SOMETIMES YOU HAVE TO CHANGE PERSPECTIVE  
TO REALISE: PERSONALITY SURPASSES EVERYTHING

INSPIRATION

IMPRESSIVE  
EXPRESSIVE  
UNMISTAKABLY X

## EXTERIOR DESIGN

### FOCUSED EXPRESSIVENESS FOR MAXIMUM VISIBILITY

Great personalities are characterised by a striking look. The dynamically contoured, hexagonal full-LED headlights with adaptive bend lighting lend the BMW X7 unique expressiveness. Visually highlighted by Blue accent clasps and the "BMW Laserlight" designation, the optional BMW Laserlights provide additional driving comfort with a range of up to 600m in high-beam mode.

### A STATEMENT THAT ATTRACTS EVERYONE'S ATTENTION

The large, emphatically vertical Kidney grille forms the heart of the impressive front design. Its massive presence stands in charming contrast to the slim front headlights. Both Kidney grille elements are connected to form a monolithic unit – the largest double Kidney grille in the BMW range.

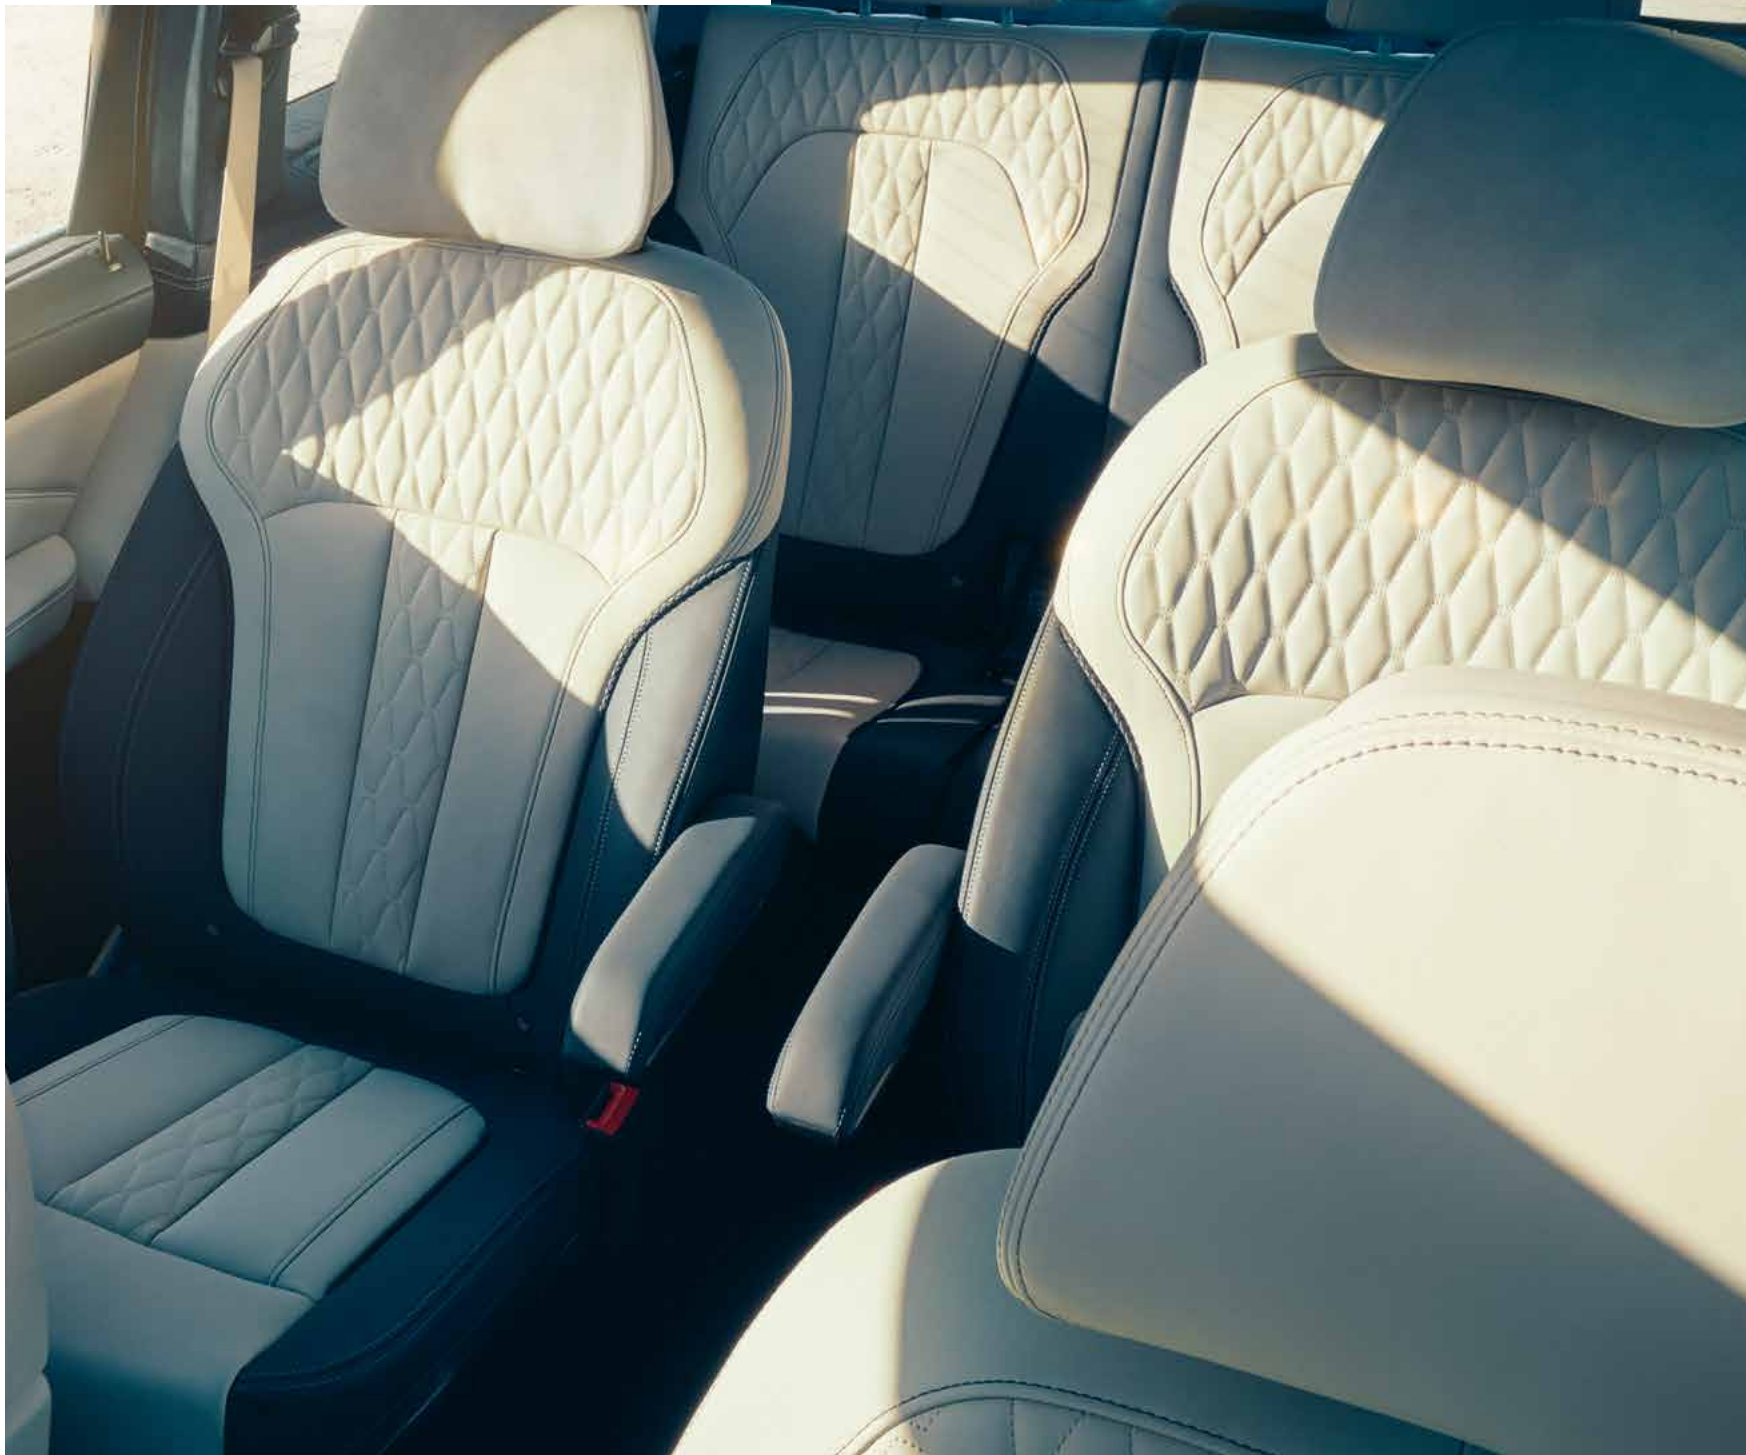

### ELEGANT WHEEL DESIGN

At 22 inches, the optional light alloy Multi-spoke style 757 wheels, exclusively available for xDrive40i and xDrive40d models, are among the largest wheels in the portfolio and thus radiate an unmistakable presence when viewed from the side. Finished in Bicolour, they look particularly noble.

## INTERIOR DESIGN

### SIX-SEAT DESIGN

As well as pure driving luxury, the BMW X7 includes the option to configure the seats inside. As part of the optional six-seat design, Comfort seats become available for passengers in the second row and include cupholders, as well as seat and backrest adjustment. A separating net is also included for load protection.

