PACKAGES.

Optional packages offer an attractive combination of the most popular options at a reduced (combined) cost and will enhance any journey in the BMW X3 M Competition and BMW X4 M Competition.

COMFORT PACKAGE.

- Comfort Access with smart opener
- Extended storage
- Seat backrest adjustment for rear seats (X3 M Competition only)
- Steering wheel heating

M CARBON PACKAGE.

- Interior trim, Carbon Fibre
- M Carbon exterior package
- M Carbon engine strut

ULTIMATE PACKAGE.

- BMW Gesture Control
- Comfort package (full contents)
- Driving Assistant Plus
- Enhanced Bluetooth with wireless charging
- Interior trim, Carbon Fibre
- M Carbon package (full contents)
- Panoramic glass sunroof
- Parking Assistant Plus
- Seat heating, front and rear
- Sun protection glass
- WiFi hotspot preparation

M DRIVER'S PACKAGE.

- Top speed increase from 155mph to 177mph (250km/h to 285km/h)

Increase of top speed not available until the running in inspection has been completed.

OPTIONAL EQUIPMENT HIGHLIGHTS.

DRIVING ASSISTANT PLUS.

Driving Assistant Plus offers greater comfort and security during monotonous or complex driving situations. These can include traffic jams, stop-and-go traffic or long journeys through the city, on country roads or motorways, along with navigating junctions and lane changes.

Function may be limited in darkness, fog or bright glare.

TOWBAR, FULLY ELECTRIC.

The towbar with electrically adjustable tow ball is approved for heavy loads of up to 2,400kg. In order to stabilise, the trailer stability control automatically brakes the pulling vehicle if the trailer begins to swing. The electronically adjustable tow ball is not visible when stowed under the rear apron.

PARKING ASSISTANT PLUS.

Parking Assistant Plus makes parking and manoeuvring the vehicle easier and includes the features of Parking Assistant as well as Surround View (Top View, Panorama View and 3D View) as well as Remote 3D View.

Not with Parking Assistant.

SUNBLINDS, REAR WINDOWS.

The mechanically-operated roller sunblinds for the rear side windows protect the interior from sunlight and offer privacy.

Exclusively available for X3 M Competition.

SEAT HEATING, FRONT AND REAR.

The seat heating increases the temperature of the seat and backrest surfaces of the front seats as well as the exterior rear seats. It can be individually regulated to three levels for each seat.

ROOF RAILS, HIGH-GLOSS SHADOWLINE.

The High-gloss Black Shadowline roof rails add a premium-quality touch. Lying flat on the roof, they form the basis for a multi-functional BMW roof rack unit that carries a roof box, bicycles and surf boards easily and securely.

Standard for X3 M Competition.

ENHANCED BLUETOOTH WITH WIRELESS CHARGING.

Enhanced Bluetooth with wireless charging includes a wireless charging dock and additional USB ports. Two mobile telephones and an audio player can be connected simultaneously via Bluetooth. The technical capacity for a WiFi hotspot is also included. For Smartphones without an inductive charging function, special charging cases are available to purchase via BMW Parts and Accessories.

STEERING WHEEL HEATING.

The Steering-wheel heating quickly warms up the rim of the steering wheel within a very short time after activation.

Included in Comfort package.

TECHNICAL INFORMATION.

X3 M Competition

X4 M Competition

Power output (hp)	510	510
0-62mph / 0-100km/h (secs)	4.1	4.1
Fuel consumption – combined (mpg)*	24.4-24.8	24.6-24.8
Fuel consumption - combined (l/100km)*	11.6-11.4	11.5-11.4
CO ₂ emissions – combined (g/km)*	265-261	263-259

* = Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. The CO₂ figures were previously based on the NEDC equivalent.
