"THE NUMBER 8 HAS ALWAYS REPRESENTED THE PINNACLE OF SPORTS PERFORMANCE AND EXCLUSIVITY AT BMW. THE NEW BMW 8 SERIES DEMONSTRATES THAT RAZOR-SHARP DYNAMICS AND MODERN LUXURY CAN GO HAND-IN-HAND."

Harald Krüger
Chairman of the Board of Management BMW AG

"....IT IS A LUXURIOUS SPORTS CAR WHICH EMBODIES BOTH UNADULTERATED DYNAMICS AND MODERN LUXURY LIKE ARGUABLY NO OTHER. FOR ME, IT'S A SLICE OF PURE AUTOMOTIVE FASCINATION."

INSPIRATION

AN ICON IS REBORN

EXTERIOR DESIGN

PROPORTIONED FOR POWER AND BEAUTY

The generously curved and muscular surfaces give the BMW 8 Series Coupé a confident sportiness. Voluminous rear wheel arches emphasise a low centre of gravity and wide rear lights in the BMW typical L shaped design underscore the strong shoulders.

FREEDOM AT THE TOUCH OF A BUTTON

Thanks to the new clamp technology, the innovative soft-top blends harmoniously into the dynamic lines of the BMW 8 Series Convertible. At a push of a button, it opens and closes electrically in approximately 15 seconds and at speeds of up to 31mph (49km/h). This extremely high-quality soft-top additionally provides excellent noise insulation.

EXPERIENCE A VIEW LIKE NO OTHER

You'll feel completely at home under the optional Panoramic glass roof exclusively available for the Gran Coupé model. The large continuous glass surface extends far into the rear and emphasises the BMW 8 Series Gran Coupé from the outside. From the inside, it opens the view and creates a light-flooded, airy atmosphere from all seats.

INTERIOR DESIGN

COMFORT IS JUST THE START

In the BMW 8 Series Gran Coupé passengers experience an enclosed feeling even on dynamic journeys due to the single-seat design at the rear, which is visually oriented to the seats in the cockpit: not only do they offer ideal support they also spread an unparalleled sports car atmosphere.

SPARKLING DESIGN DETAILS

Available as optional equipment, CraftedClarity glass application is an experience for the hands and the eyes. The handmade crystal cut glass on selected control features such as the gear selector, the Start/Stop button and iDrive Controller add to the already noble ambience.

A SYMPHONY FOR THE SENSES

The optional Bowers & Wilkins Diamond Surround Sound System creates an audio experience that turns every nuance, every emotion of music into an acoustic revelation with its pure, rich and precise sound.

In the BMW 8 Series Convertible, the Air collar integrated in the height-adjustable front headrests ensures a pleasant journey, even when driving on cold days with the top open, thanks to a three-stage adjustable warm airflow.