### ACTIVE SEAT VENTILATION FOR FRONT SEATS

Active seat ventilation for the front seats provides a cool and pleasant seat temperature resulting in a more comfortable driving experience. Applies to the seat base and backrest. Exclusively available as part of the optional Premium Pack and Ultimate Pack.

### SPARKLING DESIGN DETAILS

The optional CraftedClarity glass application comprises elaborately hand-made design elements made of crystal glass that visibly and noticeably enhance the interior. The details of the gear selector, iDrive Controller and Start/Stop button are made of fine crystal glass. The gear selector also has an extravagant crystal glass that is crowned by a finely worked, illuminated 'X'. The interior of the vehicle is perfected in this very special way and at the same time underlines the high standards of its driver.

Coupling the Sky Lounge Panoramic glass sunroof, available as optional equipment, with the standard Ambient Lighting allows dynamic light flow throughout the BMW X7 and creates an open sense of spaciousness and a luxurious atmosphere for any drive. This is the true luxury of travelling.

M50i  
MODELS

# M50i

## MODELS

In addition / replacement to M Sport models

### EXTERIOR

- Exhaust tailpipes – single, left and right, Cerium Grey
- Kidney grille, Cerium Grey

  - BMW Operating System 7.0
  - iDrive Controller with Touch Function
  - Intelligent Functionalities
  - Remote Software Upgrade
- Connected Package Professional
- WiFi hotspot

INNOVATION

VISIONARY INTELLIGENCE

