on DVD.

Also available as a retailer installed Accessory.

\*Maps do not cover all areas or all routes within an area. Also, constant expansion and rebuilding of the road network mean that the digital map database is not always the latest road and traffic information. Always follow relevant regulations and road information.

### DSTC ANTI-SKID SYSTEM (DYNAMIC STABILITY AND TRACTION CONTROL)

Enhances driving stability on slippery roads. The system automatically counteracts a skid as it starts, well before you even notice. Any skidding tendency is countered smoothly and effectively by the system braking one or more wheels or reducing engine power as necessary to retain control. The system also includes EBA (Emergency Brake Assistance), which helps shorten the stopping distance in emergency braking.

Included in the Run Flat Tire Package.

### BI-XENON HEADLIGHTS

Give you even more effective low and high beams, with a broader, longer and more pleasant beam throw under all lighting conditions. Low beam height is adjusted automatically to provide the best possible light pattern when the car is heavily loaded.

Requires the Climate Package. Available 2.5T.

## ACCESSORIES

Volvo's accessories help you make your V70 even more suited to your personal needs. They are the only ones that have been tested to meet Volvo's exacting safety, quality and environmental requirements. You can also rest assured they're a perfect match to the technology and design of your Volvo.

### FOR DRIVING FREEDOM

- Ashtray front and rear
- Business bag organizer
- CD holder glove compartment
- Coin holder
- Door sill moldings
- Electric cooler box
- Engine protection plate
- HomeLink
- Navigation system
- Park assist front and rear
- Picnic table and seat cushions
- Roof spoiler
- Satellite radio
- Speaker upgrades
- Subwoofer
- Sun glass holder
- Volvo adapter for Apple iPod
- Volvo digital juke box
- Waste bag holder rear seats
- 10 Disc CD changer

### FOR YOUR INTERIOR COMFORT

- Bag holder foldable
- Bumper protection cover
- Dog cage
- Floor mats, rubber
- Leather care kit
- Load liner
- Load securing net, cargo compartment floor
- Luggage compartment mats
- Net pocket, side panel
- Nylon safety net
- Sport floor mats
- Sport shift lever
- Sport steering wheel
- Steel cargo organizer
- Tunnel mats
- Vertical divider

### FOR YOUR LEISURE

- Aluminum wheels
- Automatic leveling system
- Bicycle carrier
- Bicycle lift carrier
- Bike holder hitch mounted
- Canoe/Kayak carrier
- Car cover
- Cargo box
- Electric engine heater

469 Lunar Gold metallic

471 Willow Green metallic

**PLEASE NOTE:** It is not possible to reproduce exact original shades in this brochure. Ask your Volvo retailer to show you samples.  
As part of our commitment to the environment, the paper used in this brochure is recycled, and color choices were printed directly on the page. This eliminates the need for chemically treated color chips. A small thing perhaps, but then, every little bit helps.

## WELCOME TO OUR FAMILY

Being a Volvo owner is about more than just owning an automobile. It's about being treated in a caring, responsive and respectful manner every time you interact with our company. All of us are committed to making every aspect of your Volvo experience a rewarding one. So after the new car smell begins to fade, you'll still be excited about owning a Volvo.

**CARE  
BY VOLVO**

### **VOLVO CAR FINANCE NORTH AMERICA**

If you purchase or lease your Volvo through Volvo Car Finance North America, you can take advantage of services designed to make financing simple and convenient. Quick Debit, for instance, enables you to have your monthly payment automatically debited from a designated bank account. For more information, call 1-800-770-8234 or visit [www.volvofinance.com](http://www.volvofinance.com)

### **CARE BY VOLVO® ON CALL ROADSIDE ASSISTANCE**

Whenever you need us, we're just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Care By Volvo® On Call Card and dial 1-800-63-VOLVO – anytime, day or night. Your complimentary four-year membership activates the moment you become a Volvo owner.

### **CARE BY VOLVO INSURANCE SERVICES**

This exclusive Care by Volvo Insurance Services program\* is designed to help you secure automobile insurance coverage at preferred rates available to Volvo owners. Our highly experienced, licensed insurance agents are ready to help you find the right coverage from a broad selection of top insurance providers – providers who recognize what makes you unique as a Volvo driver. Best of all, you get all the advantages of shopping around for special rates with one simple call to 1-877-VOLVO-05 or one simple form at [www.volvocars.us/insurance](http://www.volvocars.us/insurance)

### **VOLVO NEW CAR WARRANTY**

Your new car warranty provides comprehensive coverage for four years or 50,000 miles, whichever occurs first. Additional warranties cover corrosion, seat belts, the supplemental restraint system, emission systems, genuine Volvo replacement parts and genuine Volvo accessories. Should you encounter any problem with your Volvo, simply contact the nearest retailer for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional protection of a VIP plan, contact your local retailer.

### **THE VOLVO OWNERS' CIRCLE**

Driving is not the only rewarding part of owning a Volvo. As a member of the Volvo Owners' Circle, you'll have access to information designed exclusively for Volvo owners. This unique online resource includes frequently asked questions, special offers, a resale value wizard, and your own Virtual Glove Box – complete with an owner's manual and more.

### **VOLVO GENUINE SERVICE**

The best way to ensure superior performance year after year is to bring your Volvo to your authorized retailer for regular maintenance. Our service advisors and factory-trained technicians are uniquely qualified to maintain your automobile. With the aid of advanced Volvo diagnostics, they follow all prescribed factory maintenance outlined in your service interval manual. Genuine Volvo Service is our ongoing commitment to you: to keep your Volvo performing smoothly long after other cars have given up.

### **VOLVO MOBILITY PROGRAM**

The goal of the Volvo Mobility Program is to assist persons with physical disabilities or hearing impairment achieve independence. For those with exceptional transportation needs, freedom can be facilitated within the extraordinary comfort and safety of a specially adapted Volvo. For additional information on this program, please contact the Volvo Mobility Program Headquarters at (800) 803-5222 or visit [www.volvocars.us/mobility](http://www.volvocars.us/mobility).