# DRIVER ASSISTANCE HIGHLIGHTS

## DRIVING ASSISTANT PROFESSIONAL

Offering optimum comfort and maximum safety, the optional Driving Assistant Professional supports you during critical or monotonous driving situations. Active Cruise Control with Stop&Go function, Approach control warning, Speed Limit Assist and further driving assistance systems are included. Exclusively available as part of the optional Technology and Ultimate Packs.

## REVERSING ASSISTANT

Reversing Assistant saves the last 50m of a route made in forward travel at low speed so that it can be retraced if required. The driver is relieved of the steering work and can concentrate fully on monitoring the vehicle environment. The driver remains responsible for the linear guidance via accelerator and brake in order to avoid collisions with objects in the vehicle environment. Available as part of Parking Assistant Plus.

## CROSSROADS WARNING WITH CITY BRAKING FUNCTION

Crossroads warning with city braking function detects traffic lights, traffic signs and vehicles crossing and can avoid accidents. Braking assistance with visual/acoustic warning including active braking intervention occurs in the event of a potential collision with intersecting traffic. Part of the optional Driving Assistant Professional. Exclusively available as part of the optional Technology Pack and Ultimate Pack.

# CONNECTIVITY AND INFOTAINMENT HIGHLIGHTS

## BMW LIVE COCKPIT PROFESSIONAL

BMW Live Cockpit Professional with navigation function includes a high-quality display network consisting of a high resolution 12.3" Control Display and a fully digital 12.3" instrument display. The BMW Operating System 7.0 has variable, configurable widgets that display information in real-time.

## ENHANCED BLUETOOTH WITH WIRELESS CHARGING

Enhanced Bluetooth with wireless charging offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot. It includes an improved hands-free capability for the front passenger with the provision of a second microphone.

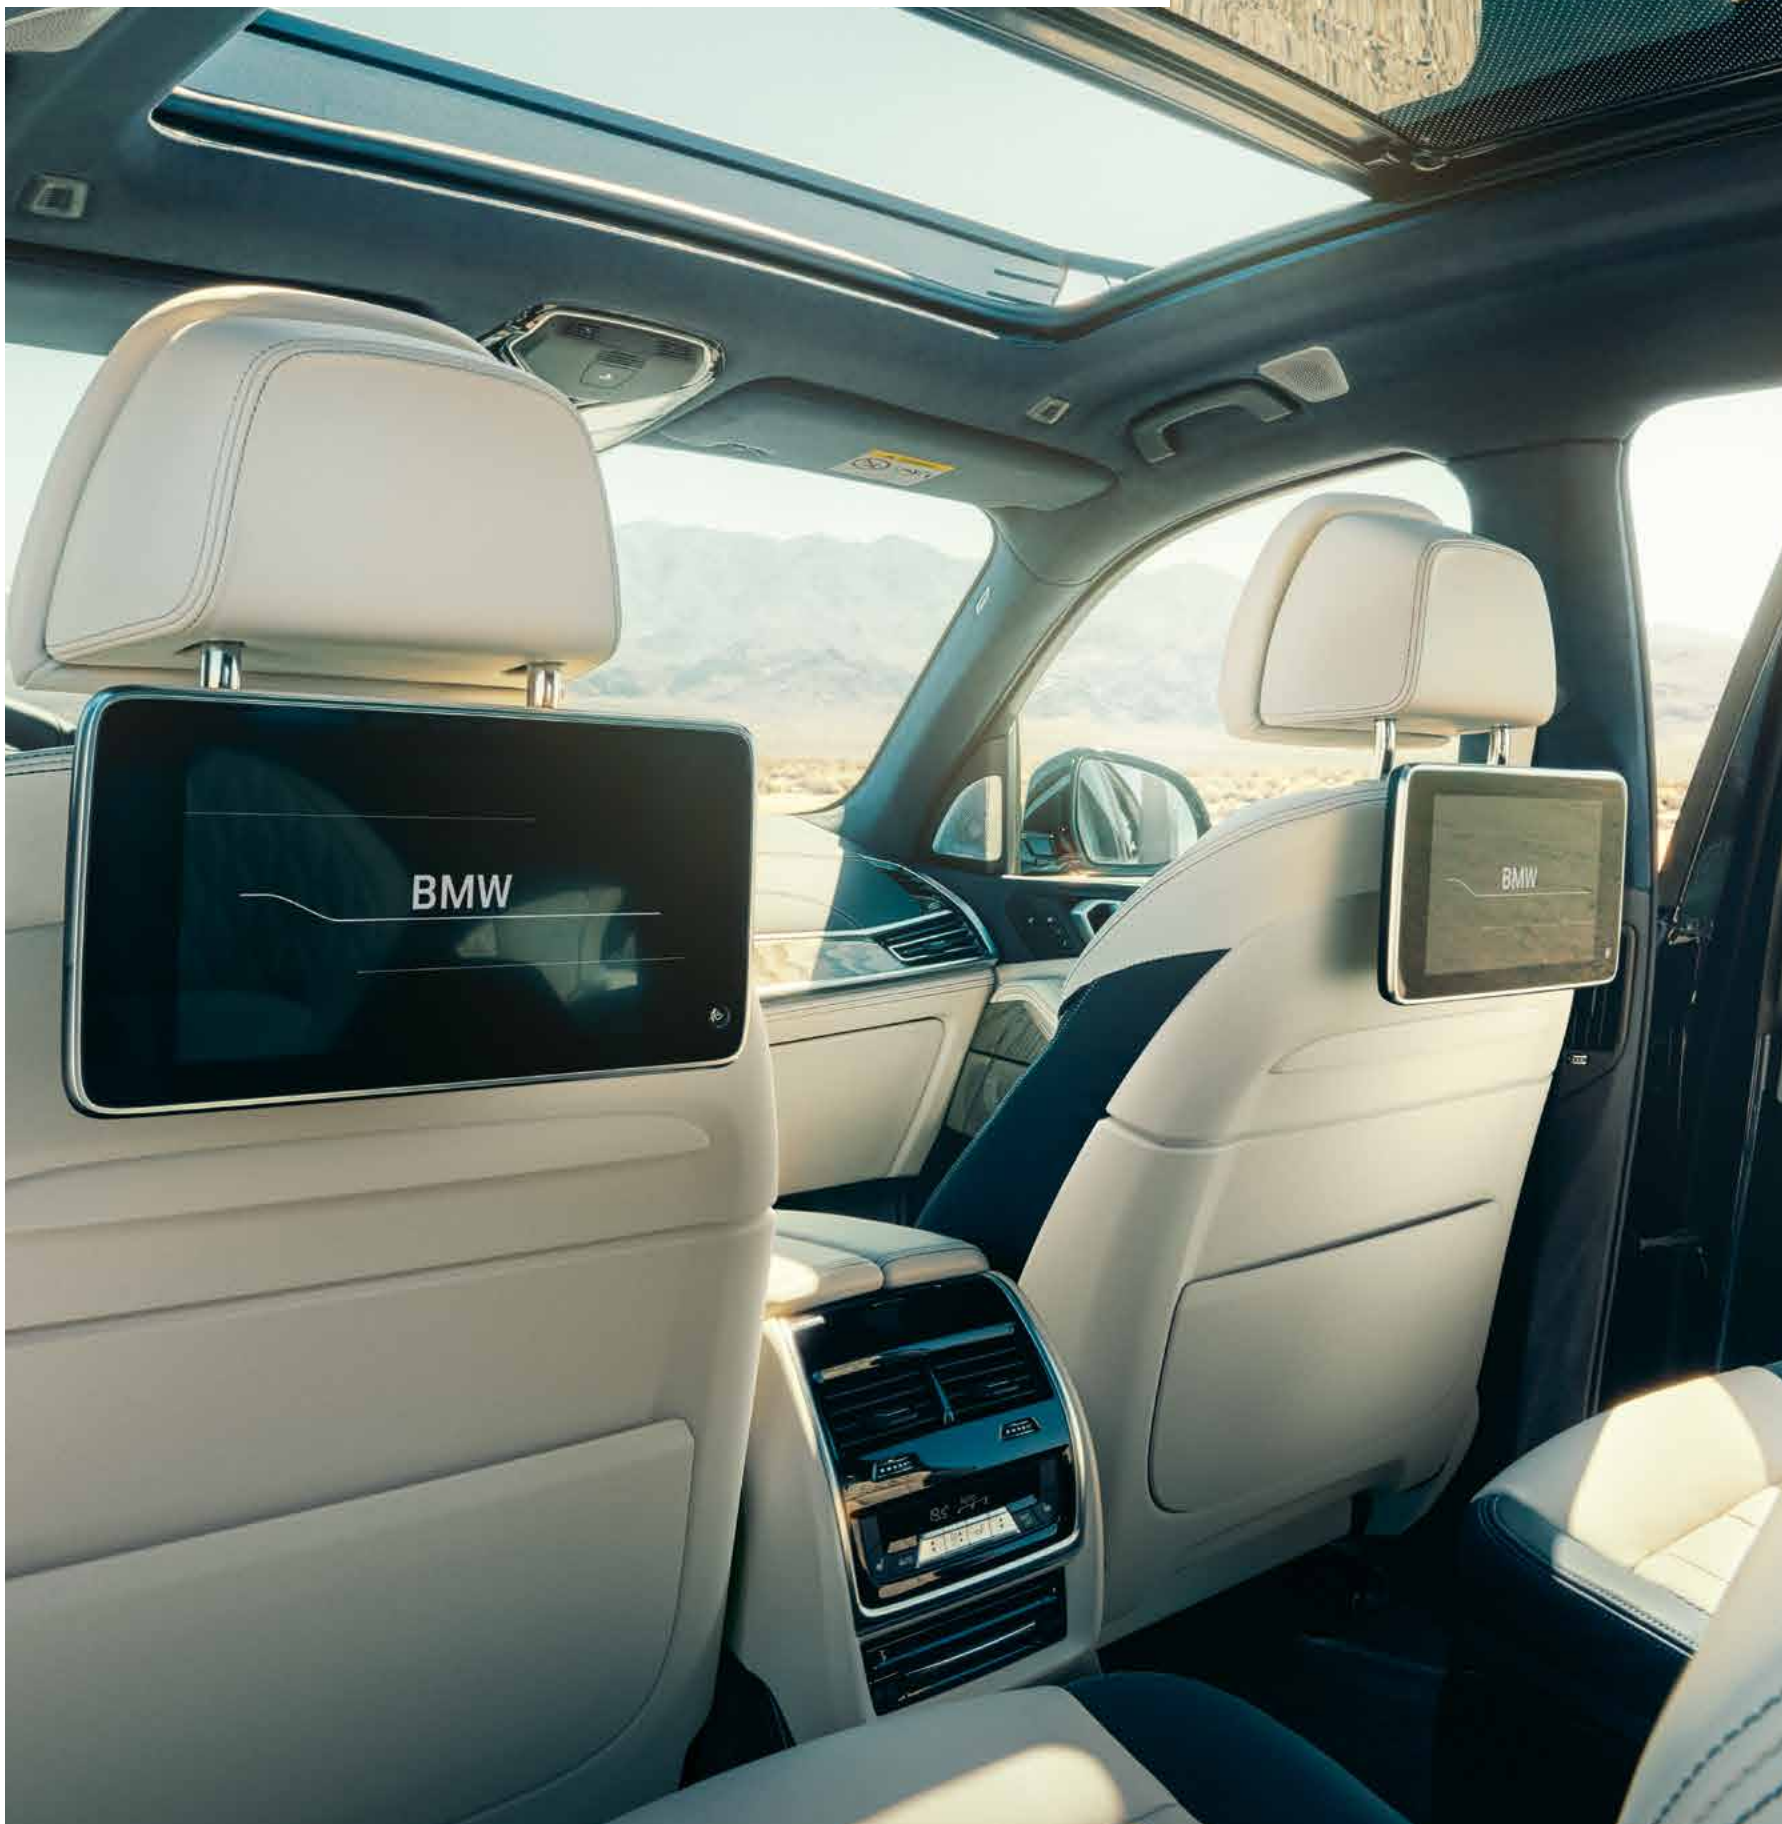

## REAR-SEAT ENTERTAINMENT PROFESSIONAL

Rear-seat Entertainment Professional provides excellent entertainment for rear passengers thanks to two separate tilting 10.2" displays with touch function and Blu-ray drive. Additional USB connections and separate connections for MP3 players, smartphones, tablets and headphones (even wireless) are included. Operation can also be by remote control. Not available with the Travel & Comfort System. Available as part of the optional Entertainment Pack.

## COMFORT AND FUNCTIONALITY HIGHLIGHTS

### TEMPERATURE-CONTROLLED CUPHOLDERS

The heated or cooled temperate cupholders in the front centre console can be used individually. The temperature control is activated via buttons on the left and right with ambient lighting indicating blue for cooling or red for heating. Exclusively available as part of the optional Premium Pack and Ultimate Pack.

### AUTOMATIC AIR CONDITIONING WITH FIVE-ZONE CONTROL

Thanks to the Automatic air conditioning with five-zone control, the temperature for the driver and front passenger, the left and right sides of the second row of seats as well as the third row of seats can be set independently of one another. Each fellow traveller can thus enjoy the most pleasant climate for him or her. Available as part of the optional Premium Pack and Ultimate Pack.

# PACKAGES

## ULTIMATE PACK

Enhancing luxury and comfort specifically for your BMW X7, the Ultimate Pack provides a generous selection of optional equipment to fully optimise your BMW driving experience. Available within this package:

- |   |                                      |
|---|--------------------------------------|
| Air conditioning, automatic with five-zone control          | Integral Active Steering             |
| Ambient Air Package   | Laserlights                          |
| BMW Individual High-gloss Shadowline with Extended contents | Luggage compartment separating net   |
| Bowers & Wilkins Diamond Surround Sound System              | M Carbon mirror caps                 |
| CraftedClarity glass application                            | M Sport exhaust system               |
| Cupholder, temperate  | Massage function, front              |
| Driving Assistant Professional                              | Rear-seat Entertainment Professional |
| Executive Drive Pro <sup>1</sup>                            | Roller sunblind, rear side windows   |
| Head-up Display   | Active seat ventilation, front       |
| Heat Comfort Package, front                                 | Sky Lounge Panoramic glass sunroof   |
|   | Sun protection glass                 |
|   | TV Function Plus                     |

<sup>1</sup> = xOffroad Pack available as package alternative instead of Executive Drive Pro.

## ENTERTAINMENT PACK

Ensure your BMW X7 is equipped with excellent entertainment options. Available as part of this package:

- |                                      |                  |
|--------------------------------------|------------------|
| Rear-seat Entertainment Professional | TV Function Plus |
|--------------------------------------|------------------|

# PACKAGES

## TECHNOLOGY PACK

Including a range of Driving Assistance systems, the Technology Pack supports you in numerous driving and parking situations ensuring that you are supported on the road.

- Driving Assistant Professional
- Head-up Display
- Loudspeaker system – harman/kardon
- Cost alternative:  
Bowers & Wilkins Diamond Surround Sound System

## PREMIUM PACK

Providing superior comfort, convenience and practicality the Premium Pack offers a tailored combination of luxury equipment. Contents include:

- Cupholder, temperate
- Active seat ventilation, front
- Heat Comfort Package, front
- Ambient Air Package
- Air conditioning, automatic with five-zone control<sup>1</sup>
- Massage function, front

<sup>1</sup> = If selected on xDrive40i then the top speed is reduced to 130mph (209km/h)

## VISIBILITY PACK

Visibility Pack includes BMW Laserlights, these feature three lighting levels and include LED low and high-beam headlights with laser module, position lights, daytime driving lights, direction indicators, cornering lights and Adaptive headlights. They include BMW Selective Beam (the dazzle-free high-beam assistant from BMW). The laser module for high-beam headlights doubles the light intensity compared to Bi-LED (more than 500m light emitted from Blue high-performance laser diodes is concentrated to White light with high intensity on a small phosphor plate). Includes specific design elements and exclusive BMW Laserlight designation.

## M SPORT PRO PACK

Exclusively available for M Sport models, the M Sport Pro Pack enhances driving dynamics with the combination of BMW advanced technology and M Sport performance options.

- 22" M light alloy V-spoke style 755 M wheels, Bicolour Jet Black
- M Sport exhaust system
- Sun protection glass
- BMW Individual High-gloss Shadowline with Extended contents<sup>2</sup>
- Cost alternative:  
22" BMW Individual Y-spoke 758 I wheels

<sup>2</sup> = Can be deselected if not required, please consult your local BMW Retailer for further details.

## THE BMW X7 DARK SHADOW EDITION

Reach the epitome of luxury during your driving experience. With the BMW X7 Dark Shadow Edition you will enjoy supreme levels of craftsmanship interlaced with the purely exceptional performance expected from the BMW TwinPower Turbo eight-cylinder engine and M Sport exhaust system.

The BMW X7 Dark Shadow Edition is limited to just 10 cars for the UK and Ireland and is exclusively available on the range-topping M50i xDrive. To find out more, please contact your local BMW Retailer for details.

| 0-62mph / 0-100km/h (secs)                 | 6.1       | 6.1               | 4.7       | 4.7                        | 6.1       | 6.1               |
| Fuel consumption (combined mpg*)           | 24.8-25.7 | 25.0-25.7         | 21.7-22.1 | 21.9                       | 34.9-36.2 | 35.3-36.2         |
| Fuel consumption (combined l/100km*)       | 11.4-11.0 | 11.3-11.0         | 13.0-12.8 | 12.9                       | 8.1-7.8   | 8.0-7.8           |
| CO <sub>2</sub> emissions (combined g/km*) | 258-249   | 257-250           | 295-290   | 293                        | 212-203   | 211-204           |
| Mild Hybrid Technology† (Y / N)            | N         | N                 | N         | N                          | Y         | Y                 |

\* = Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO<sub>2</sub> figures shown above have been determined according to the WLTP test. The CO<sub>2</sub> figures were previously based on the NEDC equivalent. † = 48V Mild Hybrid Technology provides many benefits including improved recovery of kinetic energy during braking and support of the combustion engine when accelerating. This helps to reduce CO<sub>2</sub> emissions whilst improving fuel consumption and performance.
